Dating Coach Rule Number 1: Don't fall for your client, especially if he's your best friend. Cole I don't suck at dating. I suck at getting over the girl who friend-zoned me back in college. But I have a plan: Let her set me up. Bomb the dates. Then she can be my dating coach and I can finally show her I'm the one for her and not that jerk boyfriend she's always crying on my shoulder about. Arianna I've had the same boyfriend for three years, which practically makes me a relationship expert. So when my famous best friend asks for my help, I know turning him into boyfriend material will be a piece of cake. I'll tell him to get a haircut, maybe open a few doors here and there and the guy will be golden. I mean, with all those muscles and jaw-dropping good looks, it really should be no problem. There's just one thing I didn't expect: to want him for myself. *Friend Zone to End Zone* is a sweet romance with no cheating.

Friend Zoned - Jennifer Sucevic 2021-04-07

From USA Today bestselling author Jennifer Sucevic comes a sexy, new adult sports romance. Sam Harper, left tackle for the Barnett Bulldogs, is my best friend and has been since we were fourteen years old. Unfortunately, he sees himself as my unofficial big brother. Which is to

say that the guy is a major cock block. I swear he has a sixth sense when it comes to me getting laid. It's frustrating how I can be on the verge of sealing the deal when Sam will appear out of nowhere, and suddenly my night is going up in a big ball of sexually frustrated flames. I think the guy enjoys messing with me. Why else would he take such perverse pleasure in doing it? Exactly. I'm thinking he needs a girlfriend. Someone to preoccupy him. Maybe then he'd stop trying to get in my way all the time. Except...I'm starting to notice things about Sam that I definitely shouldn't be noticing. Like those piercing blue eyes that pin me in place. Or his short blond hair that I want to drag my fingers through. Not to mention those killer abs that I sometimes catch a fleeting glimpse of when he stretches next to me in class. The strange feelings that have sprung up in me are definitely starting to freak me out. I mean, we're friends. We've always been just friends. And I don't want that to change. I don't want to take a chance and lose Sam. Next to my grandparents, he's all I have. What I need is for our relationship to slide back to the way it's always been. We have eight solid years of friendship behind us. That's not something I'm willing to throw away on a bit of sexual attraction that will eventually fizzle out. No matter how tempted I might be. --- "I absolutely loved this book! I rarely give a book five stars but this one turned out to be one of my favorites!" -Carla, GoodReads "Sam was definitely the hero of this book and is now one of my book boyfriends" - Nicole, GoodReads "Sam and Violet's friendship was rock solid and the way it turned into romantic feelings was so natural. Friend Zoned - Jennifer Sucevic 2016

Is it wrong to suddenly find yourself crushing on your best friend? The one person who has always been there for you? I'm kind of thinking that it is. What I know for sure is that absolutely no good can possibly come from it. My relationships tend to expire long before the gallon of milk sitting idly in my fridge. So why would I want to screw up the best relationship I've ever had? No brainer- I wouldn't. And yet I still can't stop noticing the way his piercing blue eyes pin me right in place. Or the

unexpected urge I have to drag my fingers through his short thick blond hair. And those killer abs I sometimes catch a fleeting glimpse of when he stretches that big muscular body of his next to me in class? Yeah, you know it's bad when your panties instantly flood on the spot. And don't even get me started on the way soft cottony t-shirts fit across his ridiculously broad shoulders...Nope... I should most definitely not be noticing any of this. Nor should I want to claw out the eyes of the waitress who keeps flirting with him right in front of my face...Clearly you can see why I'm starting to freak out here. So, exactly how do I go about getting rid of these traitorous feelings that have oh-so-unexpectedly taken root? How do I rewind time to when I wanted nothing more than a platonic friendship from him? I haven't the faintest clue... I just know that I have to try my damndest to stop these nonsensical feelings from becoming even more entrenched. Because Sam is the one person I can't afford to lose. He's my absolute everything. Without him... yeah, I can't even begin to imagine my life without him filling it. I refuse to throw away eight solid years of friendship on fickle feelings of sexual attraction. So, no matter what happens, I can't give in to these feelings. Piece of cake, right? Wrong. So, so wrong.

Are you stuck in the friend zone's vicious cycle when all you want is to date the woman you are interested in and not become her friend? Or maybe you've thought why been so nice to women you are interested in is a bad idea, and you don't know how to stop being a nice guy who always gets the "I only see you as a friend" vibe from women? If you have always wanted to get the girl and not be her friend or close buddy, this book answers what you have been looking for. This short but value-packed book is for men who want to stop being a nice guy who always doesn't get the girl he wants and wants to turn to the man who women she likes and love want to date and even be so much in love with. Let face the truth, being a nice guy sucks! And yes, I have been there before many years ago when I am the chief resident officer of the nice guy villa while thinking I am so nice,

agreeable, affectionate, gentle on the women I want, subtle and many more good words that I think women should love me for. But the harsh reality I faced then showed me I was doing everything wrong, which makes the girls I want to date only want to be my friend and nothing more. It's cool to be nice, but you know that being nice and even ultimately being a nice guy isn't working for you. If you have always been that nice guy, this book tells you everything you need to stop being Mr. Nice Guy who doesn't get the girl he wants to the one who is still nice and gets all the girls he wants to date and have a relationship with. In this book, you will learn: My journey as a nice guy for years and how a nice guy screwed me up many times and what you should learn from my nice guy experience will cause you to get any girl you want from now on. Why been nice is a bad idea when you meet a girl you love to date. The qualities you need to start developing as a man to make sure you stop getting the results you are getting now from women like a nice guy. Insanity, they say, is doing the same thing all the time and expecting different results. In this book, you will learn all the new things you should be doing and the mindset you should develop to win as a nice guy. What women need that you don't know. These things are what have helped you get friend-zoned as a nice guy many times. In this book, you will learn what women need, and in giving them that, you increase your chance of dating them and even sleeping with them (if you want to). I have been the poster boy for a nice guy for years, and after being tired of getting the same "let's be friends" vibe from many women I love to date, I started digging to learn what I was doing wrong and what I should be doing to get the girls I want. The result of my many months of digging helped me for years to start dating hot women I would have never been able to date before I started fixing my nice guy problem. If I can overcome my nice guy problem, then why not share all I know with other nice guys out there who are seriously looking for a solution to stop being a Mr. Nice Guy. The result of that, though, is this book. You will learn a lot about how not to be a nice guy again in this book, and I guarantee there will be a shift in result for good if you read this book and implement everything you will learn in the book. This book simply aims to aid people with both fields of thought - the creative and the analytic part.
