6 Fun Date Ideas to Win Her Heart Kym Kostos 2014-05-15 In my 35 years of dating since I was fifteen years old, I have had my fill of good dates and bad dates. I am pretty sure we have all had those dates from hell that we tell our friends or ones that we just soon want to forget. So, what about the ones that turned out perfect? Don't have too many of those? Don't worry, because in this book I will give you some ideas and dates from start to finish for fun first dates, romantic dates, creative dates, indoor dates, outdoor dates, cheap dates that are easy on your wallet and even a date for those who are miles apart in a long distance relationship. Guys always want to impress a girl and sweep her off her feet, but sometimes have no clue as to where to start. Females by nature are great planners, especially when it comes to events, dinners, parties, and yes, even dates. Why? Because we pay attention to detail and that is what is the most important thing. Details tell a girl how you feel about her. Simple details to intricate ones, either way they are signs of what you really feel about the girl. If you take a lot of time planning a great date, that tells the girl that you are interested in her and want to get to know her better, especially if it's a date that allows you two to talk and get to know each other better. Girls love dates like that! Taking a girl out, tossing a burger down her throat and taking her to a movie is just plain boring. That's something you do AFTER you have won her heart and even then, it's questionable. Whatever happened to the courtship of dating? When you take the time to plan and give her a date to remember, it shows that you care and want to impress the girl. You don't have to have a lot of money either to do this.

Confessions of a Happily Married Man is a husband's painfully honest account of his first ten years of marriage. It offers a window into the perspective of a man who went from "hello" to "I do" in nine months and then figured out how hard marriage could be. When

Joshua Rogers thought back on the marriage books he had read or sermons about marriage he had heard, it occurred to him that he could only remember one thing about them: the stories. That's why this book is anchored by stories that other couples will relate to and can easily learn from. The stories are cringe-worthy, humorous, inspiring, heart-breaking, and full of wisdom--but the author isn't telling the reader what to do with that wisdom. He's letting the reader learn along with him as he's gradually becoming more self-aware, increasingly grateful for his wife, and surprised to discover what God is doing in the middle of it all.
