"Powerfully raw, deeply moving, and utterly authentic. Rachel Lloyd has turned a personal atrocity into triumph and is nothing less than a true hero.... Never again will you look at young girls on the street as one of 'those' women—you will only see little girls that are girls just like us." —Demi Moore, actress and activist With the power and verity of *First They Killed My Father* and *A Long Way Gone*, Rachel Lloyd's riveting survivor story is the true tale of her hard-won escape from the commercial sex industry and her bold founding of GEMS, New York City's Girls Education and Mentoring Service, to help countless other young girls escape "the life." Lloyd's unflinchingly honest memoir is a powerful and unforgettable story of inhuman abuse, enduring hope, and the promise of redemption.

Top Girls - Caryl Churchill 2018-02-22

Marlene thinks the eighties are going to be stupendous. Her sister Joyce has her doubts. Her daughter Angie is just frightened. Since its premiere in 1982, *Top Girls* has become a seminal play of the modern theatre. Set during a period of British politics dominated by the presence of the newly elected Prime Minister Margaret Thatcher, Churchill's play prompts us to question our notions of women's success and solidarity. Its sharp look at the society and politics of the 1980s is combined with a timeless examination of women's choices and restrictions regarding career and family. This new Student Edition features an introduction by Sophie Bush, Senior Lecturer at Sheffield Hallam University, UK

prepared with the contemporary student in mind. METHUEN DRAMA STUDENT EDITIONS are expertly annotated texts of a wide range of plays from the modern and classic repertoires. As well as the complete text of the play itself, this volume contains: · A chronology of the play and the playwright's life and work · an introductory discussion of the social, political, cultural and economic context in which the play was originally conceived and created · a succinct overview of the creation processes followed and subsequent performance history of the piece · an analysis of, and commentary on, some of the major themes and specific issues addressed by the text · a bibliography of suggested primary and secondary materials for further study.

The Guyde - Howie Reith 2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.
