## **Astrology and the Rising of Kundalini -**

Barbara Hand Clow 2013-09-02

Revised and updated edition of the classic astrology text on predicting and navigating life crises • Provides charts for the transits of Saturn, Uranus, and Chiron--now updated through 2050--to predict your personal growth cycles and timing of kundalini rising • Shares tools to cope with the intensity of spiritual emergency and direct the kundalini energy released during planetary passages • Includes a new preface by the author reflecting on 20 years of success stories since the book's initial publication • No astrological chart needed to use this book In this updated edition of *Liquid Light of Sex*, renowned astrologer and spiritual teacher Barbara Hand Clow explores the connection between life crises in your 30s, 40s, and 50s and the key astrological passages of Saturn, Uranus, and Chiron in your birth chart. She explains how kundalini energy--the "liquid light of sex" that lies at the base of the spine--is activated during these planetary transits, rising through the chakras and triggering the process of spiritual emergency, and in many cases, a cascade of health, emotional, and relationship problems as well as extreme anxiety. She shows that by understanding these astrological transits, you can be prepared for turbulent periods and successfully navigate them by creatively channeling the spiritual fire of kundalini. Clow provides astrological charts--now updated through 2050 for those born between 1930 and 2000--detailing the cycles of Saturn, Uranus, and Chiron, so you do not need your birth chart to use this book. She explains how to use the charts to predict the onset and completion of each kundalini activation and corresponding crisis. She shares tools for individuals and therapists to cope with the intensity of spiritual emergency and too much fire energy, unblock the chakras, and integrate the power of kundalini for physical, emotional,

and spiritual growth. Reflecting on 20 years of success stories since the book's initial publication, Clow presents a road map for using celestial cycles to navigate positively and productively in times of great life change.

[Awakening the Planetary Mind](#) - Barbara Hand Clow 2011-09-21

Completing our conscious evolution by releasing our collective fear of catastrophes • Explains how we are on the cusp of an era of incredible creative growth • Shows how we are about to overcome the collective fear caused by ancient catastrophes as we awaken to the memories of our lost prehistory • Examines legendary cataclysms and scientific evidence of a highly advanced global culture that disappeared 11,500 years ago In this completely revised and expanded edition of *Catastrophobia*, bestselling author Barbara Hand Clow explains how we are on the cusp of an age of incredible creative growth made possible by restoring our lost prehistory. Examining legendary cataclysms--such as the fall of Atlantis and the biblical Flood--and the mounting geological and archaeological evidence that many of these mythic catastrophes were actual events, she reveals the existence of a highly advanced global maritime culture that disappeared amid great earth changes and rising seas 14,000 to 11,500 years ago, nearly causing our species' extinction and leaving humanity's collective psyche deeply scarred. Tracing humanity's reemergence after these prehistoric catastrophes, Clow explains how these events in the deep past influence our consciousness today. Guided by Carl Johan Calleman's analysis of the Mayan Calendar, she reveals that as the Earth's 26,000-year precessional cycle shifts, our evolution is accelerating to prepare us for a new age of harmony and peace. She explains how we are beginning a collective healing as ancient memories of prehistory awaken in our minds and release our unprocessed fear. Passed from generation to generation, this fear has been

responsible for our constant expectations of apocalypse. She shows that by remembering and moving beyond the trauma of our long lost past, we bring the era of cataclysms to an end and cross the threshold into a time of extraordinary creative activity.

Moon Phase Astrology - Raven Kaldera  
2011-03-28

A guide to understanding the phases of astrological Moon signs and their effects on emotions and personality • Describes the positive and negative character-defining traits of each of the 96 Moon phase/Moon sign combinations • Explains how to use your natal Moon's sign and phase to predict how current and approaching Moons can affect you • Explores the universal challenges arising during each Moon phase throughout the year and ways to honor each phase as it passes The Moon's ever-changing phases offer a way to deepen our understanding of our natal Moon sign as well as the Moon's day-to-day influence on our emotional tides. Through its 8 phases and its wandering dance through each of the 12 signs of the Zodiac--from the Infant's Moon (the New Moon in Aries) to the Storyteller's Moon (the Full Moon in Gemini) to the Prophet's Moon (the waning Balsamic Moon in Aquarius)--the Moon shares its story in 96 different ways. Telling the stories of the heart of all 96 Moon phase and Moon sign combinations, Raven Kaldera explains the creative gifts and emotional challenges bestowed upon those born under each Moon archetype as well as how to nurture the positive traits and improve--or at least discourage--the negative ones. Exploring the influences each Moon archetype has on us as it passes, the author reveals which Moons are the most difficult, what innate qualities each Moon brings out in us, and what we can do to honor each Moon. Including evocative quotes illuminating the nature of each Moon, Kaldera shows how to use your natal Moon's astrological sign and phase to find your "hidden Moons"--the shadows cast by passing Moons--and predict how current and approaching Moons will affect you.

In *Liquid Light of Sex*, Barbara Hand Clow opens up new dimensions for understanding what occurs during these key life passages, which most of us experience three times in our lives. In the author's words, "we form at age 30, we transform at age 40, and we transmute at age 50." *The Alchemy of Nine Dimensions* - Barbara Hand Clow 2010-04-01

This is a revised and expanded edition of Barbara and Gerry Clow's classic 2004 text. This sequel to the bestselling underground classic *The Pleiadian Agenda* outlines their theory of the nine dimensions of human consciousness and how those nine dimensions have become essential to our evolutionary survival. Incorporating the research and insight of the Swedish biologist Carl Calleman, the Clows demonstrate how recent scientific discoveries validate their theories. The existence of the nine dimensions of human consciousness can be proved by science. The most controversial aspect of this book is their exploration of the Mayan prophecies. Counter to much of the prevailing opinion, the fulfillment of the prophecies will not result in the Apocalypse, but will usher in a new and expanded era of human consciousness. They also assert that the beginning of this new era begins not on December 21, 2012—but on October 28, 2011—making the time of the great shift in consciousness just around the corner. Provocative and informative, the Clows have provided an explanation and roadmap for the future. It will be embraced by all who are interested in the evolution of human consciousness.

**Revelations of the Aquarian Age** - Barbara Hand Clow 2018-02-13

A well-researched work of fiction from bestselling author Barbara Hand Clow • A contemporary spiritual and erotic thriller that reveals esoteric teachings on Jesus and Mary Magdalene, holy relics, sacred sexuality, and art

- Contains hidden secrets on the use of crystals as well as extraordinary information about secret societies
- Continues the story from Revelations of the Ruby Crystal
- From the bestselling author of The Pleiadian Agenda (98,000 copies sold) and The Mayan Code (57,000 copies sold) Shortly after his wedding at his family's ancient castle in Tuscany, sophisticated and mysterious Armando Pierleoni

reveals his richly symbolic painting of the love between Jesus and Mary Magdalene to his bride Jennifer. Deeply affecting all who view it, the alchemical portrayal leads Armando, Jennifer, and their friends on a contemporary journey into the esoteric mysteries of divine marriage, sacred sexuality, the Black Madonna, and the transformative power of holy relics. The group of friends--Jennifer's journalist brother Simon, his mystical wife Sarah, Jungian analyst Lorenzo, exotically beautiful and insightful Claudia, and Armando and Jennifer--discover past-life connections and the power of sacred sex as a path to the divine. They explore how the Knights Templar collected the bones of the Jesus family from the Talpiot tomb in Jerusalem and eventually placed them in reliquaries throughout the world--including within the Medici Chapel in Florence and in the Four Corners region of the American Southwest. When Armando's magical painting of Jesus and Mary Magdalene goes on display in the Medici Chapel and is viewed by thousands, the painting's power coalesces with Aquarian vibrations to trigger a mass kundalini rising within the Chapel, activating the sacred bones in the reliquaries. The activated bones enable the Light to flow into the world, awakening Christ Consciousness around the globe.

*Catastrophobia* - Barbara Hand Clow 2001-05-01

- Bestselling author Barbara Hand Clow examines legendary cataclysms and shows how we are about to overcome the collective fear they have instilled in us.
- The long-awaited follow-up that continues the revelations begun in The Pleiadian Agenda, which has sold more than 60,000 copies.
- Explains why, contrary to many prophets of doom, we are actually on the cusp of an era of incredible creative growth. The recent discovery of the remains of ancient villages buried beneath the Black Sea is the latest instance of mounting evidence that many of the "mythic" catastrophes of history--the fall of Atlantis, the Biblical Flood--were actual events. In Catastrophobia Barbara Hand Clow shows that a series of cataclysmic disasters, caused by a massive disturbance in the Earth's crust 11,500 years ago, rocked the world and left humanity's collective psyche permanently scarred. We are a wounded species, and this unprocessed fear, passed from generation to

generation, is responsible for our constant expectations of apocalypse, from Y2K to the famed end of the Mayan calendar in 2012. Catastrophobia reveals the insidious global forces that have used these collective fears to control humanity for thousands of years. But we are in the midst of a tremendous shift in the Earth's 26,000-year precessional cycle, and there is every indication that the changes in consciousness over the last 30 years are the beginnings of a collective healing from these deep fears, heralding a new age where we will see that the era of cataclysms is ending and a time of extraordinary creative activity is at hand. Goddesses Never Age - Christiane Northrup, M.D. 2016-12-13

THE NEW YORK TIMES BESTSELLER! Though we talk about wanting to "age gracefully," the truth is that when it comes to getting older, we're programmed to dread an inevitable decline: in our health, our looks, our sexual relationships, even the pleasure we take in living life. But as Christiane Northrup, M.D., shows us in this profoundly empowering book, we have it in us to make growing older an entirely different experience, both for our bodies and for our souls. In chapters that blend personal stories and practical exercises with the latest research on health and aging, Dr. Northrup lays out the principles of ageless living, from rejecting processed foods to releasing stuck emotions, from embracing our sensuality to connecting deeply with our Divine Source. Explaining that the state of our health is dictated far more by our beliefs than by our biology, she works to shift our perceptions about getting older and show us what we are entitled to expect from our later years—no matter what our culture tries to teach us to the contrary—including: · Vibrant good health · A fulfilling sex life · The capacity to love without losing ourselves · The ability to move our bodies with ease and pleasure · Clarity and authenticity in all our relationships—especially the one we have with ourselves "Taking all the right supplements and pills, or getting the right procedure done, isn't the prescription for anti-aging," Dr. Northrup explains. "Agelessness is all about vitality, the creative force that gives birth to new life." Goddesses Never Age is filled with tools and inspiration for bringing vitality and vibrancy into

your own ageless years—and it all comes together in Dr. Northrup's 14-day Ageless Goddess Program, your personal prescription for creating a healthful, soulful, joyful new way of being at any stage of life.

These galactic healing techniques align us with our divine selves, raise our vibratory rates, and rejuvenate and balance our bodies, while accelerating spiritual evolution and stimulating emotional healing.

**The Pleiadian Agenda** - Barbara Hand Clow 1995-10-01

Noted astrologer and spiritual teacher Barbara Hand Clow channels the voice of Satya, a Pleiadian goddess. Satya describes the huge cosmic drama taking place simultaneously in nine dimensions, with Earth as the chosen theater. The Pleiadians are a group of enlightened beings who believe that the end of the Mayan Calendar will signal a critical leap in human evolution; the Pleiadians will be there to guide us for that leap. This shift is the coming Age of Light, and the entry of our solar system into the Photon Band and the Age of Aquarius.

The Mayan Code - Barbara Hand Clow 2007-03-29

Bestselling author Barbara Hand Clow shows how the Mayan Calendar is a bridge to galactic wisdom that fosters personal growth and human evolution · Unearths the meaning behind the calendar, its message for modern civilization, and what will happen when the calendar ends · Reveals how time acceleration is a manifestation of the acceleration of consciousness · By the author of The Pleiadian Agenda The Mayan Code is a deep exploration of how, as we approach the end of the Mayan Calendar, time and consciousness are accelerating, giving us a new understanding of the universe. Using Carl Johan Calleman's research, as well as the ideas of other Mayan Calendar scholars, Barbara Hand Clow examines 16.4 billion years of evolution to

decode the creative patterns of Earth--the World Mind. These great patterns culminate in 2011, and then during 2012 major astrological influences will inspire us to attain oneness and enlightenment. The Mayan Code shows how the time cycles of the Calendar match important periods in the evolutionary data banks of Earth and the Milky Way Galaxy. These stages of evolution are converging during the final stage of the Calendar, the period between 1999 and 2011. War and territoriality, resource management and separation from nature, are all part of daily events we must process during these few short years: evidence of the tightening spiral of time that we experience as time speeding up. Barbara Hand Clow counsels that our own personal healing is the most important factor as we prepare to make this critical leap in human evolution--now referred to as the awakening of the World Mind.
