A Pocket Guide to Mastering the Art of Love-Making, Using Etiquette, Class and Style: - Ms. Ker'-en-Shemesh Auxley 2015-03-05
“Good Manners and a well-kempt place of intimacy can truly impact your relationship, causing your partner to be Just That Into You. Good etiquette and manners are essential in love-relationships. Hence, it is important to master intimacy using etiquette, class and style.”
Have you ever thought about Your Manners and the Effects that Poor Etiquette in the bedroom have on intimacy with your partner, causing him or her to be Just Not That Into You? Liz Tuccillo and Greg Behrendt’s book: *He’s Just Not That Into You: The No-Excuses Truth to Understanding Guys*” is based on the popular

episode of Sex and the City in an effort to tell WOMEN when a guy just doesn't like them enough to take the relationship to the next level. However, one of the things that stood out in Sex and the City is the fact that Men found Samantha attractive. In addition to being attractive, Samantha prides herself on maintaining a well-kempt bedroom, and maintained good personal hygiene. She was confident that her vagina had a good odor; that her clothes were clean and well-maintained; and that her skin was well-maintained. These are just some of the things that intimacy requires. Poor Manners and an un-kempt place when it comes to "Bedroom Intimacy" can truly make or break your relationship, and cause your partner to exhibit symptoms of Just Not That Into You." Read this simple book on the importance of having good manners in the bedroom and the fundamental essentialness of having a clean and an uncluttered environment when it comes to sex and bedroom intimacy. This book gives you

tips on creating the right atmosphere that creates the perfect environmental stimuli for intimacy causing a deepened and more gratifying sexual experience. The author describes this as follows: "The [clean and uncluttered atmosphere in the bedroom raise] the senses to a greater level of appreciation for each partner. The mind is at ease, and admiration on the part of each partner is had, displayed and put into action. It allows for the deeper reaching of each partner into the inner self, and in fact, the soulish realm allowing for each partner to give of him or herself more richly in the love-making process without inhibitions. . . . The [two] hearts merge, and in rhythmic syncopation [beat] as one, as a higher connection takes place." This book is a MUST READ if you want your partner to be Just That Into You and take the relationship to the next level, and commit more profoundly. The Book is available in English and Italian, and will become available soon in German and French.

The Volunteer's Back Pocket Guide to Sex -
Craig Gross 2012-02-22

Too many of our students don't know where to turn to learn about sex, leaving many feeling confused, fearful, and alone. Teenagers who struggle with sexual addiction or unhealthy patterns don't know how to find freedom and healing from the choices they've made, and they're afraid the church will label them as perverts if they're open and honest about their deepest struggles. But amidst these sobering realities, there is good news: Youth workers are on the front lines of the battle to shape, challenge, and encourage teenagers toward sexual wholeness and purity. This tool will help you as you aid students in navigating a path that honestly addresses all the challenges they might face, while honoring God along the way.
