

# Made For Love Same Sex Attraction And The Catholic Church

## **Why I Don't Call Myself Gay** - Daniel Mattson 2017-06-09

Daniel Mattson once believed he was gay. Raised in a Christian family, and aware of attractions to other boys at age six, Mattson's life was marked by constant turmoil between his faith in God and his sexual attractions. Finding the conflict between his sexual desires and the teachings of his church too great, he assumed he was gay, turned his back on God, and began a relationship with another man. Yet freedom and happiness remained elusive until he discovered Christ and his true identity. In this frank memoir, Mattson chronicles his journey to and from a gay identity, finding peace in his true identity, as a man, made in the image and likeness of God. Part autobiography, part philosophy of life, and part a practical guide in living chastely, the book draws lessons from Mattson's search for inner freedom and integrity, sharing wisdom from his failures and successes. His lifelong search for happiness and peace comes full circle in his realization that, above all else, what is true about him is that he is a beloved son of God, loved into existence by God, created for happiness in this life and the next. Mattson's book is for anyone who has ever wondered who he is, why he is here, and, in the face of suffering, where to find joy, happiness, and the peace that surpasses all understanding.

## *Love Thy Body* - Nancy R. Pearcey 2018-01-02

Why the call to Love Thy Body? To counter a pervasive hostility toward the body and biology that drives today's headline stories: Transgenderism: Activists detach gender from biology. Kids down to kindergarten are being taught their bodies are irrelevant. Is this affirming--or does it demean the body? Homosexuality: Advocates disconnect sexuality from biological identity. Is this liberating--or does it denigrate biology? Abortion: Supporters deny the fetus is a person, though it is biologically human. Does this mean equality for women--or does it threaten the intrinsic value of all humans? Euthanasia: Those who lack certain cognitive abilities are said to be no longer persons. Is this compassionate--or does it ultimately put everyone at risk? In *Love Thy Body*, bestselling author Nancy Pearcey goes beyond politically correct slogans with a riveting exposé of the dehumanizing worldview that shapes current watershed moral issues. Pearcey then turns the tables on media boilerplate that misportrays Christianity as harsh or hateful. A former agnostic, she makes a surprising and persuasive case that Christianity is holistic, sustaining the dignity of the body and biology. Throughout she entrances readers with passionate stories of people wrestling with hard questions in their own lives--their pain, their struggles, their triumphs. "Liberal secularist ideology rests on a mistake and Nancy Pearcey in her terrific new book puts her finger right on it. In embracing abortion, euthanasia, homosexual conduct and relationships, transgenderism, and the like, liberal secularism . . . is philosophically as well as theologically untenable."--Robert P. George, Princeton University "Wonderful guide."--Sam Allberry, author, *Is God Anti-Gay?* "A must-read."--Rosaria Butterfield, former professor, Syracuse University; author, *The Secret Thoughts of an Unlikely Convert* "An astute but accessible analysis of the intellectual roots of the most important moral ills facing us today: abortion, euthanasia, and redefining the family."--Richard Weikart, California State University, Stanislaus "Highly readable, insightful, and informative."--Mary Poplin, Claremont Graduate University; author, *Is Reality Secular?* "Unmasks the far-reaching practical consequences of mind-body dualism better than anyone I have ever seen."--Jennifer Roback Morse, founder and president, The Ruth Institute "Love Thy Body richly enhances the treasure box that is Pearcey's collective work."--Glenn T. Stanton, Focus on the Family "Essential reading . . . Love Thy Body brings clarity and understanding to the multitude of complex and confusing views in discussions about love and sexuality."--Becky Norton Dunlop, Ronald Reagan Distinguished Fellow, The Heritage Foundation "Pearcey gets straight to the issue of our day: What makes humans valuable in the first place? You must get this book. Don't just read it. Master it."--Scott Klusendorf, president, Life Training Institute

## **Accompanying Those with Same-Sex Attractions** - David Prosen 2019-03-22

## **Considerations Regarding Proposals to Give Legal Recognition to Unions Between Homosexual Persons** - Catholic Church. Congregatio pro Doctrina Fidei 2003

## **In the Closet of the Vatican** - Frederic Martel 2019-02-21

The New York Times Bestseller - Revised and Expanded "[An] earth-shaking exposé of clerical corruption" - National Catholic Reporter The arrival of Frédéric Martel's *In the Closet of the Vatican*, published worldwide in eight languages, sent shockwaves through the religious and secular world. The book's revelations of clericalism, hypocrisy, cover-ups and widespread homosexuality in the highest echelons of the Vatican provoked questions that the most senior Vatican officials--and the Pope himself--were forced to act upon; it would go on to become a New York Times bestseller. Now, almost a year after the book's first publication, Frédéric Martel reflects in a new foreword on the effect the book has had and the events that have come to light since it was first released. *In the Closet of the Vatican* describes the double lives of priests--including the cardinals living with their young "assistants" in luxurious apartments whilst professing humility and chastity--the cover-up of numerous cases of sexual abuse; sinister scheming in the Vatican; political conspiracy overseas in Argentina and Chile, and the resignation of Benedict XVI. From his unique position as a respected journalist with uninhibited access to some of the Vatican's most influential people and private spaces, Martel presents a shattering account of a system rotten to its very core.

## *Gay and Catholic* - Eve Tushnet 2014-10-20

Winner of a 2015 Catholic Press Award: Gender Issues Category (First Place). In this first book from an openly lesbian and celibate Catholic, widely published writer and blogger Eve Tushnet recounts her spiritual and intellectual journey from liberal atheism to faithful Catholicism and shows how gay Catholics can love and be loved while adhering to Church teaching. Eve Tushnet was among the unlikeliest of converts. The only child of two atheist academics, Tushnet was a typical Yale undergraduate until the day she went out to poke fun at a gathering of philosophical debaters, who happened also to be Catholic. Instead of enjoying mocking what she termed the "zoo animals," she found herself engaged in intellectual conversation with them and, in a move that surprised even her, she soon converted to Catholicism. Already self-identifying as a lesbian, Tushnet searched for a third way in the seeming two-option system available to gay Catholics: reject Church teaching on homosexuality or reject the truth of your sexuality. *Gay and Catholic: Accepting My Sexuality, Finding Community, Living My Faith* is the fruit of Tushnet's searching: what she learned in studying Christian history and theology and her articulation of how gay Catholics can pour their love and need for connection into friendships, community, service, and artistic creation.

## **When the Son Frees You** - A. J. Benjamin 2020-02-28

Is it really possible for a man to change his sexual orientation from gay to straight? Aren't gay men "born this way"? With the increasing normalization of homosexuality in our society and even in the Church, is there hope for men who struggle with unwanted homosexual feelings and desires? *When the Son Frees You* offers a unique perspective on these questions through the eyes of a faithful Catholic who was almost exclusively sexually attracted to men since his teenage years. The suffering, pain, and shame of his homosexuality all but consumed A. J. Benjamin . . . until he had a life-changing encounter with the Mother of Jesus. Through her intercession and following the teachings and practice of the Catholic Church, the wisdom of the saints, and the Theology of the Body of Saint John Paul II, A. J. embarked on a soul-searching journey to freedom and wholeness. Through God's grace in the sacraments, A. J. found the perfect Man in Jesus Christ and, through the power of his cross, experienced true healing of his disordered desires. A. J. is now happily married with three children and seeks to spread the Gospel message of hope and freedom to all who struggle with their sexuality. This is his journey.

## **Made for Love** - Michael Schmitz 2018-07-01

In *Made for Love*, Fr. Michael Schmitz presents the Catholic teaching on same-sex attraction and same-sex "sexual" relations. He begins by giving background information regarding the different worldviews of the human person, the philosophical ideas of nature and purpose, the differences between objective and subjective truth, the principal of non-contradiction, and the fallen human nature that resulted from Original Sin. He then discusses in great detail the nature and ends of human sexuality and the nature of true love, while, in a compassionate and non-judgmental way, explaining the flawed nature of same-sex "sexual" relations. While this book is intended primarily for those who have same-sex attraction and their family and friends, its presentation of the compassionate truth of Catholic teaching on same-sex attraction will be of great benefit to everyone in today's society.

**How to Make Great Decisions** - Mike Schmitz 2019-11

Should I buy dark chocolate or milk chocolate? Which college should I attend? Should I be married or single? We face thousands of decisions, big and small, every day. But have you ever felt like you are too busy "discerning" to actually decide? True decision-making is more than just thinking about something . . . decisions involve taking action. YouTube star, Fr. Mike Schmitz, gives you the tools to decide what to do with your life today, tomorrow, and in the future with clarity and confidence. In this little book you will learn to: know when God is speaking, how to recognize the "signs," and make wise decisions for your life. Fate is when you're fixed; you don't have a choice. Destiny is your destination . . . Know your destiny.

**Made for Love** - Michael Schmitz 2017-08-15

In *Made for Love*, Fr. Michael Schmitz presents the Catholic teaching on same-sex attraction and same-sex "sexual" relations. He begins by giving background information regarding the different worldviews of the human person, the philosophical ideas of nature and purpose, the differences between objective and subjective truth, the principal of non-contradiction, and the fallen human nature that resulted from Original Sin. He then discusses in great detail the nature and ends of human sexuality and the nature of true love, while, in a compassionate and non-judgmental way, explaining the flawed nature of same-sex "sexual" relations. While this book is intended primarily for those who have same-sex attraction and their family and friends, its presentation of the compassionate truth of Catholic teaching on same-sex attraction will be of great benefit to everyone in today's society.

*Spiritual Friendship* - Wesley Hill 2015-04-14

Christianity Today Book Award Winner *Friendship* is a relationship like no other. Unlike the relationships we are born into, we choose our friends. It is also tenuous—we can end a friendship at any time. But should friendship be so free and unconstrained? Although our culture tends to pay more attention to romantic love, marriage, family, and other forms of community, friendship is a genuine love in its own right. This eloquent book reminds us that Scripture and tradition have a high view of friendship. Single Christians, particularly those who are gay and celibate, may find it is a form of love to which they are especially called. Writing with deep empathy and with fidelity to historic Christian teaching, Wesley Hill retrieves a rich understanding of friendship as a spiritual vocation and explains how the church can foster friendship as a basic component of Christian discipleship. He helps us reimagine friendship as a robust form of love that is worthy of honor and attention in communities of faith. This book sets forth a positive calling for celibate gay Christians and suggests practical ways for all Christians to cultivate stronger friendships.

**Same-sex Attraction** - John Francis Harvey 2003

*A World Undone* - Fr. Mike Schmitz 2020-10-29

In this book, beloved speaker Fr. Mike Schmitz unfolds the mystery of brokenness. He reminds us that we have been fought for by a God who wants us as we are, not as we should be or hope to be. The Lord's will for us is to find our identity in him and to thrive, living the life he has given us.

*Homosexuality and the Catholic Church* - Fr. John F. Harvey, O.S.F.S. 2014-06-25

As the founder and director of the Courage and Encourage support groups, Fr. John Harvey is aware of the sensitive nature of homosexuality. With his extensive experience ministering to those with same-sex attraction, Fr. Harvey presents the Church's teaching in an objective and pastorally-sensitive manner. Priests, religious, and laity alike will benefit from the many questions considered here, including: What is the basis of the Church's teaching regarding homosexuality? What do many consider to be the cause of

same-sex attraction? Can a person overcome same-sex attraction? Why is it important for civil law to limit marriage to one man and one woman? How can a person live the virtue of chastity joyfully?

*Born to Love* - John R. Weiss 2009

In a truly loving manner, Fr. John Weiss tackles the major issues on homosexual attraction and relationships what the Bible says?Q the Catholic Church says?Q what science says?Q etc. facing head-on the difficult challenges put to Christians, such as: Is it a sin to be born gay? Is homosexuality an intrinsic disorder? Is gay-marriage a civil right, like interracial marriage? *Born to Love* offers HOPE for developing a solid, peace-filled personal identity based on relationships not sexual attraction applying Pope John Paul II's personalism and Theology of the Body to present the full Christian teaching in an attractive manner. Homosexuality and Hope Sunday Night Live with Father Benedict Groeschel on E.W.T.N.

*Living the Truth in Love* - Janet Smith 2015-07-08

*Living the Truth in Love* grew out of the desire to provide answers to the questions posed for the Synod on Marriage called by Pope Francis: How can the Christian community give pastoral attention to families with persons with same-sex attraction? While avoiding any unjust discrimination, how can the Church give such persons pastoral care in light of the Gospel? How can God's will be proposed to them in their situation? People who want to be instruments of Christ's love to those who experience same-sex attraction (SSA) seek guidance on how best to do so. They need to listen to the stories of those who experience SSA and the stories of those who have accompanied them on their journeys. They also need to ground their responses in a genuine Christian understanding of the human person and of human sexuality. This volume includes essays that lay out the Christian view of the human person and of human sexuality, essays that challenge the bifurcation of sexualities into "heterosexual" and "homosexual". Topics include an explanation of the meaning of the word "disorder", a discussion of the therapeutic power of friendship, and an application of Saint John Paul II's personalism to the question of same-sex attraction. Psychologists and counselors explain various ways of affirming those who experience SSA and of leading them to experience the power of Christ's healing love. Several of those who experience SSA tell their touching and inspiring stories.

*Same-Sex Attraction and the Church* - Ed Shaw 2015-11-09

When Christians have same-sex attraction, how should the church respond? Pastor Ed Shaw experiences same-sex attraction, yet he is committed to Scripture and the church's traditional position on sexuality. In this honest book, he shares his own experiences and shows us that obedience to Jesus is ultimately the only way to experience life to the full.

*Building a Bridge* - James Martin 2018-03-13

"A treasure...a wise and entertaining book that should appeal to the spiritual pilgrim in all of us, no matter what the faith and no matter whether believer or nonbeliever." - Chicago Tribune The New York Times bestselling author of *The Jesuit Guide to (Almost) Everything* and *Jesus: A Pilgrimage* turns his attention to the relationship between LGBT Catholics and the Church in this loving, inclusive, and revolutionary book. A powerful call for tolerance, acceptance, and support—and a reminder of Jesus' message for us to love one another. In this moving and inspiring book, Martin offers a powerful, loving, and much-needed voice in a time marked by anger, prejudice, and divisiveness. On the day after the Orlando nightclub shooting, James Martin S.J. posted a video on Facebook in which he called for solidarity with our LGBT brothers and sisters. "The largest mass shooting in US history took place at a gay club and the LGBT community has been profoundly affected," he began. He then implored his fellow Catholics—and people everywhere—to "stand not only with the people of Orlando but also with their LGBT brothers and sisters." Father Martin's post went viral and was viewed more than 1.6 million times. Adapted from an address he gave to New Ways Ministry, a group that ministers to and advocates for LGBT Catholics, *Building a Bridge* provides a roadmap for repairing and strengthening the bonds that unite all of us as God's children. Martin uses the image of a two-way bridge to enable LGBT Catholics and the Church to come together in a call to end the "us" versus "them" mentality. Turning to the Catechism, he draws on the three criteria at the heart of the Christian ministry—"respect, compassion, and sensitivity"—as a model for how the Catholic Church should relate to the LGBT community. WINNER OF THE LIVING NOW BOOK AWARD IN SOCIAL ACTIVISM/CHARITY.

**Fortunate Families** - Mary Ellen Lopata 2003

*Fortunate Families* addresses the experience of Catholic parents who love their gay sons and lesbian

daughters. The book had its genesis in a descriptive survey of over 200 such parents. It integrates results from the survey, church documents and stories so readers can access what they need most. Some readers will search for accurate information about Catholic teaching, others may connect with the lived experience of other Catholic parents. Still others will find examples of ministerial advocacy and support within the Catholic Church. *Fortunate Families* has all this and more. Conventional wisdom emphasizes the stories of parents who react to the news that their child is gay in verbally or physically abusive ways. These stories are told so often they take on an aura of normalcy. But there are other stories - of parents who struggle against the pressures of society and church to find and believe in the goodness of their gay child. It is critically important for parents to hear the stories of others who walked the same road before them-who have come through the experience closer to their gay or lesbian child, and who are willing to work to make the church more welcoming. Equally important is the opportunity for pastoral ministers to hear the voices of these parents and understand the need for outreach and pastoral care for gay and lesbian Catholics and their families. *Fortunate Families* will help prepare pastoral ministers help families come out of their isolation, work through their confusion and pain, and celebrate how fortunate they actually are.

**God and the Gay Christian** - Matthew Vines 2014-04-22

"*God and the Gay Christian* is a game changer. Winsome, accessible, and carefully researched, every page is brought to life by the author's clear love for Scripture and deep, persistent faith. With this book, Matthew

Vines emerges as one of my generation's most important Christian leaders, not only on matters of sexuality but also on what it means to follow Jesus with wisdom, humility, and grace. Prepare to be challenged and enlightened, provoked and inspired. Read with an open heart and mind, and you are bound to be changed." — Rachel Held Evans, author of *A Year of Biblical Womanhood* and *Faith Unraveled* As a young Christian man, Matthew Vines harbored the same basic hopes of most young people: to someday share his life with someone, to build a family of his own, to give and receive love. But when he realized he was gay, those hopes were called into question. The Bible, he'd been taught, condemned gay relationships. Feeling the tension between his understanding of the Bible and the reality of his same-sex orientation, Vines devoted years of intensive research into what the Bible says about homosexuality. With care and precision, Vines asked questions such as: • Do biblical teachings on the marriage covenant preclude same-sex marriage or not? • How should we apply the teachings of Jesus to the gay debate? • What does the story of Sodom and Gomorrah really say about human relationships? • Can celibacy be a calling when it is mandated, not chosen? • What did Paul have in mind when he warned against same-sex relations? Unique in its affirmation of both an orthodox faith and sexual diversity, *God and the Gay Christian* is likely to spark heated debate, sincere soul searching, even widespread cultural change. Not only is it a compelling interpretation of key biblical texts about same-sex relations, it is also the story of a young man navigating relationships with his family, his hometown church, and the Christian church at large as he expresses what it means to be a faithful gay Christian.
