

## Making Love Just Sexual Ethics For Perplexing Times

**Same-sex Marriage?** Marvin Mahan Ellison 2004 Extending the right to marry to same-sex couples is frontpage news, and hotly contested in both church and society. This critical book is written by a gay man and progressive Christian ethicist who places justice making at the heart of contemporary spirituality. In dialogue with both legal scholars and theologians, Ellison examines the strengths and weaknesses of how marriage traditionalists, advocates of same-sex marriage, and LGBT (lesbian/bisexual/gay/transgender) critics of marriage analyze the issues and frame their arguments. The book offers constructive proposals for revitalizing Christian sexual ethics and moving the debate forward, regardless of whether the right to marry is won or lost.

*Redeeming Gender* Adrian Thatcher 2016 This work demonstrates the importance of understanding premodern theories about sex, gender, and humanity when discussing biblical and traditional theological perspectives on these themes

Sex + Faith Kate Ott 2013 Talking with your child about sex can be scary! Sex + Faith helps parents incorporate their faith values with sexual information so they can answer questions, discuss sexuality at each stage of childhood, and show support of sexual differences. Section one explains how faith relates to sexuality and the essential role parents play in forming healthy, faithful, sexually educated children. The second section designates a chapter for four age groupings of children from infancy through high school. Each chapter explains the biological and developmental issues of the age, answers questions children tend to have, provides relevant Biblical and faith stories helpful to discuss with children of that age, and lists five to ten key educational issues for parents to keep in mind. Shaded text boxes are interspersed throughout the book with real life, practical questions that parents and children ask. Expertly written by Kate Ott, Sex + Faith is an easy to use reference guide for parents of kids of all ages.

Trust Women Rebecca Todd Peters 2018-04-10 As women's reproductive rights are increasingly under attack, a minister and ethicist weighs in on the abortion debate—offering a stirring argument that “the best arbiter of a woman's reproductive destiny is herself” (Cecile Richards, former President of the Planned Parenthood Federation of America) Here's a fact that we often ignore: unplanned pregnancy and abortion are a normal part of women's reproductive lives. Roughly one-third of US women will have an abortion by age forty-five, and fifty to sixty percent of the women who have abortions were using birth control during the month they got pregnant. Yet women who have abortions are routinely shamed and judged, and safe and affordable access to abortion is under relentless assault, with the most devastating impact on poor women and women of color. Rebecca Todd Peters, a Presbyterian minister and social ethicist, argues that this shaming and judging reflects deep, often unspoken patriarchal and racist assumptions about women and women's sexual activity. These assumptions are at the heart of what she calls the justification framework, which governs our public debate about abortion, and disrupts our ability to have authentic public discussions about the health and well-being of women and their families. Abortion, then, isn't the social problem we should be focusing on. The problem is our inability to trust women to act as rational, capable, responsible moral agents who must weigh the concrete moral question of what to do when they are pregnant or when there are problems during a pregnancy. Ambitious in method and scope, Trust Women skillfully interweaves political analysis, sociology, ancient and modern philosophy, Christian tradition, and medical history, and grounds its analysis in the material reality of women's lives and their decisions about sexuality, abortion, and child-bearing. It ends with a powerful re-imagining of the moral contours of pre-natal life and suggests we recognize pregnancy as a time when a woman must assent, again and again, to an ethical relationship with the pre-nate.

Ethno-erotic Economies George Paul Meiu 2017-10-10 In Ethno-Erotic Economies, anthropologist George Paul Meiu looks at how fantasies of sexual

difference create what we think of as "ethnicity" in a globalized world. Meiu draws back the curtain on a fascinating case of sexual tourism in Coastal Kenya in which young men deploy stereotypes of African warriors to establish transactional sexual relationships with foreign women. Meiu's deep familiarity with Samburu culture allowed him to explore the long-term effects of the sex trade on things like intimate affiliations, kinship, ritual, gender, and age in rural Kenya. What happens to communities when wealth becomes concentrated in the hands of its young men? How do these men seek to convert fast money into traditional, lasting forms of prestige to become "elders" and thus secure higher moral and social standing? And, crucially, how do others not privy to the sexual encounters themselves understand the circulation of new money? Meiu's exceptional skills as an ethnographer yield riveting testimonies from all quarters of Samburu society, resulting in a compelling look at how intimacy and ethnicity come together to shape the pathways of global and local trade in the postcolonial world.

*Professional Sexual Ethics* Patricia Beattie Jung 2013-12-01 Sexual health is an essential part of maintaining professional relationships in ministry. Focusing on implications for the practice of ministry, this book engages all dimensions of theological education and academic disciplines. Each chapter includes an analysis of common ministry situations, discussion questions, practical guidelines, and resources for further study. The volume is ideal for use in courses on professional ethics for ministry, advanced leadership training, and continuing education for clergy.

Embracing Disruptive Coherence Kathleen T. Talvacchia 2019 Does anyone need to come out anymore? Queer theory has challenged the idea of coming out as problematic for its false binary and essentialized version of identity. If gender is a socially constructed performativity, then what does coming out mean? At the same time, we live in a society that still struggles with structures of power that define what is considered normal and sanctions those who transgress. The intersectionality of gender with race, class, ethnicity, nationality, abilities, religion, age and other positional markers challenge a simplified belief that coming out is not necessary. Therefore, in the lived experience of many persons coming out still matters. This book initiates a different theological conversation about coming out. It argues that rather than the declaration of an identity category, coming out can be understood as the erotic ethical practice of truth-telling. The formation of conscience and moral integrity embody the two pillars of this erotic practice. Coming out understood as "disruptive coherence" is the erotic ethical practice of truth-telling grounded in our deepest desires to be known authentically in community. "In these pages Kathleen Talvacchia gives readers a treat: a smart, provocative analysis of how 'coming out' for LBGTQ folks is an ongoing process, not a singular event, involving far more than disclosure of identity. As she carefully maps out, coming out is a life-altering practice of 'coming into' the kind of community that encourages truth-telling and relational integrity. In her hands, moral wisdom shimmers and shakes in delightful ways." --Marvin M. Ellison, Willard S. Bass Professor Emeritus of Christian Ethics at Bangor Theological Seminary, author of *Making Love Just: Sexual Ethics for Perplexing Times* "Talvacchia persuasively insists that 'coming out as an act of disruptive coherence overturns exclusive normativities that enforce and sustain gender and sexual injustice.' This book challenges and inspires by promoting deep thinking about how queer Christians and others can live authentically and boldly." --Traci C. West, Professor of Christian Ethics and African American Studies, Drew Theological School "Kathleen Talvacchia offers an invaluable new addition to practical theological reflection on the dynamics of identity, difference, and new forms of community. She engages in nuanced reflection on the value of truth-telling, and she also expands our awareness of the multiple truths of identity. The principles explored in this book illuminate an enormous range of ethical questions." --Randall Styers, Associate Professor of Religion, University of North Carolina at Chapel Hill Kathleen T. Talvacchia is a contextual theologian with interest in practical theology, Christian practices of marginalized communities, and Queer theology. She is co-editor of *Queer Christianities: Lived Religion in Transgressive Forms* (2015), an anthology examining the lived religious experiences of LGBTIQ Christians, and authored *Critical Minds and Discerning Hearts: A Spirituality of Multicultural Teaching* (2003). She served as the chair of the Status of LGBTIQ Persons in the Profession of the American Academy of

Religion.

**She Flies On** Carter Heyward 2017-04 She Flies On is not really a critique of organized religion, but rather Carter Heyward's effort to think theologically, politically, socially, and autobiographically about the world and the church in which she has lived and worked. A Christian feminist "theologian of liberation," Episcopal priest, lesbian, Southerner, and socialist Democrat, Heyward writes about the church, but more about the people—and creatures—of God going about their lives and attempting to love one another.

**Tears of Christepona** Carter Heyward 2021-10-14 Early one morning in November 2019, Carter Heyward awoke to a voice she figured was hers, but then again, maybe it wasn't exactly her own. Grief-stricken, because her horse Feather had just been diagnosed with a rare equine cancer; in pain with a freshly broken arm of her own; and horrified by the morally bankrupt state of the nation under Donald Trump, Carter begins a conversation with "someone." Herself? Her higher power? Friends who have passed on? The persistent voice names herself (or themselves) "Christepona." Thus begins Carter Heyward's mystical presentation of her ever-deepening passion for justice-love at every level of our life together, from the very personal to the larger social and political contexts. Moving into her grief, Carter wrestles with the problem of evil. She dives into her own anger and hatred, and that of others, and surfaces in enthusiastic bursts of gratitude, joy, and hope.

**From Sin to Amazing Grace** Patrick S. Cheng 2012-03 Throughout the history of Christianity, lesbian, gay, bisexual and transgender ("LGBT" or "queer") people have been condemned as unrepentant sinners who are in dire need of God's saving grace. As a result of this condemnation, LGBT people have been subjected to great spiritual, emotional and physical abuse and violence. This issue takes on a particular urgency in light of the ongoing harassment and bullying of LGBT young people by their classmates. Cheng argues that people need to be liberated from the traditional legal model of thinking about sin and grace as a violation of divine and natural laws in which grace is understood as the strength to refrain from violating such laws. Rather Cheng proposes a Christological model based upon the theologies of Irenaeus, Bonaventure and Barth, in which sin and grace are defined in terms of what God has done for us in Jesus Christ. This book serves as a useful resource for all people who struggle to make sense of the traditional Christian doctrines of sin and grace in the context of the 21st century.

**Theologies of Failure** Robert Sirvent 2020-01-01 What does failure mean for theology? In the Bible, we find some unsettling answers to this question. We find lastness usurping firstness, and foolishness undoing wisdom. We discover, too, a weakness more potent than strength, and a loss of life that is essential to finding life. Jesus himself offers an array of paradoxes and puzzles through his life and teachings. He even submits himself to humiliation and death to show the cosmos the true meaning of victory. As David Bentley Hart observes, "most of us would find Christians truly cast in the New Testament mold fairly obnoxious: civically reprobate, ideologically unsound, economically destructive, politically irresponsible, socially discreditable, and really just a bit indecent." By incorporating the work of scholars working with a range of frameworks within the Christian tradition, Theologies of Failure aims to offer a unique and important contribution on understanding and embracing failure as a pivotal theological category. As the various contributors highlight, it is a category with a powerful capacity for illuminating our theological concerns and perspectives. It is a category that frees us to see old ideas in a brand-new light, and helps to foster an awareness of ideas that certain modes of analysis may have obscured from our vision. In short, this book invites readers to consider how both theology and failure can help us ask new questions, discover new possibilities, and refuse the ways of the world.

**A Transpacific Imagination of Theology, Ethics, and Spiritual Activism** Keun-joo Christine Pae 2023-12-25 Despite prolific feminist voices in Christian ethics, transnational perspectives are still underdeveloped. Similarly, 'secular' transnational feminist scholarship often overlooks religious faith, rituals, and spirituality, crucial to many women's liberation movements across the globe. This book aims to fill these gaps in Christian and

secular feminist scholarships by constructing a transnational feminist theo-ethics. Furthermore, by bringing the theological and the transnational together, the book offers an alternative tool in analyzing social identities beyond intersectionality (i.e., interstitial approach and interstitial integrity) and thus, renews feminist theological understandings, especially of time, memories, and healing beyond linear approaches. A renewed analytical tool would help the readers critically reinterrogate the global power structure buttressed by empire, militarized capitalism, and heteropatriarchal religious ideologies at the cost of raced, sexed, and classed bodies. At the same time, the book would create space where readers create and recreate theo-ethical visions for global peace and justice constructed upon transnational feminist praxis of solidarity and spiritual activism. Case studies offer concrete sites to inform readers about how to use transnational feminist theories at a micro- and macropolitical levels, and produce transnational feminist knowledge of God, spiritual activism, and solidarity. This book is written for graduate and advanced undergraduate students in religion, gender studies, and Asian/American studies to critically engage in the political, the theological, and the spiritual from transnational perspectives not as observers but as active participants in global politics.

*Ethics* Miguel A. De La Torre 2013-01-01 This survey text for religious ethics and theological ethics courses explores how ethical concepts defined as liberationist, which initially was a Latin American Catholic phenomenon, is presently manifest around the globe and within the United States across different racial, ethnic, and gender groups. Authored by several contributors, this book elucidates how the powerless and disenfranchised within marginalized communities employ their religious beliefs to articulate a liberationist/liberative religious ethical perspective. Students will thus comprehend the diversity existing within the liberative ethical discourse and know which scholars and texts to read and will encounter practical ways to further social justice.

*True Crime and the Justice of God* Vasko, Elisabeth T. 2022-04-20 "Utilizing the tools of forensic science and Christian theological ethics, this book resituates prominent criminal cases within their social and forensic contexts"--

**Advancing Sexual Health for the Christian Client** Beverly Dale 2019-03-25 Advancing Sexual Health for the Christian Client is an essential toolkit for professionals working at the intersection of Christian belief and sexual health. In this book, Beverly Dale and Rachel Keller deconstruct potentially harmful Christian beliefs around sexuality to support clients stuck in sexual guilt, shame and fear. Combining the experience of an ordained Christian clergy with a certified sexologist, this guide promotes a new approach to sex and faith for therapists, which will help their clients to reconcile a belief in God's love with sexual knowledge and fulfilment. Grounded in historical and cultural contexts, and drawing from both academic research and scriptural exegesis, the authors offer practical clinical applications and interventions to enable clients to re-examine their sexual beliefs in a way that encourages sexual healing. By understanding the goals of a sex-positive, body-positive Christianity, professionals can find a common language with the person of faith and build an effective therapeutic relationship. This book will be a key point of reference for any sex therapist, educator, or student looking to integrate faith-based concepts into their approach.

**Preaching the Headlines** Lisa L. Thompson 2021-08-31 Preachers often feel stuck when met with quickly shifting and dense media topics that flood the headlines. If and when they determine it is appropriate to address issues that arise in the news cycle, they are often at a loss for how to speak about them from the pulpit. When preachers understand that a responsibility to sustain life is embedded in the purposes of preaching, they discover greater fluidity between the everyday world, the biblical text, and preaching itself. Preaching the Headlines reframes preaching as an ongoing conversation between the modern world and the world of the Bible, exploring where the divides between the two may be less rigid than we often acknowledge. The preacher uses what they know about life as a bridge to the text, while life in the text provides the bridge back to faith in the contemporary world. The goal of the book is to help preachers do theological reflection on the everyday world as an integral part of sermon

development. The process offered in this book is not a substitute for basic methods of sermon development nor a model of exegesis for preaching. Preachers will use this process as a supplement alongside their current method of sermon preparation. Before the preacher can ever translate the meaning embedded in the headlines, they have to learn more about the topics they seek to preach about. They do this by digging behind the headlines and expanding their own resources beyond theological traditions alone. This work is done in order to think earnestly about how faith might spur transformative action in our world for more just ways of living together.

Sexual Ethics Todd A. Salzman 2012-05-18 Two principles capture the essence of the Catholic tradition on sexual ethics: that each and every marriage act must remain open to the transmission of life, and that any human genital act must occur within the framework of marriage. In the Catholic tradition, moral sexual activity is institutionalized within the confines of marriage and procreation, and sexual morality is marital morality. But theologians Todd Salzman and Michael Lawler contend that there is a disconnect between many of the Church's absolute sexual norms and other theological and intellectual developments explicitly recognized and endorsed in the Catholic tradition, especially since the Second Vatican Council. These developments include the shift from a primary static worldview to a historically conscious worldview, one that recognizes reality as dynamic, evolving, changing, and particular. By employing such a historically conscious worldview, alternative claims about the moral legitimacy of controversial topics such as contraception, artificial reproduction, and homosexual marriage can faithfully emerge within a Catholic context. Convinced of the central role that love, desire, and fertility play in a human life, and also in the life of Christian discipleship, the authors propose an understanding of sexuality that leads to the enhancement of human sexual relationships and flourishing. This comprehensive introduction to Catholic sexual ethics—complete with thought-provoking study questions at the end of each chapter—will be sure to stimulate dialogue about sexual morality between Catholic laity, theologians, and the hierarchy. Anyone seeking a credible and informed Catholic sexual ethic will welcome this potentially revolutionary book.

*Theology and Sexuality* Susannah Cornwall 2013 The SCM Studyguide Pastoral Theology designed to support undergraduate courses for the training of clergy and lay pastoral workers at an accessible introductory level. The book aims to develop pastoral wisdom and integrity through a critical integration of theology and the human sciences. Introducing key themes in theological anthropology and pastoral practice, it shapes a creative pastoral vision which is deeply rooted in a Christian vision of what it means to be human and what it takes to care. Working with case studies, the book will introduce broad frameworks of understanding of issues such as growth, loss, and sexuality, together with critical perspectives on important aspects of practice such as language, power and boundaries. The book provides an accessible overview of key concepts in pastoral theology, offering key entry points for further discussion and study. Each chapter includes discussion questions and/or reflective exercises at the end of each chapter together with a short bibliography. Throughout the text, key summaries of learning will be indicated by boxed Practice Points.

**Embracing Disruptive Coherence** Kathleen T. Talvacchia 2019-04-18 Does anyone need to come out anymore? Queer theory has challenged the idea of coming out as problematic for its false binary and essentialized version of identity. If gender is a socially constructed performativity, then what does coming out mean? At the same time, we live in a society that still struggles with structures of power that define what is considered normal and sanctions those who transgress. The intersectionality of gender with race, class, ethnicity, nationality, abilities, religion, age and other positional markers challenge a simplified belief that coming out is not necessary. Therefore, in the lived experience of many persons coming out still matters. This book initiates a different theological conversation about coming out. It argues that rather than the declaration of an identity category, coming out can be understood as the erotic ethical practice of truth-telling. The formation of conscience and moral integrity embody the two pillars of this erotic practice. Coming out understood as "disruptive coherence" is the erotic ethical practice of truth-telling grounded in our deepest desires to be

known authentically in community.

**Beyond Biology** Jacob M. Kohlhaas 2021-11 Jacob M. Kohlhaas's *Beyond Biology* is a breakthrough in the theology of parenthood, integrating Catholic social thought and social scientific studies of child well-being in order to offer a more diverse and inclusive interpretation.

**Faith and Resistance in the Age of Trump** De La Torre, Miguel A. 2017-09-14

**There Is No God and Mary Is His Mother** Thomas Cathcart 2021-09-07 Is the Western world really post-Christian, or does Christianity simply need a reinterpretation? What did Dietrich Bonhoeffer mean by "religionless Christianity"? Is it passé? Or was it perhaps ahead of its time? In an era of dramatically increased religious pluralism and the emergence of large numbers of people identifying as "spiritual but not religious," so-called "religionless Christianity" can speak to those who find both biblicism and "belief-based" religion irrelevant. In this personal, witty, and timely book, New York Times bestselling author Thomas Cathcart takes readers on a journey into belief and unbelief and leads them through to the other side. Drawing from deep philosophical and theological wells, *There Is No God and Mary Is His Mother* demonstrates the meaningfulness of being a Christian in a secular age. Cathcart shows that, even absent traditional theological formulas and doctrines, Christianity can be a credible, meaningful, and practical means of negotiating worldly existence and experience. For Christians, *There Is No God and Mary Is His Mother* offers encouragement. For ex-Christians, it presents a different way of being a Christian than the one they've rejected. For atheists, it shows how Christianity can be an ally in affirming the here and now. Religionless Christianity is possible and desirable wherever and whenever it awakens personal and social transformation.

*Activist Hermeneutics of Liberation and the Bible* Jin Young Choi 2023-02-08 Inspired by the current political moment around the globe in which uprisings, protests, revolutions, and movements are on the rise, this book examines the intersections between the Bible and activism. It does this by showcasing intersectional readings of the Bible as an activist act and a tool for activism; historicizing the uses of the Bible within activist/freedom movements around the globe; and offering activist approaches to teaching the Bible. Each chapter in this volume provides a critical and substantive response from the discipline of Biblical Studies to global political trends. International in scope, with contributors from Africa, Asia, Caribbean, Europe, Latin America, Oceania and the United States, they address themes such as gender politics, racial injustices, violence toward women, political resistance, and activist hermeneutics and pedagogies. Together they harness the intellectual energies of minoritized Biblical scholars in a nonessentialist manner to reflect on the Bible as a tool for liberating social and political change. Reflecting on the activist potential of the Bible, this book will be of keen interest to scholars in Biblical Studies, Political Theology, and Religious Studies.

**Teaching Sexuality and Religion in Higher Education** Darryl W. Stephens 2020-04-19 This volume combines insights from secular sexuality education, trauma studies, and embodiment to explore effective strategies for teaching sexuality and religion in colleges, universities, and seminaries. Contributors to this volume address a variety of sexuality-related issues including reproductive rights, military prostitution, gender, fidelity, queerness, sexual trauma, and veiling from the perspective of multiple religious faiths. Christian, Jewish, and Muslim scholars present pedagogy and classroom strategies appropriate for secular and religious institutional contexts. By foregrounding a combination of "perspective transformation" and "embodied learning" as a means of increasing students' appreciation for the varied social, psychological, theological and cultural contexts in which attitudes to sexuality develop, the volume posits sexuality as a critical element of teaching about religion in higher education. This book will be of great interest to graduate and postgraduate students, researchers, academics, and libraries in the fields of Religious Studies, Religious Education, Gender & Sexuality, Religion & Education, and Sociology of Religion.

*Reenvisioning Sexual Ethics* Karen Peterson-Iyer 2022 In *Reenvisioning Sexual Ethics*, Karen Peterson-Iyer's profound feminist Christian reframing

of sexuality examines contemporary social practices and ethical sex, facilitating meaningful discussion about sexual agency and flourishing.

**The Routledge Handbook of Philosophy of Sex and Sexuality** Brian D. Earp 2022-05-23 This Handbook covers the most urgent, controversial, and important topics in the philosophy of sex. It is both philosophically rigorous and yet accessible to specialists and non-specialists, covering ethics, political philosophy, metaphysics, the philosophy of science, and the philosophy of language, and featuring interactions with neighboring disciplines such as psychology, bioethics, sociology, and anthropology. The volume's 40 chapters, written by an international team of both respected senior researchers and essential emerging scholars, are divided into eight parts: I. What is Sex? Is Sex Good? II. Sexual Orientations III. Sexual Autonomy and Consent IV. Regulating Sexual Relationships V. Pathologizing Sex and Sexuality VI. Contested Desires VII. Objectification and Commercialized Sex VIII. Technology and the Future of Sex The broad scope of coverage, depth in insight and research, and accessibility in language make The Routledge Handbook of Philosophy of Sex and Sexuality a comprehensive introduction for newcomers to the subject as well as an invaluable reference work for advanced students and researchers in the field.

A Christian Guide to Liberating Desire, Sex, Partnership, Work, and Reproduction Thia Cooper 2017-11-16 What is good sex from the perspective of liberation theology? Thia Cooper argues that sex can be a way to know God. God created humans with a desire to be in relation with each other. From this understanding, sexual desire, sex, and partnerships are re-imagined positively. Good sex is enjoyable and mutual, an aspect of communion. Good sexual relationships share power, empower the participants, and the wider community. From the perspective of liberation theologies and an analysis of biblical texts, the Christian tradition, and the reality of our sexual experience, this book reframes theologies of partnership, sex work, and reproduction through the celebration of desire and sex.

Evidence-based Approaches to Sexuality Education James J. Ponzetti, Jr. 2015-09-16 This is the first book to provide a multidisciplinary and global overview of evidence-based sexuality education (SE) programs and practices. Readers are introduced to the fundamentals of creating effective programs to prepare them to design new or implement existing programs that promote healthy sexual attitudes and relationships. Noted contributors from various disciplines critically evaluate evidence-based programs from around the globe and through the lifespan. Examples and discussion questions encourage application of the material. Guidance for those who wish to design, implement, and evaluate SE programs in various social contexts is provided. Each chapter follows a consistent structure so readers can easily compare programs: Learning Goals; Introduction; Conclusion; Key Points; Discussion Questions; and Additional Resources. The editor taught human sexuality and family life education courses for years. This book reviews the key information that his students needed to become competent professionals. Highlights of the book's coverage include: Interdisciplinary, comprehensive summary of evidence-based SE programs in one volume. Prepares readers for professional practice as a Certified Family Life Educator (CFLE) or sex educator by highlighting the fundamentals of developing and implementing SE programs. Exposes readers to evidence-based SE programs from various social contexts including families, schools, communities, and religious institutions. Considers the developmental context of SE across the lifespan along with programs for LGBT individuals and persons with disabilities. Critically reviews SE programs from around the world including the US, Europe, Asia, Africa, Latin America, and other developing countries. The book opens with an historical overview. Part I focus on general frameworks of sexuality education including UNESCO's International Technical Guidelines. How to develop, deliver, and implement evidence based SE programs, including ethical concerns, are explored in Part II. Part III exposes readers to evidence-based programs in various social contexts--families, schools, communities, and religious institutions. Part IV considers the developmental context of SE from early childhood through adolescence and adulthood along with programs for LGBT individuals and persons with disabilities. Part V examines diverse global contexts from the US, Latin America, Europe, Asia, Africa, and other developing countries. The book concludes with future

trends and directions. Ideal for graduate or advanced undergraduate courses in sex education, sexual health, human sexuality, sex or marriage counseling, intimate relationships, family life education, or home, school, and community services taught in human development and family studies, psychology, social work, health education, nursing, education, and religion, and in seminaries and family clinics, the book also serves as a resource for practitioners, counselors, researchers, clergy members, and policy makers interested in evidence based SE programs, or those seeking to become CFLEs or sexuality educators.

**Tecnología: entre apocalipsis e integración** Michelle Becka 2019-06-14 La ubicuidad y la convergencia de las tecnologías, junto con la velocidad de su desarrollo, implica que muchos de nosotros no seamos conscientes de la profundidad de su impacto y de los desafíos filosóficos y sociales que pueden plantear. Este número de Concilium quiere explorar la pluridimensionalidad de los avances tecnológicos mediante una lente filosófica y teológica, y abordar una serie de temas interrelacionados. Es vital tener en cuenta el significado, relevancia e impacto de la tecnología, ya que los desafíos y las oportunidades que plantea afectan a todos los aspectos de la vida humana.

**Making Love Just** Marvin M. Ellison 2012 "These days sexual sin is far less about sex and far more about the misuse of power and exploitation of vulnerability. It's time to redraw the ethical map. But how should a contemporary Christian ethic of sexuality be formulated? Marvin Ellison, a pioneer in contemporary Christian rethinking of sexuality and sexual ethics, uses a series of provocative questions to increase readers' skills and confidence for engaging in ethical deliberation about sexuality. Students and all adults will welcome this book for enabling their personal clarity, approach to relationships, and mindful participation in respectful moral debate." -- Publisher description.

*SCM Core Text Theology and Sexuality* Susannah Cornwall 2013-02-18 The SCM Core Text Theology and Sexuality provides a clear overview of the theological debate surrounding sexuality as broadly understood. It gives an outline of the major themes surrounding sexuality in theological perspective, focusing on key thinkers, concepts, and areas of discussion. This student-friendly textbook is aimed at theology students and ordinands studying at undergraduate level 3 and MA level who are undertaking modules on theology and sexuality, gender, sex and the human body. It is also accessible to Christian clergy and laypeople who wish to engage with issues of sexuality in congregations. The use of extensive glossaries, breakout definitions and examples makes the book accessible to those with little existing knowledge of contemporary debates on theology and sexuality. The book includes chapters on definitions of sexuality, sexuality in the Christian tradition, Christian approaches to marriage, celibacy and virginity and same-sex relationships.

*Struggling in Good Faith* Mychal Copeland, MTS 2015-11-20 A comprehensive sourcebook telling the story of the religious struggles—and celebrations—for LGBTQI inclusion across the American religious landscape.

**Beyond Male and Female? A Theological Account of Intersex Embodiment** Sam Ashton 2023-09-21 In this incisive work, Sam Ashton provides a compelling, consistent and erudite argument for a foundational approach to the matter of sexual difference, drawing on biblical and doctrinal material and using resources in their original languages. He tracks and traces the sexed body as it moves from creation, through the fall, to redemption “now,” and final consummation “not yet.” In doing so, Ashton presents what is perhaps the strongest case that can be made for 'male and female He created them'. Each chapter privileges biblical exegesis, drawing upon figures in church history (notably Augustine and Aquinas) as and when they illumine Scripture. By doing so, the book considers the difficulty presented to sexual dimorphism by the phenomenon of intersex. Ashton seeks to develop an understanding that is generous, inclusive and affirming, so he works carefully through the writings of Thatcher, Song and Cornwall in a way that invites engagement and dialogue. With the complete divine drama in view, the book offers synthetic judgments about what remains essential for the “structure” of the sexed body as it travels through history and what may be accidental to the sexed body's “direction” within

a particular theo-dramatic act. Ashton concludes by considering ways to transition from dogmatic judgments about intersexuality to the moral-pastoral care of concrete intersex individuals, briefly thinking about the complex matter of marriage.

Sex, Tech, and Faith Kate Ott 2022-08-16 A values-based, shame-free, pleasure-positive discussion of Christian ethics in response to a range of pressing issues in the digital age—including online pornography, dating apps, sexting, virtual-reality hookups, and sex robots. Digital innovation has rapidly changed the landscape of sexual experience in the twenty-first century. Rules-based sexual ethics, subscribed to by many Christians, are unable to keep up with new developments and, more often than not, seem effective at little other than generating shame. Progressive ethicist Kate Ott steps into this void with an expansive yet nuanced approach that prioritizes honesty and discernment over fear and judgment. Rather than producing a list of don'ts, Ott considers the possibilities alongside the potential harm in everything from the use of internet porn to the practice of online dating to human-robot intimacy. With the aid of thought-provoking anecdotes and illuminating research, Ott invites readers to wrestle with the question of how to practice a just and flourishing sexuality in the digital age—and does so by drawing on core values of the Christian tradition. A rich resource for both individuals and groups, *Sex, Tech, and Faith* includes discussion questions at the end of each chapter for those considering these issues in community, as well as extensive youth study guides for parents, pastors, and teachers in need of age-appropriate means of beginning these difficult conversations with teens. Readers of all backgrounds and identities will be challenged to consider how their choices and habits in the digital world can lead to sexual health, wholeness, dignity, and fulfillment—for themselves and those in relationship with them.

**These Are Our Bodies, Foundation Book** Leslie Choplin 2016-08 Sexuality and faith—formation for a lifetime

*Contemporary Theological Approaches to Sexuality* Lisa Isherwood 2017-08-23 *Contemporary Theological Approaches to Sexuality* provides a much-needed overview of the state of scholarship on Christian theological reflection on sexuality and sexual theology. Critically, it also intervenes in the cultural debate over sexuality by privileging feminist, queer, and other counter-normative perspectives. Comprising twenty-three chapters by a team of international contributors this volume is divided into four parts: • Normativity and transgression • Bodies • Economies and violence • Divinity. Within these sections central issues, debates and problems are examined, including consideration of the complexities of Christian theology in regard to contemporary sexuality debates. *Contemporary Theological Approaches to Sexuality* is essential reading for students and researchers in the field of religion, sexuality, and Christianity.

**Play Among Books** Miro Roman 2021-12-06 How does coding change the way we think about architecture? This question opens up an important research perspective. In this book, Miro Roman and his AI Alice\_ch3n81 develop a playful scenario in which they propose coding as the new literacy of information. They convey knowledge in the form of a project model that links the fields of architecture and information through two interwoven narrative strands in an “infinite flow” of real books. Focusing on the intersection of information technology and architectural formulation, the authors create an evolving intellectual reflection on digital architecture and computer science.

Protestantisches Familienbild? Bastian König 2021-02-01 Der Band versammelt zwölf Aufsätze, die aus einem breiten Spektrum an Perspektiven den Begründungsmöglichkeiten eines protestantischen Familienbegriffs nachgehen. Im Diskurs mit neueren sozialphilosophischen wie sozialwissenschaftlichen Ansätzen fokussieren die Beiträge übergreifend die Frage, ob und, wenn ja, wie sich ein spezifisch theologischer Begriff von Familie konturieren lässt. Dazu kommen allgemeine Grundlegungsfragen (Begriff der Familie), spezielle Familienformen (Eltern-Kind-Beziehung, Geschwisterbeziehung, Patenschaft) sowie die Diversität von Lebensformen (Intersexualität, queer families) zur Sprache. Moraltheoretisch leisten die Studien insofern einen Beitrag für ein vertieftes Verständnis grundsätzlicher Fragen der Familienethik. [A Protestant Concept of Family? Theological and Socio-philosophical Reflections on a Controversial Concept] The volume contains 12 essays that explore the possibilities of a

Protestant concept of family from a wide range of perspectives. In a discourse with newer social philosophical and social scientific approaches, the contributions focus on the question of whether and how a specific theological concept of family can be contoured. In addition, general basic questions (concept of family), special family forms (parent-child relationship, sibling relationship, godparenthood) as well as the diversity of life forms (intersexuality, queer families) are discussed. In this regard, the studies contribute to a deeper understanding of fundamental questions of family ethics.

Liberating Sexuality Miguel A. De La Torre 2016-09-06 For two thousand years, Christianity has been wrong about sex. To this day Christians grapple with defining gender, sexism, heterosexism, and what constitutes healthy sex. Miguel A. De La Torre-noted ethicist and scholar on the intersection of religion with race, class, gender, and sexuality-shines new light on these intimate issues in *Liberating Sexuality*, a provocative compilation of his writings that apply justice to the most private parts of our lives. Grounded in biblical scholarship, *Liberating Sexuality* will help you discover new ways of thinking about God beyond gender, heterosexism, masturbation, and many other topics. Wrestle with controversial topics such as an androgynous Jesus, ethical S&M, and confronting racism in one's sexual preference. Gain a critical understanding of how others view their own sexuality in ways you could never before comprehend.

*Vienna 2019 - Encountering the Other: Within us, between us and in the world* Emilija Kiehl The XXI International Congress for Analytical Psychology was held in Vienna, the birthplace of psychoanalysis. It brought together an unprecedented number of participants from all over the world and from different fields of knowledge. The theme: Encountering the Other: Within us, between us and in the world, a most relevant and urgent topic of the contemporary discourse among clinicians and academics alike, was explored in a rich and diverse program of pre-congress workshops, master classes, plenary and breakout presentations and posters. The Proceedings are published as two volumes: a printed edition of the plenary presentations, and an e-Book with the complete material presented at the Congress. To professionals as well as the general public, this collection of papers offers an inspiring insight into contemporary Jungian thinking from the classical to the latest research-based scientific lens. From the Contents: Deifying the Soul - from Ibn Arabi to C.G. Jung by Navid Kermani Apocalyptic Themes in Times of Trouble: When Young Men are Deeply Alienated by Robert Tyminski Panel Encountering the Other Within: Dream Research in Analytical Psychology and the Relationship of Ego and other Parts of the Psyche by Christian Roesler, Yasuhiro Tanaka & Tamar Kron Integration Versus Conflict Between Schools of Dream Theory and Dreamwork: integrating the psychological core qualities of dreams with the contemporary knowledge of the dreaming brain by Ole Vedfelt Freud and Jung on Freud and Jung by Ernst Falzeder Opening the Closed Heart: affect-focused clinical work with the victims of early trauma by Donald E. Kalsched The Other Between Fear and Desire - countertransference fantasy as a bridge between me and the other by Daniela Eulert-Fuchs Self, Other and Individuation: resolving narcissism through the lunar and solar paths of the Rosarium by Marcus West Encountering the Other: Jungian Analysts and Traditional Healers in South Africa by Peter Ammann, Fred Borchardt , Nomfundo Lily-Rose Mlisa & Renee Ramsden From Horror to Ethical Responsibility: Carl Gustav Jung and Stephen King encounter the dark half within us, between us and in the world by Chiara Tozzi

This comprehensive guide is designed to empower you in your quest for eBooks. We'll explore various methods of finding Making Love Just Sexual Ethics For Perplexing Times online, from legal sources to

community-driven platforms. You'll learn how to choose the best eBook format, where to find your favorite titles, and how to ensure that your eBook reading experience is both enjoyable and ethical.

Whether you're new to eBooks or a seasoned digital reader, this Making Love Just Sexual Ethics For Perplexing Times eBook has something for everyone. So, let's dive into the exciting world of eBooks and discover how to access a world of literary wonders with ease and convenience.

### **Understanding Making Love Just Sexual Ethics For Perplexing Times**

Before you embark on your journey to find Making Love Just Sexual Ethics For Perplexing Times online, it's essential to grasp the concept of Making Love Just Sexual Ethics For Perplexing Times eBook formats. Making Love Just Sexual Ethics For Perplexing Times come in various formats, each with its own unique features and compatibility. Understanding these formats will help you choose the right one for your device and preferences.

### **Different Making Love Just Sexual Ethics For Perplexing Times eBook Formats Explained**

#### 1. EPUB (Electronic Publication):

EPUB is one of the most common eBook formats, known for its versatility and compatibility across a wide range of eReaders and devices.

Features include reflowable text, adjustable font sizes, and support for images and multimedia.

EPUB3, an updated version, offers enhanced interactivity and multimedia support.

2. MOBI (Mobipocket):

MOBI was originally developed for Mobipocket Reader but is also supported by Amazon Kindle devices.

It features a proprietary format and may have limitations compared to EPUB, such as fewer font options.

3. PDF (Portable Document Format):

PDFs are a popular format for eBooks, known for their fixed layout, preserving the book's original design and formatting.

While great for textbooks and graphic-heavy books, PDFs may not be as adaptable to various screen sizes.

4. AZW/AZW3 (Amazon Kindle):

These formats are exclusive to Amazon Kindle devices and apps.

AZW3, also known as KF8, is an enhanced version that supports advanced formatting and features.

5. HTML (Hypertext Markup Language):

HTML eBooks are essentially web pages formatted for reading.

They offer interactivity, multimedia support, and the ability to access online content, making them suitable for textbooks and reference materials.

6. TXT (Plain Text):

Plain text eBooks are the simplest format, containing only unformatted text.

They are highly compatible but lack advanced formatting features.

Choosing the right Making Love Just Sexual Ethics For Perplexing Times eBook format is crucial for a seamless reading experience on your device. Here's a quick guide to format compatibility with popular eReaders:

EPUB: Compatible with most eReaders, except for some Amazon Kindle devices. Also suitable for reading on smartphones and tablets using dedicated apps.

MOBI: Primarily compatible with Amazon Kindle devices and apps.

PDF: Readable on almost all devices, but may require zooming and scrolling on smaller screens.

AZW/AZW3: Exclusive to Amazon Kindle devices and apps.

HTML: Requires a web browser or specialized eBook reader with HTML support.

TXT: Universally compatible with nearly all eReaders and devices.

Understanding Making Love Just Sexual Ethics For Perplexing Times eBook formats and their compatibility will help you make informed decisions when choosing where and how to access your favorite eBooks. In the next chapters, we'll explore the various sources where you can find Making Love Just Sexual Ethics For Perplexing Times eBooks in these formats.

## **Making Love Just Sexual Ethics For Perplexing Times eBook Websites and Repositories**

One of the primary ways to find Making Love Just Sexual Ethics For Perplexing Times eBooks online is through dedicated eBook websites and

repositories. These platforms offer an extensive collection of eBooks spanning various genres, making it easy for readers to discover new titles or access classic literature. In this chapter, we'll explore Making Love Just Sexual Ethics For Perplexing Times eBook and discuss important considerations of Making Love Just Sexual Ethics For Perplexing Times.

## Popular eBook Websites

### 1. Project Gutenberg:

Project Gutenberg is a treasure trove of over 60,000 free eBooks, primarily consisting of classic literature.

It offers eBooks in multiple formats, including EPUB, MOBI, and PDF.

All eBooks on Project Gutenberg are in the public domain, making them free to download and read.

### 2. Open Library:

Open Library provides access to millions of eBooks, both contemporary and classic titles.

Users can borrow eBooks for a limited period, similar to borrowing from a physical library.

It offers a wide range of formats, including EPUB and PDF.

### 3. Internet Archive:

The Internet Archive hosts a massive digital library, including eBooks, audio recordings, and more.

It offers an "Open Library" feature with borrowing options for eBooks.

The collection spans various genres and includes historical texts.

### 4. BookBoon:

BookBoon focuses on educational eBooks, providing free textbooks and learning materials.

It's an excellent resource for students and professionals seeking specialized content.

eBooks are available in PDF format.

### 5. ManyBooks:

ManyBooks offers a diverse collection of eBooks, including fiction, non-fiction, and self-help titles.

Users can choose from various formats, making it compatible with different eReaders.

The website also features user-generated reviews and ratings.

### 6. Smashwords:

Smashwords is a platform for independent authors and publishers to distribute their eBooks.

It offers a wide selection of genres and supports multiple eBook formats.

Some eBooks are available for free, while others are for purchase.

## Making Love Just Sexual Ethics For Perplexing Times Legal Considerations

While these Making Love Just Sexual Ethics For Perplexing Times eBook websites provide valuable resources for readers, it's essential to be

aware of legal considerations:

**Copyright:** Ensure that you respect copyright laws when downloading and sharing Making Love Just Sexual Ethics For Perplexing Times eBooks. Public domain Making Love Just Sexual Ethics For Perplexing Times eBooks are generally safe to download and share, but always check the copyright status.

**Terms of Use:** Familiarize yourself with the terms of use and licensing agreements on these websites. Making Love Just Sexual Ethics For Perplexing Times eBooks may have specific usage restrictions.

**Support Authors:** Whenever possible, consider purchasing Making Love Just Sexual Ethics For Perplexing Times eBooks to support authors and publishers. This helps sustain a vibrant literary ecosystem.

### **Public Domain eBooks**

Public domain Making Love Just Sexual Ethics For Perplexing Times eBooks are those whose copyright has expired, making them freely accessible to the public. Websites like Project Gutenberg specialize in offering public domain Making Love Just Sexual Ethics For Perplexing Times eBooks, which can include timeless classics, historical texts, and cultural treasures.

As you explore Making Love Just Sexual Ethics For Perplexing Times eBook websites and repositories, you'll encounter a vast array of reading options. In the next chapter, we'll delve into the world of eBook search engines, providing even more ways to discover Making Love Just Sexual Ethics For Perplexing Times eBooks online.

## **Making Love Just Sexual Ethics For Perplexing Times eBook Search**

eBook search engines are invaluable tools for avid readers seeking

specific titles, genres, or authors. These search engines crawl the web to help you discover Making Love Just Sexual Ethics For Perplexing Times across a wide range of platforms. In this chapter, we'll explore how to effectively use eBook search engines and uncover eBooks tailored to your preferences.

### **Effective Search Making Love Just Sexual Ethics For Perplexing Times**

To make the most of eBook search engines, it's essential to use effective search techniques. Here are some tips:

#### 1. Use Precise Keywords:

Be specific with your search terms. Include the book title Making Love Just Sexual Ethics For Perplexing Times, author's name, or specific genre for targeted results.

#### 2. Utilize Quotation Marks:

To search Making Love Just Sexual Ethics For Perplexing Times for an exact phrase or book title, enclose it in quotation marks. For example, "Making Love Just Sexual Ethics For Perplexing Times."

#### 3. Making Love Just Sexual Ethics For Perplexing Times Add "eBook" or "PDF":

Enhance your search by including "eBook" or "PDF" along with your keywords. For example, "Making Love Just Sexual Ethics For Perplexing Times eBook."

#### 4. Filter by Format:

Many eBook search engines allow you to filter results by format (e.g., EPUB, PDF). Use this feature to find Making Love Just Sexual Ethics For Perplexing Times in your preferred format.

## 5. Explore Advanced Search Options:

Take advantage of advanced search options offered by search engines. These can help narrow down your results by publication date, language, or file type.

### Google Books and Beyond

#### Google Books:

Google Books is a widely used eBook search engine that provides access to millions of eBooks.

You can preview, purchase, or find links to free Making Love Just Sexual Ethics For Perplexing Times available elsewhere.

It's an excellent resource for discovering new titles and accessing book previews.

#### Project Gutenberg Search:

Project Gutenberg offers its search engine, allowing you to explore its extensive collection of free Making Love Just Sexual Ethics For Perplexing Times.

You can search by title Making Love Just Sexual Ethics For Perplexing Times, author, language, and more.

#### Internet Archive's eBook Search:

The Internet Archive's eBook search provides access to a vast digital library.

You can search for Making Love Just Sexual Ethics For Perplexing Times and borrow them for a specified period.

#### Library Genesis (LibGen):

Library Genesis is known for hosting an extensive collection of Making Love Just Sexual Ethics For Perplexing Times, including academic and scientific texts.

It's a valuable resource for researchers and students.

#### eBook Search Engines vs. eBook Websites

It's essential to distinguish between eBook search engines and eBook websites:

**Search Engines:** These tools help you discover eBooks across various platforms and websites. They provide links to where you can access the eBooks but may not host the content themselves.

**Websites:** eBook websites host eBooks directly, offering downloadable links. Some websites specialize in specific genres or types of eBooks.

Using eBook search engines allows you to cast a wider net when searching for specific titles Making Love Just Sexual Ethics For Perplexing Times or genres. They serve as powerful tools in your quest for the perfect eBook.

## **Making Love Just Sexual Ethics For Perplexing Times eBook Torrenting and Sharing Sites**

Making Love Just Sexual Ethics For Perplexing Times eBook torrenting and sharing sites have gained popularity for offering a vast selection of eBooks. While these platforms provide access to a wealth of reading material, it's essential to navigate them responsibly and be aware of the potential legal implications. In this chapter, we'll explore Making Love Just Sexual Ethics For Perplexing Times eBook torrenting and sharing sites, how they work, and how to use them safely.

Find Making Love Just Sexual Ethics For Perplexing Times Torrenting vs. Legal Alternatives

Making Love Just Sexual Ethics For Perplexing Times Torrenting Sites:

Making Love Just Sexual Ethics For Perplexing Times eBook torrenting sites operate on a peer-to-peer (P2P) file-sharing system, where users upload and download Making Love Just Sexual Ethics For Perplexing Times eBooks directly from one another.

While these sites offer Making Love Just Sexual Ethics For Perplexing Times eBooks, the legality of downloading copyrighted material from them can be questionable in many regions.

Making Love Just Sexual Ethics For Perplexing Times Legal Alternatives:

Some torrenting sites host public domain Making Love Just Sexual Ethics For Perplexing Times eBooks or works with open licenses that allow for sharing.

Always prioritize legal alternatives, such as Project Gutenberg, Internet Archive, or Open Library, to ensure you're downloading Making Love Just Sexual Ethics For Perplexing Times eBooks legally.

Staying Safe Online to download Making Love Just Sexual Ethics For Perplexing Times

When exploring Making Love Just Sexual Ethics For Perplexing Times eBook torrenting and sharing sites, it's crucial to prioritize your safety and follow best practices:

1. Use a VPN:

To protect your identity and online activities, consider using a Virtual Private Network (VPN). This helps anonymize your online presence.

2. Verify Making Love Just Sexual Ethics For Perplexing Times eBook Sources:

Be cautious when downloading Making Love Just Sexual Ethics For Perplexing Times from torrent sites. Verify the source and comments to ensure you're downloading a safe and legitimate eBook.

3. Update Your Antivirus Software:

Ensure your antivirus software is up-to-date to protect your device from potential threats.

4. Prioritize Legal Downloads:

Whenever possible, opt for legal alternatives or public domain eBooks to avoid legal complications.

5. Respect Copyright Laws:

Be aware of copyright laws in your region and only download Making Love Just Sexual Ethics For Perplexing Times eBooks that you have the right to access.

Making Love Just Sexual Ethics For Perplexing Times eBook Torrenting and Sharing Sites

Here are some popular Making Love Just Sexual Ethics For Perplexing Times eBook torrenting and sharing sites:

1. The Pirate Bay:

The Pirate Bay is one of the most well-known torrent sites, hosting a vast collection of Making Love Just Sexual Ethics For Perplexing Times eBooks, including fiction, non-fiction, and more.

2. 1337x:

1337x is a torrent site that provides a variety of eBooks in different genres.

3. Zooqle:

Zooqle offers a wide range of eBooks and is known for its user-friendly interface.

4. LimeTorrents:

LimeTorrents features a section dedicated to eBooks, making it easy to

find and download your desired reading material.

A Note of Caution

While Making Love Just Sexual Ethics For Perplexing Times eBook torrenting and sharing sites offer access to a vast library of reading material, it's important to be cautious and use them responsibly. Prioritize legal downloads and protect your online safety. In the next chapter, we'll explore eBook subscription services, which offer legitimate access to Making Love Just Sexual Ethics For Perplexing Times eBooks.
