Earth Abides George R. Stewart 2015-06-30 In this profound ecological fable, a mysterious plague has destroyed the vast majority of the human race. Isherwood Williams, one of the few survivors, returns from a wilderness field trip to discover that civilization has vanished during his absence. Eventually he returns to San Francisco and encounters a female survivor who becomes his wife. Around them and their children a small community develops, living like their pioneer ancestors, but rebuilding civilization is beyond their resources, and gradually they return to a simpler way of life. A poignant novel about finding a new normal after the upheaval of a global crisis.

The Twelve Faces of the Goddess Danielle Blackwood 2018-05-08 Discover the Guiding Goddesses in Your Birth Chart and Ignite Your Authenticity, Passion, and Purpose Did you know that astrology and magick are woven from the same threads? The more you learn about one, the more you'll intuitively understand about the other. This inspiring, hands-on guide shows you how to connect with the twelve faces of the Goddess through astrology, story, ritual, and pathworking. Explore cross-cultural myths associated with each goddess, delve into astrology from a groundbreaking feminine perspective, and discover the personality, archetype, and correspondences of each zodiac sign to unlock a deeper understanding of yourself as the heroine of your story. Work with the specific guiding goddesses in your birth chart, learn how astrology is connected to the seasonal turning points on the Wheel of the Year, and much more. The Twelve Faces of the Goddess is a reminder that connecting with the sacred feminine is an empowering and radical act that can guide you on your journey. Praise: "Join [Danielle Blackwood] at that moonlit crossroads where magick and the sacred feminine intersect with astrology...Let The Twelve Faces of the Goddess be a lantern for you."—Steven Forrest, author of The Inner Sky "This beautiful perspective on the stars and our relationship to them is uplifting and inspiring, enlightening and intriguing."—Spirituality Today, 5-star review "An inspiring exploration of the archetypal interconnections between astrology, ritual, and the divine feminine."—Kris Waldherr, bestselling author of The Book of Goddesses and creator of The Goddess Tarot "Danielle has beautifully woven a book that everyone can use to enhance their journey into the feminine and the mysteries on many levels. Though it is about the goddesses and the feminine found in the archetypes of astrology, mythology, ritual and the magical, it is not a book for women only. It is a book for all on the seeking path—to the realms of their own inner space; all the types are familiar to us, but now we have the language."—Erin Sullivan, author, astrologer, and teacher "A refreshing look at astrology from the perspective of the divine feminine. The topic of astrology is often intimidating to learn, but Blackwood presents information about the signs and how to use the magick and power of the goddesses connected to them in an easy-to-understand and relatable way...this is a must-read."—Stephanie Woodfield, author of Dark Goddess Craft "This beautifully written book is a thoroughly uplifting, as well as informative, read and now has a place at the top of my list of favorite astrology books."—Lisa Tenzin-Dolma, author of The Planetary Myths and Take Control with Astrology "Looking for a book that seamlessly weaves Goddess spirituality, archetypal psychology, and astrology together into a tapestry of love, magic, and (surprise!) real-world wisdom? The Twelve Faces of the Goddess by Danielle Blackwood is the book you are looking for."—Anne Newkirk Niven, editor of SageWoman

Witch Lisa Lister 2017-05-09 Reclaim your inner witch with the magical rituals, divination tools, spells and ancient wisdom in this revolutionary book. A witch is a woman in her power. She's wise, a healer, someone who is aligned with the cycles of Mother Nature and the phases of the Moon. Yet for so long, the word 'witch' has had negative connotations - being used as an insult, a slur and to perpetuate fear. In this book, third generation hereditary witch Lisa Lister explains the history behind witchcraft, why in past centuries the word 'witch' has led women to be tortured, drowned and burned at the stake, and why the witch is now waking once again in women across the world today. This book will help women to remember, reconnect and reclaim the word 'witch' and its power. It explores the many different versions of witchcraft and their core principles and practices, and shares ancient wisdom made relevant for waking witches, including how to: · Align your energy with the wheel of the year, the sabbats and the cycles of the Moon · Connect with and trust your intuition · Use divination tools such as oracle cards, scrying and rune reading · Cast circles, create altars and set sacred space · Work with the elements of nature and use herbs and crystals · Discover and work with five different aspects of the witch: the Force of Nature, the Creatrix, the Healer, the Oracle and the Sorceress · Rediscover your powers and manifest your reality with spell casting Lisa also shares her own journey to reclaiming the word 'witch', along with personal, hands-on rituals and spells from her family lineage of gypsy witch magic.

Girls Made of Snow and Glass Melissa Bashardoust 2017-09-05 Melissa Bashardoust's acclaimed debut novel Girls Made of Snow and Glass is "Snow White as it's never been told before...a feminist fantasy fairy tale not to be missed" (BookPage)! "Utterly superb." —ALA Booklist, starred review "Dark, fantastical, hauntingly evocative." —Kirkus Reviews, starred review "An empowering and progressive original retelling." —SLJ, starred review Sixteen-year-old Mina is motherless, her magician father is vicious, and her silent heart has never beat with love for anyone—has never beat at all, in fact, but she'd always thought that fact normal. She never guessed that her father cut out her heart and replaced it with one of glass. When she moves to Whitespring Castle and sees its king for the first time, Mina forms a plan: win the king's heart with her beauty, become queen, and finally know love. The only catch is that she'll have to become a stepmother. Fifteen-year-old Lynet looks just like her late mother, and one day she discovers why: a magician created her out of snow in the dead queen's image, at her father's order. But despite being the dead queen made flesh, Lynet would rather be like her fierce and regal stepmother, Mina. She gets her wish when her father makes Lynet queen of the southern territories, displacing Mina. Now Mina is starting to look at Lynet with something like hatred, and Lynet must decide what to do—and who to be—to win back the only mother she's ever known...or else defeat her once and for all. Entwining the stories of both Lynet and Mina in the past and present, Girls Made of Snow and Glass traces the relationship of two young women doomed to be rivals from the start. Only one can win all, while the other must lose everything—unless both can find a way to reshape themselves and their story.

The Paradox Planet Larry Light 2017-07-18 Beginning with the Age of We in the 1950s and moving to the Age of Me to today the Age of I this book examines how polarization and anger has changed how companies must

manage their brands. Larry Light and Joan Kiddon, the leaders of Arcature LLC, consultants in brand management, examine societal changes and global, local, and personal forces through the lens of marketers. They explain how to: leverage paradox promises into brand-focused strategies and actions that create a pathway to profitability; create extraordinary brand experiences for individuals and communities; and build strong brands in a world of contradictory needs and benefits. In today's world, people want their individuality to be recognized, but they also want to belong to a group that shares their distinctiveness. People want to be independent and interconnected, which is the underlying paradox affecting how we make decisions today. Navigate how to satisfy conflicting needs, and look beyond single-minded solutions with the insights and guidance in *The Paradox Planet*.

Cannabis and Spirituality Stephen Gray 2016-12-09 A guide to the benefits and challenges of the use of cannabis in spiritual practice • Includes chapters by 18 authoritative and influential voices of the modern cannabis movement, including Kathleen Harrison, Joan Bello, Hamilton Souther, Steven Hager, Chris Bennett, Dee Dussault, Jeremy Wolff, and Roger Christie • Explores the use of marijuana in a wide range of spiritual practices, including meditation, yoga, chanting, visualization, shamanism, group ceremonies, work with other entheogens, and as a creative aid Truly a medicine for body and soul, one of cannabis's greatest gifts is its remarkable potential for spiritual healing and awakening. In this authoritative guide, editor Stephen Gray and 17 other influential voices of the modern cannabis movement explore the spiritual benefits of cannabis and offer guidance on how to interact with the intelligence of this plant ally, a companion and supporter of humanity for millennia. Exploring cannabis spirituality in practice, Gray's chapters examine dosage, strains, and methods of intake; the use of cannabis to open the creative channels; how to conduct group ceremonies with cannabis; and cautions and counterindications for cannabis use. We hear from Chris Bennett on the religious and ritual use of cannabis from pre-biblical times to the present, Joan Bello on marijuana and the body-mind connection, Dee Dussault on ganja yoga, Kathleen Harrison on humanity's co-evolution with cannabis, and cannabis shaman Hamilton Souther on working with the spirit of cannabis. The contributors explore the spiritual future of this plant ally as well as the ritual use of cannabis by the Rastafarians of Jamaica and the Sadhus of India. The chapters from Brazilian ayahuasca shaman Mariano da Silva and ayahuasca apprentice Francisco present wisdom on comingling the sacramental medicines of cannabis and ayahuasca. Revealing the potential of "the people's plant" to enhance a wide range of spiritual practices, such as meditation, yoga, chanting, visualization, shamanism, spirit work, and explorations with other entheogens, this guide shows how cannabis is an effective ally on the awakening journey, unlocking the receptive energy in us all and helping us to feel connected to nature, to each other, and to ourselves.

Feminine Genius Liyana Silver 2017-06-01 Women, here's a question for you: what would happen if we took all the energy we spend self-bashing, self-improving, and chasing impossible standards and instead channeled it into our true passions? Answer: our feminine radiance would light up the world. This is the promise of LiYana Silver's bold new book, *Feminine Genius*. "Your body is the key," writes Silver. "I'm going to show you that your body is wildly intelligent and that your deepest desires are your best guide. You'll learn to trust your innately feminine brilliance while integrating it with your already awesome masculine strengths." In this exercise-rich book, LiYana offers a sassy blend of inspiration and nitty-gritty practices to help you break free from the places where you feel stuck. As you root out the conditioning that keeps you feeling small and weak, you'll learn to trust the feeling of being "turned on," connect to the inner Oracle that is the wisdom source of your body, and transform your life into a Heroine's Journey filled with deep strength, true fulfillment, wild abandon, and epic love.

Stop Surviving Start Fighting Jazz Thornton 2020-03-31 Jazz Thornton first attempted to take her own life at the age of 12. Multiple attempts followed and she spent time in psychiatric wards and under medical supervision as she rode the rollercoaster of depression and anxiety through her teenage years - yet the attempts continued. Find out what Jazz learned about how her negative thought patterns came to be, and how she turned those thoughts - and her life - around. Who and what helped, and what didn't help. The insights she gives will help create greater understanding of those grappling with mental illness, and those around them who desperately want to help. Jazz went on to attend film school, and to co-found *Voices of Hope*, a non-profit organisation dedicated to helping those with mental health issues and show them there is a way forward. She creates online content to provide hope and help. Her first video *Dear Suicidal Me* has had over 80 million views all around the world. She went on to create *Jessica's Tree*, a web series that follows the 24 hours between a friend, Jess, going missing and the discovery of her body. It provides insights into Jessica's struggles, to help people better understand those suffering from depression.

https://www.youtube.com/watch?v=7QFU_gg7Msk *Jessica's Tree* was viewed more than 230,000 times in the two months following its release in March 2019 and immediately began winning international recognition and awards. The process and the delicate decisions that had to be made to create *Jessica's Tree* have themselves been documented in a film about Jazz called *The Girl on the Bridge*, due for release early in 2020.

The Secret of Our Success Joseph Henrich 2017-10-17 How our collective intelligence has helped us to evolve and prosper Humans are a puzzling species. On the one hand, we struggle to survive on our own in the wild, often failing to overcome even basic challenges, like obtaining food, building shelters, or avoiding predators. On the other hand, human groups have produced ingenious technologies, sophisticated languages, and complex institutions that have permitted us to successfully expand into a vast range of diverse environments. What has enabled us to dominate the globe, more than any other species, while remaining virtually helpless as lone individuals? This book shows that the secret of our success lies not in our innate intelligence, but in our collective brains—on the ability of human groups to socially interconnect and learn from one another over generations. Drawing insights from lost European explorers, clever chimpanzees, mobile hunter-gatherers, neuroscientific findings, ancient bones, and the human genome, Joseph Henrich demonstrates how our collective brains have propelled our species' genetic evolution and shaped our biology. Our early capacities for learning from others produced many cultural innovations, such as fire, cooking, water containers, plant knowledge, and projectile weapons, which in turn drove the expansion of our brains and altered our physiology, anatomy, and psychology in crucial ways. Later on, some collective brains generated and recombined powerful concepts, such as the lever, wheel, screw, and writing, while also creating the institutions that continue to alter our motivations and perceptions. Henrich shows how our genetics and biology are inextricably interwoven with cultural evolution, and how culture-gene interactions launched our species on an extraordinary evolutionary trajectory. Tracking clues from our ancient past to the present, *The Secret of Our Success* explores how the evolution of both our cultural and social natures produce a collective intelligence that explains both our species' immense success and the origins of human uniqueness.

A Deadly Education Naomi Novik 2020-09-29 NEW YORK TIMES BESTSELLER • From the author of *Uprooted* and *Spinning Silver* comes the first book of the Scholomance trilogy, the story of an unwilling dark sorceress who is destined to rewrite the rules of magic. FINALIST FOR THE LODESTAR AWARD • “The dark school of magic I’ve been waiting for.”—Katherine Arden, author of the *Winternight Trilogy* I decided that Orion Lake needed to die after the second time he saved my life. Everyone loves Orion Lake. Everyone else, that is. Far as I’m concerned, he can keep his flashy combat magic to himself. I’m not joining his pack of adoring fans. I don’t need help surviving the Scholomance, even if they do. Forget the hordes of monsters and cursed artifacts, I’m probably the most dangerous thing in the place. Just give me a chance and I’ll level mountains and kill untold millions, make myself the dark queen of the world. At least, that’s what the world expects. Most of the other students in here would be delighted if Orion killed me like one more evil thing that’s crawled out of the drains. Sometimes I think they want me to turn into the evil witch they assume I am. The school certainly does. But the Scholomance isn’t getting what it wants from me. And neither is Orion Lake. I may not be anyone’s idea of the shining hero, but I’m going to make it out of this place alive, and I’m not going to slaughter thousands to do it, either. Although I’m giving serious consideration to just one. With flawless mastery, Naomi Novik creates a school bursting with magic like you’ve never seen before, and a heroine for the ages—a character so sharply realized and so richly nuanced that she will live on in hearts and minds for generations to come. The magic of the Scholomance trilogy continues in *The Last Graduate* “The can’t-miss fantasy of fall 2020, a brutal coming-of-power story steeped in the aesthetics of dark academia. . . . *A Deadly Education* will cement Naomi Novik’s place as one of the greatest and most versatile fantasy writers of our time.”—BookPage (starred review) “A must-read . . . Novik puts a refreshingly dark, adult spin on the magical boarding school. . . . Readers will delight in the push-and-pull of El and Orion’s relationship, the fantastically detailed world, the clever magic system, and the matter-of-fact diversity of the student body.”—Publishers Weekly (starred review)

Albion's Seed David Hackett Fischer 1991-03-14 This fascinating book is the first volume in a projected cultural history of the United States, from the earliest English settlements to our own time. It is a history of American folkways as they have changed through time, and it argues a thesis about the importance for the United States of having been British in its cultural origins. While most people in the United States today have no British ancestors, they have assimilated regional cultures which were created by British colonists, even while preserving ethnic identities at the same time. In this sense, nearly all Americans are "Albion's Seed," no matter what their ethnicity may be. The concluding section of this remarkable book explores the ways that regional cultures have continued to dominate national politics from 1789 to 1988, and still help to shape attitudes toward education, government, gender, and violence, on which differences between American regions are greater than between European nations.

The Girl Who Fell Beneath the Sea Axie Oh 2022-02-22 A New York Times Bestseller! Don't chase fate. Let fate chase you. 'Clever, creative, and exquisitely written' Stephanie Garber For generations, deadly storms have ravaged Mina's homeland. Her people believe the Sea God, once their protector, now curse them with death and despair. To appease him, each year a maiden is thrown into the sea, in the hopes that one day the 'true bride' will be chosen and end the suffering. Many believe Shim Cheong - Mina's brother's beloved - to be the legendary true bride. But on the night Cheong is sacrificed, Mina's brother follows her, even knowing that to interfere is a death sentence. To save her brother, Mina throws herself into the water in Cheong's stead. Swept away to the Spirit Realm, a magical city of lesser gods and mythical beasts, Mina finds the Sea God, trapped in an enchanted sleep. With the help of a mysterious young man and a motley crew of demons, gods and spirits, Mina sets out to wake him and bring an end to the storms once and for all. But she doesn't have much time: a human cannot live long in the land of the spirits. And there are those who would do anything to keep the Sea God from waking . . . The Girl Who Fell Beneath the Sea is a magical feminist retelling of a classic Korean legend, perfect for fans of Uprooted and Miyazaki's Spirited Away. 'A beautiful, mesmerizing retelling' Elizabeth Lim, New York Times bestselling author of Six Crimson Cranes 'A true jewel of a story' Janella Angeles, bestselling author of Where Dreams Descend

Una aventura fabulosa en la Now Age que vivimos; una actualización sofisticada del pensamiento cósmico, en la que se dan lugar desde cristales curativos hasta técnicas para hacer tu propio dharma. Porque la alegría y el diseño colorista pueden coexistir felizmente con una vida profundamente espiritual y significativa. Partiendo del propio camino transformador que experimentó la propia autora, Ruby Warrington nos envía las mejores vibraciones para compaginar el estilo y la espiritualidad en la vida moderna. Material Girl, Mystical World te invita a un colorido viaje que te ayudará a descubrir tu propio camino hacia la iluminación personal en todas las áreas de la vida; desde el amor, el sexo y la amistad hasta la moda, los negocios, la belleza, la salud y el bienestar. Un libro que celebra lo Divino Femenino y explora a la chamana que llevas dentro. Una llamada inspiradora a todas aquellas mujeres que

buscan encontrar su autenticidad y su voz en todas las facetas de su vida; desde la faceta espiritual a la de los negocios. Una visión inteligente de la vida moderna. ENGLISH DESCRIPTION Utterly transporting and stylish, *Material Girl, Mystical World* takes you on an unforgettable journey through modern spirituality—from meditation and tarot to astrology—guided by wise and witty tastemaker Ruby Warrington, founder of *The Numinous*. Inspired by the consciousness-shifting traditions that have moved seekers for generations, *Material Girl, Mystical World* is a fabulous adventure in the "Now Age"—a sophisticated upgrade on cosmic thinking, from healing crystals to doing your dharma, for women who know that a closetful of designer shoes can happily coexist with a deeply meaningful life. Set against the backdrop of Ruby Warrington's own transformative path from her dream job as an influential fashion journalist to creating *The Numinous*, the high-style, high-vibe online magazine about spirituality for modern women, *Material Girl, Mystical World* invites readers on a colorful journey to discover their own path to personal enlightenment in every area of life, from love, sex, and relationships to fashion, beauty, health, and wellness. Combining the wit and charm of a modern-day Carrie Bradshaw with the stylish soul of Elizabeth Gilbert, Warrington shows us that it is within our power, right now, to create a life that is both intentional and fabulous—while also contributing to a major shift in global consciousness. From how to survive and thrive at Burning Man to creating rituals that celebrate the Divine Feminine to exploring the shaman in you, *Material Girl, Mystical World* is an inspiring call to arms for women looking to find their authenticity and voice in business, relationships, and spirit, from Brooklyn to London to Venice, C.A., and Black Rock City and beyond. A writer to watch, Warrington bestows on readers her wry, winning, and ultimately wise take on modern life.

Watching the English Kate Fox 2005-04-11 In "Watching The English" anthropologist Kate Fox takes a revealing look at the quirks, habits and foibles of the English people. She puts the English national character under her anthropological microscope, and finds a strange and fascinating culture, governed by complex sets of unspoken rules and byzantine codes of behaviour. The rules of weather-speak. The ironic-gnome rule. The reflex apology rule. The paranoid-pantomime rule. Class indicators and class anxiety tests. The money-talk taboo and many more ...Through a mixture of anthropological analysis and her own unorthodox experiments (using herself as a reluctant guinea-pig), Kate Fox discovers what these unwritten behaviour codes tell us about Englishness.

Daughter of the Forest Juliet Marillier 2001 Sorcha, the seventh child and only daughter of Lord Colum, faces the difficult task of having to save her family from its enemies, who have bewitched her father and six older brothers while forcing her to choose between the life she has always known and a special love.

Sober Curious Ruby Warrington 2018-12-31 Would life be better without alcohol? It's the nagging question more and more of us are finding harder to ignore, whether we have a "problem" with alcohol or not. After all, we yoga. We green juice. We meditate. We self-care. And yet, come the end of a long work day, the start of a weekend, an awkward social situation, we drink. One glass of wine turns into two turns into a bottle. In the face of how we care for ourselves otherwise, it's hard to avoid how alcohol really makes us feel... terrible. How different would our lives be if we stopped drinking on autopilot? If we stopped drinking altogether? Really different, it turns out. Really better. Frank, funny, and always judgment free, *Sober Curious* is a bold guide to choosing to live hangover-free, from Ruby Warrington, one of the leading voices of the new sobriety movement. Drawing on research, expert interviews, and personal narrative, *Sober Curious* is a radical take down of the myths that keep so many of us drinking. Inspiring, timely, and blame free, *Sober Curious* is both conversation starter and handbook—essential reading that empowers readers to transform their relationship with alcohol, so we can lead our most fulfilling lives.

White Hot Truth Danielle Laporte 2017-05-16 Has your self-help become self-criticism? A wise and often hilarious exploration of the conflicts between spiritual aspiration and the compulsion to improve, from Oprah Super Soul 100 member, Danielle LaPorte. Like a wise girlfriend you can totally relate to, Danielle cheerleads you to own your wisdom and self-worth by having a good laugh (and maybe a good cry) at the ways you've been trying to improve on your self-improvement. Rooted in compassion, feminism, and spiritual activism *White Hot Truth* is an intimate and (hilariously) relatable account of self-help tales gone wrong, and very right. If you love Brene Brown and Liz Gilbert's authenticity, and Marianne Williamson's strong spirit, you'll adore how Danielle lays bare "Boundaries for spiritual people"; the "Discipleshit" that happens when we give our power away; a "Soul-perspective" on suffering; "over tolerance" and "foolish compassion" in relationships, sneaky self-loathing; spiritual glamour. And in her poetic and brazen way, she brings it home with the hottest truth of all: You are your own guru.

Everything Is Here to Help You Matt Kahn 2019-06-04 *Everything Is Here to Help You* offers an emotionally supportive way to shift out of the inner war of ego, and into the illuminated presence of your soul. In this book, spiritual teacher and intuitive Matt Kahn redefines the spiritual path for the modern-day seeker, and offers original, innovative ways to resolve fear, unravel judgments, and learn how to view life from a clear, expanded perspective. By redefining our understanding of the spiritual journey from the point of view of the soul, Matt breathes fresh life into all aspects of the healing journey to usher in a revolutionary and loving approach to personal growth. Each chapter highlights Matt's most cutting-edge teachings and loving wisdom. From teaching you how to unravel blame by exploring the four stages of surrender, to providing step-by-step energy clearings and recited activations to amplify the power of your consciousness, this book offers a clear road map to explore the magic, mysteries, and miracles that reside in every heart. This book also includes engaging questions to contemplate, as well as energetically encoded mantras to experience our unlimited spiritual potential. Get ready to explore a deeper reality, daring to view your life through the loving eyes of Source and opening yourself up to life's miracles! "No matter how anything seems or appears—everything is here to help you become the one you were born to be."

SOBER CURIOUS RESET RUBY. WARRINGTON 2020 A leading voice in the new sobriety movement follows her success with the book *Sober Curious* with a "reset" guide that will lead readers through 100 days of discovering the joys of an alcohol-free lifestyle. Ruby Warrington's 2019 book *Sober Curious* was an illuminating conversation starter that asked her readers to consider, "Would life be better without alcohol?" thus sparking a global wellness trend of "curiosity" on how to gain one's genuine confidence and happiness without the crutch of alcohol. In *The Sober Curious Reset*, Ruby goes a step further by inviting her readers into a 100-day process of radically rethinking their drinking. Each "day" features observations, exercises, and insights, offering a more profound process of self-discovery than common month-long programs like Dry January or Sober September. Ruby's friendly, honest, and totally non-judgmental tone helps readers unmask the deeper "whys" behind their drinking, understand why 100 days is so transformational, and how to create a truly sustainable shift in habits-- and on to living a life with more presence, focus, and satisfaction. The *Sober Curious Reset* is not about preaching total abstinence--rather, it's about empowering people to make the right drinking choices for them, whether that means moderation or cutting out alcohol entirely. Ruby's 100 days is all about changing your relationship to alcohol to lead a life with more clarity, confidence, and connection.

[The Numinous Tarot Guide](#) *The Numinous* 2021-07-22 *The Numinous Tarot Guide* is an interactive, self-study guide that unlocks the meaning of the cards in an instant - and in a way that is deeply personal to every

reader of every level. Designed to be used with any deck, a reading for each of the 78 cards offers a modern, evolved interpretation of the card's meaning, along with prompts and journal exercises, to help guide the reader into a space of deep reflection. The traditional way to interact with the Tarot is to ask a question and then pull a card to divine the 'answer'-this guide instead offers the invitation to choose a card first, and then use it as a portal to a deeper level of self-enquiry, using the power of story to help discover why you think the way you think, and do the things you do. The Numinous Tarot Guide offers both a complete compendium of practical Tarot knowledge, and a treasured space for personal reflection. Including insights into the symbolism, mythology and the real-life relevance of each card, it is an indispensable tool for anybody invested in forging a deeper relationship with their favourite deck, as well as an ideal gift for mystical mavens, self-help fans and Tarot readers everywhere.
