Intercultural Dialogue on Campus - Sjur Bergan 2009-01-01

Modern societies are inconceivable as isolated and mono-cultural entities. The interaction of various cultures is not only a fact of life for most Europeans, it also enriches our societies. However, we also witness tensions between cultures. Intercultural dialogue is therefore one of the political priorities of the Council of Europe, as shown most prominently by the adoption of the White Paper "Living Together as Equals in Dignity" in May 2008. Higher education, by its history and contemporary practice, is a natural partner in and promoter of intercultural dialogue and understanding. Higher education institutions and campuses are themselves multicultural societies, and as such are the focus of the present volume. A second volume will examine the role of higher education in furthering intercultural dialogue and understanding in broader society.

Packed with more than 60 drawing activities, and including large flaps with removable stencil sheets, Doodle Town is an entertaining and empowering introduction to imaginative drawing.

The Shore of Women - Pamela Sargent 2014-04-01

A dystopian tale of a power struggle between the sexes in the post-nuclear future, perfect for readers of Margaret Atwood and Ursula K. Le Guin. After a nuclear holocaust, women rule the world. Using advanced technology, they've expelled men from their vast walled cities to roam the countryside in primitive bands, bringing them back only for the purpose of loveless reproduction under the guise of powerful goddesses. When one young woman, Birana, questions her society's deception, she finds herself exiled among the very men she has been taught to scorn. She crosses paths with a hunter, Arvil, and the two grow close as they evade the ever-threatening female forces and the savage wilderness men. Their love just might mend their

fractured world—if they manage to survive. Hailed as “one of the genre’s best writers” by the Washington Post Book World, Pamela Sargent is the author of numerous novels, including Earthseed and Venus of Dreams. The winner of the Nebula and Locus awards, she has also coauthored several Star Trek novels with George Zebrowski.

Crescere un figlio femminista - Aurélia Blanc 2023-09-09

Da tempo ormai riflettiamo sul significato del femminismo, ci impegniamo a educare le nostre figlie a essere emancipate e indipendenti. Combattiamo a scuola, al lavoro, nelle nostre stesse famiglie per sfatare i luoghi comuni e offrire alle ragazze pari opportunità rispetto ai loro coetanei maschi. Eppure continuiamo a crescere i nostri figli all'interno dello stesso modello patriarcale, come se fosse possibile decostruire il sessismo senza mettere in discussione la nostra idea di virilità. Nei cortei femministi si fa sempre più frequente uno slogan: “Non proteggere tua figlia, educa tuo figlio!”. Aurélia Blanc sviscera gli stereotipi e raccoglie strumenti e consigli per aiutare i genitori a crescere i propri figli in modo antisessista. Descrive come i bambini, ingabbiati dalle norme della virilità, soffrono di una visione violenta della mascolinità, che li ha portati a reprimere il loro essere, i loro sentimenti e i loro veri desideri. Allora sfatiamo un po' di luoghi comuni: no, i cervelli di ragazzi e ragazze non sono “cablati” in modo diverso, e no, giocare con le bambole non lo fa “diventare” gay! Il rosa non è un colore da femmine, né la danza uno sport poco virile. Parlare con i nostri figli di questioni come il consenso, l'educazione sessuale, la parità di genere li aiuterà a diventare persone indipendenti, capaci di sviluppare rapporti basati sul rispetto e sulla fiducia. Adottare un'educazione femminista significa dare la possibilità ai nostri ragazzi di sviluppare la propria unicità coltivando un'imprescindibile libertà personale.

Sport and prisons in Europe - Gaëlle Sempé 2018-12-17

Improve the well-being of prisoners in detention, enable them to change their behavior and attitudes, develop their ability to live together, learn to respect others and abide by the rules, and thus facilitate their reintegration into society, these are the objectives of a prison sports policy. There has been growing recognition of the value of sport by the prison system. Its effects are highly beneficial to those in detention and to prison life in general. However, looking at the objectives through to the challenges, we can see that the link between sport and prison is a complex one, and in order to understand it better and to see what lessons can be learned, an in-depth thinking process is required, based on current scientific knowledge in this field and on state policies and practices being implemented in prisons. In the framework of its activities promoting diversity in and through sport, the Enlarged Partial Agreement on Sport (EPAS) of the Council of Europe has been working on the subject of sport and prison since 2013, in close connection with the Council for Penological Co-operation (PC-CP). Following an expert seminar organised in Strasbourg in 2013, a pan-European conference was held in Paris in 2014. The results of a survey which highlighted the numerous examples of good practice regarding sports programmes were discussed. The conference highlighted the need to record the different points of view regarding sport in prison at a pan-European level in order to identify the real challenges. Gaëlle Sempé is a lecturer in sociology, sports science and physical education training (STAPS), and teacher-researcher at Rennes University 2. Mr Vivian Geiran, author of the foreword, is chair of the Council for Penological Co-operation (PC-CP) of the Council of Europe. The Enlarged Partial Agreement on Sport (EPAS) is an agreement between a number of Council of Europe member states (38 as of 1 January 2018) which have decided to co-operate in the field of sports policy. As an “enlarged” agreement, EPAS is open to non-member states. It works in co-operation with relevant

organisations, in particular with representatives of the sports movement.

Dégenrer, ça vous dérange ? - Sophie COLLARD 2021-09-02

Un document graphique bienveillant pour chausser les lunettes de l'égalité filles-garçons : 18 scènes du quotidien illustrées et décryptées pour saisir les biais sexistes pas si anodins de la vie en famille, comprendre comment ils affectent les enfants et trouver des pistes d'action pour changer d'approche. Une fille qui joue au foot dans la cour de récré, un petit garçon qui joue à la poupée ou qui se déguise en princesse... Pourquoi est-ce que cela dérange ? Car, oui, même si nous ne nous en rendons pas compte, les clichés de genre sont encore bien présents dans notre quotidien. Les adultes les perpétuent sans y penser, et les enfants y sont particulièrement sensibles. En effet, par nos mots, nos gestes, nos recommandations, l'intonation de notre voix, nos compliments, nous les influençons sans le vouloir, un apprentissage qui se retrouvera jusque dans les choix de vie qu'ils feront plus tard. Si l'enjeu ne se limite pas à la sphère familiale, l'éducation égalitaire est bien l'un des leviers qui feront bouger les lignes pour votre enfant. Dans cet ouvrage, à travers 18 scènes illustrées d'apparence anodine, les autrices donnent à voir ce qui se joue et proposent des clés pour contourner les pièges quotidiens des stéréotypes, des outils pour apprendre en famille à réagir avec intelligence et bienveillance, des lectures et des activités pour transformer ces questionnements en échanges ludiques, afin d'en faire des occasions positives de grandir librement.

Erotic Lives of the Superheroes - Marco Mancassola 2012-06-01

At once realistic and visionary, here is a novel that revives a pop imagination with a narrative of singular power. This is a story about the broken heart of not only a group of former superheroes, but of an entire civilisation.

Tu seras un homme féministe mon fils - Aurélia Blanc 2018-10-10

Le premier livre d'éducation non-sexiste à l'usage des garçons ! Depuis des décennies, on ne cesse de réfléchir sur le sens de la féminité, sur l'éducation de nos filles, que l'on veut voir fières et émancipées; on lutte à l'école, dans la rue, dans les familles, pour leur donner les mêmes chances qu'aux garçons. Mais on continue d'élever nos fils dans le même moule qu'avant, comme si on pouvait déconstruire le sexisme sans s'interroger sur la masculinité ! Grâce à des analyses d'experts, des témoignages et des informations pratiques, Aurélia Blanc décortique les stéréotypes et rassemble tous les outils pour aider les parents à élever leur garçon dans une société qui promet l'égalité ! Toutes les astuces pour : Se déconditionner soi-même du « sexisme bienveillant » véhiculé par l'entourage et notre propre éducation En finir avec les injonctions : Un homme ça ne pleure pas , ça ne fait pas de sentiment , ça collectionne les conquêtes , ça fait passer son travail avant ses enfants .. L'armer face aux pressions sociétales : « c'est un truc de fille »... Lui apprendre le respect de soi et des autres : la question du consentement

Woman World - Aminder Dhaliwal 2020-10-14

THE HILARIOUS AND WILDLY POPULAR INSTAGRAM COMIC ABOUT A WORLD WITH NO MEN With her startling humor, it's no surprise that Aminder Dhaliwal's web comic *Woman World* has a devoted audience of over 120,000 readers, updated biweekly with each installment earning an average of 25,000 likes. Now, readers everywhere will delight in the print edition as Dhaliwal seamlessly incorporates feminist philosophical concerns into a series of perfectly-paced strips that skewer perceived notions of femininity and contemporary cultural icons. D+Q's edition of *Woman World* will include new and previously unpublished material. When a birth defect wipes out the planet's entire population of men, *Woman World* rises out of society's ashes. Dhaliwal's infectiously funny instagram comic follows the rebuilding process, tracking a group of women who have rallied together under the flag of "Beyonce's Thighs." Only Grandma remembers the distant past, a civilization of segway-riding mall cops, Blockbusters movie rental shops, and "That's What She Said" jokes. For the most part, *Woman World*'s residents are focused on their struggles with unrequited love and anxiety, not to mention that whole "survival of humanity" thing. *Woman World* is an uproarious and insightful graphic novel from a very talented and funny new voice.

Educar contra el machismo - Aurélia Blanc 2020-01-16

El primer libro de educación no sexista para niños. Un libro que lleva el feminismo a la vida familiar. Durante décadas, hemos reflexionado sobre el significado de la femineidad, sobre la educación de nuestras hijas en el feminismo, a quienes queremos ver orgullosas y emancipadas: luchamos en la escuela, en la calle, en la familia, para darles las mismas oportunidades que a los niños y para combatir los clichés. Pero seguimos criando a nuestros hijos bajo el mismo molde patriarcal que antes, como si pudiéramos deconstruir el sexismo sin preguntarnos acerca de la masculinidad. A través de estudios científicos y testimonios de profesionales, Aurélia Blanc, madre joven y periodista, reúne todas las herramientas para ayudar a los padres a criar a sus hijos de una manera igualitaria en cuanto al género. Blanc describe cómo nuestros hijos, encerrados con viejos grilletes masculinos, sufren la represión de su ser, sus sentimientos y sus deseos reales. Adoptar una educación feminista es dar a nuestros hijos la oportunidad de desarrollar su singularidad y cultivar la verdadera libertad. Un libro que da las claves para crear niños felices, libres y que vivan la igualdad como el único camino y que detecta y examina las bases del «sexismo benevolente» que desafortunadamente aún vivimos, ofreciéndonos las bases para romper ciertos roles impuestos e ideas machistas conscientes e inconscientes, evitando que contaminen nuestro imaginario y el de nuestros pequeños. Un libro que educa en la igualdad, en la vida afectiva y sexual y en la lucha contra la influencia negativa de los estereotipos, que ayudará a los padres a que sus hijos cuestionen su entorno y aprendan a responder ante actitudes sexistas, aprendiendo sin tabúes en una educación que favorezca el encuentro con la otredad. Un libro fundamental para que tu hijo se respete a sí mismo y a todos los demás y para que se convierta en un hombre libre.
