working in the shadows, this former mercenary is the only one who can safeguard his family's company from growing dangers. He has no time for an unwanted marriage to the empress of his home planet, Draconis. But what choice does he have? No female will ever look on his battered body with desire or redeem his blackened soul. Nursing intern Laura took an oath to heal whoever comes into her emergency room, even the gruff male who looks like he could stop a car accident with his iron abdomen. When an unknown enemy turns her into a target, she naturally runs for shelter in his bulging arms. Laura may be exactly Kyan needs to begin a new age of dragon-human harmony--or she may plunge Earth into war! This is a complete novel with a happy ending. It features steamy dragon shifter love scenes and a cheery nurse who wants to heal this wounded warrior. Must love dragons! Everyone knows that Heroes slay Dragons. Not everyone knows that Heroes also change diapers. It's the oldest story in the world; boy meets girl, boy marries girl, they have a family. But what happens when the girl makes more money than the boy, and he stays at home to raise the kids? What happens when pregnancy is rough on her, and he has to go back to work? And what happens when she's a dragon, he's a ranger, and a day at the office involves trolls, elves, magic, and lower back pain? Linus Weedwhacker (shut it, he's heard 'em all) knows first hand.

**Loved by a Dragon** - Linda K. Hopkins 2015  
Keira and her mother disagree over what makes a good husband, but the truth is, prospects in her village are slim. So when Aaron Drake arrives in the village and sets his sights on her, she cannot help but be interested. It's not just

his handsome looks or easy confidence that captures her attention, but rather an air of otherness. Something that sets him apart. But Aaron is not the only new arrival. A fire-breathing dragon has taken up residence in the surrounding mountains, and the villagers are certain that it is just a matter of time before the creature destroys them all. There is more to the creature than meets the eye, however, and when danger comes it is not from the dragon, but from one of their own. But it is Keira's heart that is most at risk, and she must decide if she can pay the price that love demands. Bound by a Dragon is the first book in The Dragon Archives, a paranormal fantasy that will take you on an epic journey through medieval castles and lairs. Awarded the Indie BRAG Award, it will keep you engrossed to the very last page. Download this book today and get lost in a tale of romance and dragons.

They made a deal to conceive a child then go their separate ways. Falling in love wasn't part of the contract. Centuries after siring a cub with the dragon-goddess Hel, Ares still can't get her off his mind. Every war has been fought in her honor, every enemy slain in her name. When he's invited to the secluded hills of northern California for prime hunting with his adult son, he's surprised to find the dragoness who got away is already a guest. This time, she won't escape him. Hel doesn't need anyone, least of all the fire dragon who fathered her only son. He's brash, crude, and.... he's absolutely delightful in bed. Resisting him should be easy, but he is the dragon-god of war, and there's never been a battle he couldn't win.

### **Dragon Mist** - David Burnett 2019-09

As the third daughter of a third daughter, dragon-shifter Christine Drachen must mate with a human. Not all human males are genetically compatible with dragon shifters, and suitable matches are rare in old Charleston.

Christine, though, has identified James to be an appropriate match. Even humans who acknowledge the possibility of dragons cannot believe that one can be both a dragon and a human, shifting between the two. As a result, Christine must attract James without fully revealing her true, shifting nature until they have committed to mate. Christine shows James the gold dragon she always wears around her neck. He notices the prints, statues, and tapestries of dragons that decorate her family's home. Strange noises emanate from behind the Drachens' house during a party, and James believes he actually sees a dragon, one wearing a necklace like Christine's. Christine's last name, Drachen, means "dragon," and, while she jokes her entire family is composed of the creatures, James begins to suspect there is more to what she says than a simple attempt at humor. Finally, he sees her shift. To protect their species from persecution, dragon-shifters silence any human who sees one of them shift, and the

Can a sassy, fiery dragon and a smokin'-hot dragon slayer have a happily ever after? □□□□□  
"Laugh out loud funny, sexy, highly imaginative, and grippingly suspenseful!" ~Jeanne S (Five-star Amazon Review) Theresa Nichols is so over being stuck in dragon form. Two centuries of being trapped indoors because society can't handle a dragon is two centuries too many...especially when it means she's about to miss out on her one chance for love. Desperation sends Theresa to make a deal with her reluctant bestie's boss, who happens to be the leader of

hell. Totally worth risking your eternal soul to get your life back, right? Except once Theresa goes human, everything falls apart. The dangerous badboy she's kinda falling for turns out to be an ex-dragon slayer, her ex-lover from a couple centuries ago is stalking her, and there's a team of active dragon slayers hunting her down. When private detective and reformed dragon slayer Zeke Siccardi realizes that he's inadvertently set two sets of assassins on Theresa's tail, he's determined to make it right, no matter how badly she wants him out of her life. There's no chance for a dragon and a dragon slayer to make a relationship work, right? But when the stakes involve murder, eternal love, and the fate of dragons everywhere, Theresa and Zeke can't afford not to team up. But will their deadly attraction destroy them before they can save Theresa's life and Zeke's soul? It might...but it's so hot between them that it might almost be worth it.

**Must Love Dragons** - Monica Marier 2022-07

**Love of a Shifter (A Paranormal Romance Bundle)** - Gena Callahan

Alpha and possessive. Loving and protective. When a shifter first scents his fated mate, he'll move heaven and earth to claim her as his. Follow these three couples as they discover their true mates, bear shifter babies, and find their happily-ever-afters in *Love of a Shifter*, a paranormal romance bundle from Gena Callahan. This 750+ page box set contains 3 full length shifter romances: *Dragon's Heir*, *Alpha Tiger*, and *Billionaire Bear*, as well as an additional bonus book titled *Bear's Baby*. \* *Dragon's Heir* Getting pregnant was something Tamara didn't ever really expect. But when she agrees to be the surrogate mother of a wealthy client, and for a hefty sum, she decides to accept. But what she doesn't realize is that the client is a billionaire dragon shifter, a man gorgeous as sin, with eyes that seem to pierce

her very soul. This dragon shifter is determined to have an heir to his empire, and for that task he has chosen Tamara to bear his child. She's more than just a suitable candidate. She's the woman he's fallen in love with, and he's going to claim her as his own mate. She won't just be the mother of his child... She'll be his dragon's fated mate. \* Alpha Tiger Danni knew she was letting herself get carried away when she thought about her new and gorgeous next door neighbor... He was everything a woman could want: A hard body, piercing eyes, and she was sure he was packing something large down south, if the bulge in his jeans was anything to go by. But Danni never expected her new neighbor to be a shapeshifter, a man capable of turning into an animal at will. She heard rumors that he was a tiger in his animal form... and that she should stay away from him. When Danni pursued these rumors, she couldn't get an answer as to why. They just said he was dangerous. And she believed it. He very well could be. Her new

neighbor was sexy as sin, but when she looked into his eyes, besides the jolt she felt in her chest, she couldn't glean anything. She had to way to know that this tiger shifter had targeted her to be his mate... She had no idea that when shifters mate, they do so for life. She had no idea that he was determined to claim her as his, determined to make her scream in white-hot ecstasy... all night long... every single night. \* Billionaire Bear Billionaire Chatham Rogers has sworn a dark oath all shifters are required to: Nobody is to learn of the shifter gift. And if they find out, they must be taken care of. The clans guard their shifter secret zealously, and Chatham is no different. If the world were to find out... It was easy to follow the rule. His work required him to remain secretive, anyway. His fortune... his empire... none of it could be risked. But when he meets Shirley McKey, an unassuming bartender at a club, he finds himself wanting to throw it all away. And... for a second, he almost does. But then he lets her go, slip

through his fingers. Now... now thoughts of her keep him up at night. She makes it so that he can't think straight. He's becoming obsessed with her. But he's falling for her, and his inner bear is roaring for her. He knows he has to do whatever it takes to make her his mate. Even if it means risking it all. \*

sure she'll never get one her own. Not with any man, or even a dragon. Jakob is either going to kill the sexy, curvy woman who denies she has The First Dragon's relic, or take her to bed and drive her as crazy as she's making him. Why does he want her so much he can't even properly interrogate her? Might have something to do with the way his soul is screaming at him to mark her, claim her, f\*ck her, and make dragon babies with her. He can't give her his soul if she's already stolen it, or something darker and more dangerous has.

### **The Dragon's Promise** - Elizabeth Lim

2022-08-30

NEW YORK TIMES BESTSELLER • From the critically acclaimed author of *Six Crimson Cranes* comes the thrilling next adventure! A journey to the kingdom of dragons, a star-crossed love, and a cursed pearl with the power to mend the world or break it... Fans of *Shadow and Bone* will devour this soaring fantasy. Princess Shiori made a deathbed promise to

return the dragon's pearl to its rightful owner, but keeping that promise is more dangerous than she ever imagined. She must journey to the kingdom of dragons, navigate political intrigue among humans and dragons alike, fend off thieves who covet the pearl for themselves and will go to any lengths to get it, all while cultivating the appearance of a perfect princess to dissuade those who would see her burned at the stake for the magic that runs in her blood. The pearl itself is no ordinary cargo; it thrums with malevolent power, jumping to Shiori's aid one minute, and betraying her the next—threatening to shatter her family and sever the thread of fate that binds her to her true love. It will take every ounce of strength Shiori can muster to defend the life and the love she's fought so hard to win.

**Dragon Lore and Love** - N.D. Jones 2018-08-12  
Life, death, and rebirth, Isis's and Osiris's future hinges on all three. A century ago, the Dragon Kingdom of Neby was lost to darkness. Invaded

by demon hordes hellbent on stealing two powerful scepters, the Demon King claimed the preternatural realm as his own. To survive, the dragons fled their beloved home and sought refuge in the human realm. Having lived most of their lives in human form, Queen Isis and Rock Dragon Osiris, mere children during the Great Exodus, find themselves clinging to their culture and the ties that bind what's left of Dragonkind. Safe and assured that they are free from the threat of demons, their love flourishes. Yet, on one horrific night, their lives are shattered by tragedy and betrayal. They learn that no realm is beyond the brutal reach of the Demon King. Scores must be settled. Love must be remembered. And a lost nation must be reclaimed.

*Dragon Forge* - J. C. Owens 2017-03-25

The dragons are dying. Now a talented blacksmith and a betrayed prince must find a way to save them...while saving each other. Bren, a blacksmith in a small town, longs to

escape his drunken, abusive father. His world is turned upside down when legendary dragon riders arrive and discover Bren is a chosen one. He's taken to the great mountain fortress to imprint one of the new hatchlings by none other than Kyralian, the dragon prince. After the hatching goes terribly wrong, Bren struggles to recover by losing himself in his metalwork, taking on apprentices, and ignoring all dragons. But he soon realizes that Kyralian, seemingly so powerful, is in real trouble. The prince and his male dragon are treated like property, mated as a prize at the end of a yearly chase. Bren will do anything to keep the prince and his dragon safe...even if it costs him everything. Kyralian is desperate to save the dragons of his colony. He's searching for answers to the failing dragon lines, but the ruling council only wants to use his dragon for breeding. He can't defy them because he's bound by duty and his love for his people. Yet he's never felt more alone, more caged by his obligations to the colony. Now his growing
