Scandal Wears Satin - Loretta Chase 2012-06-26

“One of the finest romance authors of all time.” —Julia Quinn New York Times bestselling author Loretta Chase follows her historical romance gem, *Silk is for Seduction* (nominated for 2011 Romantic Times Reviewer’s Choice Award for Best Regency-Set Historical Romance) with yet another winner. This time, *Scandal Wears Satin*, as the second sister from a somewhat scandalous aristocratic family—the purveyors of one of London’s most fashionable shops—finds passion and a love as sumptuous as the gorgeous gowns she creates. Superstar romance author Susan Elizabeth Phillips says Loretta Chase has “a rare talent for creating crackling sexual tension and characters so fresh and compelling that readers won’t be able to forget them.” Chase fans, as well as Stephanie Laurens and Julia Quinn readers, will most assuredly agree—especially when they meet feisty Sophy and the rakish earl whose help (and heart) she enlists in order to win the patronage of a dowager lady.

Princess Charming - Nicole Jordan 2012-01-31

In Nicole Jordan’s dazzling new Regency series, the scandalous Wilde cousins seek true love by imitating history’s legendary lovers . . . beginning with Ashton Wilde, Marquis of Beaufort, who takes on the daunting role of Prince Charming to an unlikely Cinderella. But Maura Collyer isn’t looking for a prince—or an intimate pairing with any member of the scandalous noble Wilde family. Intrigued by Maura’s beauty and daring, Ash is determined to aid in the rescue of her beloved stallion, gambled away by her wicked stepmother to an evil viscount. As their adventure becomes rife with peril and passion, Ash suspects he’s found his heart’s desire. Even though her dearest friend may be her self-proclaimed fairy godmother, Maura is mortified at being pushed into a romance with a notorious rake such as Ash. Dashing and charming, he comes to Maura’s rescue just in time to help her steal back her precious horse. As they flee across the countryside, she can’t resist his sweet seduction. But is her prince playing a role in a fairy tale to test an improbable theory, or is the love awakening in her heart proof of her own happily ever after?

The Well of Loneliness - Radclyffe Hall 2015-04-23

This early work by Radclyffe Hall was originally published in 1928 and we are now republishing it with a brand new introductory biography. Marguerite Radclyffe Hall was born on 12th August 1880, in Bournemouth, England. Hall's first novel *The Unlit Lamp* (1924) was a lengthy and grim tale that proved hard to sell. It was only published following the success of the much lighter social comedy *The Forge* (1924), which made the best-seller list of John O'London's Weekly. Hall is a key figure in lesbian literature for her novel *The Well of Loneliness* (1928). This is her only work with overt lesbian themes and

tells the story of the life of a masculine lesbian named Stephen Gordon.

Furious Love - Sam Kashner 2013-02-18

A tough Welshman, he was softened by the affections of a breathtakingly beautiful woman: she was a modern-day Cleopatra madly in love with her own Mark Antony. For quarter of a century, Elizabeth Taylor and Richard Burton were the king and queen of Hollywood. Yet their two marriages to each other represented much more than outlandish romance. Together, Elizabeth and Richard were a fascinating embodiment of the mores and transgressions of their time and even luminaries like Jacqueline Kennedy looked to them as a barometer of the culture. The enduring glamour, grandeur, drama and bravado embodied in the couple gave rise to the type of rabid gossip and wide-eyed adoration that are the staples of today's media. Using brand-new research and interviews—including unique access to Taylor herself, the Burton family, and Taylor's extensive personal correspondence—this ultimate celebrity biography is the gripping real-life story of a fairy-tale couple whose lives were even grander and more outrageous than the epic films they made.
