Punk 57 Penelope Douglas 2016 "MISHA I can't help but smile at the lyrics in her letter. She misses me. In fifth grade, my teacher set us up with pen pals from a different school. Thinking I was a girl, with a name like Misha, the other teacher paired me up with her student, Ryen. My teacher, believing Ryen was a boy like me, agreed. It didn't take long for us to figure out the mistake. And in no time at all, we were arguing about everything. The best take-out pizza. Android vs. iPhone. Whether or not Eminem is the greatest rapper ever... And that was the start. For the next seven years, it was us. Her letters are always on black paper with silver writing. Sometimes there's one a week or three in a day, but I need them. She's the only one who keeps me on track, talks me down, and accepts everything I am. We only had three rules. No social media, no phone numbers, no pictures. We had a good thing going. Why ruin it? Until I run across a photo of a girl online. Name's Ryen, loves Gallo's pizza, and worships her iPhone. What are the chances? F*ck it. I need to meet her. I just don't expect to hate what I find. RYEN He hasn't written in three months. Something's wrong. Did he die? Get arrested? Knowing Misha, neither would be a stretch. Without him around, I'm going crazy. I need to know someone is listening. It's my own fault. I should've gotten his phone number or picture or something. He could be gone forever. Or right under my nose, and I wouldn't even know it. *Punk 57 is a stand alone New Adult romance. It is suitable for ages 18+."--Amazon.com

Jane Eyre Golden Classics 2020-10-21 Initially published under the pseudonym Currer Bell in 1847, Charlotte Brontë's Jane Eyre erupted onto the English literary scene, immediately winning the devotion of many of the world's most renowned writers, including William Makepeace Thackeray, who declared it a work "of great genius." Widely regarded as a revolutionary novel, Brontë's masterpiece introduced the world to a radical new type of heroine, one whose defiant virtue and moral courage departed sharply from the more acquiescent and malleable female characters of the day. Passionate, dramatic, and surprisingly modern, Jane Eyre endures as one of the world's most beloved novels.

Minor Histories Mike Kelley 2004-02-06 The second volume of writings by Los Angeles artist Mike Kelley, focusing on his own work. What John C. Welchman calls the "blazing network of focused confluences" from which Mike Kelley's styles are generated is on display in all its diversity in this second volume of the artist's writings. The first volume, *Foul Perfection*, contained thematic essays and writings about other artists; this collection concentrates on Kelley's own work, ranging from texts in "voices" that grew out of scripts for performance pieces to expository critical and autobiographical writings. *Minor Histories* organizes Kelley's writings into five sections. "Statements" consists of twenty pieces produced between 1984 and 2002 (most of which were written to accompany exhibitions), including "Ajax," which draws on Homer, Colgate- Palmolive, and Longinus to present its eponymous hero; "Some Aesthetic High Points," an exercise in autobiography that counters the standard artist bio included in catalogs and press releases; and a sequence of "creative writings" that use mass cultural tropes in concert with high art mannerisms—approximating in prose the visual styles that characterize Kelley's artwork. "Video Statements and Proposals" are introductions to videos made by Kelley and other artists, including Paul McCarthy and Bob Flanagan and Sheree Rose. "Image-Texts" offers writings that accompany or are part of artworks and installations. This section includes "A Stopgap Measure," Kelley's zestful millennial essay in social satire, and "Meet John Doe," a collage of appropriated texts. "Architecture" features an discussion of Kelley's Educational Complex (1995) and an interview in which he reflects on the role of architecture in his work. Finally, "Ufology" considers the aesthetics and sexuality of space as manifested by UFO sightings and abduction scenarios.

Nevada Imogen Binnie 2022-06-09 Maria, a trans woman in her thirties, is going nowhere. She spends her aimless days working in a New York bookstore, trying to remain true to a punk ethos while drinking herself into a stupor and having a variety of listless and confusing sexual encounters. After her girlfriend cheats on her, Maria steals her car and heads for the Pacific, embarking on her version of the Great American Road Trip. Along the way she stops in Reno, Nevada, and meets James, a young man who works in the local Wal-Mart. Maria recognizes elements of her younger self in James and the pair quickly form an unlikely but powerful connection, one that will have big implications for them both. *Nevada* is a hilarious, groundbreaking cult classic from Imogen Binnie that inspired a whole literary movement, and is now published in the UK for the very first time. Part of the Picador Collection, a new series showcasing the best of modern literature.

Maggie Kim Dare 2015-11-01 Everet has found his perfect place in the nest. As a raven, he's ideally suited to his new role in the nest's security flock. Some of the jobs it entails have been far more enjoyable than others, but when he's called to retrieve a magpie, who's got himself into trouble in a local human club, it becomes a truly life changing experience. Magpie shifters have always been looked down on by other avians. Just as attracted to shiny things in their human bodies as they are in their avian forms, everyone knows they'll do anything for money - and they're not above stealing what they can't get by more honest means. Kane knows what being a magpie means, and he's got the bruises to show for it. When Everet rescues him from his latest scrape, Kane knows better than to believe the raven will actually take an interest in him and his welfare, but it's just possible that Everet is different to any other man Kane has ever met. Please Note: This book is best read in order as part of the *Avian Shifters* series. The previous stories are *Duck!* and *Celebrate*.

Black Swan Affair K. L. Kreig 2016-09 I've loved him as long as I can remember. The gangly boy with big brown eyes and unruly hair who grew up into an intoxicating man. He wears scruff like he invented it and ambles with a swagger that makes panties drop. Killian Shepard. Shep. We grew up together. We played *Ghost in the Graveyard*. Had our own rock band. It didn't matter that he was five years older than me. It didn't matter that he looked at me as a kid sister even as I grew into woman. It didn't even matter when he left me behind to go to college and start his adult life. He'd be back. He was always meant to be mine. He came back, all right. But instead of smelling of promises, he stunk of betrayal. And he destroyed me - us - the day he married my sister instead of me. So I did the only thing a girl like me in my position could do. I got my revenge. I married his brother, Kael. Now we're one big happy f**king family.

These Men Andrea Smith 2014-03-25 Paige Matthews has a lot to learn - about everything, including herself. At age twenty-two, Paige finds herself driving across the country to start an internship with the F.B.I. in Quantico, Virginia. You would think that Paige would be grateful to her older brother, Trace Matthews, a senior F.B.I. agent who pulled strings on her behalf to get her into the program, right? Wrong. Paige is not overly enthused at the realization that her parents have pushed her from the nest and onto her older brother's plate for the time being. Always a loner, she quickly wears out her welcome with Trace and his wife Lindsey, due to her . . . need for random hook-ups, and finds herself crashing with her oldest brother, Easton, and his wife Darcy. Once Paige gets involved in a casual relationship with Darcy's ex-boyfriend, she is quick to realize that she really needs a place of her own. But can she afford it? Not at all. Having been introduced to Darcy's former roommate and bestie male friend, Eli Chambers, along with his partner, Cain Maddox, Paige is finally able to find suitable living arrangements. With these men. This is no typical "Three's Company" story though. Paige embarks on a journey of self-discovery that teaches her not only about giving, but accepting love as well. She soon realizes that sometimes what you're searching for has been right there with you all along. ADULT CONTENT.

Double Session at the Fertility Clinic (Fertile Medical Exam MFM Menage Erotica) Jessica Whitethread 2015-10-24 Lilly Marone has been married a year with nothing to show for it. Reader Advisory: This story is for mature audiences only and features intensely erotic situations, a medical exam, a handsome older doctor and a fertile younger patient, multiple partners and rough group sex, dominance and submissiveness. All characters are 18 or older. Excerpt I felt a firm grip pushing on my knee and I opened my eyes to realize I had clamped my thighs together around his probing hand. He smiled, maybe a bit knowingly, as he pushed them back open and held them. "Sorry," I breathed. "I just ..." "It's a perfectly natural reaction," he said. "A very healthy reaction, in fact. You are a very healthy young woman. Don't apologize." He withdrew his hand, leaving a hot, wet residue on my thigh as he pulled it away.

The Dare Harley Laroux 2021-01-26 Warning: This erotica contains scenes and elements that may be disturbing to some readers. Please review the

full content warning below. Jessica Martin is not a nice girl. As Prom Queen and Captain of the cheer squad, she'd ruled her school mercilessly, looking down her nose at everyone she deemed unworthy. The most unworthy of them all? The "freak," Manson Reed: her favorite victim. But a lot changes after high school. A freak like him never should have ended up at the same Halloween party as her. He never should have been able to beat her at a game of Drink or Dare. He never should have been able to humiliate her in front of everyone. Losing the game means taking the dare: a dare to serve Manson for the entire night as his slave. It's a dare that Jessica's pride - and curiosity - won't allow her to refuse. What ensues is a dark game of pleasure and pain, fear and desire. Is it only a game? Only revenge? Only a dare? Or is it something more? This book contains intense fantasy scenes of hard kinks/edgeplay, graphic sex, and harsh language. It is intended only for an adult audience. Beware: this is a dark, weird, kinky read. The activities depicted therein are dangerous and are not meant to be an example of realistic BDSM. Reader discretion is advised. Kinks/Fetishes within: erotic humiliation, fearplay, painplay, knifeplay, consensual non-consent (CNC), orgasm denial, boot worship, spanking, crying, blowjobs, clowns, group sexual activities, spit, bondage, public play, bloodplay.
