**While I Was Away** Waka T. Brown 2021-01-26 Named one of New York Public Library's & Bank Street's Best Books of the Year! The Farewell meets Erin Entrada Kelly's *Blackbird Fly* in this empowering middle grade memoir from debut author Waka T. Brown, who takes readers on a journey to 1980s Japan, where she was sent as a child to reconnect to her family's roots. When twelve-year-old Waka's parents suspect she can't understand the basic Japanese they speak to her, they make a drastic decision to send her to Tokyo to live for several months with her strict grandmother. Forced to say goodbye to her friends and what would have been her summer vacation, Waka is plucked from her straight-A-student life in rural Kansas and flown across the globe, where she faces the culture shock of a lifetime. In Japan, Waka struggles with reading and writing in kanji, doesn't quite mesh with her complicated and distant Obaasama, and gets made fun of by the students in her Japanese public-school classes. Even though this is the country her parents came from, Waka has never felt more like an outsider. If she's always been the "smart Japanese girl" in America but is now the "dumb foreigner" in Japan, where is home...and who will Waka be when she finds it?

**The Cowshed** Ji Xianlin 2016-03-08 The Chinese Cultural Revolution began in 1966 and led to a ten-year-long reign of Maoist terror throughout China, in which millions died or were sent to labor camps in the country or subjected to other forms of extreme discipline and humiliation. Ji Xianlin was one of them. *The Cowshed* is Ji's harrowing account of his imprisonment in 1968 on the campus of Peking University and his subsequent disillusionment with the cult of Mao. As the campus spirals into a political frenzy, Ji, a professor of Eastern languages, is persecuted by lecturers and students from his own department. His home is raided, his most treasured possessions are destroyed, and Ji himself must endure hours of humiliation at brutal "struggle sessions." He is forced to construct a cowshed (a makeshift prison for intellectuals who were labeled class enemies) in which he is then housed with other former colleagues. His eyewitness account of this excruciating experience is full of sharp irony, empathy, and remarkable insights into a central event in Chinese history. In contemporary China, the Cultural Revolution remains a delicate topic, little discussed, but if a Chinese citizen has read one book on the subject, it is likely to be Ji's memoir. When *The Cowshed* was published in China in 1998, it quickly became a bestseller. The Cultural Revolution had nearly disappeared from the collective memory. Prominent intellectuals rarely spoke openly about the revolution, and books on the subject were almost nonexistent. By the time of Ji's death in 2009, little had changed, and despite its popularity, *The Cowshed* remains one of the only testimonies of its kind. As Zha Jianying writes in the introduction, "The book has sold well and stayed in print. But authorities also quietly took steps to restrict public discussion of the memoir, as its subject continues to be treated as sensitive. The present English edition, skillfully translated by Chenxin Jiang, is hence a welcome, valuable addition to the small body of work in this genre. It makes an important contribution to our understanding of that period."

Baba loves telling Tai Shan stories while the kites--one red, and one blue--rise, dip, and soar together. Then, a bad time comes. People wearing red armbands shut down the schools, smash store signs, and search houses. Baba is sent away, and Tai Shan goes to live with Granny Wang. Though father and son are far apart, they have a secret way of staying close. Every day they greet each other by flying their kites???one red, and one blue???until Baba can be free again, like the kites. Inspired by the dark time of the Cultural Revolution in China, this is a soaring tale of hope that will resonate with anyone who has ever had to love from a distance.

**China's Son** Da Chen 2009-02-19 A candid memoir of growing up during the Chinese Cultural Revolution that is sure to inspire. Da Chen grew up as an outcast in Communist China. His family's legacy had been one of privilege prior to the revolution, but now in the Chairman Mao era, they are treated with scorn. For Da Chen, that means that all of his successes and academic achievements are nullified when one teacher tells him that, because of his "family's crimes," he can never be more than a poor farmer. Feeling his fate is hopeless, Da responds by dropping out. Da's life takes a dark turn, and he soon begins hanging out with a gang. However, all is not lost. After Chairman Mao's death, Da realizes that an education and college might be possible. He begins to study--all day and into the night. His entire family rallies to help him succeed, working long hours in the rice fields and going into debt to ensure that Da has an education. Their struggle would not be in vain. When the final exam results are posted, Da has one of the highest scores in the region, earning him a place at the prestigious Beijing University and a future free from the scars of his past. This inspiring memoir, adapted for young readers from *Colors of the Mountain*, is one that will rally readers to defy the odds. Praise for *China's Son* "Humor and unflinching honesty inform the narrative, which is shot through with lyrical descriptions."—Publishers Weekly "Da Chen's narrative moves smoothly, communicating setting and character with an immediacy that will draw young readers in."—Kirkus Reviews

Red China Blues Jan Wong 2011-12-14 Jan Wong, a Canadian of Chinese descent, went to China as a starry-eyed Maoist in 1972 at the height of the Cultural Revolution. A true believer--and one of only two Westerners permitted to enroll at Beijing University--her education included wielding a pneumatic drill at the Number One Machine Tool Factory. In the name of the Revolution, she renounced rock & roll, hauled pig manure in the paddy fields, and turned in a fellow student who sought her help in getting to the United States. She also met and married the only American draft dodger from the Vietnam War to seek asylum in China. *Red China Blues* is Wong's startling--and ironic--memoir of her rocky six-year romance with Maoism (which crumbled as she became aware of the harsh realities of Chinese communism); her dramatic firsthand account of the devastating Tiananmen Square uprising; and her engaging portrait of the individuals and events she covered as a correspondent in China during the tumultuous era of capitalist reform under Deng Xiaoping. In a frank, captivating, deeply personal narrative she relates the horrors that led to her disillusionment with

the "worker's paradise." And through the stories of the people—an unhappy young woman who was sold into marriage, China's most famous dissident, a doctor who lengthens penises—Wong reveals long-hidden dimensions of the world's most populous nation. In setting out to show readers in the Western world what life is like in China, and why we should care, she reacquaints herself with the old friends—and enemies of her radical past, and comes to terms with the legacy of her ancestral homeland.

**Red Scarf Girl** Ji-Li Jiang 2009-07-01 Story of a young teenager at the height of the Cultural Revolution in China in the late 1960s.

**Life and Death in Shanghai** Nien Cheng 2010-12-14 The national bestselling memoir of a woman's resistance and struggles in Communist China—"an absorbing story of resourcefulness and courage" (The New York Times). A NEW YORK TIMES BEST BOOK OF THE YEAR In August 1966, a group of Red Guards ransacked the home of Nien Cheng. Her background made her an obvious target for the fanatics of the Cultural Revolution: educated in London, the widow of an official of Chiang Kai-shek's regime, and an employee of Shell Oil. When she refused to confess that any of this made her an enemy of the state, she was placed in solitary confinement, where she would remain for more than six years. Life and Death in Shanghai recounts the story of Nien Cheng's imprisonment—a time of extreme deprivation which she met with heroic resistance—as well as her quest for justice when she was released. It is also the story of a country torn apart by Mao Zedong's vicious campaign to topple party moderates. An incisive, personal account of a terrifying chapter in twentieth-century history, Life and Death in Shanghai is also an astounding portrait of one woman's courage.

**Wild Swans** Jung Chang 2008-06-20 The story of three generations in twentieth-century China that blends the intimacy of memoir and the panoramic sweep of eyewitness history—a bestselling classic in thirty languages with more than ten million copies sold around the world, now with a new introduction from the author. An engrossing record of Mao's impact on China, an unusual window on the female experience in the modern world, and an inspiring tale of courage and love, Jung Chang describes the extraordinary lives and experiences of her family members: her grandmother, a warlord's concubine; her mother's struggles as a young idealistic Communist; and her parents' experience as members of the Communist elite and their ordeal during the Cultural Revolution. Chang was a Red Guard briefly at the age of fourteen, then worked as a peasant, a "barefoot doctor," a steelworker, and an electrician. As the story of each generation unfolds, Chang captures in gripping, moving—and ultimately uplifting—detail the cycles of violent drama visited on her own family and millions of others caught in the whirlwind of history.

**Snow Falling in Spring** Moying Li 2010-03-06 Most people cannot remember when their childhood ended. I, on the other hand, have a crystal-clear memory of that moment. It happened at night in the summer of 1966, when my elementary school headmaster hanged himself. In 1966 Moying, a student at a prestigious language school in Beijing, seems destined for a promising future. Everything changes when student Red Guards begin to orchestrate brutal assaults, violent public humiliations, and forced confessions. After watching her teachers and headmasters beaten in public, Moying flees school for the safety of home, only to witness her beloved grandmother denounced, her home ransacked, her father's precious books flung onto the back of a truck, and Baba himself taken away. From labor camp, Baba entrusts a friend to deliver a reading list of banned books to Moying so that she can continue to learn. Now, with so much of her life at risk, she finds sanctuary in the world of imagination and learning. This inspiring memoir follows Moying Li from age twelve to twenty-two, illuminating a complex, dark time in China's history as it tells the compelling story of one girl's difficult but determined coming-of-age during the Cultural Revolution. **Blood Red Sunset** Ma Bo 1996-07-01 A searing first hand account of China's Cultural Revolution that joins the ranks of great memoirs such as Life and Death in Shanghai, Wild Swans and A Chinese Odyssey First banned in its native land, this earthy, unflinching memoir has become one of the biggest bestsellers in the history of China. In 1968, a fervent young Red Guard joined the army of hotheaded adolescents who trekked to Inner Mongolia to spread the Cultural Revolution. After gaining a reputation as a brutal abuser of the local herd owners and nomads, Ma Bo casually criticized a Party Leader. Denounced as an "active counterrevolutionary" and betrayed by his friends, the idealistic youth was brutally beaten and imprisoned. Charged with passion, never doctrinaire, Blood Red Sunset is a startlingly vivid and personal narrative that opens a window on the psyche of totalitarian excess that no other work of history can provide. This is a tale of ideology and disillusionment, a powerful work of political and literary importance. "A deceptively straightforward story carried forward by deep currents of insight."—The Washington Post "A genuine, no-holds-barred, unadorned piece of writing...echoing the realities of contemporary China."—Liu Binyan, The New York Times Book Review

**Red Azalea** Anchee Min 2012-11-05 Born into a devoutly Maoist family in 1950s Shanghai and forced to work on a communal farm from the age of seventeen, Anchee Min found herself in an alienating and hostile political climate, where her only friendships were perilous and intense. Both candid and touching, this compelling memoir documents her isolation and illicit love against the backdrop of China's Cultural Revolution. From her coming of age in the Red Guard to her recruitment into Madame Mao's burgeoning industry of propaganda movies, *Red Azalea* explores the secret sensuality of a repressive society with elegance and honesty.

**The Magical Monkey King** 2004 The mischievous Monkey King attempts to achieve immortality the easy way, gains god-like powers, and wreaks havoc in heaven.

Son of the Revolution Liang Heng 1984-02-12 An account of growing up during China's Great Cultural Revolution.

**Born Red** Yuan Gao 1987-06-01 *Born Red* is an artistically wrought personal account, written very much from inside the experience, of the years 1966-1969, when the author was a young teenager at middle school. It was in the middle schools that much of the fury of the Cultural Revolution and Red Guard movement was spent, and Gao was caught up in very dramatic events, which he recounts as he understood them at the time. Gao's father was a county political official who was in and out of trouble during those years, and the intense interplay between father and son and the differing perceptions and impact of the Cultural Revolution for the two generations provide both an unusual perspective and some extraordinary moving moments. He also makes deft use of traditional mythology and proverbial wisdom to link, sometimes ironically, past and present. Gao relates in vivid fashion how students-turned-Red Guards held mass rallies against 'capitalist roader' teachers and administrators, marching them through the streets to the accompaniment of chants and jeers and driving some of them to suicide. Eventually the students divided into two factions, and school and town became armed camps. Gao tells of the exhilaration that he and his comrades experienced at their initial victories, of their deepening disillusionment as they utter defeat as the tumultuous first phase of the Cultural Revolution came to a close. The portraits of the persons to whom Gao introduces us - classmates, teachers, family members - gain weight and density as the story unfolds, so that in the end we see how they all became victims of the dynamics of a mass movement out of control.

**Flowing with the Pearl River: Autobiography of a Red China Girl** Amy Chan Zhou 2022-02-22 *Flowing with the Pearl River: Autobiography of a Red China Girl* is a young adult memoir about Amy Chan Zhou and her family's struggles to survive in China from the time the Communists took power in 1949 through the end of the Mao era in 1976. Narrated through the eyes and voice of Chan Zhou, *Flowing with the Pearl River* is an insightful, accurate, and in-depth look at the devastating impact the many political campaigns and revolutions had on multiple generations of her family. As the Communists take control of the country in 1949, we follow the harrowing experiences of Chan Zhou's great-grandparents, grandparents, father, and mother during the branding of landlords, business owners, and scholars as "bad elements" and "class enemies." The author and her family members were among those whose lives were shattered and who suffered from the political campaigns and revolutions. The struggles continue as the Communist political leaders pit people against people and breed fear and distrust by coercing informants to turn on innocent citizens, forcing re-education in labor camps and instigating the Cultural Revolution. Chan Zhou's personal observations and emotional experiences are at the heart of the story from her childhood and middle school years in China to her father's escape to Hong Kong and Chan Zhou's eventual immigration to the United States at age 14. Chan Zhou's childhood stories as a wild child growing up in the countryside with primitive conditions are marked by the family's everyday struggle to obtain food, the hardship that resulted when Chan Zhou's school became a child labor camp, and the horror of attending "public denouncing" meetings and witnessing relatives being tortured on a stage. However, Chan Zhou's childhood also featured rural beauty and the simple joys of raising farm animals or catching fish in a local river. When Chan Zhou sells vegetables in the black market, she is accused of being a "little capitalist trader"; the death of Mao ultimately saves her from being sent to a detention center, and her family's destiny is forever altered by Deng Xiaoping's reform that allowed Chan Zhou's family to reunite in Hong Kong and their subsequent immigration to the USA. A blend of *Wild Swans* and *The Red Scarf Girl*, *Flowing with the Pearl River* presents rich and detailed depictions of one family's painful experiences during Communism and the Cultural Revolution in China. It is a comprehensive and vividly accurate portrayal of the impact of those events on Chinese culture and society that remains largely unknown to modern readers and risks being forgotten. *Flowing with the Pearl River* aims to ensure that this history and the memories of millions of families similar to Chan Zhou's remain alive and remembered for eternity.

Spider Eaters Rae Yang 2013-03 "Fifteen years after its first publication, *Spider Eaters* remains my go-to memoir about coming of age during the Mao years. Rae Yang's work is notable for its reflectiveness, complexity, psychological insight, and unflinching honesty. I commend this riveting work to a generation of readers for whom the cultural Revolution is now of 'merely' historical interest."—Gail Hershatter, University of California, Santa Cruz "By oscillating between scenes that are bland in their matter-of-fact concreteness and ones that are almost unbelievable in their nightmarish cruelty and complexity, Rae Yang skillfully evokes the bizarre and contradictory 'revolutionary' world in which she grew up in Mao's China. *Spider Eaters* is a reminder of what a traumatic history the Chinese people have undergone this century and that a country's past—even when many would rather forget it—always lives irrevocably on within those who experienced it."—Orville Schell, author of *Mandate of Heaven* "How can we expect anyone to know the United States without understanding the effect the Sixties had on all of us? Similarly, how can we know China without comprehending the impact the Sixties and the Cultural Revolution had on its politics, culture, and people? Rae Yang's *Spider Eaters* goes far in building that understanding. It is a gripping memoir."—Lisa See, author of *On Gold Mountain*

Mao and Me Jiang Hong Chen 2008 Chens picture book memoir of growing up during the Cultural Revolution in China.

*The Little Red Guard* Wenguang Huang 2012-04-26 A Washington Post Best of 2012 pick Three generations of a family living under one roof reflect the dramatic transformations of an entire society in this memoir of life in 20th century China When Wenguang Huang was nine years old, his grandmother became obsessed with her own death. Fearing cremation, she extracted from her family the promise to bury her after she died. This was in Xi'an, a city in central China, in the 1970s, when a national ban on all traditional Chinese practices, including burials, was strictly enforced. But Huang's grandmother was persistent, and two years later, his father built her a coffin. He also appointed his older son, Wenguang, as coffin keeper, a distinction that meant, among other things, sleeping next to the coffin at night. Over the next fifteen years, the whole family was consumed with planning Grandma's burial, a regular source of friction and contention, with the constant risk of being caught by the authorities. Many years after her death, the family's memories of her coffin still loom large. Huang, now living and working in America, has come to realize how much the concern over the coffin has affected his upbringing and shaped the lives of everyone in the family. Lyrical and poignant, funny and heartrending, *The Little Red Guard* is the powerful tale of an ordinary family finding their way through turbulence and transition.
