Sweet Surrender Dennis Hiebert 2013-07-09 Every culture has a way of perceiving and practicing marriage. Many contemporary Western Christians mistake what their culture prescribes regarding marriage with what the Bible portrays, and thereby take as biblical what is merely cultural. Uncritical conformity to cultural imperatives of marriage then becomes a Christian virtue, and a sweet surrender. Few recognize, much less question this confusion, even when its consequences are unhealthy. In *Sweet Surrender* Dennis Hiebert challenges Christians to comprehend what is cultural in their view of marriage, hold as optional what is not explicitly required by the Bible, and live out their marriages within the transcendent grace of God. When Brynne's closest friend is murdered and she's also targeted, Reid can't resist the lure of action and goes on a hunt for answers to disturbing questions. But can he protect her from a cold-blooded killer—and win her battered heart? *Vowing Love* When the biggest Steele bachelor finally ties the knot, nothing will keep him from walking down the aisle... Kicking Ass in a Corset Andrea Kayne 2021-09-15 "What can organizational leaders in business, education, government, and most any enterprise learn from an unemployed, unmarried woman who lived in patriarchal, misogynistic rural England more than 200 years ago? As it turns out, a great deal. In identifying the core virtues of Austen's heroines-confidence, integrity, humility, playfulness, pragmatism, and diligence-Andrea Kayne uncovers the six principles of internally referenced leadership. Utilizing practical exercises, real-life case studies, and literary and leadership scholarship, Kicking Ass in a Corset is a road map for effective leadership that teaches readers of any age or profession how to tune out the external noise and listen to themselves"--

Get Over Yourself! Patti Novak 2008-12-30 True love doesn't just happen, notes professional matchmaker Patti Novak. You have to work for it-and want it. Forget eight-minute speed dates or online dating sites with twenty-page questionnaires that promise a scientifically calculated perfect match. The fact that you both like golf, stamp collecting, and pizza with anchovies is great, but it won't mean a thing if you don't feel that zing. But before there can be sparks, there have to be dates. And before the first date, you need to get over yourself! Taking a tough-love approach, and in her signature straight-shooting style, Patti will show you how to fix what needs to be fixed, reach your core, and identify who you are and what you want in a partner. She uses a three-part common-sense formula: • Getting Over What? Assess your dating weaknesses, recognize what's not working, and adjust your expectations. Delve into your personal history and past relationships, and pinpoint the issues that have been holding you back. • Almost Over It Fine-tune your attitude, your look, and your behavior to maximize your dating chances. Novak lays out

strategies to help you deal with the brutal dating monsters you find along the way. • Over It Learn the do's and don'ts of the first date, the second date, and beyond. Remember, it's not a job interview or therapy session. Pretend you're meeting a new friend, not a prospective husband or wife. Finding your one and only isn't about having the right shoes or a flat stomach. It's about being true to yourself, being vulnerable, and being ready for love. Whether you're new to the dating scene, divorced and looking, or just trying to reach that second date, *Get Over Yourself!* will help you get the love you've always wanted and deserve.
