Seducing the Subconscious Robert Heath 2012-04-09 Our relationship with ads: it's complicated
A must-read for anyone intrigued by the role and influence of the ad world, *Seducing the Subconscious* explores the complexities of our relationship to advertising. Robert Heath uses approaches from experimental psychology and cognitive neuroscience to outline his theory of the subconscious influence of advertising in its audience's lives. In addition to looking at ads' influence on consumers, Heath also addresses how advertising is evolving, noting especially the ethical implications of its development. Supported by current research, *Seducing the Subconscious* shows us just how strange and complicated our relationship is with the ads we see every day.

Christmas, my baby sister's wedding, and my high school reunion. Talk about a trifecta of single-doom. Throw in Callie Camden-aka my high school class's version of Regina George-and it's a recipe for certified disaster. Especially since my mouth ran away from me when she asked me if I'd be bringing someone to our reunion, and I told her to put me down for two. Gah. Now I can't go alone. But the online dating world is a cesspool of bad manners, speedy hookups, and outright weirdos. Handsome, single, successful-that's what I'm looking for. And it just so happens that my best friend Luke London fits all of the criteria. The only problem is best friends don't kiss... But maybe it doesn't count if it's pretend?

Visser are not best friends. Yes, they've known each other for years, but they're not even friendly. Winnie considers them more like casual, distant acquaintances who find each other barely tolerable, especially when he's being condescending (which is all the time). The truth is, they have nothing in common. She's a public school science teacher with stars in her eyes, and he's a pretentious, joyless double PhD turned world-famous bestselling fiction author. She loves sharing her passion for promulgating women in STEM careers and building community via social media, and he eschews all socialization, virtual or otherwise. She's looking for a side hustle to help pay down a mountain of student debt, and his financial portfolio is the stuff of fiduciary wet dreams. So why are they faking a #bestfriend relationship for millions of online spectators? When a simple case of tit-for-tat trends between nonfriends leads to a wholly unexpected kind of pretend, nothing is simple. Sometimes, it takes a public audience to reveal the truth of private feelings, and rarely—very rarely—you should believe what you see online. *Ten Trends to Seduce Your Bestfriend* is a full-length, complete standalone, adult contemporary romantic comedy.

Even better, they've trained up some of the girls as "hostesses," and we'll be able to enjoy the offerings at our leisure. But Mandy catches my eye. bottom. But like a dutiful father, I went to my room and locked the door (or so I thought), until unexpectedly, a beautiful guest makes an appearance in the middle of the night. Soon, Serenity's panting and mewling in my arms, but in the bright light of day, I'm not her boyfriend ... I'm her boyfriend's dad! Hey Readers - We've broken all the rules again with this naughty story of a girl making a mistake that turns out for the best. After all, Mr. Holt is older, gorgeous, and savors a woman with curves, unlike his son. Put on your seatbelts for a rip-roaring ride that will have you sweating and screaming by the end. This is a follow-up to My Mom's Ex-Husband, but all of my stories are standalones and do not need to be read in order. No cheating, no cliffhangers, and always a HEA for my readers. You'll love it, I promise! Xoxo, Cassie

My Boyfriend and His Friend Cassandra Dee Patty: I've always been a shy girl, but shy girls have needs too. So when my boyfriend Chris gets me a special present for my birthday, I'm shocked because ... he wants me to be intimate with his best friend! This is absolutely crazy. Sure, Chase is gorgeous with night-black hair, a penetrating aquamarine gaze, and a body that puts Hercules to shame. But still, he's my boyfriend's buddy. What's going on? Chris explains that it's not what I think. He's always liked to share, and we're merely expanding the relationship ... to include two men and ME! OMG, this is beyond my wildest dreams. Sure, it's an opportunity to date my boyfriend *and* his best friend at the same time, with their broad shoulders, bronzed chests, and massive tools. But can I take it? Can I adjust and satisfy the needs of a pair of alpha males? After all, there's only one of me ... but for my gorgeous lovers, it's a double-team! Hey Readers - We've reached the outer reaches of reality, but never fear, Patty is bold and imaginative because she ADORES being with Chase and Chris. Indulge your deepest desires because the curvy girl's going on a ride that will leave you gasping for air! No swords cross because this is all about HER. No cheating, no

My Boss and His Friends Cassandra Dee Jess: My boss is a sick-o. The arrogant billionaire says that he made a bet with his friends, and now I'm the prize... ..To be shared. ...By three men. OMG! This has to be illegal! So what if the three men are gorgeous, with square jaws, athletic builds, and six packs that make my mouth water? Absolutely not. No way in a million years. I'm a good girl, and I don't *do* things like that. But honestly speaking? I'm tempted at the thought of being a party toy for my boss and his friends. Burke: My buddies and I are a\$\$holes, there's no question about it. We made a bet to see whose secretary is the hottest, and it was my Jess who won. As a result, the three of us claimed her together. Again and again, until the curvy girl cried out with pleasure. But this isn't a game anymore. After all, party toys are for sharing ... but what happens now that Jess is pregnant with our triplets? Hey Readers - This is a follow up to Haley and Bo's story in Big Bad Boss Daddy. This time, we're following the story of the sassy Jessica, who discovers that she has a penchant for being tossed around like a rag doll by not one, but a trio of alpha males. Who would have guessed? I suppose we all have secret desires buried deep inside! But let yourself go as our heroine and her heroes explore the sensuality of MFMM menage love. Although this book is part of a series, all of my stories are standalones and do not need to be read in any order. Also, this book is all about HER, so swords do not cross. You'll love it, I promise!
