

Sex With God

A Guide to Growing Up - Sarah Smith

2017-08-18

A Guide to Growing Up is an engaging, clear, and helpful guide for young people that shines God's light into the topics of puberty, bodies and sex. It is profoundly positive; about sex, about self, about faith, about relationships, love, boundaries, pleasure, choices - about all the sorts of things that could possibly matter when it comes to growing up. Full of distinctive illustrations that grab the attention, conversations with young people and detailed chapters on hot topics, such as masturbation and same-sex attraction; A Guide to Growing Up is an invaluable tool to support parents in talking to their children, and an essential guide in any young person's journey - a guide they can go back to time and again.

God, Sex, and Your Marriage - Juli Slattery

2022-06-07

Many Christian books talk about sexual issues within broader works on marriage, but few resources comprehensively and biblically guide couples specifically on sexual intimacy. *God, Sex, and Your Marriage* challenges the common assumptions couples have about sexuality and presents the richer biblical narrative of sex as a metaphor of God's covenant love. Dr. Juli Slattery applies that biblical framework to the practical challenges in sexual intimacy. Godly sexuality extends far beyond sexual purity and calls us to sexual integrity. God invites every couple to view their sexual relationship, including their greatest struggles, as an avenue to learn about the nature of His covenant love. It's God's desire to make us more like Himself and sex within marriage is often a powerful training ground for godly character. That desire gives purpose and context to addressing pornography, healing from past wounds, sexual incompatibility, pursuing pleasure together, and forgiveness.

Sex Difference in Christian Theology -

Megan K. DeFranza 2015-05-16

How different are men and women? When does

it matter to us -- or to God? Are male and female the only two options? In *Sex Difference in Christian Theology* Megan DeFranza explores such questions in light of the Bible, theology, and science. Many Christians, entrenched in culture wars over sexual ethics, are either ignorant of the existence of intersex persons or avoid the inherent challenge they bring to the assumption that everybody is born after the pattern of either Adam or Eve. DeFranza argues, from a conservative theological standpoint, that all people are made in the image of God -- male, female, and intersex -- and that we must listen to and learn from the voices of the intersexed among us.

60 Things God Said about Sex - Lester

Sumrall 2002

The Bible candidly deals with sex--more so than many modern sex manuals!--and *60 Things God Said about Sex* shows you that the best way to have sex is God's way.

Hide or Seek - John Freeman 2014-10-13

If you or someone you love is struggling with sexual sin, then you know how easy it is to live a lie. But what if you stepped out of the shadows and into the truth—starting with the truth of God's love for you right now? Stop hiding. You've been found by the only One powerful enough to change you.

God on Sex - Daniel L. Akin 2003

Daniel Akin does not write in a vacuum. Having led over 300 marriage seminars across the United States, he is in touch with contemporary distorted perceptions of sex. But the Bible is not silent on this subject. As a matter of fact it has much to say. As the creator of sex, God knows and has imparted the knowledge of the conditions for sex at its best. Daniel Akin sets the many and varied misconceptions about sex alongside God's design to reveal His intention and blessing for this vital dimension of life.

Sex, God, and the Conservative Church - Tina

Schermer Sellers 2017-04-21

Sex, God, and the Conservative Church guides psychotherapy and sexology clinicians on how to

treat clients who grew up in a conservative faith—mired in sexual shame and dysfunction—and who desire to both heal and hold on to their faith orientation. The author first walks clinicians and readers through a critique of Western culture and the conservative Christian Church, and their effects on intimate partnerships and sexual lives. The book provides clinicians a way to understand the faulty sexual ethic of the early church, while revealing the hidden mystical sex and body positive understanding of sexuality of the Hebrew people. The book also includes chapters on strategies for a new sexual ethic, on clinical steps to heal religious sexual shame, and on specific sex therapy interventions clinicians can use directly in their practice. Finally, it offers a four step model for healing religious sexual shame and actual touch and non-touch exercises to bring healing and intimacy into a person's life.

God and Sex - Michael Coogan 2010-10-01

An examination of sex and the Bible by one of the leading biblical scholars in the United States. For several decades, Michael Coogan's introductory course on the Old Testament has been a perennial favorite among students at Harvard University. In *God and Sex*, Coogan examines one of the most controversial aspects of the Hebrew Scripture: What the Old Testament really says about sex, and how contemporary understanding of those writings is frequently misunderstood or misrepresented. In the engaging and witty voice generations of students have appreciated, Coogan explores the language and social world of the Bible, showing how much innuendo and euphemism is at play, and illuminating the sexuality of biblical figures as well as God. By doing so, Coogan reveals the immense gap between popular use of Scripture and its original context. *God and Sex* is certain to provoke, entertain, and enlighten readers.

[God and Sex](#) - Michael Coogan 2010-10-01

An examination of sex and the Bible by one of the leading biblical scholars in the United States. For several decades, Michael Coogan's introductory course on the Old Testament has been a perennial favorite among students at Harvard University. In *God and Sex*, Coogan examines one of the most controversial aspects of the Hebrew Scripture: What the Old Testament really says about sex, and how

contemporary understanding of those writings is frequently misunderstood or misrepresented. In the engaging and witty voice generations of students have appreciated, Coogan explores the language and social world of the Bible, showing how much innuendo and euphemism is at play, and illuminating the sexuality of biblical figures as well as God. By doing so, Coogan reveals the immense gap between popular use of Scripture and its original context. *God and Sex* is certain to provoke, entertain, and enlighten readers.

[Sex God](#) - Rob Bell 2012-07-24

From Rob Bell, the author of the phenomenal New York Times bestseller *Love Wins* and a Christian pastor named by Time Magazine as one of the most influential people in 2011, comes *Sex God*, an enlightening exploration of sexuality and spirituality. With profound beauty and insight, Bell addresses the truism that we can't talk about ourselves as sexual beings without asking who made us that way. For progressive Christians and readers who enjoy the writings of Donald Miller, N.T. Wrighter, Brian McLaren and Timothy Keller, Rob Bell is a pioneer among those seeking a new kind of Christian teaching.

The Sexual Theologian - Marcella Althaus-Reid 2004-01-01

The Sexual Theologian is the first collection of essays on radical sexual theology written by a group of internationally renowned scholars in this area. For the first time Queer theory and theology is articulated around themes from systematic theology such as Incarnation, death, the concept of God, Mariology, together with discussions on sexuality and mysticism. The essays show a "how to do" a radical sexual theology together with original, bold and transgressive thinking which have taken feminist theologies to a new dimension of action and reflection.

Sex God: Exploring the Endless Questions Between Spirituality and Sexuality - Rob Bell 2012-08-02

Sex God, Rob Bell's follow-up to the bestselling *Velvet Elvis*, tackles the controversial relationship between sexuality and spirituality. Published as part of the Rob Bell Classic relaunch, *Sex God* explores the links between love, sex, and God.

[Sex, God, and the Single Life](#) - Hafeez Baoku 2014-08-05

In *Sex, God, and the Single Life*, Hafeez Baoku dispels sexual misconceptions, uncovers what God really teaches about sex and reveals how young adults can experience true sexual joy now and in their future marriages. Culturally relevant and biblically sound, Baoku explores God's teachings on love, sex, and relationships.

Sex, Men and God - Douglas Weiss 2002

Finally, a book that deals with men's sexual issues in a direct, compassionate and spiritual manner. Dr. Douglas Weiss shows men how they are not alone in their struggles and temptations regarding sex. He also provides a roadmap to follow in bringing up young men to have a holy and scriptural understanding of God's plan for sex.

Comedy Sex God - Pete Holmes 2019-05-14

Part autobiography, part philosophical inquiry, and part spiritual quest, *Comedy Sex God* is a hilarious, profound, and enlightening romp around the fertile mind of stand-up stand-out, podcast king, and HBO superstar Pete Holmes. Pete Holmes is a sold-out-every-night stand-up comedian with two HBO specials and the host of the hugely successful podcast *You Made It Weird*, and he was the creator-star of the hit HBO show *Crashing*. But it wasn't always roses for Pete. Growing up, Pete was raised an evangelical Christian, but his religion taught him that being "bad"—smoking, drinking, having doubts or premarital sex—would get him sent to an eternity in hell. So, terrified of the God he loved, Pete devoted his life to being "good," even marrying his first girlfriend at the age of twenty-two only to discover a few years later he was being cheated on. Thanks for nothing, God. Pete's failed attempt at a picture-perfect life forced him to reexamine his beliefs, but neither atheism, nor Christianity, nor copious bottles of Yellow Tail led him to enlightenment. Pete longed for a model of faith that served him and his newfound uncertainties about the universe, so he embarked on a soul-seeking journey that continues to this day. Through encounters with mind-altering substances, honing his craft in front of thousands of his comedy fans, and spending time with savants like Ram Dass, Pete forged a new life—both spiritually and personally. Beautifully written and often completely hilarious—imagine Dass's *Be Here Now* if penned by one of the funniest people

alive—*Comedy Sex God* reveals a man at the top of his game and a seeker in search of the deeper meanings of life, love, and comedy.

How to Become a Sex God - E. M. Lovejoy 2010-01-01

A practical guide to improving your sexual prowess and spicing up your sex life.

Experienced sex therapist and counselor, E.M. Lovejoy, provides expert advice on ways to boost libido and improve sexual satisfaction.

The God of Sex - Peter Jones 2006

A placard carried in the San Diego Gay Parade said it all: "He's your God. They're your rules. You go to Hell." Clearly, there is no longer any commonly held ultimate authority. So merely quoting Bible verses at gays and other "sexual sinners" to prove they are immoral is equally unsuccessful, if not destructive. For the sake of our young people, for the sake of our churches, for the sake of society and our world, Christians must understand the connection of spirituality and sexuality if we are to communicate relevantly to our postmodern culture. Jones gives an objective, honest appraisal of contemporary sexual trends and puts them up against God's clear (and beautiful) design for sex as a spiritual expression. *Features and Benefits* Helps Christians break out of typical parameters to help them understand and relevantly engage the culture. Nonbelievers will find this book objective and non-offensive, fairly representing postmodern worldviews. Thorough index and bibliography makes this book a powerful resource tool.

Sex God - Rob Bell 2010-01-02

Sex. God. You know the two subjects are connected; you just don't have the words for how they are connected. And they cannot be separated. Where the one is, you will always find the other. When you actually live and feel and engage, you discover that the physical things around us are like windows into more. And when you talk about sexuality, you quickly end up in the spiritual—because 'this' is always about 'that.' Something deeper. Something behind it all. You can't talk about sexuality without talking about how we were made. About how we relate to each other. About how we were made to relate to each other. And that will inevitably lead you to who made us. At some point you have to talk about God. To make sense of the one, we

have to explore the other. That is what this book is about.

Sex With God: Meditations on the Sacred Nature of Sex in a Post-purity-culture World - Suzanne DeWitt Hall 2020-07-24

Involving God in your sex life may sound scandalous, but sexuality was designed by our creator and is saturated with the very being of God. So why not invite the divine in? The concept may feel awkward at first, because we've been trained by purity culture and centuries of mistrust of our bodies and our desires. But God wants to be part of all we do. God is already there when you are naked with your beloved. God is within you, and within them, and between you both. Be brave. Enter into that presence. You have the power to transform sex into worship of God, with God.

Sex and God (RLE Women and Religion) -

Linda Hurcombe 2014-10-03

These stories, essays and poems by women examine the connections feminists are making between sex and God. The women write from very different perspectives, cutting across the

spectrum of feminist writing about sexuality and spirituality within the Judeo-Christian tradition. Some writers, though critical, are determined to retain their radicality in the very teeth of patriarchy by remaining within the traditional forms of faith. Others - impatient, suggests the editor, with the 'great inseminator in the sky' - have moved on to what might be described as a post-patriarchal spirituality. Contributions indicate the exciting spiritual journeys women are currently making and focus on the following areas: monogamy and promiscuity; sex, politics and spirituality; childbirth; sex and healing in dying; feminist sexual psychology; lesbian identity; and feminist 'embodied' theology. The recent and continuing debate about women priests in the Anglican church uneasily echoes the rumblings of change at a fundamental level in the relationship between women and religion. This book, with its reflections on both the politics of Christian feminism and the more widespread expression of women's spirituality, makes an important contribution to that change. First published in 1987.
