How to Last Longer in Bed During Sex - Kimberly Connors 2015-10-03

Discover The Secret To Overcoming Premature Ejaculation And Enjoy A Life of Sexual Fulfilment

Premature ejaculation is not a condition that is unique to you in fact you would be surprised but over half of all men will have experienced premature ejaculation at any one time in their lives. Just because a man has the issue of premature ejaculation doesn't mean that he is bad at sex in the same way it doesn't mean that their partner isn't satisfied and it by no means that the man is inferior in anyway. Although premature ejaculation can be frustrating for the man there is nothing that says it has to be. In the majority of cases men can improve their sexual duration with just a few easy exercises and a little bit of time. The chances are that some of your friends and even colleagues will also suffer or have suffered at some point with a lack of stamina and it is important that you realize there is no such thing as a sexual stud and premature ejaculation is not worth getting yourself worked up night after night. This book will help you to equip yourself with the tools to fight this problem once and for all but also put the problem into perspective and explain how common it really is. You are most definitely not alone and with the power of positive thinking and motivation your premature ejaculation can soon be a thing of the past. The following topics are covered in depth: Mastering arousal What is premature ejaculation? The physical side of premature ejaculation The Physiological side of premature ejaculation Techniques to last longer Communication I hope that you will trust me and join me on a journey of self discovery, improvement and gratification by reading and taking on board the contents of my book. How to Cure Erectile Dysfunction - Jeremiah Robinson 2015-08-07

This book is Written by a Guy Who Conquered ED With his Own Strength I've Bought nearly EVERY Book about ED on Kindle Store just to gain perspective, let's just say....I don't like reading "Wikipedia" type books.... This book is PERSONAL...For me it's just painful to see others with this problem. I know how hard it is for YOU. Breaking the conventional idea, I wish to reach and convey to my readers that there should be no shying away from this issue. WE should treat this problem no different than the other diseases like diabetes, typhoid etc. The longer we hesitate in curing this problem, the stronger it becomes. People with this disease remain unknown, just because people don't accept the fact that they have sexual disorder. Please forget about your ego for a moment and start doing something about this. Buying this book is the first step. In This Book You'll Learn...* What exactly IS Erectile Dysfunction* How to Recognize the Problem, most of us just hate to admit it.* Why Erectile Dysfunction is Dangerous for Your Health and Your Life!* What Causes ED* Natural Cures for Erectile Dysfunction that helped me* What Should You DO NOT DO * Herbs and Remedies that I used* Many Lifestyle tips that WILL help You. * Few lines about my own experience"I'll even further, you suffer them Erectile Dysfunction, because YOU'RE NOT IN CONTROL. If you are not able to control your life, then how do you expect to control your penis? Don't get offended. You'll not read anything like this in other books - other authors don't want to help you."In my opinion, there's no reason to buy this book, You might learn something even if You don't suffer from this soft condition.I'm always extremely grateful for every purchase, I wish You Success dealing With This Challenge! (Never call it a "problem") Thank You ! tags: Erectile Dysfunction, erectile dysfunction cures, better sex men, better sex life, sexual health, sexual awakening, mens health, Erectile Dysfunction, erectile dysfunction cures, better sex men, better sex life, sexual health, sexual awakening, mens health, Erectile Dysfunction, erectile dysfunction cures, better sex men, better sex life, sexual health, sexual awakening, mens health, Erectile Dysfunction, erectile dysfunction cures, better sex men, better sex life, sexual health, sexual awakening, mens health

[Love Cure Therapy Erotic Sex](#) - John Ryan Haule 1996

In the profoundly intimate exchange of therapy, patients allow a therapist to enter the most personal and private reaches of their lives. As patients expose the most touchy details of their innermost being, so therapists' sensitivities are evoked. This reciprocity is essential to intimacy. By exploring what draws analyst and patient alike into each other, this book challenges the puritanically restrictive notions of therapy that hide behind scientific, legalistic, and religious moralisms. Yet, this book meets the ethical dilemmas that therapy raises.

Sex and ADHD - Craig Peckham MD 2020-01-14

There are many ways that attention deficit hyperactivity disorder (ADHD) can affect your sex life. If you live with ADHD, you might notice that you are hypersensitive to sensory stimulation, making sensual touch feel irritating and even annoying. Or perhaps your level of sexual desire changes drastically from one day to the next. On the flip side, some people with ADHD have such a high sex drive and need for stimulation and novelty, such as pornography, that it causes problems in a partnership. People with ADHD may also be prone to sexual risk-taking such as unprotected sex or having multiple sex partners. The disorder is associated with a drop in neurotransmitters, which may lead to these types of impulsive behaviors. There's even something called post-orgasm irritability that can happen with ADHD, where the drop in dopamine following intense pleasure leads to feelings of sadness and depression.

[Sexuality](#) - Eric EH buddhadharma 2016-01-20

The only guidebook in the world that provides you with an insight into what actually is sexually wrong within you - mentally, physically and spiritually and how to get cure for it. This book may not have those glossy erotic pictures, but I can assure you, this book has what you are looking for- getting back that sexual desire or power, you lost some years ago. In a matter of fact way, it deals with most sexual problems in the modern times due to stress, distress and unhealthy lifestyle. Most books and remedies are there to mislead you into believing which may not be true. The authors and the remedy makers, themselves may be victims of sexual dysfunction, which no one knows for sure. Their motive is simply to cash in on your temporary sexual disability. This book is written by an author, himself into physical fitness. He is passing down the knowledge to his readers based upon his proven and established super physical, sexual, and mental abilities. What better way there is, than to read a book written by someone bubbling with energy and youth at over 60 years of age! My guide is based upon spiritual wisdom and logic and not on some whimsical and hypothetical fast selling formula. You may have already spent a fortune finding a cure for your sexual problem, but now you are careful and would not like to part with another cent, just in case the next investment turns out to be another fake. I suggest, you assume this small amount too, which you are

investing in this guide, will go down the drain. After reading this guidebook from cover to cover, and using its valuable information, I am sure you will cure yourself of the dreaded malfunction. You will someday bless me for writing this guidebook; that day would be the day for me to rejoice.

Marijuana Girl / Call South 3300: Ask for Molly! / The Sex Cure: A Trio of Beacon Books - N. R. De Mexico 2019-09-27

MARIJUANA GIRL It's the striptease in the gymnasium that gets Joyce suspended from school right before graduation. She had just been acting out. But the dean is not amused. It's not Joyce's fault that she looks for love and attention in all the wrong places. Her parents have been bouncing her from relative to relative all her life while they travel around the world. At least she has Tony. Or did. When Joyce takes a job at the local newspaper and starts seeing her boss Frank, Tony blows up and deserts her. But that's okay because Frank takes her into the city and introduces her to the world of jazz musicians, jive talk and marijuana. It's all happening so fast for Joyce--and all she really wants is to be loved. CALL SOUTH 3300: ASK FOR MOLLY! Slade Martin is a womanizer and a heavy drinker, but he's the shining star of the sales department at All-Channel TV. His job is to sell sets, so when he meets Ann Frank, he immediately corrals her into helping him land the biggest client at the convention, Mortimer Kane. How she accomplishes this task is her own business. But Ann has a secret of her own. Besides working for All-Channel, she is also a high class prostitute working for Molly, the local madam. Unaware of this, Slade falls for Ann in a big way. Ann would like nothing more than to fall for Slade, too, but the feeling just isn't there. Instead, she's in love with Eric, who only uses her for her money--if only he weren't so good in bed. THE SEX CURE Justin Riley has to admit that his troubles always have something to do with women. What he really wants is someone who believes in him, who believes he's the best doctor on earth. Someone young, eager and exciting. There's Betty, pregnant with his child and suffering a botched abortion; Misty, a failure at marriage but not sex; and unattainable Marge Miles. His wife Olivia is quick to point out that her money and father's influence got him where he is. But Justin is tired of pretending--pretending to love the women he just wants to sleep with, pretending that his marriage is respectable and good when he knows deep down that he is nothing but a liar and a cheat. A man ruled by sex... and fear.
