Love, Sex, and Romance: Beautiful Love Poems for the Heart - MR Ed Starpoet

Hendricks 2012-08-13

"The world's deepest book of love poems" I wanted to take the reader on a fantastic and love-filled journey of the soul and spirit with my thoughts about love and romance. My writing style is plain and very easy to understand. An added plus is that I tell the reader my thoughts behind each poem before I begin it. I write of love that spans space, time, the stars and the universe. I feel that my book will take your heart to places that all lovers dream of. Like it did me, as I was writing it. Ed R. Hendricks

The Poetry of Men's Lives - Fred S. Moramarco
2004

Alive with the wisdom, artistry, and emotion of more than 250 poets from nearly one hundred countries, this anthology celebrates the multifaceted experience of contemporary manhood. The lives into which these poems invite us reveal the influences of culture, heredity, personal experience, values, beliefs, wishes, desires, loves, and betrayals. Men are notoriously reluctant to open up and discuss these things; and yet when they do--as in these poems--they tell us about their families, lovers, relationships, political and religious beliefs, sexuality, and childhoods. There is much to learn here about who men are and how they see their worlds. Collects close to three hundred poems, in English or English translation, by more than

250 poets. Nearly one hundred countries are represented, from Asia, the Middle East, Europe, Africa, South America, Central America and the Caribbean, North America, and Oceania (including Australia and New Zealand).

Organized in topical sections: Boyhood and Youth; Families; Identities: Cultural, Personal, Male; Men and Women; Myth, Archetypes, and Spirituality; Politics, War, and Revolution; Sex and Sexuality; Poets and Poetry, Artists and Art; Brothers, Friends, Mentors, and Rivals; Work, Sports, and Games; Aging, Illness, and Death.

The Poetry of Sex - Sophie Hannah 2014-01-30
The Poetry of Sex - a raucous, highly enjoyable anthology by acclaimed poet Sophie Hannah 'We've been at it all summer, from the Canadian border to the edge of Mexico . . .' It's hard to imagine a more fruitful subject for poets than sex, in all its glorious manifestations: from desire and hope, through disappointment and confusion, to conclusion and consequence. And little has changed over the centuries, as Sophie

Hannah's anthology vividly demonstrates, from Catullus pleading with Lesbos to Walt Whitman singing the body electric. Moods and attitudes may vary but the drive persists as does the desire to write about it. Sophie Hannah's selection ranges from ancient Rome to modern New York, from gay to straight, but her principle has been to go low on the sugar and high on the excitement. It is essential reading for poetry lovers and romantics everywhere. Sophie Hannah has published five collections of poetry. Her fifth Pessimism for Beginners was shortlisted for the T.S. Eliot Award in 2007. Her Selected Poems is published by Penguin (revised edition, 2013). She is also the writer of bestselling psychological crime fiction, most recently The Carrier. Her novels have been translated into 24 languages. Born in Manchester, she now lives in Cambridge with her husband and children, and is a Fellow Commoner of Lucy Cavendish College.

This book expresses my love that I have inside of me. The love that I want to give and have. Some are dark, inspiring, funny, and memorable. I speak in the words that my heart felt and that my mind could express. Some poems are even fictional but all from my heart. So please let this book touch your heart, like my heart felt when she poured out.
