Barri Flowers Killer Evidence Legal Thrillers 4-Book Bundle contains four full length legal suspense thriller novels by award winning criminologist and bestselling crime writer R. Barri Flowers, including State's Evidence, Persuasive Evidence, Justice Served, and Fractured Trust. State's Evidence: A Beverly Mendoza Legal Thriller Assistant District Attorney Beverly Mendoza appears to have an open and shut case when she prosecutes Rafael Santiago for the murder of a judge and the sexual assault of his wife in Eagles Landing, a town in Northern California. Santiago was recently released from prison and had a grudge against the judge. But her case against the suspect is put in jeopardy when career criminal Manuel Gonzalez, arrested for the murder of a young woman, also confesses to killing the judge. As Beverly and Wilameta County Sheriff's Homicide Detective Stone Palmer try to sort out fact from fiction, a case of mistaken identity becomes a real possibility. Or is it more likely that two violent men with close ties are trying to beat the system? Persuasive Evidence: A Jordan La Fontaine Legal Thriller It is five years before the millennium and Multnomah County Deputy District Attorney Jordan La Fontaine is in line to be the next Chief of the Homicide Division Bureau. But Jordan's world turns upside down when her teenage son is accused of a double homicide and her competition for the post, Jerrod Wresler, is assigned to prosecute the case. At the same time, Jordan is preparing to try a decorated Portland police detective, Graham Turner, accused of viciously murdering his ex-wife. Causing Jordan further grief is Turner's hardnosed partner, Detective Harry Coleman, who will stop at nothing to prove his innocence. As Jordan moves back and forth between the two tough cases and deals with issues in her personal life, she must use all her resources to clear her son's name and convict a cop of murder. Justice Served: A Barkley and Parker Thriller In Portland, Oregon, male spouse abusers are being beaten to death by a bat-wielding female vigilante, dubbed by the press, The Vigilante Batterer Killer. Each victim had recently been on trial for domestic violence-related charges, but was set free through plea bargains, technicalities, or acquittal. Two Portland Police Bureau Detectives--Sergeant Ray Barkley and his partner Detective Nina Parker--investigate the killings. Among the list of suspects is Criminal Court Judge Carole Cranston, who presided over the trials of all the victims and has dark secrets she is in no hurry to share. As the body count grows and the suspects narrow, Barkley finds himself being targeted and may be powerless to prevent from becoming the victim of a relentless killer. Fractured Trust: A Renee Steele Legal Mystery It is 1982, and assistant prosecuting attorney Renee Steele works for the Sex Crimes Unit of the Akers County Prosecuting Attorney's Office in Sparrow's Crossing, Michigan. In her latest case, Renee prosecutes wealthy businessman Kurt Bochner, who is accused of raping a young woman during a date. The case hits close to home for Renee, who was the victim of date rape thirteen years earlier while in law school. She is pitted in court against a formidable opponent, defense attorney Deana Krane, who has never lost a case and is determined to win an acquittal for her client Kurt Bochner. In Fractured Trust, date rape and prostitution are put under the microscope. The results are anything but certain, and there is a stunning climax.

Careering Daisy Buchanan 2022-03-10 'We are so ready for this book. Exploring the exhausting push-pull of trying to pin down a career you love but that doesn't love you back, Buchanan's book is set to capture the zeitgeist as so many of us question where we're at' Stylist careering (verb) 1. working endlessly for a job you used to love and now resent entirely 2. moving in a way that feels out of control * Imogen has always dreamed of writing for a magazine. Infinite internships later, Imogen dreams of any job. Writing her blog around double shifts at the pub is neither fulfilling her creatively nor paying the bills. Harri might just be Imogen's fairy godmother. She's moving from the glossy pages of Panache magazine to launch a fierce feminist site, The Know. And she thinks Imogen's most outrageous sexual content will help generate the clicks she needs. But neither woman is aware of the crucial thing they have in common. Harri, at the other end of her career, has also been bitten and betrayed by the industry she has given herself to. Will she wake up to the way she's being exploited before her protégé realises that not everything is copy? Can either woman reconcile their love for work with the fact that work will never love them back? Or is a chaotic rebellion calling... Hilarious and unflinchingly honest, Careering takes a hard look at the often toxic relationship working women have with their dream jobs. 'A love story about work, self-worth and modern womanhood, Careering is, quite simply, the funniest novel I've read all year.' Nell Frizzell, author of The Panic Years 'There is no writer out there who can make you laugh and cry quite like Daisy Buchanan. Careering is a compelling and thoughtful read that every woman (and man) should have on their shelves.' Lucy Vine, author of Bad Choices 'Full of brilliant characters, loveable chaos and a world of magazine nostalgia. If you've ever had a job suck your soul, even slightly, you'll love it.' Emma Gannon, author of Olive 'Blisteringly funny and painfully perceptive. Daisy has that magic gift, of capturing the nuance and detail of a very specific world in such a way that it feels universally, eternally relatable.' Lauren Bravo, author of How To Break Up With Fast Fashion 'Careering is instantly addictive. It's fresh and raw and mesmerising, filled with humour and heart. Without a doubt, this is the book I'll be shouting about to everyone this year as a must-read.' Beth Reekles, author of The Kissing Booth 'Careering will strike such a chord with anyone who has ever walked to a job interview in trainers with a tote bag containing heels over their shoulder, feeling like an imposter.' Emma Hughes, author of No Such Thing As Perfect 'So perceptive and wise about the media, privilege, the differing but equally troubling pressures that women of all ages face, while still being moving, laugh out loud funny, and inspiring. I loved it.' Louise O'Neill, author of Idol 'A great great book. Daisy Buchanan has that special something that makes a wonderful popular fiction writer - acute observational skills, huge empathy and a perfect balance of light and shade. I loved loved loved Careering.' Marian Keyes, author of Again, Rachel 'Funny and warm but also so sharp on the struggles of women who want it all. Daisy's insight about being a woman trying to navigate life and desire is brilliant.' Ayisha Malik, author of Sofia Khan is not Obligated

[Sex Offender Lives Here](#) Harry Ramble 2008-01-01 Once, Fletcher Geffney had everything: a lovely wife, wealthy and influential in-laws, an estimable literary career. Now he will lose it all, including his 10-year-old son Christopher, after a series of alarming criminal accusations are made in the course of a vicious child custody dispute. Under normal circumstances, Fletcher might have rebutted the charges made against him. But these are uncommon times. A nationwide manhunt for the Balloon Man, a sexual predator possessed of almost supernatural stealth and savagery, has bred a climate of fear and mistrust. Then an opportunistic local politician makes Fletcher's newsworthy predicament the media centerpiece of a campaign for new and frankly unconstitutional amendments to his state's sex offender registry system. When persecuted felons begin showing up at his door seeking shelter and safety in numbers, Fletcher finds himself at the center of a pitched battle between an agitated, frightened citizenry and a shadowy underground of deviants and criminals. Out of options and out of time, Fletcher kidnaps his son from his wife and flees. But the disappearance of a local girl triggers a final, deadly escalation of violence. Fletcher's day of reckoning arrives at last. Sex Offender Lives Here is the story of a father's worst nightmare. It is also the story of a father's redemptive love for his son and his struggle to come to terms with the mistakes

he has made. Harry Ramble's debut novel is a tale told with passion and keen moral clarity, unsparing insight and dark humor.

The Head of the Snake Ponch Oswald 2021-10-13 This true story has it all. The bad guys get vanquished. The one who needs vindication the most gets it. Terrifying spiritual warfare and very dark subject matter. Things that were taken away are given back. Incredible God breathed revelations. It's the most beautiful love story you'll ever read with a duality that will leave you speechless as two completely different books are being written at the exact same time. God has His and I have mine. This book just might change your life but if your still not convinced then I dare you to read it. Double dog dare.

South Carolina Advanced Real Estate Principles Stephen Mettling 2021-11-23 The South Carolina Advanced Real Estate Principles: the "SCAP" Unit II Program has been developed to satisfy South Carolina's 30-hour Unit II requirement. The course also fulfills the Real Estate Commission's objective of giving South Carolina real estate licensees a carefully developed reinforcement of key real estate brokerage principles, concepts, and practices necessary to initiate a productive, professional career in real estate. Beyond an initial review of key principles, the SCAP Program takes on a further examination of essential skills and practices that will be necessary to meet client and customer transactional requirements within South Carolina's legal framework. Such skills examined include compliance with South Carolina agency and disclosure laws; how to properly represent and disclose property characteristics; and an intensive look at South Carolina transaction contracts: listings; the sales contract; options and contracts for deed. Beyond its agency and contracts topics, the SCAP further examines the other key subjects required by the Commission: ethics; handling trust funds; regulatory compliance; and critical cornerstones of professional practice. Finally, the last two modules of the SCAP program examine the various methods used to measure real property; price and appraise real property; and evaluate how real property is evaluated as a professional investment. These considerations encompass income properties as well as residential non-income property, and include pre-tax analysis as well as after-tax analysis. Taken as a whole, the South Carolina Advanced Real Estate Principles program is designed to deepen the new licensee's understanding of how brokerage works in actual practice - and how it is supposed to be undertaken in view of today's standards of professionalism, ethics, and legal compliance.

Property Law D. Benjamin Barros 2020-02-06 An innovative Property casebook that re-imagines the law school casebook format and covers all the major topics included in a basic 1L Property course, Property Law, Second Edition borrows some pedagogical features commonly found in

undergraduate textbooks, making use of sidebars, illustrations, and other design devices to present material more clearly. The authors present concepts simply, then move the discussion toward complexity—the opposite of the approach taken by many current texts. Clear yet sophisticated, the casebook is the perfect choice for all skill levels. Including problems that students can and should be able to do on their own, explanatory answers, and skills-based exercises, this casebook is both professor-friendly and student-friendly. Themes that run through the course are highlighted throughout the book, resulting in a casebook that clearly presents the fundamentals of property law. This allows students to develop an understanding of basic concepts on their own while allowing professors to assist their students in developing an advanced understanding of property law. The authors of Property Law are experts on the property coverage on the bar exam, and while this casebook goes far beyond test-only material, students will benefit from their expertise and will learn every topic they are likely to see on the bar exam. New to the Second Edition: Additional text on racial discrimination and other critical issues in a subtle way, giving instructors the choice of how deeply to explore those issues. Revisions to Chapter 9 to include *Murr v. Wisconsin*, the Supreme Court's most recent regulatory takings case. A Revised Chapter 10 that includes new material on Intellectual Property and Property Theory. Minor corrections and refinements throughout the casebook. Professors and students will benefit from: A text that starts from simplicity and moves to complexity: The book first provides text that explains the basic doctrine, then presents a simple case example, and finally moves to more complex issues. Cases that are introduced with explanatory text discussing the law and issues surrounding the case. This radically different approach from most other casebooks allows students to have a better grasp of the concepts and themes before they even read the case. Problems and exercises that students can complete on their own, with explanatory answers included in an appendix. An innovative design that aids student learning, with sidebars, diagrams, charts, and illustrations that make concepts clearer to students. Cases that are used as examples, not introductions to legal rules. Many topics in the book feature introductory text, illustrations, and problem sets before a single case is introduced, to aid in students' legal learning. The inclusion of sample documents, helping students to understand core concepts. A book perfect for a four-credit course but also features a modular design that can be used in courses of varying credit size. More comprehensive bar exam topic coverage than any competing book.

Examples & Explanations for Copyright Stephen M. McJohn 2021-03-17 A favorite classroom prep tool of successful students that is often recommended by professors, the Examples & Explanations (E&E) series provides an alternative perspective to help you understand your casebook and in-class lectures. Each E&E offers hypothetical questions complemented by detailed explanations that allow you to test your knowledge of the topics in your courses and compare your own analysis. Here's why you need an E&E to help you study throughout the semester: Clear explanations of each class topic, in a conversational, funny style. Features hypotheticals similar to those presented in class, with corresponding analysis so you can use them during the semester to test your understanding, and again at exam time to help you review. It offers coverage that works with ALL the major casebooks, and suits any class on a given topic. The Examples & Explanations series has been ranked the most popular study aid among law students because it is equally as helpful from the first day of class through the final exam.

That Mean Old Yesterday Stacey Patton 2012-12-11 'So there I was - a twenty-one year old black female university student walking down a suburban street with a gun, no shoes and murder on my mind. I was going to kill the past. I didn't know what else to do with it' Stacey Patton today is a vibrant and impressive young woman with a promising career in journalism. Yet her childhood was a battleground of bullying, abuse and mental torture. Abandoned by her birth mother, Stacey was placed in the New Jersey foster care system and was apparently lucky to be adopted by a hardworking, God-fearing African American couple. Yet something else was going on in this immaculately kept home - punishment in terrible ways,

physical, emotional and sexual. Her mother was tyrannical and her father, either so in love with or in fear of his wife, turned a blind eye to the abuse she heaped on their love-starved little girl. Stacey survived by channelling her energy into her school work and her education raised her from the shackles of her unhappy home. Drawing parallels between her own childhood and the treatment of black slaves brought to America, Stacey Patton weaves the moving story of her own painful upbringing with the shameful slave history of America.

Avenging Child Sex Abuse Joshua Long 2023-07-21 This book explores the subjects of child sex abuse, flaws in the justice system, cultural support for vigilantism, prison violence, and the socio-legal philosophy of punishment. Child sex abuse leaves a scar that lasts a lifetime. Can any legal punishment balance the scales of justice? Can sex offenders ever repay their debt to society, or more importantly, to the victim? For some victims of this traumatic abuse, the debt remains unpaid, and it accrues interest. Vigilantes seek to avenge child victims by hunting down sex offenders in the community. Sometimes prisoners in correctional facilities conspire with rogue correctional officers to mete out their own form of "convict justice" on people who hurt children. While their motives and methods differ, these outraged citizens seek retribution through violence because they are disgusted with a justice system they believe shows extraordinary leniency toward child sex abusers. Whether this violence occurs in the community or in jail cells across the country, the message these vigilantes broadcast is the same: if the government won't seek retribution, they will. The story is told through a series of case studies based on interviews with real-life vigilantes, most of whom are serving life sentences for their crimes. For the first time, vigilantes have been given a chance to tell their own stories. Patrick Drum, Steven Sandison, Joseph Druce, Jeremy Moody, Jon Watson, James Fairbanks, and others have shared their personal insights to help us get inside the vigilante mind. For some readers, these accounts will humanize people considered to be simply murderers. For others, it will demystify the popular portrayals of vigilantes in our society.

Horror Noir Paul Meehan 2014-01-10 This critical survey examines the historical and thematic relationships between two of the cinema's most popular genres: horror and film noir. The influence of 1930s- and 1940s-era horror films on the development of noir is detailed, with analyses of more than 100 motion pictures in which noir criminality and mystery meld with supernatural and psychological horror. Included are the films based on popular horror/mystery radio shows (The Whistler, Inner Sanctum), the works of RKO producer Val Lewton (Cat People, The Seventh Victim), and Alfred Hitchcock's psychological ghost stories. Also discussed are gothic and costume horror noirs set in the 19th century (The Picture of Dorian Gray, Hangover Square); the noir elements of more recent films; and the film noir aspects of the Hannibal Lecter movies and other serial-killer thrillers.

Italian Gothic Horror Films, 1970-1979 Roberto Curti 2017-09-07 Italian Gothic horror films of the 1970s were influenced by the violent giallo movies and adults-only comics of the era, resulting in a graphic approach to the genre. Stories often featured over-the-top violence and nudity and pushed the limits of what could be shown on the screen. The decade marked the return of specialist directors like Mario Bava, Riccardo Fredda and Antonio Margheriti, and the emergence of new talents such as Pupi Avati (The House with the Laughing Windows) and Francesco Barilli (The Perfume of the Lady in Black). The author examines the Italian Gothic horror of the period, providing previously unpublished details and production data taken from official papers, original scripts and interviews with filmmakers, scriptwriters and actors. Entries include complete cast and crew lists, plot summaries, production history and analysis. An appendix covers Italian made-for-TV films and mini-series.

Red Alert James Patterson 2018-05-22 There were only four words beneath the tattoo of the Grim Reaper on Aubrey Davenport's inner left thigh. But they spoke volumes. Death is my aphrodisiac And nowhere in the entire city was her libido more on point than at the Renwick Smallpox Hospital, a crumbling three-story, U-shaped monster on the southern tip of Roosevelt Island. Once a marvel of neo-Gothic architecture, Renwick was now a rotting stone carcass, the final way station for thirteen thousand men, women, and children who had died a painful death. For the city fathers, Renwick was a historical landmark. For the urban explorers, it was New York's most haunted house. But for Aubrey Davenport, it was a sexual Mecca, and on a warm evening in early May, she and a willing partner scaled the eight-foot fence, made their way into the bowels of the moldering labyrinth, and spread a thick quilted blanket on the rocky floor. She kicked off her shoes, removed her shirt and bra, shucked her jeans, and stood there, naked except for a pair of aquamarine bikini panties. Her nipples responded to the caress of a cool breeze that drifted over her breasts, and she inhaled the earthy scent of the decay around her, mixed with the dank overtones of river water. She dropped to her knees on the blanket, closed her eyes, and waited for her partner. She shuddered as he silently slipped the noose around her neck. His fingers were long and slender. Piano player fingers, her mother used to call them. Like your father has.

Stranger Rape Kevin Bonnycastle 2012-10-09 Kevin Denys Bonnycastle's Stranger Rape is an in-depth study of the lives of fourteen men who raped women unknown to them. Using new data derived from official offender files, offender program observations, and the men's personal histories, Bonnycastle documents, compares, and contrasts their experiences from boyhood to adulthood and eventual incarceration. Bonnycastle argues that stranger-rapists do not fit existing portrayals of them as predatory monsters or misogynist everymen. Instead, through an innovative approach that builds on research and theory from feminism, gender studies, critical criminology, and masculinity studies, she positions stranger-rape as a matter of experiences of pain and powerlessness rather than of male power and control. The book's major achievement is to recognize rapists and rape in their particularity and complexity in the hope that critical thinking about their lives and about their experiences in penal contexts and programs may eventually lead to what one respondent called his 'road to redemption.' Please note that this book includes graphic content.

The New Yorker 2004

Death of an Altar Boy E.J. Fleming 2018-04-04 The tragic death of 13-year-old Danny Croteau in 1972 faded from headlines and memories for 20 years until the Boston abuse scandal—a string of assaults within the Catholic Church—exploded in the early 2000s. Despite numerous indications, including 40 claims of sexual misconduct with minors, pointing to him as Croteau's killer, the Reverend Richard R. Lavigne remains “innocent.” Drawing on more than 10,000 pages of police and court records and interviews with Danny's friends and family, fellow abuse victims, and church officials, the author uncovers the truth—church complicity in a cover up and the masking of priests' involvement in a ring of abusive clergy—behind Croteau's death and those who had a hand in it.
