Sex and Pregnancy - Dan Farine 2022-10-27

Pregnant women and their partners often ask healthcare professionals whether sex is safe during pregnancy, and what consequences may result from sexual activity. Many clinicians can also be unsure of the answers to these type of questions, leading to both patient and clinician resorting to the internet for advice, which can be inaccurate and anxiety-inducing. Here, the authors provide clinicians with an insight into the information offered by 'Dr Google' so that they can reassure and advise their patients as necessary. Aimed at obstetricians and other physicians caring for pregnant women, this book reviews the implications of sex during pregnancy such as those complicated by medical conditions, those at risk of preterm birth and multiple pregnancies. Other chapters cover physiological changes during pregnancy that may affect sexual function and intimacy, as well as the differing guidelines provided by various global obstetric societies.

My Girlfriend's Child Vol. 1 - Mamoru Aoi 2023-04-25

Sachi and her boyfriend Takara are your average high school couple. They go to school together, hang out, and even engage in the more intimate side of dating. However, as time passes, Sachi starts to get the feeling that something isn't right and decides to buy a pregnancy test. Later, in the bathroom of a family restaurant far from her home, she sees the two red lines that will change both her and Takara's life forever...

My Mom's Having a Baby - Elaine Evans Rushnell 1978

A young boy whose mother is pregnant feels somewhat less anxious about the impending changes in his family after the family doctor explains the events leading to pregnancy and birth to him and his two friends.

Textbook of Hyperbaric Medicine - Kewal K. Jain 2016-11-25

This comprehensive volume captures the latest scientific evidence, technological advances, treatments and impact of biotechnology in hyperbaric oxygen therapy. Divided into three distinct sections, the book begins with basic aspects that include history, equipment, safety and diagnostic approaches; this is followed by clinical applications for hyperbaric oxygen therapy in various modalities; the last section provides an overview of hyperbaric medicine as a specialty with best practices from around the world. Integration of multidisciplinary approaches to complex disorders are also covered. Updated and significantly expanded from previous editions, *Textbook of Hyperbaric Medicine*, 6th Edition will continue to be the definitive guide to this burgeoning field for students, trainees, physicians and specialists.

Nine Months to Get Ready-- You Can Make a Difference - 1983**The BabyCenter Essential Guide to Pregnancy and Birth** - Linda J. Murray 2005-06-22

Offers a detailed guide for expectant women, providing advice on the physical and emotional changes of pregnancy, information on fetal development, and firsthand tips from experienced mothers.

Healthy Pregnancy-Healthy Baby - American Red Cross Staff 1995-07**A General Practitioner's Guide to Genitourinary Medicine and Sexual Health** - Chris Sonnex 1996-06-20

This fully illustrated and easy to follow text provides GPs with clear guidelines on how to diagnose and manage the many common genito-medical and sexual health problems seen in general practice. The 'symptom oriented' approach provides quick and clear reference, with essential extra information provided for the more important conditions. Useful advice is given on how to take a sexual history and who to refer on to GU medicine. The volume covers the full range of commonly occurring male and female GU problems, including sexually acquired and non-sexually acquired, and also includes chapters on genital problems in children, and advice on contraception. In addition to being an excellent and practical source of information and advice for the busy GP, it will also be of benefit to practice nurses, other health professionals, and medical students entering their clinical year.

Absolute Individual. Life In a Bubble - Season BubbleGirl 2005-09

The official autobiography of Season BubbleGirl, the writer who hasn't left her home since 1997. A chemical accident left her with Multiple Chemical Sensitivity (MCS), changing her life forever. Romance, challenges, medical battles, near-death experiences, achievements, and relationships: she explains in detail with nothing hidden. Learn how she turned a debilitating experience into a daily journey of hope. Find how she

lives with MCS comfortably, while still achieving her goals. Read about the soul behind her harsh truth.

Love Sex Again - Lauren Streicher 2014-04-22

Love Sex Again is an all-encompassing guide to women's sexual health from Dr. Lauren Streicher, a cutting-edge Gynecologist, and a regular on The Dr. Oz Show. Ladies, what if one of America's leading sexual specialists and Gynecologist told you that she knew your body better than you did? What if she told you that she could fix the problems that are making your sex life less than perfect? More than 100 million women in America have problems in the bedroom, but don't have the courage to ask their doctors for help. These problems don't come from relationship issues, or the stresses of work and family. These are real, physical issues that are getting in the way of a vibrant, joyful sex life. Instead of getting the help they need, so many women make a silent deal with themselves: without fanfare, without discussion, they quietly give up on pleasure, or drastically compromise their expectations where sex is concerned. Sometimes women make this deal with themselves early on in their 20s or 30s; for other women, it doesn't hit until their 40s, 50s or later. Most women lack the vocabulary to talk about these issues with their doctors, not to mention the pharmaceutical aids that are readily available to men. But no longer. Dr. Streicher will show women how to regain their libido, determine what their issues are, and learn to fix whatever is broken "down there." This much anticipated book will set women on a path to discovering (or rediscovering) deeply pleasurable, satisfying sex. She offers practical advice for real women of all ages—from childbearing to post-menopausal, and explains what a woman needs to know about her body, where she is in her life, and her relationships, and how it connects to a satisfying sex life.

The Unofficial Guide to Having a Baby - Ann Douglas 2004-02-04

The inside scoop for when you want more than the official line Having a baby is one of life's most joyous and overwhelming-events. The choices you make now will affect your baby's health long after it is born. How should you change your lifestyle now that you are pregnant? How can you be sure that your baby is developing properly? What should you expect at each doctor's visit? And how on earth will you survive labor? Now thoroughly updated with more than 200 pages of new and completely revised material, including week-by-week pregnancy tips, *The Unofficial Guide™ to Having a Baby* gives savvy parents-to-be like you a foolproof appraisal of what works and what doesn't-revealing things even your doctor won't (or can't) tell you, with unbiased recommendations that are not influenced by any company, product, or organization. * Vital Information that other sources can't or won't reveal-including the very latest research on prenatal and genetic testing. * Insider Secrets on how to weather the physical and emotional highs and lows of pregnancy, with tips on health, exercise, sex, and career management. * Money-Saving Tips that help you save on baby gear and maternity wear. * The Latest Trends in new childbirth methods, including Doula care, pain management, and alternative birthing options. * Handy Checklists and Charts to track your baby's development, identify potentially dangerous medications and drugs, and record the milestones in your pregnancy.

The New Art and Science of Pregnancy and Childbirth - Thiam Chye Tan 2008

Edited by prominent obstetricians in KK Women's and Children's Hospital, the largest maternity hospital in Singapore with about 12,000 babies delivered each year, this book provides a comprehensive and informative look at pregnancy and childcare. It covers topics ranging from pre-pregnancy care, pregnancy care, and actual delivery to baby care. It also addresses common questions like, OC What are the pre-pregnancy vaccinations that I need?OCO, OC Is it safe to dye, re-bond or perm my hair when I am pregnant?OCO, and OC Are Chinese herbs and TCM safe for pregnancy?OCO Written by a diverse team of contributors, this easy-to-read book (replete with illustrations) is highly recommended for the lay person and busy career mums-to-be who are preparing for the arrival of their newborns. Sample Chapter(s). Foreword (76 KB). Chapter 1: Pre-Pregnancy Preparation (753 KB). Contents: Pre-pregnancy Care: Pre-pregnancy Vaccination; Sexual Position and Timing for Conception; Baby Gender Selection OCo Boy or Girl?; All About Your Pregnancy: Before the First Antenatal Visit; Thalassemia Tests; Antenatal Ultrasound Scans; Vaginal Discharge During Pregnancy; Concerns About Your Delivery: Birth Plan and Role of a Doula; Induction of Labor (IOL); Fetal Monitoring During Labor; Vacuum and Forceps Delivery; Cord Blood Banking; Postnatal and Baby Care: Baby Blues and Depression; Breastfeeding; Care of the Newborn; Resuming Sexual Relations and Contraception; Myths about Confinement; and other papers. Readership:

General readers."

Prenatal Care Manual - 1994

Biology for Nonbiologists - Frank R. Spellman 2007-07-10

The list keeps growing! The latest in Government Institutes' 'non-specialist' series, *Biology for Nonbiologists* continues the tradition established by *Toxicology for Non-Toxicologists* and *Chemistry for Nonchemists*, by providing environmental and occupational-safety-and-health practitioners and students with a comprehensive overview of the principles and concepts of modern biology.

Pregnancy, Childbirth, and the Newborn - Janet Walley 2016-03-29

If you only buy one pregnancy book, this should be the one! It's the most complete. It covers all aspects of childbearing, from conception through early infancy, and tells you what to expect. It offers detailed information, suggestions on decisions to make, and advice on steps to take to have a safe and satisfying experience. The Award-Winning Resource Recommended by Experts & Loved by Parents Parents love this book because it puts them in control by explaining a wide range of options, information, and questions to ask, so parents can find what works best for their health situation, personal goals, and priorities. Experts love this book because it's based on the latest medical research and recommendations from leading health organizations. It's practical—rooted in the real-life experiences of new families. The five authors bring a combined total of 150 years of experience working with expectant and new families as educators, nurses, counselors, doulas, physical therapists, and lactation consultants. They have attended hundreds of births, heard thousands of birth stories, and assisted innumerable new parents in adapting to their new lives. Not only that, the authors have a combined total of 12 children and 12 grandchildren. All of this experience allows them to write with compassion, understanding, and wisdom based on what really works in the real-world of parenting. The companion website offers even more details on select subjects, including lists of all the best resources on each topic and worksheets to guide parents' decision-making process. The website also includes a bonus chapter on pre-conception, which provides ways to improve your health and fertility before pregnancy begins.

The Ultimate Pregnancy Guide for Expectant Fathers - Alex A Lluch and Dr. Benito Villanueva

For fathers-to-be, pregnancy can be exciting, stressful, exhilarating, or a combination of all three. The physical and emotional changes a couple experiences can be surprising. *The Ultimate Pregnancy Guide for Expectant Fathers* takes the mystery out of having a baby and educates fathers on how to help and support their partners during pregnancy. Written in an easy-to-read manner, and co-authored by a top OB-GYN with more than 30 years of experience, this book offers comprehensive information about the many changes mother and baby will be experiencing. Each page features fun facts, health advice, food for thought, and tips for dealing with pregnancy. Topics just for dads include finances, sex with a pregnant partner, social life, preparing the nursery, getting ready for baby, the birth, and more. *The Ultimate Pregnancy Guide for*

Expectant Fathers is one of the best-selling pregnancy books at all major bookstores in North America, such as Barnes & Noble and Borders.

Nine Months and a Day - Adrienne B. Lieberman 2010

The Essential Facts About Your Pregnancy at Your Fingertips: Taking Care of Your Changing Body; Your Growing Baby, Month by Month; Nutrition for Two; Exercise and Relaxation; Working with Your Healthcare Providers; Getting Ready to Deliver; Bringing Baby Home.... Newly pregnant women are bombarded with more information than ever before. This concise, objective, user-friendly guide answers all the essential questions about pregnancy and delivery and provides useful checklists, illustrations, and charts to help expecting moms experience a safe and satisfying pregnancy and birth. *Nine Months and a Day* gives moms-to-be the latest information on everything from pre-pregnancy planning to soothing a newborn, as well as what to expect during the nine months in between. It's the perfect gift for someone planning a pregnancy or for those who have just learned they are expecting!

What You Always Wanted to Know about Safe Sex and STD's - Ronald A. Hagen 2001

Renowned Sex & Relationship Expert Ronald A. Hagen, Love Dr. Hagen reveals in his books and seminars how to build a happy, romantic and sexually satisfying relationship. Topics covered in this book include: Learn how to honestly discuss your feelings about dating and safe sex Learn why you need to discuss safe sex and abstinence Master the skills of safe sex - avoid the deadly sexually transmitted diseases Learn the warning signs, symptoms, treatments and cures for STD's

Let's Talk about Sex - Robie H. Harris 1995

Sometime between the ages of nine and fifteen, children's bodies begin to change and grow into adult bodies - and with these changes comes a natural curiosity about sex and sexuality. This book gives the facts - biological and psychological - of sex: from conception and puberty to birth control and AIDS, including sections on the body, families and babies, and sexual health. The book's approach is simple, with cartoon illustrations and the speech-bubble comments of two characters, a curious bird and a squeamish bee, which reflect the diverse feelings children have about sex.

The Mama Natural Week-by-Week Guide to Pregnancy and Childbirth - Genevieve Howland 2017-04-25

"*Mama Natural's Week to Week Guide to Pregnancy* is the modern (and yet ancient) approach to pregnancy and childbirth. "Natural" recognizes that pregnancy and birth are normal, and that having a baby is a wondrous biological process and rite of passage--not a medical condition. This book draws upon the latest research showing how beneficial and life-changing natural birth is for both babies and moms. Full of weekly advice and tips for a healthy pregnancy, Grace details vital nutrition to take, natural remedies for common and troublesome symptoms, as well as the appropriate (and inappropriate) use of interventions. Pregnancy, childbirth, health, health and wellness, parenting, family"--
