[Burgh Blonde](#) - April Marie 2022-02-01

Meet me, Burgh Blonde, Pittsburgh's token single girl. This book picks up where *Sex and the City* left off but with a blue-collar, working-class American twist. In Pittsburgh, we're known for our sports teams, Primanti's sandwiches, and kitschy yinzer language. This book puts into context exactly what it's like to date men from the City of Champions and what a woman has to put up with when we are growing more successful and independent while the men are reverting back to cavemen. This book is not for the faint of heart. There is sex, foul language, and magical metaphors to keep you hooked from start to finish. These eighteen short stories give you an up-close-and-personal look into my private sex life and all the dirty hijinks that comes with it. After reading this book, you will know what it's like to give a BJ to a UFC fighter, have a three-way on an official Air Force barracks, how to have sex with a furry, and dare I say, even weirder stuff. Not only will the ladies of all ages enjoy reading about the ridiculous men in this book, but also, men will be fascinated to know what women really think of them because in *Burgh Blonde*, I spill all the tea. For as long as I remember, I've been making people laugh with my stories and comedy. That's why I finally decided to give the people what they've been asking for. I am in no way a great literary author. I am simply a single girl with a ton of funny sex stories. So put your feet up, open a nice bottle of wine, and prepare yourself for a hilarious walk in this single gal's heels.

[The Relate Guide to Sex and Intimacy](#) - Cate Campbell 2015-08-06

When sex isn't working well or isn't happening, confidence in the relationship can ebb away too. Yet there is plenty you can do to turn things around and recapture the fading intimacy. In *The Relate Guide to Sex and Intimacy*, Cate Campbell takes a realistic look at modern relationships, steering you through practical exercises, examples, quizzes and talking points to help give your sexual self and your relationship an intimacy makeover. Comprehensively tackling the issues that challenge sex and intimacy, this book will both equip you to understand and manage problems when they arise and to make a good sex life even better.

Sex Change - Mistress Dede 2015-01-09

"Sex change" is a very broad term that refers to the process of a person or animal changing sex. This occurs naturally in some species of animals, but more often the term is used to mean sex reassignment surgery. The term can refer to either male sexual characteristics being

substituted for female ones, or vice versa. The male to female substitution is much more common because it is by far the simpler of the two. Intersexual individuals may undergo some form of sex change, most often as children, to take on a clearly defined gender identity. In adults, the process is usually taken by transsexual individuals. Transsexuality occurs when a person's brain identifies with one gender (either male or female) but his or her body's anatomy displays the sexual characteristics of the opposite role. This is called Gender Identity Disorder and undergoing the sex change process is one way to correct this condition. This is a very large and complex topic that has been broken down into five subtopics for this e-book. In the following e-book we will survey the various procedures, not all of them medical, that

can come under the heading of "sex change;" take a more in depth look at the sex change operation; cover the differences in making the transition from male to female versus female to male; and look at the topic of forced sex changes that still go on in some countries. While this is still a very controversial subject, it is becoming more and more accepted that Gender Identity Disorder is a medical birth condition that leads to confusion, depression, and frustration in individuals who are born with it. Using therapy or medical procedures to bring the body and brain back into agreement with each other often allows these individuals to lead fuller, happier lives. It is our hope that at the end of this short e-book you have a fuller understanding of this topic, and a broader knowledge base on which to build your own opinions.
