NATIONAL BESTSELLER • The lives of three women—transgender and cisgender—collide after an unexpected pregnancy forces them to confront their deepest desires in “one of the most celebrated novels of the year” (Time) “Reading this novel is like holding a live wire in your hand.”—Vulture Named one of the Best Books of the Year by more than twenty publications, including The New York Times Book Review, Entertainment Weekly, NPR, Time, Vogue, Esquire, Vulture, and Autostraddle PEN/Hemingway Award Winner • Finalist for the Lambda Literary Award, the National Book Critics Circle Award, and the Gotham Book Prize • Longlisted for The Women’s Prize • Roxane Gay’s Audacious Book Club Pick • New York Times Editors’ Choice Reese almost had it all: a loving relationship with Amy, an apartment in New York City, a job she didn't hate. She had scraped together what previous generations of trans women could only dream of: a life of mundane, bourgeois comforts. The only thing missing was a child. But then her girlfriend, Amy, detransitioned and became Ames, and everything fell apart. Now Reese is caught in a self-destructive pattern: avoiding her loneliness by sleeping with married men. Ames isn't happy either. He thought detransitioning to live as a man would make life easier, but that decision cost him his relationship with Reese—and losing her meant losing his only family. Even though their romance is over, he longs to find a way back to her. When Ames's boss and lover, Katrina, reveals that she's pregnant with his baby—and that she's not sure whether she wants to keep it—Ames wonders if this is the chance he's been waiting for. Could the three of them form some kind of unconventional family—and raise the baby together? This provocative debut is about what happens at the emotional, messy, vulnerable corners of womanhood that platitudes and good intentions can't reach. Torrey Peters brilliantly and fearlessly navigates the most dangerous taboos around gender, sex, and relationships, gifting us a thrillingly original, witty, and deeply moving novel.

Passing - Nella Larsen 1929

Nella Larsen (1891-1964) occupies a central place in African-American and Modernist literature, and her status as a Harlem Renaissance woman writer is rivaled only by Zora Neale Hurston's. This Norton Critical Edition of Larsen's electrifying 1929 novel is accompanied by Carla Kaplan's insightfully detailed introduction, explanatory annotations, and a Note on the Text "Backgrounds and Contexts" connects Passing to the historical events of the day, most notably the sensational Rhinelander/Jones case of 1925. Fourteen contemporary reviews are reprinted, including those by Alice Dunbar-Nelson, W. B. Seabrook, Mary Griffin, and W. E. B. Du Bois. Little-known documents, including those by Juanita Ellsworth and Caleb Johnson, reveal America's fascination with-and fear of-the cultural phenomenon of passing. Also included are Larsen's statements on the novel and on passing, as well as a generous selection of her letters. The theme of "The Tragic Mulatto(a)" in American literature is explored through related writings by Lydia Maria Child, William Wells Brown, Kate Chopin, Mark Twain, Countee Cullen, and Langston Hughes, among others. Finally, Joseph Seamon Cotter, Jr., Jessie Redmon Fauset, Countee Cullen, W. E. B. Du Bois, Allen Semi [Nella Larsen], George S. Schuyler, Carl Van Vechten, and Langston Hughes voice their impressions of passing from the perspective of the Harlem Renaissance. "Criticism" provides sixteen diverse interpretations of Passing by, among others, Deborah E. McDowell, Judith Butler, Cheryl A. Wall, Thadious M. Davis, George Hutchinson, Mary Helen Washington, Ann duCille, Gayle Wald, Claudia Tate, and Jennifer DeVere Brody. A Chronology and Selected Bibliography are also included. Book jacket.

Living on Your Own - Jesook Song 2014-04-01

An ethnography of young, single women struggling to live independently in South Korea. Living on Your Own is an ethnography of young, single women in South Korea who seek to live independently. Using extensive interviews, along with media analysis and archival research, Jesook Song traces the women's difficulties in achieving residential autonomy. Song exposes the clash between the women's burgeoning desire for independent lives and the ongoing incursion of traditional, conservative family ideology and marriage pressure into housing practices and financial institutions. She pays particular attention to the Korean rent system and the reliance on lump-sum cash even for basic subsistence, which promotes tight control of young adults' lives by family and kinship networks. The young women whose voices feature prominently in this book are a prototype of global youth in crisis: caught between aspirations for the self-development and flexible lifestyle championed by globalizing media and communication technology and the reality of their position as flexible labor in a neoliberal economy.

REDESIGNING WOMEN - Amanda D. Lotz 2010-10-01

In the 1990s, American television audiences witnessed an unprecedented rise in programming devoted explicitly to women. Cable networks such as Oxygen Media, Women's Entertainment Network, and Lifetime targeted a female audience, and prime-time dramatic series such as *Buffy the Vampire Slayer*, *Judging Amy*, *Gilmore Girls*, *Sex and the City*,

and *Ally McBeal* empowered heroines, single career women, and professionals struggling with family commitments and occupational demands. After establishing this phenomenon's significance, Amanda D. Lotz explores the audience profile, the types of narrative and characters that recur, and changes to the industry landscape in the wake of media consolidation and a profusion of channels. Employing a cultural studies framework, Lotz examines whether the multiplicity of female-centric networks and narratives renders certain gender stereotypes uninhabitable, and how new dramatic portrayals of women have redefined narrative conventions. *Redesigning Women* also reveals how these changes led to narrowcasting, or the targeting of a niche segment of the overall audience, and the ways in which the new, sophisticated portrayals of women inspire sympathetic identification while also commodifying viewers into a marketable demographic for advertisers.

Between Jobs - W.R. Gingell 2022-05-10

When you get up in the morning, the last thing you expect to see is a murdered guy hanging outside your window. Things like that tend to draw the attention of the local police, and when you're squatting in your parents' old house until you can afford to buy it, another thing you can't afford is the attention of the cops. Oh yeah. Hi. My name is Pet. It's not my real name, but it's the only one you're getting. Things like names are important these days. And it's not so much that I'm Pet. I am a pet. A human pet: I belong to the two Behindkind fae and the pouty vampire who just moved into my house. It's not weird, I promise—well, it is weird, yeah. But it's not weird weird, you know?

Sex and the City and Us - Jennifer Keishin Armstrong 2019-05-07

The bestselling author of *Seinfeldia* offers a fascinating retrospective of the iconic and award-winning television series, *Sex and the City*, in a "bubbly, yet fierce cultural dissection of the groundbreaking show" (Chicago Tribune). This is the story of how a columnist, two gay men, and a writers' room full of women used their own poignant, hilarious, and humiliating stories to launch a cultural phenomenon. They endured shock, slut-shaming, and a slew of nasty reviews on their way to eventual—if still often begrudging—respect. The show wasn't perfect, but it revolutionized television for women. When Candace Bushnell began writing for the *New York Observer*, she didn't think anyone beyond the Upper East Side would care about her adventures among the Hamptons-hopping media elite. But her struggles with singlehood struck a chord. Beverly Hills, 90210 creator Darren Star brought her vision to an even wider audience when he adapted the column for HBO. Carrie, Miranda, Charlotte, and Samantha launched a barrage of trends, forever branded the actresses that took on the roles, redefined women's relationship to sex and elevated the perception of singlehood. Featuring exclusive new interviews with the cast and writers, including star Sarah Jessica Parker, creator Darren Star, executive producer Michael Patrick King, and author Candace Bushnell, "Jennifer Keishin Armstrong brings readers inside the writers' room and into the scribes' lives...The writing is fizzy and funny, but she still manages an in-depth look at a show that's been analyzed for decades, giving readers a retrospective as enjoyable as a \$20 pink cocktail" (The Washington Post). *Sex and the City and Us* is both a critical and nostalgic behind-the-scenes look at a television series that changed the way women see themselves.

Sex and the City - Amy Sohn 2004-02-23

A fan's resource for the award-winning cable television program features information about the show's actors, producers, costume designers, and sets, and provides summaries of each season and interviews with the cast.
