Dance of the Zodiac - William Arthur Schreib
2011-08

Dance of the Zodiac is a illustrated book with hundreds of drawings and photographs that give insights into how the signs of the zodiac are displayed in the physiognomy, appearance and personality of people. This 89 page (letter-sized) book provides a unique, informative, and very enjoyable treatise on recognizing "the elemental differences and the universal patterns that created all physical form." With extensively researched collections of celebrity faces, photo collages and Schreib's whimsical astro-caricatures, the full physical influences of our astrology horoscopes are demonstrated. Along with the Sun Signs, there are sections that

reveal the influence of the Moon Sign, the Ascendant, the decans and the three primary personality planets: Mercury, Mars and Venus. The book concludes with two samples of each Sun sign, featured in William Schreib's "Celebrity Snapshots", a monthly article in DELL HOROSCOPE Magazine.

[Darkmore Penitentiary](#) - Caroline Peckham 2020
"“We’re going to own you.” “We’re going to break you.” “When we’re through with you, you won’t remember life before you were ours.” That’s what they whisper as I pass their cells. Ha. Guess what bastardos? I’m Rosalie Oscura, champion underground cage-fighter and freaking Alpha Werewolf from the infamous Oscura Clan. My family wrote the book on

criminal organisations and I'll be ruling this place by the time the next moon rises. Papà always said my hot head would land me in here one day. The supernatural prison they call Darkmore Penitentiary. Where they send the cruellest, most dangerous Fae in Solaria. Like me apparently. So maybe I deserve to be in prison, but do you want to know a secret? I planned to get sent to Darkmore Penitentiary. I've come to break out the most notorious criminal in Solaria. The trouble is, I need the help of the four Alpha males to get out of here. And they happen to hate each other almost as much as they hate me. But I always did love a challenge. How hard could it be to make them accept me as their leader?" -- Back cover.

Hang the Moon - Alexandria Bellefleur
2021-05-25

In a delightful follow-up to *Written in the Stars*, Alexandria Bellefleur delivers another queer rom-com about a hopeless romantic who vows to show his childhood crush that romance isn't

dead by recreating iconic dates from his favorite films... Brendon Lowell loves love. It's why he created a dating app to help people find their one true pairing and why he's convinced "the one" is out there, even if he hasn't met her yet. Or... has he? When his sister's best friend turns up in Seattle unexpectedly, Brendon jumps at the chance to hang out with her. He's crushed on Annie since they were kids, and the stars have finally aligned, putting them in the same city at the same time. Annie booked a spur-of-the-moment trip to Seattle to spend time with friends before moving across the globe. She's not looking for love, especially with her best friend's brother. Annie remembers Brendon as a sweet, dorky kid. Except, the 6-foot-4 man who shows up at her door is a certified Hot Nerd and Annie... wants him? Oh yes. Getting involved would be a terrible idea—her stay is temporary and he wants forever—but when Brendon learns Annie has given up on dating, he's determined to prove that romance is real. Taking cues from his

favorite rom-coms, Brendon plans to woo her with elaborate dates straight out of Nora Ephron's playbook. The clock is ticking on Annie's time in Seattle, and Brendon's starting to realize romance isn't just flowers and chocolate. But maybe real love doesn't need to be as perfect as the movies... as long as you think your partner hung the moon.

Black Cake (TV Tie-in Edition) - Charmaine Wilkerson 2023-10-17

COMING SOON TO HULU • NEW YORK TIMES BESTSELLER • READ WITH JENNA BOOK CLUB PICK AS FEATURED ON TODAY • Two estranged siblings delve into their mother's hidden past—and how it all connects to her traditional Caribbean black cake—in this immersive family saga, “a character-driven, multigenerational story that’s meant to be savored” (Time). In present-day California, Eleanor Bennett's death leaves behind a puzzling inheritance for her two children, Byron and Benny: a traditional Caribbean black cake, made

from a family recipe with a long history, and a voice recording. In her message, Eleanor shares a tumultuous story about a headstrong young swimmer who escapes her island home under suspicion of murder. The heartbreaking journey Eleanor unfolds, the secrets she still holds back, and the mystery of a long-lost child, challenge everything the siblings thought they knew about their family, and themselves. Can Byron and Benny reclaim their once-close relationship, piece together Eleanor's true history, and fulfill her final request to “share the black cake when the time is right?” Will their mother's revelations bring them back together or leave them feeling more lost than ever? Charmaine Wilkerson's debut novel is a story of how the inheritance of betrayals, secrets, memories, and even names, can shape relationships and history. Deeply evocative and beautifully written, *Black Cake* is an extraordinary journey through the life of a family changed forever by the choices of its matriarch.

The Art Of Seduction - Robert Greene

2010-09-03

Which sort of seducer could you be? Siren? Rake? Cold Coquette? Star? Comedian? Charismatic? Or Saint? This book will show you which. Charm, persuasion, the ability to create illusions: these are some of the many dazzling gifts of the Seducer, the compelling figure who is able to manipulate, mislead and give pleasure all at once. When raised to the level of art, seduction, an indirect and subtle form of power, has toppled empires, won elections and enslaved

great minds. In this beautiful, sensually designed book, Greene unearths the two sides of seduction: the characters and the process. Discover who you, or your pursuer, most resembles. Learn, too, the pitfalls of the anti-Seducer. Immerse yourself in the twenty-four manoeuvres and strategies of the seductive process, the ritual by which a seducer gains mastery over their target. Understand how to 'Choose the Right Victim', 'Appear to Be an Object of Desire' and 'Confuse Desire and Reality'. In addition, Greene provides instruction on how to identify victims by type. Each fascinating character and each cunning tactic demonstrates a fundamental truth about who we are, and the targets we've become - or hope to win over. The Art of Seduction is an indispensable primer on the essence of one of history's greatest weapons and the ultimate power trip. From the internationally bestselling author of *The 48 Laws of Power*, *Mastery*, and *The 33 Strategies Of War*.

Zodiac Academy 4: Shadow Princess - Caroline Peckham 2021-10-08

The shadows are in my blood. I can feel them crawling through me, slithering under my skin and taking me hostage. But the darkness within me, isn't nearly as bad as the darkness that lives around me. The four heirs will stop at nothing to destroy the lives of me and my sister. But they haven't figured out yet, we're the strongest creatures they've ever known...

An Astrological Guide for Broken Hearts - Silvia Zucca 2019-07-09

NOW A NETFLIX ORIGINAL SERIES Frustrated at the path her life has taken, Alice decides to take control of her personal life using astrology as her guide in this quirky, steamy, and hilarious romantic comedy. Alice Bassi is (a little) over thirty, single (not by choice), and she can't help but feel that she is failing at this whole adulthood thing. She's stuck in a dead-end job, just found out her ex-boyfriend is engaged to his pregnant girlfriend, and Richard Gere hasn't

shown up with flowers and a limo to save her from it all. On one particularly disastrous morning—when Alice would much rather have stayed home, curled up with her favorite rom-coms—she meets Davide Nardi. Handsome yet indecipherable, Davide would be the leading man of Alice's dreams—if only he weren't the “hatchet man” brought in to help streamline production and personnel at the small television network she works for. In the midst of all this, Alice runs into Tio—an actor and astrology expert who is convinced he can turn her life around with a little help from the stars.

Skeptical but willing, Alice decides to take Tio's advice and only date men whose Zodiac signs are compatible with hers. Unfortunately, it turns out that astrological affinity doesn't always guarantee a perfect match, nor prevent a series of terrible dates, disappointments, and awkward surprises. It also doesn't keep Davide from becoming more attractive every day. Perfect for fans of Bridget Jones's Diary and Star-Crossed,

Zodiac Academy - Caroline Peckham 2021-09-08
I'm a Gemini. Impulsive. Curious. Headstrong. A twin. Heir to a throne I know nothing about. And it turns out, I'm Fae. But of course there's a catch - all I have to do to claim my birth right is prove that I'm the most powerful supernatural in the whole of Solaria. And sure, technically that's true as I'm the daughter of the Savage King. But the bit they didn't put in the brochure was that every single Fae in this Kingdom would claim my throne if they could. The school they've sent me to is both dangerous as sh*t and one helluva party. Vampires bite weaker students in the corridors, the Werewolf pack has orgies in the Wailing Wood at every full moon and don't even get me started on the dark and twisted ways the Sirens use their powers on people's emotions, or

how my sinfully tempting Cardinal Magic teacher hosts detentions that leave people needing therapy. Classes are totally interesting if you manage to live through them. And that Gemini star sign I mentioned? It now determines my elemental magic and affects my destiny, so learning astrology is essential if I'm going to beat down my classmates - which is actively encouraged by the way. My biggest problem is the drool worthy Dragon shifter who has his eyes on my throne. He and his three psycho friends are determined to make my time here hell. All I've got to do is survive. But fate might have other ideas. Dammit, why couldn't I have gotten a letter to Hogwarts?

Goodreads Choice Award Winner Locus Finalist Galaxy “Alex” Stern is the most unlikely member

of Yale’s freshman class. Raised in the Los Angeles hinterlands by a hippie mom, Alex dropped out of school early and into a world of shady drug-dealer boyfriends, dead-end jobs, and much, much worse. In fact, by age twenty, she is the sole survivor of a horrific, unsolved multiple homicide. Some might say she’s thrown her life away. But at her hospital bed, Alex is offered a second chance: to attend one of the world’s most prestigious universities on a full ride. What’s the catch, and why her? Still searching for answers, Alex arrives in New Haven tasked by her mysterious benefactors with monitoring the activities of Yale’s secret societies. Their eight windowless “tombs” are the well-known haunts of the rich and powerful, from high-ranking politicians to Wall Street’s biggest players. But their occult activities are more sinister and more extraordinary than any paranoid imagination might conceive. They tamper with forbidden magic. They raise the dead. And, sometimes, they prey on the living.

Darkside Zodiac - Stella Hyde 2016-04-14

Before you buy, look at the title on the cover.

What does it say? Darkside. That means you are going to be reading some wince-making stuff about yourself. There are no jolly Brightside platitudes, because there is enough of that kind of thing in the world and every silver lining must have its cloud. You have been warned; anybody who is but a fragile blossom blown by life's maelstrom had better put the book down now! Turn to The Darkside Zodiac any time you're feeling dark or when your partner, friends, co-workers, kids, boss or anyone else annoys you. You'll find solace in the fact that not everyone is perfect in love, work or daily life.
