**Rising from the Ashes of Jehovah's**

**Witnesses** - Isis Allthings 2019-03-08

Isis Allthings felt numb as she gripped the arms of her airline seat. She was catapulting herself and her four-year-old daughter into the unknown, away from her religion, five-year marriage, and the country she had settled in, Bavaria. At age thirty-two, Isis was on a courageous journey to begin a new life in her native country, England, where she rebelled against every belief and lie she had been taught since childhood. In a compelling true story, Isis leads others into her past as she analyses the vulnerability that led to her mother's recruitment into the Jehovah's Witnesses. After describing her own absorption into this secretive organization at the age of ten and subsequent life as a full-time minister, she divulges how personal sacrifices eventually led to her hard-

won freedom as a free spirit.

*Communication Skills for Nurses* - Marilyn Edwards 2014-11-19

Over a third of all consultations in general practice are now conducted by nurses. The consultation is the key element of primary care, with patients being more satisfied with the care given by clinicians who have good communication skills. Poor communication or dissatisfaction with a consultation is reported to be one reason why patients decide not to attend or do not take a prescribed treatment. Patients need to be satisfied with the consultation, understand their condition and understand the reasons for their treatment or management plan. This book has been written to reinforce good consultation and communication skills and highlights areas where readers might wish to review and improve their own consultation

*Downloaded from

techniques. This is done through case studies and scenarios that are likely to be common in many practices. Although the text and scenarios relate to practice nurse consultations, the content can be transferred to all primary care nursing settings.

**The Third Gender** - HB Goldsmith (Dr. Hiren B. Soni)

The book 'The Third Gender' is exclusively written for bisexual people, drags, LGBT community, non-binary gender, transfeminists, transgender people, and transsexual humans of the world. It reflects various types of stages and events that an LGBT community experiences in their lives. The author has highlighted the frequent phases of transgenderhood, which most of the lesbians, gays, bisexuals and transgenders undergo. The book covers imperative information about detransition, digital transgender archive, gender transition, healthcare, law, legal recognition, legal status of transgender people, LGBT in mythology, LGBT

movements, LGBT sex education, medicalization, scientific studies of transsexuality, sex and gender, sexual orientation, spirituality, transfeminism, transgender day of remembrance, transgender history, transgender people and religion, and transvestism. It also focuses on some perceptive and discerning issues like criticism, discrimination, LGBT health disparities, suicide among LGBT youth, transgender inequality, transgender sex workers, transmisogyny, transphobia, violence against transgender people, and violence and criminal justice system. The author is acknowledging all the colleagues, friends, relatives, social media friends, and contemporaries for their suggestions, feedbacks, and opinions. This book will definitely be a 24x7 guide and a handy tool for all transgenders worldwide. The author feels highly indebted to 'The Almighty Living God', who has helped him directly or indirectly in writing of this book. May all LGBTs of the world live happy and peaceful

**I'M Still Sane!** - Darryl E. McCullough

2014-06-05

Years ago Darryl E. McCullough published his first book *Perfectly Sane: An Arsenal of Verbal Expression* consisting of short-stories and poetry. While still professing his sanity, this writer, director, producer and now award winning screenplay writer is releasing his second book *Im Still Sane! But Crazier than Ever: A Collection of Short Stories, Angry Poems and Bitter Essays* This book picks up where the other one left off! It showcases the life, times and crimes of this authors imagination, perception and his astounding revelations of growing up, race-relations, dating and marriage. Featuring such racial exploratory favorites as *The Furgerson Nose*, *A Raisin in a Bowl Full of White Rice* and *Interracial Dating: Who Cares Anymore?"* Joined with the dating and marital expressions of *Ladies!The Truth about your Male Friends,And ThenShe Hit Me* and *Look at my*

*Beautiful Wife*After the Divorce.Also moralistic adult excavating such as *Sweets* and the eyebrow raising *Zebra/Playing Aint for Everybody*. This book also features many articles from the authors yearlong column *One Mans Point of View*. An added treat is a humorous interview with Black men and women discussing the problems that they have with each other. This book also features *The Life of a King* sketch drawings by Anthony Valentino Robinson Purchase your copy today at [www.authorhouse.com](http://www.authorhouse.com), [www.amazon.com](http://www.amazon.com), or contact the author directly at [sanepoet@msn.com](mailto:sanepoet@msn.com) . Book signings and film showings in Cleveland, Detroit and Atlanta to be announced!

**The Orwellian World of Jehovah's Witnesses**

- Heather Denise Harden Botting 1984-01-01 Discusses the history and religious doctrines of the Jehovah's Witnesses and examines the parallels between the religion and George Orwell's novel, 1984

**Jehovah's Witnesses** - Andrew Holden  
2012-11-12

This is the first major study of the enigmatic religious society. By examining the Jehovah's Witnesses' dramatic recent expansion, Andrew Holden reveals the dependency of their quasi-totalitarian movement on the physical and cultural resources have brought about the privatization of religion, the erosion of community, and the separation of 'fact' from faith.

God's Establishment - Duane L. Day 2011-09  
Today's mainline churches—that is, churches of the historic Protestant denominations—are finding themselves challenged. Fundamental and evangelical churches—churches of the Christian right—are rapidly on the rise across the country. With this, many of the mainline churches have experienced a significant decline in membership and influence, even as the churches of the Christian right grow in numbers and prosperity. The mainline churches formerly dominated the

organized religious life of the United States. They served and even represented the nation's establishment. What happened? Where have all the people gone? Why have they left? In his book, God's Establishment author Duane L. Day seeks to answer these questions and suggests what the future holds for the historic Protestant denominations in the United States. Delve into God's Establishment and discover for yourself why the mainline churches are losing their flocks and how, or even whether, they can get them back.

**Farewell to Jehovah's Witnesses** - Peter John Rippin 2014-03-09

WHAT was it like to be a young Jehovah's Witness living in Britain in the 1960s? Members of the faith aged in their teens and twenties were constantly warned by their leaders that the world was shortly to be destroyed in the Battle of Armageddon. They were told that if they wished to be saved and live forever on a paradise earth they would need to conform to a

strict code of conduct. That meant preaching from door-to-door to warn of the coming destruction, avoiding sex outside marriage, not undertaking higher education, not celebrating Christmas nor birthdays, and only mixing socially with people who were Jehovah's Witnesses. The book follows the life of a fictional young man named Luke Fairweather from the age of 18 to 30. For several months he is given a thorough indoctrination in the beliefs of the Witnesses. He accepts the claim that Armageddon is only a short time away and devotes his life to preaching. But as the years go by and the end of the world seems as far away as ever, he is dismayed at some examples of double standards in his congregation. He also begins to have doubts about the Witnesses' teachings, and he suffers a crisis of faith.

**Utta Drivel Short Stories** - Alan Pinkett

2019-04-05

Utta Drivel Short Stories is a collection of comic short stories read out at Creative Writing

evening classes to much laughter. They cover a wide range of subjects. From a neolithic sex strike, to the ancient Egyptians Lotatotty & Obsequiops, to philosophers meeting at the Fill the Greek, the Parthenon canteen. From an abattoir wedding, to the first Russian to laugh in 200 years, to the Knights of the Round Hovel. There are longer short stories about the fun to be had working in the Falkland Islands & Hong Kong. Other short stories tell of rocky horror in Transylvania, of banned fox hunts switching to hunting smokers & sheep taking over Wales. In a different vein, staff in a St Trinians-type school hold an emergency meeting & when a man's private parts suddenly drop off, he considers having a vagina fitted by a quick-fit fanny fitter. And there is a pirate treasure story with Midshipman BraceYourself and a science fiction one that features Startifartlast, a mystic Chinese Constipate.

**Historical Dictionary of Jehovah's Witnesses**

- George D. Chryssides 2019-05-15

Downloaded from  
[legacy.opendemocracy.net](http://legacy.opendemocracy.net) on 2023-09-08  
by guest

This second edition of Historical Dictionary of Jehovah's Witnesses contains a chronology, an introduction, and an extensive bibliography. The dictionary section has over 300 cross-referenced entries on important personalities, culture, and key concepts.

**God in Eisenhower's Life, Military Career, and Presidency** - Jerry Bergman 2019-03-22

As the Supreme Allied Commander in the fight against the Nazis, General Dwight Eisenhower was one of the most important leaders of the last century. His position as a five-star general was crucial in achieving a positive outcome in World War II. Today, he is considered one of the most respected US presidents, but the critical role that his religious beliefs played in his life and work is widely ignored. As one historian wrote, Eisenhower was the most religious president in the twentieth century. He was critical in influencing the nation's enlarged accommodation to faith, specifically the Christian faith. The central role Eisenhower's

faith played in his life, from growing up in Abilene, Kansas, to becoming the most powerful leader in the world, is thoroughly documented for the first time in this book. Indeed, Eisenhower's belief in God made him who he was and allowed him to achieve the work that made him one of the most respected leaders of the free world. This book sets the record straight about common erroneous beliefs concerning President Eisenhower and his family. It is necessary to understand the forces that shaped him so we can put his life and many achievements into perspective.

adult. This book will make you cry, and it will make you laugh. This is a great book to read by your fireplace with some hot chocolate eating a bagel.

*The Bunyip Collection* - Tristan A. Smith

2022-06-23

All three books in 'Bunyip', Tristan A. Smith's series of fantasy novels inspired by Australian mythology, now in one volume. Modern tales influenced by much older stories and spiced with science, legend and sensuality, these novels will appeal to anyone who loves a good fantasy adventure or is interested in Australian folklore! The Witch Doctor's Opal: Tristram Jones is given an opal by his dying grandfather. Little does he know its connection to an old aboriginal witch doctor with bright orange eyes. He is Dinewan - meaning Emu - taken from the Great Spirit of the Dreamtime. Stretching across generations, the stories swirling around Tristram and the opal are connected to the fabled monster of the billabong: the Bunyip. Scottish highlanders,

bushrangers, and an old Chinese goldminer each play their part in a family legend that seems doomed to end in blood. But is Dinewan just a wicked and bitter misfit, or something far more marvelous, and dangerous? A Web Of Stories: Life spins stories around us as we slide through time, anchored by our secrets. Tristram Jones's opal is of deep significance to his teacher, Ivan MacAllister: a compelling and charismatic mentor haunted by a trauma caused by the witch doctor, Dinewan. Tristram is haunted too, by dreams of a terrifying monster that feel more like memories. As a web of stories surrounds Tristram and Ivan, the truth of them must come out as life goes on with adventure, romance and danger. The witch doctor is coming, and he will have his due. The Hunt For The Bunyip: "Magic is a fact of life, like murder, sex and monsters." So says Dinewan, the old aboriginal witch doctor with bright orange eyes. In the final installment of the Bunyip series, what began from family legend will culminate in a zoological hunt of the

millennium. Tristram Jones and his teacher, Ivan MacAllister, must again contend with Dinewan; his tactics are more dangerous and determined, and the stakes have never been higher. From the university to the wild high country, Tristram once again follows the call of the mysterious Bunyip. It will be the last time he does. This novel collection is intended for a mature readership and is not suitable for readers under the age of 18.

*Apocalypse Delayed* - M. James Penton  
2015-01-01

For almost thirty years, M. James Penton's *Apocalypse Delayed* has been the definitive scholarly study of the Jehovah's Witnesses. As a former member of the sect, Penton offers a comprehensive overview of this significant religious movement.

*Something Just Ain'T Right* - Kai L. Christian  
2012-05-14

Do you remember your first love, the song that was playing when you experienced your first

kiss, where you were for your first time, or how long it took to get past your first heartbreak? These events mold us, shape us, and forever alter us. When Alexander Gray meets Mia Price, the southern belle of his dreams, he must decide which fate would wound him more: being spurned or being burned? He screws up his courage long enough to ask her out, and they realize that perhaps they are meant to build a life together after all. That path will not be a smooth one for either, but now, as a couple, they must face their choices together. Along the way, they must survive run-ins with ex-girlfriends, ex-boyfriends, and new acquaintances not to mention the specter of unresolved issues from the past. Alex and Mias relationship must survive the dangers of young love, or they may find that growing up can lead to growing apart. Theirs is a journey laced with hope, laughter, and the ever-shifting challenges of an emerging relationship, but most of all, it is rich with love.

**Attic Alone** - A. McGinley 2010-09-14

Downloaded from  
[legacy.opendemocracy.net](http://legacy.opendemocracy.net) on 2023-09-08  
by guest

When smallpox vaccinations were required before entering school, A. McGinleys father held her arm down on the table and dropped acid on the upper part of it to painfully burn a hole in her arm. It needed to be deep enough to imitate a real smallpox vaccination. Her Mom comforted her and then took her to the attic to open boxes. They looked for school clothing. She liked being in the attic alone. It was a shelter and hiding place from her family, who were Jehovahs Witnesses. Mentally, she escaped to the attic to be alone when she had to attend services at the Kingdom Hall. She lived in two worlds. One world was home, the Kingdom Hall, and service. Her other world was school, the attic, and neighbors. There were great differences between these worlds, teaching her to think for herself when great conflicts arose between the two. Growing up in a family that included abuse, alcoholism and religious cult beliefs closed many doors, such as social freedom and college. School, the attic, and neighbors helped her to

open some of those doors. Attic Alone tells the story of her journey from the bondage of false beliefs to a real Christian faith.

### **Brothers Silenced** - Kathryn Jewel 2006

On August 30, 1993, Roberta Moore drove to work; it was a cold, rainy morning. She had left her two sons and little daughter at home with her husband. He was supposed to make sure they got dressed in time to catch the school bus. She had been on the job for only thirty minutes when she received a call at 7:45 a.m. Roberta was surprised to hear her husband's voice on the line. John Moore told his wife he couldn't find their sons. Robert, 13, and Benjamin (Ben), 10, were missing. At 8:25 a.m. the dispatcher with the Price County Sheriff's Department answered a 911 call. Roberta said her husband had found their sons dead on a trail near their home. Brothers Silenced unmask the dysfunctional personal lives of this seemingly normal family. This shocking real life mystery proves truth is indeed stranger than fiction. Author Kathryn

*Downloaded from

by guest*

Jewel, spent over a year interviewing Roberta Moore and uncovering the many complex elements surrounding this case. The ensuing finger pointing, inconsistencies, and religious obsession are explored in detail. Because of small town politics and petty jealousy within the sheriff's department, critical mistakes were made. Fans of the true crime genre will be both challenged and baffled as they are led through

this psychological maze. *Brothers Silenced* analyzes the twists and turns of how and why two innocent children were shot to death and left in the woods so close to their home. *Sex and Marriage in England Today* - Geoffrey Gorer 1973
