Growing Up - Peter Doggett 2021-11-04

Were the 1960s really a great time of liberation and joyful experimentation? *Growing Up* takes an unflinching look at the dark underbelly of the sexual revolution. No era in recent history has been both more celebrated and vilified than the 1960s. And at the heart of all that controversy - the music, drugs, fashion, hopes, dreams and political movements - is sex. In this wide-ranging and eye-opening survey of the sexual landscape of the 1960s, Peter Doggett has assembled a dozen little-known stories that reveal how the sexual revolution transformed people's lives - for better or worse. 'An important reappraisal of a decade that changed us, for good and ill' Sunday Times 'Fascinating...shows rather conclusively that the sixties was not a sexual paradise' Evening Standard 'Creates an account of the 1960s that, unlike most popular histories, does not edit out the grim bits' Mail on Sunday

This Thing Called Life - Joseph Vogel 2018-04-19

What were Prince's politics? What did he believe about God? And did he really forsake the subject-sex-that once made him the most subversive superstar of the Reagan era? In this illuminating thematic biography, Joseph Vogel explores the issues that made Prince one of the late 20th century's most unique, controversial, and fascinating artists. Since his unexpected death in 2016, Prince has been recognized by peers, critics, and music fans alike. President Barack Obama described him as "one of the most gifted and prolific musicians of our time." Yet in spite of the influx of attention, much about Prince's creative life, work, and cultural impact remains thinly examined. *This Thing Called Life* fills this vacuum, delving deep into seven key topics-politics, sound, race, gender, sex, religion, and death-that allow us to see Prince in fresh, invigorating new ways. Accessible and timely, *This Thing Called Life* takes the reader on a

journey through the catalog and creative revolution of one of America's most compelling and elusive icons.

Everybody's Doin' It: Sex, Music, and Dance in New York, 1840-1917 - Dale Cockrell 2019-08-13

"Racy scholarship does the Grizzly Bear here with theoretical rigor."
—William Lhamon, author of *Raising Cain* *Everybody's Doin' It* is the eye-opening story of popular music's seventy-year rise in the brothels, dance halls, and dives of New York City. It traces the birth of popular music, including ragtime and jazz, to convivial meeting places for sex, drink, music, and dance. Whether coming from a single piano player or a small band, live music was a nightly feature in New York's spirited dives, where men and women, often black and white, mingled freely—to the horror of the elite. This rollicking demimonde drove the development of an energetic dance music that would soon span the world. The Virginia Minstrels, Juba, Stephen Foster, Irving Berlin and his hit "Alexander's Ragtime Band," and the Original Dixieland Jass Band all played a part in popularizing startling new sounds. Musicologist Dale Cockrell recreates this ephemeral underground world by mining tabloids, newspapers, court records of police busts, lurid exposés, journals, and the reports of undercover detectives working for social-reform organizations, who were sent in to gather evidence against such low-life places. *Everybody's Doin' It* illuminates the how, why, and where of America's popular music and its buoyant journey from the dangerous Five Points of downtown to the interracial black and tans of Harlem.

ADHD After Dark - Ari Tuckman 2019-07-03

This pioneering book explores the impact of ADHD on a couple's sex life and relationship. It explains how a better sex life will benefit your relationship (and vice versa) and why that's especially important for

couples with one partner with ADHD. Grounded in innovative research, *ADHD After Dark* draws on data from a survey of over 3000 adults in a couple where one partner has ADHD. Written from the author's unique perspective as both an expert in ADHD and a certified sex therapist, the book describes the many effects of ADHD on couples' sex lives and happiness, covering areas such as negotiating sexual differences, performance problems, low desire, porn, making time for sex, infidelity, and more. The book outlines key principles for a great sex life for couples with ADHD and offers strategies and treatment interventions where specific issues arise. Written in a readable and entertaining style, *ADHD After Dark* offers clear information on sexuality and relationships and is full of valuable advice on how to improve both. This guide will be an essential read for adults with ADHD, as well as their partners or spouses, and therapists who work with ADHD clients and couples.

Your Body's Calling Me - Jake Brown 2004

The Sex Lives of Cannibals - J. Maarten Troost 2004-06-08

After racking up useless graduate degrees and muddling through a series of temp jobs, author Troost decided the idea of dropping everything and moving to the ends of the Earth was irresistibly romantic. He should have known better. This is his hilarious story.

Sex and Violins - John Schroeder 2009

John Shroeder was the producer or co-producer for no less than one hundred and seventy Artists including Cliff Richard, The Shadows, Helen Shapiro and Status Quo. Shroeder was also initially responsible for bringing Tamla Motown to the UK. Complemented with photographs, significant letters and reviews, this title tells his story.

The Kings of Leon: Sex on Fire (New Edition) - Michael Heatley 2011-11-11

By any standards, Kings of Leon are unique. Consisting of three brothers and their first cousin, all surnamed Followill, the quartet from Tennessee have conquered the music world on their own terms. They have audaciously mixed elements of classic rock with grunge, garage and a very contemporary attitude. The result is music that has found a global audience, drawn from all ages. Along the way, the band have earned the respect of Bob Dylan, U2, and other A-list celebrities. Their hard-partying lifestyle and glamorous girlfriends ensure that the band remains a favourite with the media. This book traces the rise of Kings of Leon from local hopefuls to Grammy-winning chart-toppers. A religious background that kept them well away from rock music until 1997 has further added to the mystique surrounding the Kings, as Michael Heatley recounts in this first-ever full-length, authoritative biography of the band.

Growing Up - Peter Doggett 2023-05-25

No era in recent history has been both more celebrated and vilified than the 1960s. And at the heart of all that controversy - the music, drugs, fashion, hopes, dreams and political movements - is sex. But were the 1960s really a great time of liberation, joyful experimentation and celebrations of youth? *Growing Up* takes an unflinching look at the dark underbelly of the sexual revolution. In this wide-ranging and eye-opening survey of the sexual landscape of the 1960s, Peter Doggett has assembled a dozen little-known stories that reveal how the sexual revolution transformed people's lives - for better or worse.

Triggers - Glen Matlock 2023-10-12

A fascinating new book charting the life and career of Sex Pistols legend Glen Matlock through the lens of thirty of his most formative songs -

from the ones that influenced him as a child to the ones he wrote and played on as a star. Sharing insider tales of the Sex Pistols' earliest gigs and stormiest reunions, as well as their most idiosyncratic inter-band dynamics, Triggers offers a vivid insight into the ultimate icons of punk. Yet, having performed and recorded with so many musical luminaries over the decades, Glen also reflects on his time with the likes of Iggy Pop, David Bowie, the Faces, Blondie, Primal Scream and many more, bookending his account with two 'winters of discontent': 1976 and 2022. This is the story of an outspoken, uncompromising man and remarkable, game-changing musician.

Ian Dury: Sex & Drugs & Rock 'N' Roll - Richard Balls 2011-09-23

Here is the complete, no-holds-barred biography of the late, great self-made Essex lad himself! The abrasive Dury always met life head on, in his relationships and in his music, and this acclaimed biography does not shrink from chronicling some of his darker moments as well as his triumphs. Author Richard Balls talked to over 50 of Dury's friends as well as Dury himself shortly before his death. Dury's extraordinary life was always a battle. As a rocker, lyricist, artist and actor he was unsentimental and uncompromising. As a man he was harder to fathom - until now. In this classic rock biography, the self-styled 'diamond geezer' stands revealed as a real diamond after all. This edition is updated to cover the release of the biopic *Sex & Drugs & Rock 'N' Roll*, and includes original interviews with Oscar-winning actor Andy Serkis who portrayed Dury in the film.

Lana Del Rey - F. A. Mannan 2016-07

Literary Nonfiction. Music. Biography. The controversial artist Lana Del Rey seemed to appearfully-formed with her melancholy viral hit Video Games, but her story started long before. She had written and performed for many years under many names with no fanfare. Each time she changed her name, the artist was drawn closer to the finished product: the synthesis of real life and fantasy we see now. In this anatomy, F.A. Mannan considers all that has gone into the Del Rey equation: the music, poetry, films, places, and experiences that allow the songs to communicate despite the media circus around them. The guide considers

the way the music industry and press operate, and the tense gender politics and blurry notions of authenticity that jut into Del Rey's otherworldly image. This is the definitive treatment of Lana Del Rey's work to date.

Art Sex Music - Cosey Fanni Tutti 2017-04-04

A SUNDAY TIMES, TELEGRAPH, ROUGH TRADE, PITCHFORK AND UNCUT MUSIC BOOK OF THE YEAR SHORTLISTED FOR THE PENDERYIN MUSIC BOOK PRIZE Art Sex Music is the autobiography of a musician who, as a founding member of the avant-garde group Throbbing Gristle and electronic pioneers Chris & Cosey, has consistently challenged the boundaries of music over the past four decades. It is the account of an artist who, as part of COUM Transmissions, represented Britain at the IXth Biennale de Paris, whose Prostitution show at the ICA in 1976 caused the Conservative MP Nicholas Fairbairn to declare her, COUM and Throbbing Gristle 'Wreckers of Civilisation' . . . shortly before he was arrested for indecent exposure, and whose work continues to be held at the vanguard of contemporary art. And it is the story of her work as a pornographic model and striptease artiste which challenged assumptions about morality, erotica and art. Art Sex Music is the wise, shocking and elegant autobiography of Cosey Fanni Tutti.

Story About Journey Of Sex, Drugs, Music - Eboni Lewy 2021-07-28

This was a constant emotional rollercoaster, my God the main characters..and the..the angst..and so much sadness and drugs..I can't I just can't explain. Go read it. It's amazing, the character development was out of this world. This book goes straight into my "never forget even if I wanted to" list. Imagine a book about two guys who got together as kids - one the protector, the other a willing and constant victim. They form a band (in Canada?) which enjoys some limited success. Over the next twenty years (and it seems like every single one was covered in this book, either in real-time or flashback) they descend into drug addiction and alcoholism - all the while hurting each other as much as possible, both mentally and physically, until death ends it.

Anger is an Energy: My Life Uncensored - John Lydon 2014-10-09

John Lydon has secured prime position as one of the most recognizable icons in the annals of music history. As Johnny Rotten, he was the lead singer of the Sex Pistols - the world's most notorious band, who shot to fame in the mid-1970s with singles such as 'Anarchy in the UK' and 'God Save the Queen'. So revolutionary was his influence, he was even discussed in the Houses of Parliament, under the Traitors and Treasons Act, which still carries the death penalty. Via his music and invective he spearheaded a generation of young people across the world who were clamouring for change - and found it in the style and attitude of this most unlikely figurehead. With his next band, Public Image Ltd (PiL) Lydon expressed an equally urgent impulse in his make-up - the constant need to reinvent himself, to keep moving. From their beginnings in 1978 he set the groundbreaking template for a band that continues to challenge and thrive in the 2010s. He also found time for making innovative new dance records with the likes of Afrika Baambaata and Leftfield. Following the release of a solo record in 1997, John took a sabbatical from his music career into other media, most memorably his own Rotten TV show for VH1 and as the most outrageous contestant ever on I'm a Celebrity.... Get Me Out of Here! He then fronted the Megabugsseries and one-off nature documentaries and even turned his hand to a series of much loved TV advertisements for Country Life butter. Lydon has remained a compelling and dynamic figure - both as a musician, and, thanks to his outspoken, controversial, yet always heartfelt and honest statements, as a cultural commentator. The book a fresh and mature look back on a life full of incident from his beginnings as a sickly child of immigrant Irish parents who grew up in post-war London, to his present status as a vibrant, alternative national hero.

Justify My Love - Ryann Donnelly 2019-04-16

An analysis of sex and gender in music videos, covering everyone from Beyonce to Madonna, Nine Inch Nails to Mykki Blanco. In *Justify My Love*, Ryann Donnelly explores sex and gender in one of the most widely consumed art forms of our age -- the music video. Through an autobiographical reckoning with the author's life in a band and collaboration with past lovers, and a close analysis of the erotic

iconography of music videos, *Justify My Love* tells the subversive history of this medium, from the inception of MTV in 1981 through to the 2010s. Covering everything from Lady Gaga and Beyonce to Nine Inch Nails and George Michael, *Justify My Love* shows how subversion became mainstream, and how marginalized voices shaped some of the biggest music videos of the last thirty years.

Eroticism in Early Modern Music - Bonnie Blackburn 2016-03-09

Eroticism in Early Modern Music contributes to a small but significant literature on music, sexuality, and sex in sixteenth- and seventeenth-century Europe. Its chapters have grown from a long dialogue between a group of scholars, who employ a variety of different approaches to the repertoire: musical and visual analysis; archival and cultural history; gender studies; philology; and performance. By confronting musical, literary, and visual sources with historically situated analyses, the book shows how erotic life and sensibilities were encoded in musical works. *Eroticism in Early Modern Music* will be of value to scholars and students of early modern European history and culture, and more widely to a readership interested in the history of eroticism and sexuality.

Reclaiming Desire - Andrew Goldstein, M.D. 2009-06-09

A holistic approach to the problem of low libido in women explains how a variety of physical, emotional, spiritual, and intellectual factors, as well as such events as pregnancy, marriage, childbirth, menopause, and divorce, can affect a woman's sex drive and offers a variety of medical and psychological treatment options to help women reinvigorate their intimate relationships. 35,000 first printing.

The Benefits of Brahmacharya - Swami Nirmalananda Giri (Abbot George Burke) 2023-04-05

"Brahmacharya is the basis for morality. It is the basis for eternal life. It is a spring flower that exhales immortality from its petals." -Swami Sivananda Brahmacharya is conservation and mastery of all the energy systems and powers of our being. Sexuality is usually considered the main focus of brahmacharya because it has such a powerful grip and influence on the human being. It is considered that if sex is mastered, all the senses will be mastered as well. The conservation and application of

energy is the main determinant of success or failure in spiritual endeavor. Diffusion and dissipation of energy always weakens us. Hence brahmacharya is a vital element of Yoga, without which we cannot successfully pursue the greater life of Higher Consciousness. In this volume, Swami Nirmalananda has collected valuable writings from a number of authorities on the various beneficial aspects of self-control related to sexuality: Swami Sivananda and Swami Chidananda of Rishikesh, Sri Ramakrishna and Swami Vivekananda, Paramhansa Yogananda, Gandhi, Swami Jagadishwarananda, Dr. Edwin Flatto, Dr. Raymond Bernard, as well as his own articles on the subject. This unique

collection of articles provides important information and perspectives on how brahmacharya contributes to the well-being of all levels of our lives - physical, psychological, and social/moral - and as an indispensable foundation for progress on the liberating path of Yoga. And most importantly, the aspirant will discover practical recommendations for achieving success in brahmacharya. "Far from denying self-expression, [brahmacharya] is giving full expression to yourself because you are no longer identified with the lesser aspect of your total personality. You are identified with the higher aspect. It is a sort of a liberation and evolution to a higher level." Swami Chidananda, Divine Life Society
