Handles for Harmony - James R. Bjorge 2001

How do you keep a marriage alive and vibrant? With many modern marriages held together by a thread, James Bjorge offers a number of brief meditations designed to help couples weave together many threads to form a strong, enduring rope of love. This book is a perfect gift for young couples who have just been married or who are considering marriage -- Bjorge touches on physical, emotional, and spiritual considerations for harmonious and fulfilling relationships. Pastors will also find that *Handles For Harmony* is a gold mine of trenchant illustrations for use in wedding sermons. But this book will be useful to anyone; Bjorge's thoughts will help renew even the strongest marriage.

Harmony In Marriage - Dada Bhagwan 2015-04-16

Over the course of life, even in happy homes, it is only natural to encounter marriage problems. But, for some, the husband and wife relationship can be said to be the very definition of conflict! In the book "Harmony in Marriage", Gnani Purush (embodiment of Self knowledge) Dada Bhagwan provides spiritual relationship tips related to maintaining a harmonious marriage. He offers marriage advice in answer to such questions as: "How to resolve conflict in my marriage?", "How to adjust to my marriage partner?", and even, "How to save a marriage?" Dadashri also provides marriage guidance in the form of spiritual conflict resolution skills and conflict resolution strategies. His teachings on resolving conflict in family relationships is offered in the context of common and everyday marriage challenges. In the myriad of spiritual books available today, this book will prove an invaluable resource.

Quest for Harmony - Chuan-kang Shih 2009-12-07

In this long-awaited ethnography, Chuan-kang Shih details the traditional social and cultural conditions of the Moso, a matrilineal group living on the border of Yunnan and Sichuan Provinces in southwest China. Among the Moso, a majority of the adult population practice a visiting system called tise instead of marriage as the normal sexual and reproductive institution. Until recently, tise was noncontractual, nonobligatory, and nonexclusive. Partners lived and worked in separate households. The only prerequisite for a tise relationship was a mutual agreement between the man and the woman to allow sexual access to each other. In a comprehensive account, *Quest for Harmony* explores this unique practice specifically, and offers thorough documentation, fine-grained analysis, and an engaging discussion of the people, history, and structure of Moso society. Drawing on the author's extensive fieldwork, conducted from 1987 to 2006, this is the first ethnography of the Moso written in English.

235 Love Tips - M. Muzamal Naveed 2019-10-21

I could not believe it. Virtually everything I read was based on the basic principle: "If it feels good, do it" without worrying about whether it was good or not for your relationship or your organization. Almost all of these authors considered sex as something that gives immediate pleasure, not as something that creates

intimacy. No wonder couples and marriages collapse so quickly. I read biographies and all available information about the authors (the "experts") of the fifty books I read. If I am satisfied that there are experts who live a marriage blossomed, it was not the case of those I have read the bios. These donors councils are former strippers or prostitutes, "therapists" sex who sleep with their clients, men and women who thank the dozens -when it is not contained of people who slept with them, the authors in committed relationships "open" and even some that promote orgies and swingers. Not exactly the kind of people I would accept advice on human relations. Virtually all the books I read included a chapter reassuring about the best ways to live safe sex or "safe sex." When I started reading these tips, I understood why, in the majority of these documents, 25 to 90% of what was written was immoral, unhealthy and, if applied, would result in contracting STD or worse. Not the kind of advice that allows you to build a close relationship. In fact, if you follow some of these tips, tricks and ideas, it would destroy certainly your current relationship and you make it very difficult to establish the fact that others in the future. ""Yet I thought it was my duty to write this book for you. After seeing all that was offered to those who, in good faith, wanted to improve sexual harmony in their relationship. I promise you that none of my advice is: vulgar degrading immoral perverts So if these ideas that I propose are used to improve the sexuality of a husband and wife who remain faithful (and medically healthy), there is virtually no chance to contract any disease whatsoever. If you do not follow my advice, get ready to catch at least one, considering that 25% of the adult population - in the USA for example, carries an STD (sexually transmitted disease). A much larger rate when considering the sexually active singles.""

Marriage and Sexuality in Islam - Ghazzālī 1984

Islam considers marriage as the most intimate communion between man and woman. The mystery of sex finds its fulfilment when intimate spiritual harmony is combined with the physical link. Marriage and family laws are, therefore, an important part of Islamic law for the fulfilment of its ultimate objective of building a harmonious and peaceful human society. In his inimitable style, Imam al-Ghazali, may Allah be pleased with him, discusses this subject in this small book, and shows how Islam, despite differences in rules and marriage, sets out inviolable principles so that marriage is not distorted by godless understandings now threatening to dehumanise many a society of both the East and West. The Islamic code of marriage and family is second to none in importance in helping to lead a life of goodness and purity.

Improving Sex in Marriage - Gary Hall 2019-03-28

There are great reasons why spouses need to talk to each other about sex, and how to make it better in their marriage. Hot, amazing, satisfying sexual relations makes better almost every aspect of daily life. Sex acts as a natural mood enhancer. Performance improves at work, and energy levels rise when a marriage has a thriving sexual component to it. Blood pressure maintains normal limits. For someone who has high blood pressure, the antidote may be a regular dose of deep and satisfying lovemaking. Blood glucose levels are also positively affected, and mineral levels in the bloodstream stabilize. A regular dose of sexual intimacy brings harmony to a marriage. Stressful issues, money, paying bills, rent and mortgage all sap the strength out of an otherwise loving relationship. Bickering and fighting over money leads to finger pointing, arguments and resentment. A marriage with a thriving sexual component softens the stress associated with daily life. Daunting financial issues can be solved with teamwork and mutual understanding, and the togetherness couples feel when they relieve stress with bedroom intimacy.
