Sexual Radiance - Susan Taylor (Ph. D.) 1998

The Complementary and Alternative Medicine Information Source Book - Alan Rees 2001-03-30

From acupuncture to yoga, the increasing popularity of unconventional medical therapies has risen sharply during the past decade. Consumers are turning to complementary and alternative medicine (CAM) for a variety of reasons and are spending billions annually for treatments. Recognizing the growing need to locate authoritative CAM information, award-winning author Alan M. Rees has compiled a first-stop resource for those seeking information to guide their decisions. Noted health information expert Alan Rees organizes the best of complementary and alternative medicine (CAM) information resources in this new guide for librarians and patients. The book is divided into twelve sections beginning with an overview of CAM terminology, safety concerns, ongoing research and education, and the movement towards integrative medicine. Best of lists of books, magazines, newsletters, CD-ROMs, and professional publications are augmented with contact information for several hundred CAM associations and professional groups, an extensive section on the Internet as a source of CAM-related information, and reviews of 355 popular books on CAM. Librarians will use the Source Book as a collection development tool. Consumers and students will find it an easy-to-use guide for locating hard-to-find resources about the latest in alternative medical therapies and treatments. This unique volume brings together in one volume print and electronic resources pertaining to an in-demand topic, provides recommendations of authoritative sources of current information on a wide variety of unconventional medical therapies, will fill the information gap in the rapidly growing field of CAM.

Sexual Radiance - Susan Taylor (Ph. D.) 1998

Sexual Radiance is the first book to feature a step-by-step 21-day program that incorporates the latest findings from scientific research with simple techniques derived from tantric yoga in order to open up the lower chakras and increase the flow of sexual energy. Drawing on her background in biochemistry, Dr. Taylor explains how surprisingly simple adjustments to diet can radically enhance metabolism, thus fueling the creation of energy, specifically sexual energy. By following Dr. Taylor's program of nutrition, exercise, and breathwork in Sexual Radiance, readers can achieve a more profound level of sexual fulfillment and a healthier life.

The Rainbow Diet - Deanna Minich 2018-01-01

Don't just eat your greens—eat your reds, yellows, and blues with this guide to the colorful world of nutrition and optimal health. Forget about bland, colorless diet foods. Vibrant health begins when we embrace the full spectrum of naturally occurring nutrients. In *The Rainbow Diet*, nutritionist and health expert Deanna Minich, PhD, explains how foods of different colors correspond to different dietary needs. You'll learn how to create a balanced meal featuring colorful foods that boost your mental clarity, emotional wellbeing, spiritual fulfillment, and more. Providing information on foods and supplements, Minich also includes delicious recipes, as well as activities to help you heal and flourish. The Rainbow Diet combines ancient healing and eating practices with modern nutritional science to create an integrated view of body, psychology, eating, and living. With this holistic approach, Minich gives readers an easy-to-follow guide to attaining physical, mental, and spiritual health through colorful whole foods and natural supplements.

Goddesses Never Age - Christiane Northrup, M.D. 2016-12-13

THE NEW YORK TIMES BESTSELLER! Though we talk about wanting to "age gracefully," the truth is that when it comes to getting older, we're programmed to dread an inevitable decline: in our health, our looks, our sexual relationships, even the pleasure we take in living life. But as Christiane Northrup, M.D., shows us in this profoundly empowering book, we have it in us to make growing older an entirely different experience, both for our bodies and for our souls. In chapters that blend personal stories and practical exercises with the latest research on health and aging, Dr. Northrup lays out the principles of ageless living, from rejecting processed foods to releasing stuck emotions, from embracing our sensuality to connecting deeply with our Divine Source. Explaining that the state of our health is dictated far more by our beliefs than by our biology, she works to shift our perceptions about getting older and show us what we are entitled to expect from our later years—no matter what our culture tries to teach us to the contrary—including: · Vibrant good health · A fulfilling sex life · The capacity to love without losing ourselves · The ability to move our bodies with ease and pleasure · Clarity and authenticity in all our relationships—especially the one we have with ourselves "Taking all the right supplements and pills, or getting the right procedure done, isn't the prescription for anti-aging," Dr. Northrup explains. "Agelessness is all about vitality, the creative force that gives birth to new life." *Goddesses*

Never Age is filled with tools and inspiration for bringing vitality and vibrancy into your own ageless years—and it all comes together in Dr. Northrup's 14-day Ageless Goddess Program, your personal prescription for creating a healthful, soulful, joyful new way of being at any stage of life.

Wild Feminine - Tami Lynn Kent 2011-02-22

Ladies! Tap into the wisdom of your womanhood and learn through real stories, helpful visualizations, and creative exercises how the sacred pelvic bowl supports and informs your ability to be creative, self-heal, and feel empowered in your life. *Wild Feminine: Finding Power, Spirit, & Joy in the Female Body* offers a unique, holistic approach to reclaiming the power, spirit, and joy of the female body and the understanding of its connection to creative energy flow. By restoring the physical and energetic balance in the pelvic bowl, women can learn to care for themselves in a nourishing and respectful manner, heal spiritual fractures, and renew their relationship with the sacred feminine. In today's age of women needing to reclaim their feminine power and bodily autonomy, Tami Kent—founder of Holistic Pelvic Care™ and a women's health and physical therapist—provides a framework for healing the body and navigating the realms of the feminine spirit. Through pelvic bodywork, healing stories, visualizations, rituals, and creative exercises, women can explore the deep and natural wisdom inherent in the female body. *Wild Feminine* reveals the amazing potential of the female body: the potential to create, to heal, and to transform energy at the core of all womanhood and radically shift your relationship with your body and spirit. *Wild Feminine* gives you the tools to awaken and retrieve your ancient wild self, restore your joy and creative energy, and reconnect to your sacred center.

Sex and Eroticism in Mesopotamian Literature - Dr Gwendolyn Leick 2013-01-11

Sex and Eroticism in Mesopotamian Literature is a new contribution to current debates about sex and eroticism. It gives an insight into Mesopotamian attitudes to sexuality by examining the oldest preserved written evidence on the subject - the Sumerian-Akkadian cuneiform sources - which were written between the 21st and the 5th centuries B.C. Using these long-neglected and often astonishing data, Gwendolyn Leick is able to analyse Mesopotamian views of prostitution, love magic and deviant sexual behaviour as well as more general issues of sexuality and gender. This fascinating book sheds light on the sexual culture of one of the earliest literate civilisations.

Women Writers and Old Age in Great Britain, 1750-1850 - Devoney Looser 2008-08-01

This groundbreaking study explores the later lives and late-life writings of more than two dozen British women authors active during the long eighteenth century. Drawing on biographical materials, literary texts, and reception histories, Devoney Looser finds that far from fading into moribund old age, female literary greats such as Anna Letitia Barbauld, Frances Burney, Maria Edgeworth, Catharine Macaulay, Hester Lynch Piozzi, and Jane Porter toiled for decades after they achieved acclaim -- despite seemingly concerted attempts by literary gatekeepers to marginalize their later contributions. Though these remarkable women wrote and published well into old age, Looser sees in their late careers the necessity of choosing among several different paths. These included receding into the background as authors of "classics," adapting to grandmotherly standards of behavior, attempting to reshape masculinized conceptions of aged wisdom, or trying to create entirely new categories for older women writers. In assessing how these writers affected and were affected by the culture in which they lived, and in examining their varied reactions to the prospect of aging, Looser constructs careful portraits of each of her Subjects and explains why many turned toward retrospection in their later works. In illuminating the powerful and often poorly recognized legacy of the British women writers who spurred a marketplace revolution in their earlier years only to find unanticipated barriers to acceptance in later life, Looser opens up new scholarly territory in the burgeoning field of feminist age studies.

Imperial Leather - Anne McClintock 2013-10-01

Imperial Leather chronicles the dangerous liaisons between gender, race and class that shaped British imperialism and its bloody dismantling. Spanning the century between Victorian Britain and the current struggle for power in South Africa, the book takes up the complex relationships between race and sexuality, fetishism and money, gender and violence, domesticity and the imperial market, and the gendering of nationalism within the zones of imperial and anti-imperial power.

Cumulated Index to the Books - 1999

The Way of the Superior Man - David Deida 2008-09

Deida explores the most important issues in men's lives—from career and family to women and intimacy to love and spirituality—to offer a practical guidebook for living a masculine life of integrity, authenticity, and freedom.

Sexual Enlightenment - Dr. Elsbeth Meuth 2013-11-19

Sexual Enlightenment provides a guide for anyone—from couples to singles, from parents to students, from professionals to entrepreneurs—looking for bringing lasting fulfillment into their lives, relationships and work. Introducing cutting-edge principles and inspiring practices on how to access innate creative energy, listen to the wisdom of the heart, and connect with the power of the conscious mind, Dr. Elsbeth Meuth and Freddy Zental Weaver offer a road map that can alter and enlighten the way you look at sexual energy, love, and your conscious self. They provide practical advice on how to • access peace and joy anytime and anywhere by calming the unending chatter in your mind; • circulate your life force energy within for achieving greater physical health, increased emotional well-being, and deeper spiritual connection; • feel confident, grounded, and vital in yourself by accessing and training your love muscle; • experience an instant love connection with your partner, avoiding debilitating fights and mutual accusations; • come into balance of your yin and yang nature for creating the life and relationships you always wanted; • release blocks from the past that no longer serve you and keep you from experiencing fulfillment in life, love, and intimacy; • bring pleasure into your daily life by tapping into your creative life force energy; • enjoy reawakening your feminine joyous self

as a woman; • cultivate sustaining your masculine pleasurable energy as a man; and • draw on your life-giving sexual energy to infuse your wishes and realize your dreams.

Free and Natural - Sarah Schrank 2019-07-12

From Naked Juice® to nude yoga, contemporary society is steeped in language that draws a connection from nudity to nature, wellness, and liberation. This branding promotes a "free and natural" lifestyle to mostly white and middle-class Americans intent on protecting their own bodies—and those of society at large—from overwork, environmental toxins, illness, conformity to body standards, and the hyper-sexualization of the consumer economy. How did the naked body come to be associated with "naturalness," and how has this notion influenced American culture? Free and Natural explores the cultural history of nudity and its impact on ideas about the body and the environment from the early twentieth century to the present. Sarah Schrank traces the history of nudity, especially public nudity, across the unusual eras and locations where it thrived—including the California desert, Depression-era collectives, and 1950s suburban nudist communities—as well as the more predictable beaches and resorts. She also highlights the many tensions it produced. For example, the blurry line between wholesome nudity and sexuality became impossible to sustain when confronted by the cultural challenges of the sexual revolution. Many longtime free and natural lifestyle enthusiasts, fatigued by decades of legal battles, retreated to private homes and resorts while the politics of gay rights, sexual liberation, environmentalism, and racial equality of the 1970s inspired a new generation of radical advocates of public nudity. By the dawn of the twenty-first century, Schrank demonstrates, a free and natural lifestyle that started with antimaterialist, back-to-the-land rural retreats had evolved into a billion-dollar wellness marketplace where "Naked™" sells endless products promising natural health, sexual fulfillment, organic food, and hip authenticity. Free and Natural provides an in-depth account of how our bodies have become tethered so closely to modern ideas about nature and identity and yet have been consistently subjected to the excesses of capitalism.
