

# Sexual Morality In The Worlds Religion Edward Geoffrey Parrinder

The British National  
Bibliography - Arthur James  
Wells 1996

**Books In Print 2004-2005** -  
Bowker Editorial Staff 2004

**Our Human Herds: The  
Theory of Dual Morality  
(Second Edition,  
Unabridged)** - Stephen Martin  
Fritz 2019-05-14

Let us imagine that somewhere  
in present day South America a  
nation exists as the United  
States was constituted in 1789.  
George Washington is its  
president and Thomas  
Jefferson its secretary of state.  
It is a nation that allows only  
white males to vote, and its  
president, cabinet officials, and  
many of its citizens own slaves.  
If the America of 1789 existed

right now, what would we think  
of it? Would it be right to  
invade it in order to liberate its  
people? Would we consider a  
complete embargo of it, until it  
changed its ways? Would it be  
a pariah among nations? Or  
would we recognize and  
cooperate with it, declaring its  
president and secretary of  
state political geniuses? Maybe  
we would just do nothing and  
trust that in 100 or so years it  
will straighten itself out? What  
would be the correct way to  
think of such a nation and its  
leaders? Three hundred years  
ago, if a woman was raped and  
became pregnant we'd kill the  
rapist and spare the baby.  
Today, we spare the rapist and  
kill the baby. One hundred  
years ago only heterosexual  
marriages were legal. Today

political leaders around the 1980

world are celebrating gay relationships. How and why does our moral outlook change in such matters? By the time you are done reading this book, you will have concrete answers to these questions and many more. "This is a learned, thoroughly researched study - and dazzlingly bright. The effervescent approach to writing makes its pages fly by ... Studies as brilliant as this one deserve a far wider audience. An engrossing and mind-expanding examination of morality" ~Kirkus Reviews

**King Trends and the Future of Public Policy** - H.

Compston 2006-07-28

This study presents, for the first time, a synoptic picture of the future directions in which public policy in EU countries is likely to move based on using contemporary theories of policy-making to deduce the implications for public policy of major long-term technological, economic, environmental and social trends.

**Ethics** - Salem Press 1994

The first set (and a dandy one)

in Magill's new Ready

Reference series of sets, this

three-volume work contains

819 alphabetically arranged

articles ranging in length from

250 to 3,000 words and

covering a wide variety of

ethics-related topics. Unlike

most other encyclopedias of

ethics, this set includes many

articles which deal with

applied ethics, addressing such

areas of ethical inquiry as

animal rights, bioethics,

environmental ethics, political

and judicial ethics, the ethics of

science and computing, civil

and human rights, military

ethics, the ethics of sex and

gender, and the ethics of art

and censorship. In the more

## **Sexual Morality In The Worlds Religion Edward Geoffrey**

**Parrinder**

traditional areas of religious and philosophical ethics, it redresses the privileging of the Judeo-Christian tradition in the West by the inclusion of topics taken from the religions and cultures of India, East Asia, and other non-Western areas of the globe. Annotation copyright by Book News, Inc., Portland, OR

### **Library of Congress**

**Catalogs** - Library of Congress  
1977

### **Policy Networks and Policy Change** - H. Compston

2009-09-30

This study applies policy network theory to major technological, economic, environmental and social trends to generate propositions about the future of public policy. Among the findings are that we should expect more business-friendly policies, more intrusive law enforcement, more women-friendly policies, and stronger climate policies.

Straight - Hanne Blank

2012-01-31

It's surprising that the term "heterosexuality" is less than

150 years old and that heterosexuality's history has never before been written, given how obsessed we are with it. In *Straight*, independent scholar Hanne Blank delves deep into the contemporary psyche as well as the historical record to chronicle the realm of heterosexual relations--a subject that is anything but straight and narrow. Consider how Catholic monasticism, the reading of novels, the abolition of slavery, leisure time, divorce, and constipation of the bowels have all at some time been labeled enemies of the heterosexual state. With an extensive historical scope and plenty of juicy details and examples, *Straight* provides a fascinating look at the vagaries, schisms, and contradictions of what has so often been perceived as an irreducible fact of nature.

**Monographic Series** - Library of Congress

**Sexual Morality** - Edward Geoffrey Parrinder 1996

## **Sexual Morality In The Worlds Religion Edward Geoffrey**

**Buddhist Studies Review - 2001** and exhaustive study. **Parrinder**

**Sessualità, religioni e sette** -  
Giorgio Nadali 1999

**Sexual Morality in the  
World's Religions** - Geoffrey  
Parrinder 1996

A unique exploration of sex and religion, covering a wide range of issues from marriage and celibacy, passion and love, to veiling, mystical union, and symbolism.

*Islam and Gender Justice* - V. A.  
Mohamad Ashrof 2005

A solemn attempt to rediscover the Qurnic basis of gender equality, determining the status of women in Islam, to recapture the spirit of quranic revelation further to reconstruct Islamic theology from an egalitarian perspectives. A comprehensive

*In Search of Muhammad* -

Clinton Bennett 1998-01-01

This study explores different understandings of the Prophet to understand why his name, memory, and example are universally revered by Muslims.

**Invitation to the Sociology  
of Religion** - Phil Zuckerman  
2010-10-18

This book intends to serve as a conversational, colorful, engaging, and provocative introduction to the sociology of religion for undergraduates. Written in lively prose, this volume aims to introduce students to the major themes, problems and goals of the sociological study of religion while also summoning the sense of wonder and curiosity for the enterprise itself.
