

Sexuality Partnership And Marriage From Spiritual Perspective

Validating Committed Partnerships - Jim Bowden
2012-12

Although written from a biblical/Christian perspective this book's theme has practical value for everyone. It presents a new relational paradigm supported by love, justice, mutuality, and other spiritual qualities. The author believes scripture teaches that all human beings are created to live in fulfilling relationships even those who are homosexual. People of faith, family, & community are urged to support same gender couples by validating their committed partnership; however, nearly 50% of American citizens and church members do not support legalizing same gender

marriage. This historical perspective on marriage reveals marriage has experienced considerable positive change and practice during the past 75 years and needs to be redefined. Until the 20th century procreation (be fruitful and multiply) was marriage's major purpose. While procreation remains important, mutuality has become the major emphasis. As written in Genesis 2:18 (NRSV), God sought a partner for the man. In many marriages partnership has replaced patriarchy, providing an enriching relational experience in family life. The author presents a new relational paradigm which includes both heterosexual and homosexual couples seeking a lifelong

Sexuality Partnership And Marriage From Spiritual Perspective

committed relationship.

Marriage of male and female and the union of same gender couples will share the title, partnership safeguarded by the same legal standards. For male and female, their title will be a marital partnership; for same gender couples their title will be a same gender partnership.

Love and Its Meaning in the World - Rudolf Steiner

1998-06

Although Steiner did not often speak or write about love explicitly, love is at the very heart of his whole body of work and the foundation of his hopes for humankind and the Earth. Steiner teaches that, without love, nothing is possible; with love, however, we can do everything. Love is always "love of the not-yet." To love is to create; it is to selflessly enter the current of time that flows toward us from the future. Reality, true knowledge of reality, is impossible without love. Only through love can we truly know as we are known, can we encounter the world and its beings in a living way. Without love, knowledge becomes

manipulation, domination, control; the world becomes a space of dead things. But, when we know through love, we enter into a pattern of dynamic, potentially redemptive relations and the world becomes a living world of beings working for the good. This collection gathers all of Rudolf Steiner's main lectures and writings related to love. From earthly love to the nature and function of spiritual love, these pieces are essential reading for anyone concerned with the future of humanity and the Earth. Love and Its Meaning in the World is essential reading for anyone who'd like to gain a deeper understanding of our true mission as human beings and the purpose of evolution on Earth. Chapters include: "The Division of the Sexes" "Lucifer and Christ" "The Mission of Reverence" "The Buddha's Teaching of Compassion and Love" "Faith, Love, and Hope" "Love & Its Meaning in the World" "I'-Feeling, the Soul's Capacity to Love, and Their Relationship to the Elemental

Sexuality Partnership And Marriage From Spiritual Perspective

World" Love mediated by the senses is the wellspring of creative power, of what is coming into being. Without sense-born love, nothing material would exist in the world; without spiritual love, nothing spiritual can arise in evolution. When we practice love, cultivate love, creative forces pour into the world.... For human beings, love is the most important fruit of experience in the sensory world. Once we really understand the nature of love, or compassion, we will find that love is the way spirit expresses its truth in the world of the senses.... "We may even say that, in love, the spiritual world awakens in the physical. The more truly a soul inhabits the spiritual worlds, the more it experiences lovelessness and lack of compassion as a denial of spirit itself." --Rudolf Steiner
Art of Relationship - Ronald J. Reynolds 2007-02-16
Art of Relationship: The New Perspective transforms traditional marriage. This book reveals how to enhance your relationship by turning it into a

Spiritual Partnership. An inner sense of well-being awaits everyone willing to practice conscious awareness in a relationship. This book shares insights from five decades of marriage and reveals the struggles, discoveries, and lessons learned in a life shared in trust and truth. Come walk with us into your own awakening as you recognize that the events of your life unfold perfectly for the growth of your soul. There is a blessing in every aspect of every relationship you'll ever have especially the ones that trouble you the most.
Christian Perspectives on Sexuality and Gender - Elizabeth Stuart 1996
Christian Perspectives on Sexuality and Gender is a collection of important, challenging and creative articles. Originally published separately in different journals they are offered here for the first time to a wider audience. The writers represent a variety of Christian (and one non-Christian) responses to issues such as: sexuality and the

Sexuality Partnership And Marriage From Spiritual Perspective

Christian tradition; sexuality and gender; power and relation; marriage; sexuality and spirituality; love; gay and lesbian sexuality; the body; sexuality and love; sexuality and violence; sexuality and singleness and the family. Christian Perspectives on Sexuality and Gender will prove a vital and invaluable resource to scholars, students and all those interested in Christianity's attempts to wrestle with issues of sexuality and gender.

Wanting to Be Loved - Neroli Duffy 2018-07-01

To love and be loved is central to life. Yet all around us, we see people looking for love and not finding it—often settling for something less. One reason is that love is not just about attraction and feelings—as powerful as these can be. There is a spiritual dimension that is even more important, yet often overlooked or not understood. *Wanting to Be Loved* provides a higher perspective on the quest for love. Here are just a few of the keys you will find in this

inspiring book: - How to recognize a twin flame or soul mate - How to avoid wrong relationships - How to attract the right partner in life - Marriage as an initiation on the spiritual path - How to deal with karma in relationships - Understanding sex as a Sacred Energy eXchange Explore the mystery and beauty of love in all its dimensions, and find the love you are looking for.

The Oxford Handbook of Psychology and Spirituality -

Lisa J. Miller 2013-11

Postmaterial spiritual psychology posits that consciousness can contribute to the unfolding of material events and that the human brain can detect broad, non-material communications. In this regard, this emerging field of postmaterial psychology marks a stark departure from psychology's traditional assumptions about materialism, making this text particularly attractive to the current generation of students in psychology and related health and wellness disciplines. The Oxford Handbook of

Sexuality Partnership And Marriage From Spiritual Perspective

Psychology and Spirituality codifies the leading empirical evidence in the support and application of postmaterial psychological science. Sections in this volume include: - personality and social psychology factors and implications - spiritual development and culture - spiritual dialogue, prayer, and intention in Western mental health - Eastern traditions and psychology - physical health and spirituality - positive psychology - scientific advances and applications related to spiritual psychology With chapters from leading scholars in psychology, medicine, physics, and biology, The Oxford Handbook of Psychology and Spirituality is an interdisciplinary reference for a rapidly emerging approach to contemporary science. This overarching work provides both a foundation and a roadmap for what is truly a new ideological age.

From Pillar to Post - D.F. Les Pierre-Luke 2008-07-10

'From Pillar To Post' takes a look at the restlessness of

humans in vulnerable situations, especially in intimate relationships that become very traumatic. 'From Pillar To Post' takes the reader through the lives of two very close friends, Donna and David, their individual relationships with their current married, lifelong partners, their continuous affection for each other and eventually their lasting bond between them. Sometimes we 'move on' or 'change' what we think is the best way for our lives and end up worse off than before. We mentally and in some instances, actually create a plan with specific activities that are supposed to fix the many so-called problems we encounter. We never stop to breathe, feel the presence of the Divine or even think things through before acting on our impulses, letting go of the emotions that are so often present with the given situation. Outside influences tested Donna and David's affection for each other, which unfolded a series of events that devastated them, only to

Sexuality Partnership And Marriage From Spiritual Perspective

realize that they needed to breathe, think and feel the presence of the 'Divine' working within them to achieve their goal. Something they totally neglected. We tend to always look for better when sometimes best is what we already have. Who's to say that we already have the best? Everything we don't have always seems greener on the other side. But is it really? The most tragic of all is when we are in a relationship and the pressure is on. We ask ourselves many questions and answer them ourselves especially when we are hot-tempered. Actually, these are the times we ought not to, but we do anyway. Relationships are fragile connections of emotions, chemistry, passion, intellect, stimulation, eroticism, and attitude and to a large extent lust. Of course this is strictly from a secular perspective. When we explore our hearts truthfully we will find that there are lots more to it. Relationships though intangible have many tangible aspects that should be

exercised for proper natural development. From a spiritual perspective, relationships are much more important and should be guarded closely as the key to understanding ourselves first, then our neighbor and most importantly the Divine. This fragile connection doesn't really exist since an understanding between two persons has been established and therefore will grow and develop into a stronger bond. 'From Pillar To Post' is basically about relationships and the events that unfold surrounding the individuals involved. It deals with abuse, rape, dishonesty, distrust, adultery and many more unpleasant incidents that are possible in failing relationships. It is the recollection of broken marriages and the repercussions of the people associated with Donna and David as it was revealed to me in eleven weeks and a day. The story unfolds during an eleven-week period. Donna wants to end a marriage of abuse, a marriage from a man who

Sexuality Partnership And Marriage From Spiritual Perspective

constantly raped her. He was of the opinion that husbands cannot rape their wives because they are supposed to be submissive. He says, in accordance with the Bible, they are supposed to honor their husbands. Donna was initially willing to have sex with her husband because she believes in "to keep him, do him!" but it all backfires when one day, soon after he had sex with her, he wanted to have her again. His adrenalin was on and she was all worn out. He, nevertheless, took her again in addition to bugging her leaving her not only physically disfigured but a psychologically scar as well. That day was enough to end the abuses that plagued her married life and she immediately decided to call her best and closest friend David to get her out of it. She eventually divorced her husband David, willing to make the best of his marriage was shocked when he caught his beautiful and very powerful wife having sexual intercourse with another woman. His life came toppling down as he saw

the deceit and unnecessary lies that were laid

Love, Sex, & Marriage -
Barrington O. Burrell
2013-04-09

This is a valuable book on the topical subjects of love, sex and marriage, from a practical Christian perspective. The author uses clear, understandable language to point out the God-given purpose of sex in marriage, and some of the potential dangers of sexual abuse. He explores the early beginnings of newborn babies and their subsequent growth over the years to puberty and adolescence. 'Teenagers are like strangers in a foreign country. They are experiencing a difficult period of transition between childhood and adulthood. At this crucial stage of their development, young people have a keen interest in fashion, music and sex. Many are sexually active, and some begin to think about marriage and family life, although they often confuse love with lust, and they are not mature enough to assume the

Sexuality Partnership And Marriage From Spiritual Perspective

responsibility of parenthood.'

Transforming People and Organizations

- Margarete van den Brink 2004

Individuals, groups, and organizations find themselves in a process of continual change, transformation, and growth. The author suggests that all people--whether as individuals or in groups--experience the same archetypal process of development, which consists of seven steps. Using practical examples, she describes how to recognize these steps, or phases, in individuals, in relationships and groups, and even in commercial and voluntary organizations. Knowledge of the various steps provides clarity and vision and helps us prepare for the sorts of challenges and rewards. In addition to the outer aspects of these processes, there is also an inner aspect. The author shows that the process of growth through the seven phases is essentially a process of spiritual development. Spirit manifests in human beings and determines the meaning and

direction of our lives, providing motivation for change and direction. These impulses also work in groups and organizations, and understanding them gives us greater insight. Van den Brink's approach offers a refreshing, new, and dynamic way forward in contrast to the rationalistic methods of most mainstream consultants and personal development.

Real Questions, Real Answers about Sex - Melissa McBurney 2009-05-26

Answers to real-life, nitty-gritty private questions Christians are asking about sex. Louis and Melissa McBurney offer frank, humorous, sensitive, and biblically grounded answers to the thousands of sex questions readers have sent to the editors of Marriage Partnership, a publication of Christianity Today International. The authors deal with sensitive issues that need to be talked about, but within a solid spiritual, psychological, and therapeutic context. This book is perfect for newlyweds, newlyweds of 25 years, or for

Sexuality Partnership And Marriage From Spiritual Perspective

parents to give their engaged son or daughter who is soon to be married. The McBurney's give frank, honest answers to real, honest questions that many Christians have always wanted to ask, but were too embarrassed or afraid. The author's authentic, unblushing, yet thoroughly Christian perspective is presented in a two-column format. Their humor, husband-wife dialogue, and to-the-point answers provide an ideal reference for all the stages of married sex.

Just Sex - Guy Brandon
2012-12-17

People today are hopelessly confused about sex. On the one hand, it is meant to be something special. On the other, it is casually dismissed as trivial - merely or 'just' sex. Sex has also become a big issue for Christians. Faced with a barrage of messages from a sexually permissive environment and lacking a clear rationale for biblical teaching, many Christians are unsure of what they think. This book encourages us to consider whether the impact of our

sexual relationships on others around us is fair, or just. With conviction and pastoral sensitivity, Guy Brandon explains the strength and integrity of the Christian worldview of sex. In doing so, he also addresses the inconsistency and inadequacy of the prevailing idea that consent alone is enough to sanction a sexual relationship.

Demonstrating the damage created by this approach he offers a better, more just way, which brings with it the promise of God's shalom.

The Freedom of Sexual Love (Complete and Unabridged) - Joseph Bird 1967

"This is a love story. It is the story of sexual love, the love of man and woman united in the mystery of a sacrament which joins them in one flesh." On this compelling note, Joseph and Lois Bird begin a detailed and sympathetic treatment of the Christian concept of sexuality in marriage. The authors examine--candidly and explicitly--the physical, psychological, and spiritual dimension of the marital union

Sexuality Partnership And Marriage From Spiritual Perspective

as well as the responsibilities of marriage. A mature, comprehensive guide to the subject of human sexuality, *The Freedom of Sexual Love* covers all aspects of love-making with wholesomeness and reverence. The authors emphasize the inseparability of spirit and flesh in Christian marriage, stressing the involvement of the total personality. Thus, they consider fully the psychological and spiritual meaning found in sexual relations and the nature of man and woman as they interact as husband and wife. Throughout the book the authors stress that sexuality permeates every aspect of the human relationship in marriage and there is a need for the marriage partners to understand this fully. Drawing upon the countless experiences of the many couples they have counseled, and especially upon their own marriage, the authors have succeeded in portraying the marital union as a commitment in love. *The Freedom of Sexual Love* is an invaluable reading experience for anyone married, about to be

married, or contemplating the sacrament of marriage.

Sex for Christians - Lewis B. Smedes 1976

"Considered one of the definitive statements on sex and sexuality from a Christian perspective, *Sex for Christians* offers frank yet compassionate discussion that is at once refreshingly open-minded and strongly biblical." "Broad-ranging and direct, the book begins with a theological overview of human sexuality - its created goodness, its sinful distortion, and its redeemed potential. Lewis Smedes then treats specific sexual issues for single and married persons, presenting plain-spoken yet responsible perspectives on such things as erotic fantasies, petting, and adultery. This revised edition also features an extensive new introduction by Smedes that brings his original work to bear on pressing issues today - AIDS and talk of "safe sex," cohabitation, homosexuality, and the need to develop Christian strategies regarding sex." "Following two decades of social development

Sexuality Partnership And Marriage From Spiritual Perspective

since this book first appeared, Smedes now presents an even clearer statement of the Bible's moral standards regarding our sexuality. His attempt to present "a Christian perspective for a truly human sexual life" results in a sexual morality that, within a biblical perspective, is as liberating as it is limiting."--BOOK

Sexuality, Religion and the Sacred - Loraine Hutchins
2018-10-24

Sexuality, Religion and the Sacred is a thoughtful collection of bisexual, polysexual and pansexual scholarship on religion and spirituality. It examines how religious and spiritual traditions address sexuality, whilst also exploring the ways in which bisexually-, polysexually-, and pansexually-active people embrace religious and spiritual practice. The volume offers a comprehensive analysis of these prevalent themes by

focusing on five main areas of discussion: Christian and Unitarian Discourses; Indigenous and Decolonizing Spiritual Discourses; Feminist Spiritual Discourses; Buddhist Discourses; and Neo/Pagan Discourses. *Sexuality, Religion and the Sacred* offers an accessible yet scholarly treatment of these topics through a collection of critical essays by academics of theology, humanities, cultural studies and social sciences, as well as sexology professionals and clergy from various faith and spiritual traditions. It gives readers an insight into the intersection of sexualities and spiritualities, and attempts to disrupt this very dichotomy through its careful consideration of a wide variety of discourses. This book was originally published as a special issue of the *Journal of Bisexuality*.

The Esoteric Path of Marriage - Maha Brown 2015-11-11

"The best guidance there is for learning to walk the spiritual path in relationship!"

Venerable Lama Ngwang

Sexuality Partnership And Marriage From Spiritual Perspective

Rigzdin "Reading the book is an awakening process that will make one evolve and be free." "The book will catapult readers to an extended perspective and expanded state of unity." "A Wonderful Book for couples and individuals on the path of spiritual awakening!" "An incredibly heart-melting read!" "The authors give in-depth knowledge about the destructive emotions and behavior that can restrict love." "This book will take one on a liberating path of spiritual enlightenment and it is helpful in healing physical, emotional, mental and spiritual wounds." "It is a great book for those contemplating marriage, as well as for those who feel their marriage has hit a proverbial wall" "A must read for anyone interested in a deep and soulful union!" "A genuine and refreshing perspective!" "The book will definitely help in changing readers' relationships with their partners if they are married and, if not married, will help them in choosing the right partner." "The book is a gem with many facets! Each

part is a meditation in itself!" The Esoteric Path of Marriage is the Enlightened relationship book for the New Paradigm. It is comprised of practical guidance, universal truths, insights, stories and spiritual practices to help lead marriage to its highest purpose: a relationship that heals mental, emotional, sexual and spiritual wounds and guides the partnership to the ultimate freedom, union with the true Self. Whether this is your first exploration of the inner-Self or you have long been on an inward journey; this book will transform you and your relationship with your partner. Single? It will open up your ability to have more conscious, new paradigm, Enlightened relationships in the future.

The Meaning Of Sex -
Christopher Doyle, MA LPC
LCPC 2018-03-20

In the midst of a culture where sex and gender issues are rampant, two common viewpoints exist.

Unfortunately, they are both extreme. While there is an effort in the church to minister

Sexuality Partnership And Marriage From Spiritual Perspective

to the sexually broken, many places of worship have adopted a strict ethic that leads to a fear-based attitude towards those struggling with sexuality and gender identity. This has caused strugglers to feel alienated and wounded from the church. On the other hand, secular culture has adopted the sexual liberation message: "If it feels good, do it." Sadly, this idea has permeated the hearts and minds of too many Christians. As a result, issues such as homosexuality, gender identity confusion, and sex outside of marriage have become battlegrounds of division among the Body of Christ. With all of this discord, how do we find the true meaning of sex? In *The Meaning of Sex: A New Christian Ethos*, Christopher Doyle offers a compassionate and bold philosophy on how to love thy neighbor within the confines set forth by our Savior, who holds us when we struggle, loves us when we fall, and celebrates with us when we experience victory. When we collectively pursue the

wholeness Jesus calls us to, the sexual ethics that bind us becomes a higher ethos that unites us. Only then, as we bare our souls to each other and become vulnerable with our own unique wounds, can we meet our struggling brothers and sisters where they are and journey towards emotional wholeness and spiritual maturity. "The Meaning of Sex: A New Christian Ethos is a masterful synthesis of Christian theology and the social sciences that has the potential to radically transform our culture in positive ways." ~ Michelle A. Cretella, M.D. (President, American College of Pediatricians) "Christopher Doyle effectively challenges cultural constructs that have led Christians away from the questions that we need to be asking, connecting the dots between a biblical narrative of sexuality and what is revealed in nature and through scientific inquiry." ~ Professor Carolyn Pela, Ph.D., LMFT (Chair, Department of Behavioral and Social Sciences, Arizona

Sexuality Partnership And Marriage From Spiritual Perspective

Christian University)

Living in Love and Faith -

Bishops of the Church of
England 2020-11-09

Issues of gender and sexuality are intrinsic to people's experience: their sense of identity, their lives and the loving relationships that shape and sustain them. The life and mission of the Church of England - and of the worldwide Anglican Communion - are affected by the deep, and sometimes painful, disagreements about these matters, divisions brought into sharper focus because of society's changing perspectives and practices, especially in relation to LGBTI+ people. Living in Love and Faith sets out to inspire people to think more deeply both about what it means to be human, and to live in love and faith with one another. It tackles the tough questions and the divisions among Christians about what it means to be holy in a society in which understandings and practices of gender, sexuality and marriage continue to change. Commissioned and led

by the Bishops of the Church of England, the Living in Love and Faith project has involved many people across the Church and beyond, bringing together a great diversity and depth of expertise, conviction and experience to explore these matters by studying what the Bible, theology, history and the social and biological sciences have to say. Amid the biblical, theological, historical and scientific exploration, each part includes Encounters with real, contemporary disciples of Christ whose stories raise questions which ask us to discern where God is active in human lives. The book ends with an appeal from the Bishops to join them in a period of discernment and decision-making following the publication of Living in Love and Faith. The Living in Love and Faith book is accompanied by a range of free digital resources including films, podcasts and an online library, together with Living in Love and Faith: The Course, a 5-session course which is designed to help local groups

Sexuality Partnership And Marriage From Spiritual Perspective

engage with the resources, also published by Church House Publishing.

Marriage, Family and Relationships - Thomas A. Noble 2017-06-15

Family life has undergone revolutionary changes in Western society in the last sixty years, posing both theological and ethical challenges for the contemporary church. This book responds with wide-ranging essays on sexuality, marriage, family life, singleness, same-sex relationships, violence against women, anthropology, gender and culture. These chapters are essential reading for anyone concerned with Christian teaching on marriage and the family. They balance a clear loyalty to the church's historic and biblical teaching with a recognition that all doctrine is contextualized. There is a growing gap between the ethics of many Christians and those of wider society. So Christians have to be counter-cultural. But the church also has to be self-critical, differentiating between

biblical revelation and cultural development. And it must know how to present unchanging Christian convictions to a constantly changing society. The contributors are Andy Angel, Daniel Block, Rosalind Clarke, Barry Danylak, Andrew Goddard, Stephen Holmes, David Instone Brewer, A. T. B. McGowan, Nicholas Moore, Onesimus Ngundu, Oliver O'Donovan, Ian Paul, Andrew Sloane, Katy Smith, Elaine Storkey and Sarah Whittle. Contents Introduction Thomas A. Noble, Sarah K. Whittle and Philip S. Johnston Part 1: Biblical perspectives 1. The patricentric vision of family in the book of Deuteronomy Daniel Block 2. Ordered relationships in Leviticus Katy Smith 3. Jack and Judith Balswick
investigate how human
sexuality originates both
biologically and socially, lay
groundwork for a normative
Christian interpretation of
sexuality, show how authentic
sexuality is necessarily
grounded in relationships, and
explore forms of "inauthentic
sexuality" such as sexual
harassment, pornography and
rape.

**Sexuality, Partnership and
Marriage** - Wolfgang Gädeke
1998

Sexuality, partnership, and
marriage present us with some
of the most difficult life
challenges and questions of our
time. With social attitudes in
constant flux, some of these
questions seem almost
unanswerable. What is a
healthy relationship? What is
the role a partner--whether
male or female? What is the
place of sexuality in a
relationship? Are marriage and
monogamy still relevant in the

Sexuality Partnership And Marriage From Spiritual Perspective

twenty-first century? In this invaluable collection of accessible interviews and lectures, the author deals with these and many other questions with refreshing candor. Having gained much knowledge from his many years of work as a priest, marriage counselor, and studies of Anthroposophy, Gädeke's approach is full of spiritual insight, as well as frank, practical, and down to earth. Some of the themes discussed are overcoming blocks to communication; finding one's essential self within a marriage; the role of children

in a relationship; sexuality and children; perversions; the role of counseling; relationships and monogamy; the concept of marriage and its spiritual repercussions; biological and soul differences; and, the fundamental sexual polarity of man and woman. C O N T E N T S Foreword PART ONE: INTERVIEWS 1. Sexuality--the Divided Curtain 2. Partnership--Does Lifelong Monogamy Make Sense? 3. Dealing with Problems--before It's Too Late PART TWO: LECTURES 1. Man and Woman--"The Little Difference" 2. The Sacrament of Marriage in The Christian Community
