The Secret History of Wonder Woman Jill Lepore 2014-12-04 A riveting work of historical detection, revealing that the origins of one of the world's most iconic Superheroes hides within it a fascinating family story — and a crucial history of twentieth-century feminism. Wonder Woman, created in 1941, is the most popular female superhero of all time. Aside from Superman and Batman, no superhero has lasted as long or commanded so vast and wildly passionate a following. Like every other superhero, Wonder Woman has a secret identity. Unlike every other superhero, she also has a secret history. Harvard historian and New Yorker staff writer Jill Lepore has uncovered an astonishing trove of documents, including the never-before-seen private papers of William Moulton Marston, Wonder Woman's creator. Beginning in his undergraduate years at Harvard, Marston was influenced by early suffragists and feminists, starting with Emmeline Pankhurst, who was banned from speaking on campus in 1911, when Marston was a freshman. In the 1920s, Marston and his wife, Sadie Elizabeth Holloway, brought into their home Olive Byrne, the niece of Margaret Sanger, one of the most influential feminists of the twentieth century. The Marston family story is a tale of drama, intrigue, and irony. In the 1930s, Marston and

Byrne wrote a regular column for Family Circle celebrating conventional family life, even as they themselves pursued lives of extraordinary nonconformity. Marston, internationally known as an expert on truth — he invented the lie detector test — lived a life of secrets, only to spill them on the pages of Wonder Woman. The Secret History of Wonder Woman is a tour de force of intellectual and cultural history. Wonder Woman, Lepore argues, is the missing link in the history of the struggle for women's rights — a chain of events that begins with the women's suffrage campaigns of the early 1900s and ends with the troubled place of feminism a century later. PRAISE FOR JILL LEPORE 'Few historians handle weirdness as deftly or thoughtfully as Lepore ... [Her] brilliance lies in knowing what to do with the material she has. In her hands, the Wonder Woman story unpacks not only a new cultural history of feminism, but a theory of history as well.' The New York Times Book Review 'Ms Lepore's lively, surprising and occasionally salacious history is far more than the story of a comic strip. The author, a professor of history at Harvard, places Wonder Woman squarely in the story of women's rights in America — a cycle of rights won, lost and endlessly fought for again ... Her superb narrative brings that history vividly into the present, weaving individual lives into the sweeping changes of the century.' The Wall Street Journal

Sing Over Me Dennis Jernigan 2014 ABOUT SING OVER ME by Dennis Jernigan: Since 1988, I've been publicly sharing the story of how I walked out of a perceived homosexual identity. Why? Because I remember being a boy wondering if freedom was possible. The church didn't have answers. The world didn't have answers. The gay community just tried to make me give up and accept this as my innate identity. Yet, something deep inside of me kept knocking at the door of my heart saying, "There must be more. This cannot be your ultimate destiny and identity." When God met me with the Truth of the transforming power of Jesus Christ, and I began what I call my incredible journey, I began to realize that I'd been lied to by the world and the philosophies of man. After seven years of freedom under my belt, the Lord asked me to begin publicly sharing my story because there were others out there who felt the same as I felt--that there must be more. This book is for those who want to experience God in an intimate, life-changing way, regardless of whether or not they've ever struggled with unwanted same-sex attraction. This is my story, yet really it's the story of redemption found in knowing Jesus Christ intimately. --Dennis Jernigan If you have read *Gay Girl, Good God: The Story of Who I Was, and Who God Has Always Been* by Jackie Hill Perry, or *God and the Gay Christian: The Biblical Case in Support of Same-Sex Relationships* by Matthew Vines, or *UnClobber: Rethinking Our Misuse of the Bible on Homosexuality* by Colby Martin--you will want to read *Sing Over Me* by Dennis Jernigan. **** ABOUT DENNIS JERNIGAN: You may know the music of Dennis Jernigan before you know his name. Having penned songs that are sung in churches and worship gatherings over the entire world like "You Are My All in All," "Thank You," "Who Can Satisfy My Soul (There is a Fountain)," "I Belong to Jesus," "We Will Worship the Lamb of Glory," and many others, Dennis Jernigan is a worship leader, song receiver, and author, but more importantly, he is a husband and father. Married for thirty years to Melinda, they have nine children and make their home in Muskogee, Oklahoma, where they are now welcoming grandchildren! Having been walking in freedom from his former homosexual identity since November 7, 1981, Jernigan takes great joy in sharing the grace and love of God with any who desire freedom in their own lives. Known for his worship songs and ability to lead people into a

deeper, freeing awareness of Father's love in their lives, Dennis spends a great deal of time encouraging others to embrace their true identity in Christ.
