[A Girl & Her Guard Dog 1](#) - Hatsuharu

After years of being avoided by her schoolmates because of her family ties, Isaku is finally ready to make her high-school debut, live a normal life, and maybe even find love...until loyal family servant and Isaku's dedicated guardian, 26-year-old Keiya, enters high school right alongside her and vows to protect her from all of the above! Now she's got a chain-smoking, pistol-wielding knight-in-shining(?) armor to deal with, and navigating high school besides? What's

a young lady to do?!

Gangster Moll - Bethany-Kris 2020-07-16

As a newly Made Capo in the Pivetti Crime Family, all eyes are on James "Mac" Maccari, and not for a particularly good reason. The way to his new position in the family was paved with blood, and that left some all too suspicious of where—or who—he might be going after next. Mac isn't interested in playing to the politics of other Made men or Cosa Nostra. His only goal is to keep his promise and be waiting for his gun moll when she's finally released from prison. Until all hell breaks loose ... again. Fresh off her six month sentence, Melina Morgan is all too ready to get back to life, and Mac. The mafia life has been one learning curve after another, but

with Mac at her side, there's nothing that they can throw at her that she can't handle. Even with a ring on her finger, and a new last name to go with it, Melina won't be domesticated. But with a man like Mac, he wasn't exactly looking for that kind of a woman, anyway. Sometimes, wedding bells bring bloodstains ... When directed attacks start to happen, taking the lives of some of the highest Made men in the Pivetti family, distrust and unrest begins to breed throughout the ranks. Someone is making a move on the boss's seat, and it seems far too easy to put the blame at Mac's feet when every single attack is somehow connected to him. All over again, Mac and Melina find they're fighting an uphill battle to keep each other safe and survive. But this time, they might not be fighting alone ...

from Theresa: a son. The stalemate sickens her. Never mind that Sandro has yet to introduce Theresa to the large family that means so much to him. Or that Theresa overhears her husband on the phone with a mystery woman. Most damning is that Theresa senses, in Sandro's treatment of her, the behind-the-scenes machinations of Jackson Noble, her cruel father. Alpha (noun): 1) Having the highest rank in a dominance hierarchy 2) The most powerful man in a group 3) Liam Black He was a stranger to me, a dark and dangerous presence who materialized from the shadows one rainy night to save me from a vicious attack. I didn't know his name or where he was from. All I knew was that the only place I'd ever felt safe was in his arms. But safety is an illusion. And not every savior is a hero. And-as I'd soon find out-having an alpha save your life comes with a price. Liam Black wanted something from me in return.

The Sweetest Oblivion - Danielle Lori 2018-06-20
She's a romantic at heart, living in the most unromantic of worlds . . . Nicknamed Sweet Abelli for her docile nature, Elena smiles on cue and has a charming response for everything. She's the favored daughter, the perfect mafia principessa . . . or was. Now, all she can see in the mirror's reflection is blood staining her hands like crimson paint. They say first impressions are everything . . . In the murky

waters of New York's underworld, Elena's sister is arranged to marry Nicolas Russo. A Made Man, a boss, a cheat-even measured against mafia standards. His reputation stretches far and wide and is darker than his black suits and ties. After his and Elena's first encounter ends with an accidental glare on her part, she realizes he's just as rude as he is handsome. She doesn't like the man or anything he stands for, though that doesn't stop her heart from pattering like rain against glass when he's near, nor the shiver that ghosts down her spine at the sound of his voice. And he's always near. Telling her what to do. Making her feel hotter than any future brother-in-law should. Elena may be the Sweet Abelli on the outside, but she's beginning to learn she has a taste for the darkness, for rough hands, cigarettes, and whiskey-colored eyes. Having already escaped one scandal, however, she can hardly afford to be swept up in another. Besides, even if he were hers, everyone knows you don't fall in love with a Made Man . . . right?

She's Yours For The Taking - Michael Pilinski 2010-04

She's Yours For The Taking: A Man's Guide to the Seduction and Sexual Enchantment of Women goes beyond the juvenile notion of just "picking up women". It's a complete Dating and Mating Handbook that a man can refer to at every step along the way to seduction: from how to first engage a woman in a manner that makes an intriguing impression on her... to guiding her straight into his arms by feeding her the proper romantic signals that she craves at every step along the way. And it's all done with paint-by-numbers ease! To begin, SYFT presents a very low-pressure cold-meeting move called Pull Tabbing. This easy-going, casual socializing

technique will equip you with a solid plan of social action that can be stored away in your head all ready to spring into action. It's especially effective for making hay with those sudden "gotcha" chances to meet women that happen when you least expect them... at the mall, in school or even out on the street. Pull Tabbing shows you how to flirt in an appropriate and friendly manner that can capture a woman's immediate interest -- and without having to hang your Ego out to dry in the process! Pulling a phone number will seem like a natural extension of the flirt, rather than an awkward intrusion into her life. Then you'll learn about the Three Date Master Seduction: Action, Connection and Romantic-style get togethers that appeal to her deepest romantic instincts like a lock-and-key. Understanding this correct approach to her heart can quickly forge that elusive bond of "chemistry" that is often lacking on first dates that fizzle. She's Yours then completes the journey in the bedroom with a galaxy of erotic

moves that are designed to send her straight into orgasmic orbit... while turning YOU into her favorite new addiction! No matter what your current level of social or romantic skill, SYFT will show you how to take it to the next level and turn any girl that you've got your eye on into the girl of your dreams.

Cruel Paradise - J. T. Geissinger 2020-09-29

Anti-hero (noun): 1) A powerful and charismatic man lacking moral character 2) A magnificent bastard 3) Killian Black You don't know me. You think you do, but you don't. The only thing you know is my name, and even that's a lie. I'm king of Boston, lord of criminals, ruler of an underworld empire. Or am I? Only one thing's for sure: I operate alone. Until I cross paths with a brazen little thief who sets my whole kingdom on fire. Just as two wrongs don't make a right, two villains don't belong together. Especially since she's the daughter of my most deadly enemy. Taking her would start a war. Keeping her would be suicide. Making her mine would break every

code of honor and defy all common sense. Then again, where's the fun in following the rules?

The Incredible Rise of a Gorbals Gangster - Colin MACFARLANE 2019-10-24

Johnny McGrath, 21, was the leader of the notorious Glasgow razor gang The Gorbals Cumbie. He feared no-one, but was feared by many. This book follows his trials and tribulations as he led his gang into open warfare against other Glasgow gangs like the Tongs. Apart from fighting, he was not only recognised to be a bit of a street icon but a sex symbol with the young ladies. We follow his incredible rise from a wild street boy to a top notch gangster. This novel is based on a conglomeration of Gorbals characters, many of whom are no longer with us, but some are. The gang's battle cry was "Cumbie ya bass!" and struck terror into the hearts of many of those who heard it. This is a true life novel with violence, sex, Glaswegian humour, and madness on every page. It is probably the best novel about Glasgow gangs.

Daughter of the King - Sandra Lansky

2014-03-04

Sandi Lansky Lombardo grew up the only daughter of mob boss Meyer Lansky. Raised in upper-class Jewish splendor, first at the Majestic Hotel and then at the Beresford, at finishing schools and fancy stables, Sandi was the wild child of the late 40's, the 50's, and the early 60's. She was the Paris Hilton of her day, partying till dawn at El Morocco and the Stork Club, dating the biggest celebrities of the era. Her life was not without heartbreak and tragedy, including the insanity of her mother, and the crippling

handicap of her baby brother - not to mention his drug addiction. Sandi was privy to her father's secrets as well as his unexpected tenderness. She always stuck closely to the strict code of omerta. In *Daughter of the King*, Sandi teams up with Nick Pileggi (author of the seminal *Wiseguy*, perhaps the best-selling mob book ever) and multiple time New York Times Bestselling writer Bill Stadiem. Nick has made a career in books and films chronicling the mob, and Bill has emerged as a master of recreating the glamour and romance of the golden era of American culture with bestsellers like *Mr. S* and *George Hamilton's Don't Mind if I Do*.
