Abuse - Steven Levenkron

2008-05-17

"The most practical, down to earth, thoughtful, and sensitive book written on women's childhood sexual abuse."—Samuel C. Klagsbrun, MD From the psychotherapist who offered groundbreaking work on self-mutilation (Cutting) comes a landmark examination of the psychology of sexual abuse. Stolen Tomorrows encourages the 20 percent of women who have been abused to think about, talk about, and seek help for what has been their secret shame. In addition to giving therapists and other helpers an empathic insight, Stolen Tomorrows will enable the survivor to recognize herself in both her personal history and her current struggle to overcome the legacy of abuse.

Adverse Childhood Experiences and Their Life-Long Impact - Ami Rokach

2023-08-08

Adverse Childhood Experiences and Their Life-Long Impact explores how these experiences

~~influence cognitive, behavioral~~ and social experiences in adulthood. The book conceptualizes the types of violence, abuse, neglect, and/or trauma that factor into ACEs. It also explores the psychopathological outcomes of ACEs among children, including neurodevelopmental and psychosocial mechanisms. By drawing on cross-cultural perspectives, the authors provide insight into the variations between the adversity and trauma children experience. Sections also cover preventive measures, risk factors and various forms of interventional treatment, making this book a core read for psychologists, physicians, social workers, educators and researchers in the field. Provides a comprehensive framework for understanding adverse childhood experiences Reviews the link between ACE and homelessness, substance abuse, and physical and/or sexual violence in adulthood Highlights key components of cross-cultural perceptions on child abuse and neglect,

Surviving and Moving On - Kim
McGregor 2014-01-21

This book is essential reading
for any survivor of child sexual
abuse, female or male. Many
survivors of sexual abuse have
not always been believed or
supported through their
developmental years. They
have had to cope on their own,
dealing with the aftermath of
the abuse in whatever ways
they could. This book offers
ideas and techniques for
understanding and healing
which adult survivors in
particular may find useful. It
tends to be written with women
in mind, but much of the
information and many of the
exercises may be useful for
male survivors as well. This
book will also be useful for the
partners, families and friends
giving support and
encouragement to survivors
who are healing themselves
from the effects of abuse. Many
survivors want those around

Childhood Sexual Abuse

them to understand what

they've survived and its effects
on their life. Part 1 provides
information about child sexual
abuse - what it is, why children
remain silent about it, some of
the effects abuse can have on a
survivor's life and how these
can be minimised, and who the
offenders are. Part 2 is for
survivors, helping them to
understand and to cope with
their unique experience of
child sexual abuse. Part 3 is
specifically for supporters and
caregivers of survivors.

this book explores stories of
childhood sexual abuse,
'recovered memories' and
multiple personalities, and
explodes the myths
surrounding women who,
without memories, redefine
themselves as victims.

God, Your God, Will Restore

Everything You Lost!

Marilyn Elaine Lundberg

2017-05-04

In this author's second book, she details her personal "Roadmap to Healing" that she discovered in order to overcome chronic depression, PTSD, agoraphobia, anxiety, night terrors, obsessive worrying, fibromyalgia, TMJ plus more! So much devastation was heaped on her as a child due to the selfish act of sexual abuse, but her life has been transformed and she wants to share what she has learned to help you heal. You too can be restored and made whole again. Let her lay out the pathway of the spiritual journey that she was shown, so that you can be healed and restored too! Her first book is entitled Identifying and Healing Childhood Sexual Abuse. It has helped people all over the world to move past their trauma into freedom and inner peace. These two book are for all people who are experiencing any sort of emotional pain. Her books not only help the person that was

Childhood Sexual Abuse

~~abused but also their family~~

members to understand the depth of pain their loved one is experiencing. Did you know that there are 99 different after-effects of childhood sexual abuse. Did you also know that 1 out of 3 girls and 1 out of 5 boys are sexually abused by the time they are 18 years old. What an outrage, this has to stop! Never assume that the trials and tribulations that you suffer from today will be with you tomorrow!

Miracles ARE happening today and there is one waiting for you right now. Read how she was set free from decades of pain and you can be too! These two books will help you to walk away from the emotional baggage that you carry, and also help you find your own personal peace, joy and everlasting freedom.

*Handbook on Sensitive
Practice for Health Care
Practitioners* - Candice
Schachter 2008

This handbook is designed to help health care practitioners address the needs of adult survivors of childhood sexual abuse. It provides background information about childhood sexual abuse and illustrates how childhood sexual abuse can adversely affect health care encounters with all types of health care providers. The principles and guidelines of Sensitive Practice presented in the Handbook are the product of dialogue between survivors and health care practitioners, and outline comprehensive, practical suggestions that all health care practitioners can incorporate into their clinical practice.

Happy Healthy You - KJ Landis
2017-08-15

The successful life coach and author of Superior Self offers concrete, easy-to-follow

health and happiness into your life. With our hectic modern lives, it's easy to feel drained and worn down. But when we stop to consider what's tapping our energy most, we discover that old habits, unconscious patterns, and past experiences are dragging us down and blocking our self-growth. In *Happy Healthy You*, life coach KJ Landis helps identify how, why, and where we get ourselves stuck, and how we can utilize the drama and trauma of the past as a springboard to becoming our most authentic, vibrant selves. We all face a lot of stress in our day to day lives. Over time, those stressors can build into a major obstacle, causing us to retreat into survival mode. And when you're only surviving, you're not thriving. KJ Landis knows the story all too well—because she lived it herself. Now, she provides the playbook for tackling the blockages in our lives and moving beyond them to a life of happiness and health. In this book you will learn: • The root

Stolen Tomorrows Understanding And Treating Womens

Childhood Sexual Abuse

of what keeps us “stuck” in our lives • How to use the Negative Thought Pot to rid ourselves of self-deprecating beliefs • How hormones and epigenetics affect mental and physical wellness • The role of nutrition in our day-to-day health • Therapeutic movement as a mode of healing • The power of self-care through restorative practices • And much, much more!

~~The Devil, the Lovers, & Me -~~

Kimberlee Auerbach 2007

The author describes her survival of an abusive relationship, her mother's mid-life sexual proclivities, and the interference of friends and her father during a promising new romance, challenges that prompted her visit to an atypical tarot card reader.
