Everything's naughtier after dark. Meet the Wilds, four sinfully sexy billionaires who'll burn up the sheets, stealing hearts one leading lady at a time. If raw emotions, cursing, dirty-talk, or intense, passionate sex that sometimes includes a silk tie, turn you off, then the After Dark books are not for you. **\*NO CLIFFHANGERS\*** BOXED SET CONTAINS: Four (4) novella-length steamy love stories featuring alpha male heroes and sexy, empowered women. Please note that the

follow-on series, BAD BOYS AFTER DARK are all full-length novels. WILD BOYS AFTER DARK: LOGAN (Book 1) WILD BOYS AFTER DARK: HEATH (Book 2) WILD BOYS AFTER DARK: JACKSON (Book 3) WILD BOYS AFTER DARK: COOPER (Book 4) LOGAN: Navy SEAL vet turned private investigator Logan Wild has a thirst for justice — and one-time flings. But when he meets Stella “Stormy” Knight, he finds himself craving more from the mysterious beauty... Stella “Stormy” Knight is an expert at hiding—her feelings, her past, and her identity. Sometimes all that hiding takes its toll, and she needs to come out from under that heavy suit of

armor and cut loose—but it never takes her long to put it right back on and disappear without a trace. Navy SEAL vet turned private investigator Logan Wild is relentless in his pursuit to discover the truth for his clients. He works hard, plays even harder, and always walks away unscathed and untethered. Until he meets mysterious and sexy-as-hell Stormy, who leaves him craving more than a one-night stand. Passion ignites, secrets are shared, and their deep connection is impossible to ignore. But in order to have a future, Logan must uncover Stormy's dark past—and when he does, he'll hold her fate in his hands. HEATH No last names. No strings. No ties. Except of the silk variety. Dr. Heath Wild and Allyson Jenner only wanted a simple tryst. But Heath couldn't live with just one night, just one taste, of Ally—and Ally couldn't escape the memory of his hands on her skin, the way he looked at her like she was his obsession, or his seduction, which had pushed her to the edge and had made her want

to do things she never had before. One night leads to one tantalizing phone call. Can one phone call lead to forever? JACKSON Receiving a marriage proposal is supposed to make a woman happy, but when Erica Lane receives a beautiful marriage proposal from her perfect boyfriend on the eve of her annual camping trip with her best friend, Jackson Wild, the first thing she does is jump into bed with Jackson. Jackson's all too happy to screw the annoyance out of Erica. After all, they've always screwed the hell out of each other when they were bored or angry, lonely, or too damn drunk to see straight. But the marriage proposal changes everything, and their annual camping trip takes unexpected turns. Will a few nights in the wilderness set these friends with benefits free, or lead them on a path of destruction? COOPER Four years ago at a film festival, Cici Fine met Cooper Wild, a man who turned her world upside down in the span of one deliciously perfect week. He was everything she'd ever

dreamed of: sinfully sexy, intelligent, and incredibly loving. When the festival ended, they returned to their own hometowns with promises of forever. But Cooper disappeared, and Cici was left to raise the daughter he never knew about alone. Cooper is finally thinking straight after years of being lost in grief from the tragedy that killed his father and left his mother blind. Now he's on a mission to find the woman he left behind—the only woman he's ever loved. But Cici Fine is no longer a naive young girl. She's a savvy businesswoman with big responsibilities, on the cusp of a life-changing move. When fate brings the two together, they'll put the old adage to the test and find out if love really can conquer all. This book has been rewritten as **LOVERS AT HEART, REIMAGINED**, now available on this retailer. In **LOVERS AT HEART...** Billionaire Treat Braden is used to getting what he wants. When Max Armstrong walked into his life six months earlier, he saw right through the efficient and capable façade she wore like a shield, to the sweet, sensual woman who lay beneath. She sparked an unfamiliar desire in him for more than a one-night stand, leaving his heart reeling and his blood boiling. But one mistake caused her to turn away, and now, after six months of longing for the one woman he cannot have, he's going home to try to forget her all together. Max Armstrong has a successful career, a comfortable lifestyle, and she's never needed a man to help her find her way--until Treat Braden caught her attention at a wedding in Nassau, causing a surge of emotions too reminiscent of the painful past she'd spent years

trying to forget. Max will do anything to avoid reliving that pain--including forgoing her toe-curling, heart-pounding desire for Treat. When a chance encounter turns into a night of intense passion, Treat realizes that the mistake he made six months earlier may cause him to lose Max completely. He will do everything within his power to win her heart forever--and Max is forced to face her hurtful past head on for the man she cannot help but love. Paletto runs a volunteer program in Belize for Artists for International Aid, where she deals with self-centered artists who use the program as a means to repair their marred reputations. She loves the country, the people, and what AIA stands for, but too many diva volunteers have turned her off to press-seeking celebrities altogether and left her questioning the value of the volunteer program. When she meets incredibly handsome and charming Sage, he stirs emotions she hasn't felt for ages, even though he represents the things she despises. Laid-back artist Sage Remington escapes his wealthy lifestyle in the Big Apple for a two-week journey of self-discovery to figure out how a guy who has so much can feel so empty. When he meets ultra-organized Kate, who lives her life the way he's always dreamed of living his, the attraction is too hot to ignore, but Sage is there to figure out what's missing in his life, not to find a woman. Every look, and every late-night chat in the romantic jungle brings them closer

Awards - Romance Sizzle Category Love hot cowboys? Rex Braden is wealthy, hard working, and fiercely loyal. Sweat at his brow, he works the family ranch by day, then kicks back at night with part time lovers who require nothing more than his physical presence a few times each week. But that was before. Before Jade Johnson, the daughter of the man his father has been feuding with for over forty years, moves back into town. After ditching a horrific relationship--and her veterinary practice in the process--Jade Johnson returns to the safety of her small hometown and finally finds her footing. That is...until her horse is injured and Rex Braden comes to her rescue. The last thing she needs is a bull-headed, too-handsome-for-his-own-good Braden complicating her life. Despite the angry family history, sparks fly between Rex and Jade, and attitudes follow. Fifteen years of stifled, forbidden love stirs a surge of passion too strong for either to deny--and the rebel in each of them rears its powerful head. Loyalties are tested, and

have you begging to enter their circle of friends. IN SEASIDE LOVERS After months of long-distance communication, actress Parker Collins and artist Grayson Lacroux finally plan to reconnect in the seaside town of Wellfleet, Massachusetts. But Parker never shows, and weeks pass without a word, leaving Grayson to believe he's misinterpreted their budding relationship. Parker has been running on autopilot ever since she lost her friend, mentor, and the only family she's ever known, Bert Stein. Armed with junk food, tequila, and her big, lovable dog, she's prepared to hole up and mourn—and determined to mend a fence Bert had never been able to with his estranged and bitter brother. But Parker didn't count on the sinfully hot artist she's been fantasizing about for nearly a year walking in on her grief-induced drunken night. When Grayson stumbles across Parker, he has no idea what to make of the gorgeous blonde who blew him off despite the heat sizzling between them. But that doesn't

stop him from feeling protective of the woman who's consumed his thoughts for months, and when he learns of Parker's plans to confront an angry old man, he refuses to leave her side. As Parker's past unfolds, they're led on an unexpected journey of discovery. Their connection deepens, and late-night fantasies become passionate realities, until good intentions spark painful secrets, threatening the love they've found.
