**Lured into Love** - Melanie Martins 2021-02-14

"It's a nasty kind of love. The kind you can't escape from even if you want to." Petra should've known better. But her heart has always been beaten for the one man that she can't have: her beloved godfather, Alexander Van Dieren. And despite the firm disapproval from her mother, the rising politician and activist, Tess Hagen, Petra is determined to take her life into her own hands and fight for him, no matter the price. But she can only do so if Alexander will go just as far for her. So after waking up from her coma, she asked him one question. He gave her one answer. And from there, nothing will ever be the same... This book is for mature audiences.

**Tapping Into Love** - Monica McCallan  
2019-11-11

Lucy Parsons wants absolutely nothing to do with the Westmoore family or the maple syrup they produce. When Sierra Westmoore blows back into town after her father's death and tries to rent a room at Lucy's family's bed-and-breakfast, The Maple Inn, Lucy kicks her out on the spot. It doesn't matter that Sierra hasn't set foot in Maple Run in fifteen years-the Westmoores are not allowed. But small towns don't leave a lot of room to hide, and Sierra and her brother, Drake, have set their sights on improving the town's opinion of them now that their father is gone. Lucy doesn't believe any Westmoore could have good intentions, and although she may have to play nice with Sierra, it doesn't mean she's going to like it.

*SEVENTEEN LIFE DECISIONS TO TAP INTO GOD'S UNLIMITED PROVISION* - Chris Chimwayange 2011-11-15

SEVENTEEN LIFE DECISIONS Unlocking God's unlimited provision through applying principles in His Word is the subject of this book. There is a part one plays in every miracle. Continuously thinking the same and hoping that things will change for the better creates mere illusions of grandeur. Unfortunately, many people wait for God to do the things they should be doing in order for them to tap into His unlimited favor. The book purposes that God's favor awaits those whose minds have been renewed through aligning their decisions and actions with principles in His Word. Decisions create opportunity and favor. The principles of God are constant and will work for anyone who is obedient to follow them. Even great motivation speakers and business leaders of our generation have relied heavily on these Biblical principles to ignite innate ability and unknown strength in individuals to act purposefully and decisively. You too can change the course of your life through thinking and decisions that align with the Word of God. You are seventeen decisions away from your provision.

**Love Theoretically** - Ali Hazelwood 2023-06-13

From the author of TikTok sensations and global bestsellers The Love Hypothesis and Love on the Brain Rival physicists collide in a vortex of academic feuds and fake dating shenanigans in this delightfully STEM-inist romcom. The many lives of theoretical physicist Elsie Hannaway

have finally caught up with her. By day, she's an adjunct professor, toiling away at grading labs and teaching thermodynamics in the hopes of landing tenure. By other day, Elsie makes up for her non-existent paycheck by offering her services as a fake girlfriend, tapping into her expertly honed people-pleasing skills to embody whichever version of herself the client needs. Honestly, it's a pretty sweet gig - until her carefully constructed Elsie-verse comes crashing down. Because Jack Smith, the annoyingly attractive and arrogant older brother of her favourite client, turns out to be the cold-hearted experimental physicist who ruined her mentor's career and undermined the reputation of theorists everywhere. And he's the same Jack Smith who rules over the physics department at MIT, standing right between Elsie and her dream job. Elsie is prepared for an all-out war of scholarly sabotage but... those long, penetrating looks? Not having to be anything other than her true self when she's with him? Will falling into an experimentalist's orbit finally tempt her to put her most guarded theories on love into practice? Praise for Ali Hazelwood and her novels: 'Ali Hazelwood proves that science is sexy as hell, and that love can 'STEM' from the most unlikely places. She's my newest must-buy author.' Jodi Picoult 'I cannot get enough of her brand of brainy romance! Writing with an emotionally brilliant and witty pen, Hazelwood is an absolute romance powerhouse.' Christina Lauren, author of The Unhoneymooners 'Gloriously nerdy and sexy, with on-point commentary about women in STEM.' Helen Hoang, author of The Heart Principle 'Proves that STEM can be sexy!' Red Readers love The Love Hypothesis: 'Did I read this in 24 hours? Yes.' 'Funny. Snarky. Intelligent. Real.' 'If you're even slightly thinking about getting this book to read, just go a head and do it' 'Ali Hazelwood has made herself an auto-buy author' 'It was just... perfect.' 'A heroine you will instantly fall in love with' The Love Hypothesis was on the Sunday Times and New York Times bestseller lists in January 2022, Love on the Brain was also on the Sunday Times and New York Times bestseller list in August 2022.
