**New York Magazine - 1986-04-21**

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

*Midnight in the Garden of Good and Evil - John Berendt 1994-01-13*

NATIONAL BESTSELLER • A modern classic of true crime, set in a most beguiling Southern city: "Elegant and wicked . . . might be the first true-crime book that makes the reader want to book a bed and breakfast for an extended weekend at the scene of the crime."—The New York Times Book Review Shots rang out in Savannah's grandest mansion in the misty, early morning hours of May 2, 1981. Was it murder or self-defense? For nearly a decade, the shooting and its aftermath reverberated throughout this hauntingly beautiful city of moss-hung oaks and shaded squares. In this sharply observed, suspenseful, and witty narrative, John Berendt skillfully interweaves a hugely entertaining first-person account of life in this isolated remnant of the Old South with the unpredictable twists and turns of a landmark murder case. It is a spellbinding story peopled by a gallery of remarkable characters: the

well-bred society ladies of the Married Woman's Card Club; the turbulent young gigolo; the hapless recluse who owns a bottle of poison so powerful it could kill every man, woman, and child in Savannah; the aging and profane Southern belle who is the "soul of pampered self-absorption"; the uproariously funny drag queen; the acerbic and arrogant antiques dealer; the sweet-talking, piano-playing con artist; young people dancing the minuet at the black debutante ball; and Minerva, the voodoo priestess who works her magic in the graveyard at midnight. These and other Savannahians act as a Greek chorus, with Berendt revealing the alliances, hostilities, and intrigues that thrive in a town where everyone knows everyone else. Brilliantly conceived and masterfully written, *Midnight in the Garden of Good and Evil* is a sublime and seductive reading experience.

**The Literary Review - 2007**

*Los Angeles Magazine - 2003-11*

Los Angeles magazine is a regional magazine of national stature. Our combination of award-winning feature writing, investigative reporting, service journalism, and design covers the people, lifestyle, culture, entertainment, fashion, art and architecture, and news that define Southern California. Started in the spring of 1961, Los Angeles magazine has been addressing the needs and interests of our region for 48 years. The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely

Southern Californian.

*In Sunlight and in Shadow* - Mark Helprin 2012

Returning home after serving in World War II to run his family business in New York, paratrooper Harry Copeland falls in love with young singer and heiress Catherine Thomas Hale, who risks everything to break off her engagement to another man. By the author of *Winter's Tale*. (This book was previously listed in *Forecast*.) 100,000 first printing.

**The Strange Fate of Kitty Easton** - Elizabeth Speller 2012

Struggling with trauma in the years following World War I, veteran Lawrence Bartram arrives in the village of Easton Deadall and is embroiled in a dangerous case involving a murdered woman who may be linked to the disappearance of a child years earlier. 20,000 first printing.

Atlanta - 2003-05

Atlanta magazine's editorial mission is to engage our community through provocative writing, authoritative reporting, and superlative design that illuminate the people, the issues, the trends, and the events that define our city. The magazine informs, challenges, and entertains our readers each month while helping them make intelligent choices, not only about what they do and where they go, but what they think about matters of importance to the community and the region. Atlanta magazine's editorial mission is to engage our community through provocative writing, authoritative reporting, and superlative design that illuminate the people, the issues, the trends, and the events that define our city. The magazine informs, challenges, and entertains our readers each month while helping them make intelligent choices, not only about what they do and where they go, but what they think about matters of importance to the community and the region.

*The Sunlight On The Garden* - Elizabeth Speller 2012-02-02

In 1880, Ada Curtis bore Gerald Howard the first of several illegitimate children. Ada was a housemaid, the daughter of a Lincolnshire butcher. Gerald was her employer and the son of a once-grand family now obsessed with its own threadbare nobility. They thereby sent their descendants tumbling chaotically into the twentieth century. More than a century later, inspired by the stories, reinventions and half-truths in her

family's past, Elizabeth Speller - Gerald and Ada's great-granddaughter - set out to trace the criss-crossing lines of their history, and, as she recovered from a mental breakdown, she began to wonder if that history offered any explanation of what had happened in her own life. The search brings vividly to life the passions and hopes of four generations, amid tales of wealth inherited and lost, eccentricity, sexual indiscretion and madness. Ultimately, this book will remain in the memory as a beautifully realised sequence of portraits of mothers and daughters.

Gardens of the Sun - Paul McAuley 2009-11-05

The Quiet War is over. The city states of the moons of Jupiter and Saturn have fallen to the Three Powers Alliance of Greater Brazil, the European Union and the Pacific Community. A century of enlightenment, rational utopianism and exploration of new ways of being human has fallen dark. Outers are herded into prison camps and forced to collaborate in the systematic plundering of their great archives of scientific and technical knowledge, while Earth's forces loot their cities, settlements and ships, and plan a final solution to the 'Outer problem'. But Earth's victory is fragile, and riven by vicious internal politics. While seeking out and trying to anatomise the strange gardens abandoned in place by Avernus, the Outers' greatest genius, the gene wizard Sri Hong-Owen is embroiled in the plots and counterplots of the family that employs her. The diplomat Loc Ifrahim soon discovers that profiting from victory isn't as easy as he thought. And in Greater Brazil, the Outers' democratic traditions have infected a population eager to escape the tyranny of the great families who rule them. After a conflict fought to contain the expansionist, posthuman ambitions of the Outers, the future is as uncertain as ever. Only one thing is clear. No one can escape the consequences of war - especially the victors.

**The Return of Captain John Emmett** - Elizabeth Speller 2011-07-05

A man investigates the deaths of his fellow veterans in this "haunting and beautifully written" novel of post-World War I England (C. S. Harris, author of the *Sebastian St. Cyr Mysteries*). London, 1920. In the aftermath of the Great War and a devastating family tragedy, Laurence Bartram has turned his back on the world. But with a well-timed letter,

an old flame manages to draw him back in. Mary Emmett's brother, John—like Laurence, an officer during the war—has apparently killed himself while in the care of a remote veterans' hospital, and Mary needs to know why. Aided by his friend—a dauntless gentleman with detective skills cadged from mystery novels—Laurence begins asking difficult questions. What connects a group of war poets, a bitter feud within John's regiment, and a hidden love affair? Was his friend's death really a suicide, or the missing piece in a puzzling series of murders? As veterans tied to John continue to turn up dead, and Laurence is forced to face the darkest corners of his own war experiences, his own survival may depend on uncovering the truth. At once a compelling mystery and an elegant literary debut, *The Return of Captain John Emmett* blends psychological depth with suspenseful storytelling that calls to mind the golden age of British crime fiction, "full of jolting revelations and quiet insights" (*The Wall Street Journal*). "A captivating wartime whodunit." —*The Boston Globe*

*The Times Index* - 2006

Indexes the Times, Sunday times and magazine, Times literary supplement, Times educational supplement, Times educational supplement Scotland, and the Times higher education supplement.

**Athens** - Elizabeth Speller 2006

Designed for the independent traveller wanting to discover the city on foot

*The Spectator* - 2006

*At Break of Day* - Elizabeth Speller 2013-11-07

In the summer of 1913, the world seems full of possibility for four very different young men. Young Jean-Baptiste dreams of the day he'll leave his Picardy home and row down-river to the sea. Earnest and hard-working Frank has come to London to take up an apprenticeship in Regent Street. His ambitions are self-improvement, a wife and, above all, a bicycle. Organ scholar Benedict is anxious yet enthralled by the sensations of his synaesthesia. He is uncertain both about God and the nature of his friendship with the brilliant and mercurial Theo. Harry has

turned his back on his wealthy English family, has a thriving business in New York and a beautiful American wife. But his nationality is still British. Three years later, on the first of July 1916, their lives have been taken in entirely unexpected directions. Now in uniform they are waiting for dawn on the battlefield of the Somme. The generals tell them that victory will soon be theirs but the men are accompanied by regrets, fears and secrets as they move towards the line.

**The Strange Fate of Kitty Easton** - Elizabeth Speller 2012-06-26

"Combines a Ruth Rendell-like psychological realism, an Agatha Christie-like plot and a Dickensian feel for life's roulette . . . Pulse-pounding" (*The Wall Street Journal*). When Great War veteran Laurence Bartram arrives in Easton Deadall, he is struck by the beauty of the crumbling manor, the venerable church, and the memorial to the village's soldiers. But despite this idyllic setting, Easton Deadall remains haunted by tragedy. In 1911, five-year-old Kitty Easton disappeared from her bed and has not been seen since. While Laurence is visiting, a young maid vanishes in a sinister echo of Kitty's disappearance. And when a body is discovered in the manor's ancient church, Laurence is drawn into the grounds' forgotten places, where deadly secrets lie in wait. "Speller's follow-up to her acclaimed debut, *The Return of Captain John Emmett*, is a well-crafted mystery with intriguing historical details and measured pacing that creates suspense. Fans of Jacqueline Winspear's *Maisie Dobbs* series and readers who enjoy well-drawn characters in historicals will add this to their wish list." —*Library Journal* "Leisurely and absorbing . . . a series to be savoured." —*The Guardian*

*The British National Bibliography* - Arthur James Wells 2006

*Brain on Fire* - Susannah Cahalan 2012-11-13

NOW A MAJOR MOTION PICTURE STARRING CHLOË GRACE MORETZ  
A "captivating" (*The New York Times Book Review*), award-winning memoir and instant *New York Times* bestseller that goes far beyond its riveting medical mystery, *Brain on Fire* is a powerful account of one woman's struggle to recapture her identity. When twenty-four-year-old Susannah Cahalan woke up alone in a hospital room, strapped to her bed

and unable to move or speak, she had no memory of how she'd gotten there. Days earlier, she had been on the threshold of a new, adult life: at the beginning of her first serious relationship and a promising career at a major New York newspaper. Now she was labeled as violent, psychotic, a flight risk. What happened? In an "unforgettable" (Elle), "stunningly brave" (NPR), and breathtaking narrative, Susannah tells the astonishing true story of her descent into madness, her family's inspiring faith in her, and the lifesaving diagnosis that almost didn't happen. "A fascinating look at the disease that...could have cost this vibrant, vital young woman her life" (People), *Brain on Fire* is an unforgettable exploration of memory and identity, faith and love, and a profoundly compelling tale of survival and perseverance.

**Návrat kapitána Johna Emmetta** - Elizabeth Spellerová 2013-05-09

Píše se rok 1921. Tři roky po válce je svět úplně jiný, než jaký byl za vlády krále Eduarda. Laurence Bartram žije v poválečném Londýně osamělým životem. Snaží se vyrovnat se smrtí manželky a dítěte a s traumaty ze západní fronty, a tak píše knihu o dějinách londýnských kostelů. Náhle je však nucen opustit svůj klidný život a vrátit se do nejtemnějších časů války — sestra jeho bývalého spolužáka, kapitána

Johna Emmetta, ho přesvědčí, aby se pokusil zjistit, co vedlo jejího bratra k sebevraždě. Co spojuje skupinu válečných básníků a spor mezi plukovníky? Byla Emmettova smrt opravdu sebevraždou, nebo spíš chybějícím dílkem v sérii dalších podezřelých úmrtí? Laurence se snaží znovu začít žít, ale poznává, že nic není takové, jaké se zdá, a že i jeho nejbližší mají svá tajemství.

*The Sunlight on the Garden* - Elizabeth Speller 2007

In 1880, housemaid Ada Curtis bore the first of several illegitimate children from her employer, the son of a once-grand family obsessed with its own threadbare nobility. More than a century later, Elizabeth Speller?Ada's great-granddaughter?became inspired by the stories, reinventions, and half-truths in her family's past to set her own record straight. This passionate and intriguing memoir brings to life the hopes and failures of four generations of a family filled with tales of wealth inherited and lost, sexual indiscretion, and closely guarded secrets. A recurrence of madness is also uncovered?Ada Curtis went mad not long after conceiving her children, and Elizabeth herself experienced a mental breakdown?exposing a troubling thread that links together decades of an intimate but troubled family.
