

The Sacred-driven Couple A Spiritual Pilgrimage Towards Creative And Relationship Wellness

The Sacred Driven Couple Workbook Steven L. Jordan 2004-12 The Sacred-Driven Couple, is a Christian-centered approach designed to help couples who desire more from their relationships. Using the Holy Bible, the author offers spiritual tools for sharpening and enriching relationship skills. The author spells out 12 Acknowledgements that every couple pursuing sacredness in their relationship should incorporate into their everyday lives. It helps individuals to rediscover and deepen the spiritual persons inside themselves. With over four million people getting married each year in this country alone, and over half of those ending in divorce before the 7-year point, there is a need to go back basics. In this book, the author spells out The Sacred-Driven Couple's 12 Acknowledgements, basic, foundational information that will get your relationship back on course. Each couple must accept and integrate these acknowledgements into their individual lives to become a sacred-driven couple together and to reach that level of spiritual intimacy. It creatively compares the stages of the caterpillar's development into a beautiful butterfly with the stages required in each of the 12 Acknowledgements. Each chapter reveals a sacred secret, one to be shared exclusively between that couple. The author also carefully integrates his own personal relationship struggles to help those facing similar situations implement a simple, but profound, step-by-step plan to increase the vitality in all of your relationships, especially the one with God. He describes spiritual intimacy and tells you how to acquire that level of oneness in your own relationships. After reading this book and implementing the basic plan it describes, you too will say: "You are not living until you are sacred-driven!" Using the colorful illustrations of the caterpillar's development into a butterfly, the author correlates those stages with relationship development. The final goal of spiritual intimacy is reached when the couple can declare, "You are not living until you are sacred-driven!"

The Sacred-driven Couple Steven L. Jordan Sr 2004-02-01 This book is addressed to everyone who desires to evolve and transcend the limits of human potential. It reveals the laws of the universe that are well-defined in the Yogic Philosophy; laws that are exposed here in a unique, succinct fashion by Caio Miranda. Liberation through Yoga is the result of a lifetime dedicated to the research of yoga. It becomes a landmark in our lives for it refines our vision of the world, opens a portal to a broader consciousness, and delivers teachings that awaken us to a richer, fuller life. These teachings are rare jewels, and the benefits they provide are invaluable, given the depth and clarity with which the author exposes complex subjects such as the formation of the universes and solar systems, as well as the origin and constitution of Man. The writing style reflects the authenticity of the author and his pledge to the truth and to what he believes to be morally just and correct. This work is his contribution to a deeper and more extensive understanding of life and the sense of existence itself.
