

The Sexual Life Of Robinson Crusoe

Queer People - Chris Mounsey 2007

Exploring canonical and non-canonical literature, scurrilous pamphlets and court cases, music, religion and politics, consumer culture and sexual subcultures, these essays concern the lives and representations of homosexuals in the long eighteenth century
The Censor's Library - Nicole Moore 2012

The first comprehensive examination of Australian book censorship, this enlightening and enthralling discussion is based on Nicole Moore's discovery of the secret "censor's library" in the National Archives. Combining scholarship with the narrative tension of a thriller, the book exposes the scandalous history of censorship in Australia. Built and maintained to ensure the

books it held were not read--from the "Kama Sutra "to Lawrence's "Lady Chatterley's Lover "and Joyce's "Ulysses--"the censor's library was kept to negate the function of libraries: 793 boxes kept safe and intact for six decades. Through courtroom dramas and internecine bureaucracy, stolen libraries and police raids, authorial scandals and moral panics, this is a provocative account on a subject that continues to attract heated debate.

Rewriting Crusoe - Jakub Lipski 2020-09-17

Published in 1719, Defoe's Robinson Crusoe is one of those extraordinary literary works whose importance lies not only in the text itself but in its persistently lively afterlife. German author Johann Gottfried Schnabel—who in

1731 penned his own island narrative—coined the term “Robinsonade” to characterize the genre bred by this classic, and today hundreds of examples can be identified worldwide. This celebratory collection of tercentenary essays testifies to the Robinsonade’s endurance, analyzing its various literary, aesthetic, philosophical, and cultural implications in historical context. Contributors trace the Robinsonade’s roots from the eighteenth century to generic affinities in later traditions, including juvenile fiction, science fiction, and apocalyptic fiction, and finally to contemporary adaptations in film, television, theater, and popular culture. Taken together, these essays convince us that the genre’s adaptability to changing social and cultural circumstances explains its relevance to this day. Published by Bucknell University Press. Distributed worldwide by Rutgers University Press.
Robinson Crusoe - Daniel Defoe
2016-08-16

Consistently popular since its first publication in 1719, Daniel Defoe's story of human endurance in an exotic, faraway land exerts a timeless appeal. The first important English novel, «Robinson Crusoe» has taken its rightful place among the great myths of Western civilization. «The whole Anglo-Saxon spirit is in Crusoe: the manly independence; the unconscious cruelty; the persistence; the slow yet efficient intelligence; the sexual apathy; the practical, well-balanced religiousness; the calculating taciturnity.» - James Joyce.«Robinson Crusoe' is the one book that teaches all that books can teach.» - Jean-Jacques Rousseau.

[More When I Know You Better: The Life of Albert Sanguinetti, 1923-2009](#) - Stuart Wolfendale
2022-10-03

Focusing on Albert Sanguinetti from his early life to his retirement from the legal sector, including his tenures in Gibraltar, Kenya, and Hong Kong, this biography provides an in-depth view of the life of a

Downloaded from
legacy.opendemocracy.net
on 2022-03-30 by guest

prominent figure in the legal field in the late twentieth century. It is written from an objective, external viewpoint and paints a colourful and lively picture of Sanguinetti in a voice that could almost be his own. Using Sanguinetti's life experiences, the biographer touches on various historical events, including the Mau Mau revolution in Kenya and the 1957 riots in Hong Kong, and details the social and political problems of the times, such as lingering colonialism, class structure issues, and human rights violations, among others. These glimpses of history through Sanguinetti's eyes are accessible, thought-provoking, and truly representative of the man himself. Offering a well-rounded image of the eccentric subject, this book fulfils Sanguinetti's common response to questions about both his personal and professional life — "more when I know you better". It will undoubtedly be of interest to those who knew Sanguinetti as well as legal professionals, young barristers, and readers

with an interest in post-war history in Gibraltar, Kenya, and especially Hong Kong.

A Beside Odysseus - Homer and Associates

With the arguable exception of Brad Pitt's casting as Achilles, this ebook is the most perverse thing to happen to Homer in millenia. Written by Michael Gall (who also did *The Sexual Life of Robinson Crusoe*), *A Beside Odysseus* presents a revised Ulysses (of "The Thousand Shots"), and his many romps with nymphs, goddesses, thousand-holed sirens, and of course Circe. The work is also notable for an hysterical preface by Girodias himself, and some great alliterative titles, like *The Nymphomaniacal Nymph*. You have to really love Homer to write a book like this, but you'll be glad Michael Gall did.

Encyclopedia of Censorship -

Jonathon Green 2014-05-14

Articles examine the history and evolution of censorship, presented in A to Z format.

The Cambridge Companion to 'Robinson Crusoe' - John

Richetti 2018-04-26

Explores a major eighteenth-century narrative and the power of the Crusoe figure beyond the pages of the original book.

Law and the Humanities - Austin Sarat 2010

A review and analysis of existing scholarship on the different national traditions and on the various modes and subjects of law and humanities.

A Critical Companion to Stanley Kubrick - Elsa Colombani 2020-10-16

A Critical Companion to Stanley Kubrick offers a thorough and detailed study of the films of the legendary director. Labeled a recluse, a provocateur, and a perfectionist, Kubrick revolutionized filmmaking, from the use of music in film, narrative pacing and structure, to depictions of war and violence. An unparalleled visionary, his work continues to influence contemporary cinema and visual culture. This book delves into the complexities of his work and examines the wide range of topics and the multiple interpretations that

his films inspire. The eighteen chapters in this book use a wide range of methodologies and explore new trends of research in film studies, providing a series of unique and novel perspectives on all of Kubrick's thirteen feature films, from *Fear and Desire* (1953) to *Eyes Wide Shut* (1999), as well as his work on *A.I. Artificial Intelligence* (Steven Spielberg, 2001).

The Sexual Life of Robinson Crusoe - Humphrey Richardson 2013-02-07

An account that delves into what poor Crusoe must have been up to, those long years on his island. *The Sexual Life of Robinson Crusoe* is a well-written guide to onanism, bestiality, homosexuality, memory and the power of fantasy.

Beyond Belief - John Martin 2006

Biography of famous religious dissenter and author of *Robinson Crusoe*, Daniel Defoe

The Life and Strange Surprising Adventures of Robinson Crusoe of York, Mariner - Daniel Defoe 1998

'It happen'd one Day about Noon going towards my Boat, I was exceeding surpriz'd with the Print of a Man's naked Foot on the Shore, which was very plain to be seen in the Sand: I stood like one Thunder-struck ...' Robinson Crusoe (1719) is one of the most famous adventure stories ever written. The account of a sailor shipwrecked on a desert island for twenty-eight years, it is also a tale of mythic proportions, an allegory, and a spiritual autobiography.L

Eating Their Words - Kristen Guest 2001-09-06

Examines the figure of the cannibal as it relates to cultural identity in a wide range of literary and cultural texts.

Robinson Crusoe's Economic Man - Ulla Grapard 2012-04-27

In this book, economists and literary scholars examine the uses to which the Robinson Crusoe figure has been put by the economics discipline since the publication of Defoe's novel in 1719. The authors' critical readings of two centuries of texts that have made use of

Robinson Crusoe undermine the pervasive belief of mainstream economics that Robinson Crusoe is a benign representative of economic agency, and that he, like other economic agents, can be understood independently of historical and cultural specificity. The book provides a detailed account of the appearance of Robinson Crusoe in the economics literature and in a plethora of modern economics texts, in which, for example, we find Crusoe is portrayed as a schizophrenic consumer/producer trying to maximize his personal well-being. Using poststructuralist, feminist, postcolonial, Marxist and literary criticism approaches, the authors of the fourteen chapters in this volume examine and critique some of the deepest, fundamental assumptions neoclassical economics hold about human nature; the political economy of colonization; international trade; and the pervasive gendered organization of social relations. The contributors to

this volume can be seen as engaging in the emerging conversation between economists and literary scholars known as the New Economic Criticism. They offer unique perspectives on how the economy and economic thought can be read through different disciplinary lenses. Economists pay attention to rhetoric and metaphor deployed in economics, and literary scholars have found new areas to explore and understand by focusing on economic concepts and vocabulary encountered in literary texts.

Michel Tournier and the Metaphor of Fiction - Jean-Pierre Boulé 1999-01-01
Michel Tournier is a writer who explores complex philosophical questions in the guise of concrete, imagistic narratives. This comprehensive study privileges the notion of literary reference, by which the world of text is understood or experienced in metaphorical relation to the world outside of it. Metaphor, in the context of Tournier's fiction, shows how the fantastic merges with the

real to provide new perspectives on many diverse aspects of the modern world: the Crusoe myth, Nazism, the value to society of art and religion, and the nature of education. This book elucidates an aesthetic of Tournier's fiction that encompasses the writer's stated ambition to 'go beyond literature'.

Rum, Sodomy, and the Lash
- Hans Turley 1999-04
Turley (English, U. of Connecticut at Storrs) offers homoerotic readings of several works attributed to Daniel Defoe, including *A General History of the Robberies and Murders of the Most Notorious Pyrates* (1724), *The King of Pirates* (1720), and *The Life, Adventures, and Pyracies of the Famous Captain Singleton* (1720). He includes many intriguing details of pirate life gleaned from historical sources and from other 18th-century literature. Annotation copyrighted by Book News, Inc., Portland, OR
