Beyondtherocks Elinor Glyn 2007-06-15 The hours were composed mostly of dull or rebellious moments during the period of Theodora's engagement to Mr. Brown. From the very first she had thought it hard that she should have had to take this situation, instead of Sarah or Clementine, her elder step-sisters, so much nearer his age than herself. To do them justice, either of these ladies would have been glad to relieve her of the obligation to become Mrs. Brown, but Mr. Brown thought otherwise. A young and beautiful wife was what he bargained for. To enter a family composed of three girls-two of the first family, one almost thirty and a second very plain-a father with a habit of accumulating debts and obliged to live at Bruges and inexpensive foreign sea-side towns, required a strong motive; and this Josiah Brown found in the deliciously rounded, white velvet cheek of Theodora, the third daughter, to say nothing of her slender grace, the grace of a young fawn, and a pair of gentian-blue eyes that said things to people in the first glance.

Loving Myself in Order to Love You Sharon Annette Pollard 2011-08-09 Many episodes of my life made me believe that I had actually found this unique and special love, but as before, it was an illusion. This love I wished for would be a love that I had never experience before. And I often wondered..."does this love even exist? And God answered that question for me and that answer was yes. It does exist, but it must start with me. In so many cases we as women are the ones that give our love so freely, so openly, and so honestly. But in return we accept the negativity of a relationship. We accept the name calling, the abuse whether its verbal or physical by the ones we have given our all. This is not the love that God has blessed us with, but the behavior that we have accepted and think it is love. Life is a lesson learned daily. The ups and the downs of relationships that we think are based on love are only stepping stones to a better understanding about love and how it is given and how it is accepted. But, first take a look in the mirror and admire the reflection you see looking back at you. Love her, respect her, and admire her beauty, her uniqueness. She is

Brew: A Love Story Tracy Ewens 2017-09-19 If only life came with instructions. Boyd McNaughton is working on balance. He is a father, a brewmaster, and the oldest brother of four. When he's not running Foghorn Brewery with two of his brothers, his days are packed with carpools, teenage angst, and well-intentioned school moms determined to send him on the perfect blind date. After a simple argument ends with a visit to the emergency room, Boyd discovers the one thing he's been neglecting—his life. Ella Walters is working on connection. Having grown up in a less-than-affectionate family of overachievers, she moved to Petaluma for a slower pace and to escape her past. She has friends now instead of accolades, chooses chocolate croissants over super foods, and cherishes the peace that's replaced the drama. Sure, she occasionally misses the buzz of the San Francisco General Hospital ER, but Ella is learning that navigating a fuller life can be just as exciting. When Boyd's son, Mason, seeks out Dr. Ella for "advice" and Boyd stumbles all over her newly healed heart, she finds herself longing for something she never knew existed. But families are messy, and they'll both need to let go of the past if they want to find a future that's more than by the book. Below are courtesy content warnings to the best recollection. Approximately after she falls for a sensitive film geek she only knows online as “Alex.” It also just so happens that Bailey is moving to California—to the same coastal town as her online crush—and yet she is too afraid to tell Alex she’s moved to his hometown. Or that she’s landed a job where she’s being tormented daily by her coworker: smart-alecky yet irritatingly hot surfer boy Porter Roth. But what Bailey doesn’t know is that Porter isn’t just any local surfer dude. Porter Roth is Alex...approximately. Trapped in the wilderness with the boy who broke your heart isn’t an ideal situation for anyone. And in *Starry Eyes*, it was definitely not what Zorie had planned for a camping trip. Abandoned by her friends with only her ex-boyfriend Lennon for company, the two have no choice but to hash out their issues via witty jabs and insults as they try to make their way to safety. But as the duo travels deeper into California’s rugged backcountry, secrets and hidden feelings surface. Turns out the magic of the twinkling stars might be the key to getting Zorie and Lennon back together—or the last straw to tear them apart for good. Jenn Bennett’s popular hate-to-love romances are here to prove that sometimes the one person you can’t stand is actually the person of your dreams—you just might not know it yet.
