The Lifegiving Collection: The Lifegiving Home / The Lifegiving Table /

The Lifegiving Parent - Sally Clarkson 2019-01-08

This collection of lifegiving titles offers a great value and includes three

books: The Lifegiving Home by Sally and Sarah Clarkson, The Lifegiving

Table by Sally Clarkson, and The Lifegiving Parent by Clay and Sally

Clarkson. The Lifegiving Home Every day of your family's life can be as

special and important to you as it already is to God. In this unique book

designed to help your family enjoy and celebrate every month of the

year, you'll discover the secrets of a life-giving home from a mother who

created one and her daughter who was raised in it. The Lifegiving Table

In The Lifegiving Table, Sally shares her own family stories, favorite

recipes, and practical ideas to help you get closer to the people you love .

. . . and to help you grow in faith together.. The Lifegiving Parent The key

to shaping a heart begins at home as you foster a deep and thoughtful

God-infused relationship with each child. Filled with biblical insight and

classic Clarkson stories, The Lifegiving Parent will equip you with the

tools and wisdom you need to give your children much more than just a

good Christian life. You'll give them the life of Christ.

Happy Valentine's Day! - Elizabeth Ritter 2016-12-15

Valentine's Day is a holiday that celebrates love and friendship. This

book explores how one little boy prepares for and celebrates Valentine's

Day with his family and friends. Readers follow the relatable main

character as he makes cards and cupcakes at home, and shares snacks

and songs at school. This book is filled with beautiful illustrations, and

the low-level text is perfect for early readers. Children of all ages will

enjoy this Valentine's Day celebration.

Aspects of Romantic Love - Dr. George Vareekal 2022-03-28

Aspects of Romantic Love: Perceptions on Love and Marriage is a modest

attempt to express my perceptions of romantic love and related themes.

To love and to be loved are exciting aspects of a person's emotional life.

The pivotal theme of the book is love, romance, marriage and those

alliances which hamper a harmonious conjugal and family life. Romantic

love is a fascinating passion and an ecstatic experience. The very word

'romance' captures our imagination and fills our hearts with exciting

feelings. The book is not a scientific treatise on love. It only encapsulates

romantic love with all its appealing themes. My effort is to describe the

splendid experience called love exclusively through my impressions. The

book is a product of the year 2020 marred by the Covid-19 pandemic and

the terrible human exodus during the lockdown of 2020. The unexpected

global and national scenario gave ample time and opportunity for

reading, writing and reflection. Writing on a subject like romantic love

helped overcome the lethargy and the feeling of devastation during the

lockdown. It has been an exciting creative activity and a marvellous

sensation of diversion.

This Is Not a Valentine - Carter Higgins 2017-12-26

In this picture book, a girl's gift of a Valentine to a boy prompts a tale

with an enduring message of friendship. This book is not a valentine. It

doesn't have lacey edges or sugary hearts. But it is full of lucky rocks,

secret hiding spots, and gumball machine treasures. This is a book about

waiting in line and wishing for cinnamon buns. About recognizing that if

you care so much about someone not thinking you care, maybe you really

do. But wait—isn't that exactly what love is about? Maybe this book is

sort of a valentine after all. A testament to handmade, wacky, bashful,

honest love—sure to win over the hearts of all readers—this offering from

debut picture book author Carter Higgins and children's book veteran

Lucy Ruth Cummins is the perfect gift to celebrate every relationship,

from parent to child, sibling to sibling, partner to partner, crush to crush.

Praise for This Is Not a Valentine "A perfect book for kids who find the

whole Valentine's Day holiday icky and overrated." —Book Riot "A

beautiful celebration of love and how different that may look to others

celebrating Valentine's Day." —ReaderTotz "[Cummins's] cartoon cast is

a diverse one, and refreshingly, this is more about deep friendship than

romantic love; her kids are definitely just that: kids. . . . A sort of anti-

valentine for those who want to show the ones they love they care

without being all mushy (or spending any money)." —Kirkus Reviews

Love Picture Book Project - Lonely Planet Kids 2020-12-15

Introduce children to the wonderful ways love is expressed in different

cultures and countries across the globe. From gifting lunch boxes in

Japan to adorning brides with beautiful henna designs in India, writing

someone a loving poem on Sinterklaas in the Netherlands or lighting a

lantern on the Chinese New Year, Love Around The World shows the

ways family and friendship are celebrated around the world. This

colorful, 32-page book fully explores the themes of family and friendship

all around the world. With beautifully-written words by Alli Brydon and

exquisite illustrations by Wazza Pink, children will be taken on a journey to a wide variety of cultures and different ways of life. From Wales to Iran to Japan, love is, after all, a universal language. About Lonely Planet Kids: Lonely Planet Kids - an imprint of the world's leading travel authority Lonely Planet - published its first book in 2011. Over the past 45 years, Lonely Planet has grown a dedicated global community of travellers, many of whom are now sharing a passion for exploration with their children. Lonely Planet Kids educates and encourages young readers at home and in school to learn about the world with engaging books on culture, sociology, geography, nature, history, space and more. We want to inspire the next generation of global citizens and help kids and their parents to approach life in a way that makes every day an adventure. Come explore!

Valentine's Day is a special day that is celebrated in most countries around the world. It is a day to express your love for your family and friends. Kids exchange cards at school to express their friendship. Flowers are handed out to those closest to you. On this special day two siblings Aniyah and Andres decide to do something extra special for the parents they love. This is a heartwarming story about two kids who made their parents day special. Look for all of the other publications in the Mariana Books rhyming series: Book One: *The World Famous ABC Book of Rhyme* - This is our first rhyming book in our series and we hope you use this picture book and its colorful pictures and fun rhymes to teach children their ABC's in a fun way. Book Two: *The Costume Contest* - Ava and Aaron celebrate Halloween in this fun rhyming book about family and friendship. Book Three: *A Celebration of Autumn* - This is truly a celebration of everything we love about autumn. Its colorful illustrations and fun rhymes will remind you of autumn each time you open its pages. Book Four: *A Celebration of Winter* - Each time you open this rhyming book you and your child will be reminded of why they love the winter season. Its winter colors and fun rhymes will help give your child a love of reading. Book Five: *Ava and Aarons Christmas Story* - Ava and Aaron are back in this charming story about Christmas. In this story Ava and Aaron have an unexpected reuniting with someone very special in their lives. As a result, their Christmas is made perfect. Book Six: *A Valentines breakfast in bed* - This is a fun family story about two kids making their parents happy on Valentines morning. Book Seven: *If I were a dragon* - This fun rhyming book is about a child's imagination coming alive as he lays down to go to sleep. The "build your own" art activity at the end of the book is just an added bonus. Book Eight: *A Celebration of Spring* - Spring is a magical time of the year. This book and its colorful illustrations is a celebration of everything we love about the season including the melting snow, the wildlife making its triumphant return, the majestic flowers, and the fresh air.

[The Wanderer - A Tear and A Smile](#) - Ronesa Aveela 2019-12-20

Each person is a constant project: changing and adapting—sometimes for the better, sometimes for the worse. All our lives we wander to find a better place to live or a better job, to learn new skills, to make a discovery, or to invent something of value. Today, technology has removed boundaries. We can easily physically travel to different places in the world, but we can also “bounce” around the virtual space of the web, where we make acquaintances worldwide. In our travels, we build our homes, make new friends, raise our children, attend weddings, and say goodbye to friends and family, sending them to the world beyond. Even thousands of miles from where we were born and raised, we keep our customs and practice the traditions that we have been nourished with. We share them with friends who have a different cultural heritage, upbringing, and faith; and we in turn accept new ones. We must learn to respect other cultures as much as we support people in our own community. Traditions are a great way to teach children the cultural and religious history of mankind by giving them their own identity and roots. Culture is a temple for the human soul. This is what we carry with us as we wander, what we develop as we adapt to the place we choose to call our home.

Friday Focus - Steve Flores 2022-11-16

Friday Focus By: Steve M. Flores, PhD with Jenny Lacoste-Caputo Friday Focus is about connecting with the people you serve, regardless of the position you occupy. By sharing personal stories, the reader is able to identify with the author directly by understanding and connecting with the likes, dislikes, fears, questions, and understandings gleaned from a background that is portrayed in a weekly message shared with staff over the course of 104 Fridays. The author, as a career educator of thirty-eight years (from driving buses to becoming a paraprofessional, teacher's aide, coach, history teacher, assistant principal, principal, area superintendent, assistant superintendent, deputy superintendent, chief of staff and superintendent), is able to highlight the hopes and dreams that are found in everyday situations. The enlightening and positive messages give the reader the understanding that regardless of one's circumstances, the world is indeed a remarkable and magnificent place. Now more than ever, we need to all understand that our world is better when we are together. This book provides us with shared reflections that we can all understand.

First Published in 1996. A comprehensive reference guide to saints, popes, martyrs, orders, heresies, schisms and religious movements and practices, the *Dictionary of Christianity* is an alphabetically-arranged volume of essential facts about Christianity and the Christian church. It includes: accounts of the lives of theologians, philosophers, and reformers whose works influenced the development of Christianity; biblical statistics and information about the chief editions of the Bible; the lives of saints, including their feast days; and details about offices and vestments, rituals and festivals. In recent years there has been an upsurge in ecumenical movements, and increased communication between Eastern and Western Catholics and Protestants. There has also been an increase in the membership of the Eastern Church in Western countries and, with the fall of Communism in Russia, a revival of the Russian Orthodox Church. In responseto this phenomena, the *Dictionary of Christianity* covers all the main branches of the Christian church. It will be an invaluable reference for all students of religion.
