Army Girls - Tessa Dunlop 2021-11-04

Army Girls is the intimate story of the final few women who served in World War II and are still alive to tell their tale. They were female soldiers in a war Britain wanted to fight without conscripting women. It was a vain hope, by December 1941 for the first time in British history women were called up and a generation of girls came of age in khaki, serving king and country. Barbara trained to drive army-style in giant trucks and Grace swapped her servant's pinafore for battledress and a steel hat, Martha turned down officer status for action on a gun-site and Olivia won the Croix de Guerre in France. Commemorating the 80th anniversary of

conscription for women, Army Girls captures remarkable stories from the last surviving veterans who served in Britain's female army and brings to life a pivotal moment in British history. Precious memories and letters are entwined in a rich narrative that travels back in time and sheds new light on being young, female and at war. Uniquely this moving Second World War memoir is embedded in the present day. Written in the midst of a global pandemic, the parallels and paradoxes between two very different national crises are explored in a book that honours the women who fought on in extreme youth and now once more in great old age.

The Kew Gardens Girls at War - Posy Lovell

2022-04-19

Inspired by real events, a touching novel about a new class of courageous women who worked at London's historic Kew Gardens during World War II. In the face of war, gardening is their duty...When Daisy Cooper's new husband joins the RAF to fight the Battle of Britain, she's terrified she's going to lose him. So when her mother Ivy suggests she join the gardeners at Kew to keep busy, Daisy's intrigued. After all, Ivy worked at Kew during the last great war and made lifelong friends along the way. Louisa Armitage, not ready to hang up her gardening gloves just yet, and Beth Sanderson, an aspiring doctor looking to make a difference, decide to enlist as well. When tragedy strikes, the women are forced to come together to support one other during their darkest hours. But can the Kew Gardens Girls survive the horrors of war-torn London this time?

Girl at War - Sara Novic 2016-03-22

For readers of *The Tiger's Wife* and *All the Light We Cannot See* comes a powerful debut novel about a girl's coming of age—and how her sense of family, friendship, love, and belonging is profoundly shaped by war. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY BOOKPAGE, BOOKLIST, AND ELECTRIC LITERATURE • ALEX AWARD WINNER • LOS ANGELES TIMES BOOK PRIZE FINALIST • LONGLISTED FOR THE BAILEYS WOMEN'S PRIZE FOR FICTION Zagreb, 1991. Ana Jurić is a carefree ten-year-old, living with her family in a small apartment in Croatia's capital. But that year, civil war breaks out across Yugoslavia, splintering Ana's idyllic childhood. Daily life is altered by food rations and air raid drills, and soccer matches are replaced by sniper fire. Neighbors grow suspicious of one another, and Ana's sense of safety starts to fray. When the war arrives at her doorstep, Ana must find her way in a dangerous world. New York, 2001. Ana is now a college student in Manhattan. Though

she's tried to move on from her past, she can't escape her memories of war—secrets she keeps even from those closest to her. Haunted by the events that forever changed her family, Ana returns to Croatia after a decade away, hoping to make peace with the place she once called home. As she faces her ghosts, she must come to terms with her country's difficult history and the events that interrupted her childhood years before. Moving back and forth through time, *Girl at War* is an honest, generous, brilliantly written novel that illuminates how history shapes the individual. Sara Nović fearlessly shows the impact of war on one young girl—and its legacy on all of us. It's a debut by a writer who has stared into recent history to find a story that continues to resonate today. Praise for *Girl at War* “Outstanding . . . *Girl at War* performs the miracle of making the stories of broken lives in a distant country feel as large and universal as myth.”—The New York Times Book Review (Editor's Choice) “[An] old-fashioned page-turner

that will demand all of the reader's attention, happily given. A debut novel that astonishes.”—Vanity Fair “Shattering . . . The book begins with what deserves to become one of contemporary literature's more memorable opening lines. The sentences that follow are equally as lyrical as a folk lament and as taut as metal wire wrapped through an electrified fence.”—USA Today

[The Kew Gardens Girls](#) - Posy Lovell 2020-05-14
It's 1916 and England is at war. Desperate to help in whatever way they can, Ivy and Louisa enlist as gardeners at Kew, taking on the jobs of the men who have gone to fight. Under their care, the Gardens begin to flourish - but Ivy and Louisa aren't being treated fairly, and not everyone wants them there. Without women's rights, the pair begin to struggle - but can the support of the Suffragettes help their cause? And when a tragedy overseas affects the people closest to them, can the women of Kew pull together to support themselves and their

country through the darkest of times? A heartwarming historical novel about women in wartime, inspired by real life events. Readers love *The Kew Gardens Girls*: 'This was a wonderful book to read, three girls from different backgrounds work at Kew gardens while the men are away at war.' 5 stars

The War Girls - V.S. Alexander 2022-07-26

Perfect for fans of Kate Quinn, Kristin Harmel, and Pam Jenoff, this new historical fiction novel from an acclaimed author is based on true WWII stories of life in the Warsaw Ghetto during the Occupation and the women who served the Allies as agents and spies. Casting light into one of the darkest periods of World War II, this powerful book tells of two Jewish sisters- one imprisoned in Poland and the other who joins the Special Operations Executive in a daring attempt to free her family from the Nazis. It's not just a thousand miles that separates Hanna Majewski from her younger sister, Stefa. There is another gulf—between the traditional Jewish ways that

Hanna chose to leave behind in Warsaw, and her new, independent life in London. But as autumn of 1940 draws near, Germany begins a savage aerial bombing campaign in England, killing and displacing tens of thousands. Hanna, who narrowly escapes death, is recruited as a spy in an undercover operation that sends her back to her war-torn homeland. In Hanna's absence, her parents, sister, and brother have been driven from their comfortable apartment into the Warsaw Ghetto. Sealed off from the rest of the city, the Ghetto becomes a prison for nearly half a million Jews, struggling to survive amid starvation, disease, and the constant threat of deportation to Treblinka. Once a pretty and level-headed teenager, Stefa is now committed to the Jewish resistance. Together, she, Hanna, and Janka, a family friend living on the Aryan side of the city, form a trio called *The War Girls*. Against overwhelming odds and through heartbreak they will fight to rescue their loved ones, finding courage through sisterhood to keep

hope alive . . . Praise for V.S. Alexander and The Sculptress “Fans of Alena Dillon, Lucinda Riley, and Alexander’s previous work will appreciate the historical accuracy saturating every page of this moving, compassionate novel.” —Booklist

War Girls - Tochi Onyebuchi 2019-10-15

Two sisters are torn apart by war and must fight their way back to each other in a futuristic, Black Panther-inspired Nigeria. The year is 2172. Climate change and nuclear disasters have rendered much of earth unlivable. Only the lucky ones have escaped to space colonies in the sky. In a war-torn Nigeria, battles are fought using flying, deadly mechs and soldiers are outfitted with bionic limbs and artificial organs meant to protect them from the harsh, radiation-heavy climate. Across the nation, as the years-long civil war wages on, survival becomes the only way of life. Two sisters, Onyii and Ify, dream of more. Their lives have been marked by violence and political unrest. Still, they dream of peace, of hope, of a future together. And they're willing to

fight an entire war to get there. Acclaimed author, Tochi Onyebuchi, has written an immersive, action-packed, deeply personal novel perfect for fans of Nnedi Okorafor, Marie Lu, and Paolo Bacigalupi.

How the Girl Guides Won the War - Janie Hampton 2011

"A completely original history of one of the most extraordinary movements in the world - the Girl Guides - and how they helped win the war. Mention Girl Guides to any woman and the reaction will be strong. They either loved them or hated them; they were either proud to wear their uniform or refused to join. Whatever their feelings, most former Guides retain strong memories of their experiences. All too often regarded merely in terms of biscuit sales and sing-songs, hardly anybody is aware of the massive impact that the Guides had on gender equality and, more fundamentally, the outcome of the Second World War. In this eye-opening history, Janie Hampton explores how the Guides'

*Downloaded from
legacy.opendemocracy.net on 2022-04-29
by guest*

work was crucial to Britain's victory. When the Blitz broke out, the Guides knew what to do. They kept up morale in bomb shelters, demonstrating 'blitz cooking' with emergency ovens made from the bricks of bombed houses at the request of the Ministry of Food. They grew food on their company allotments and knitted for the entire country. The embodiment of the Home Front spirit, they dug shelters, provided crucial First Aid, and also assisted the millions of children who were forced to flee their city homes to safer places in the country. It is difficult to imagine what the war effort would have looked like without the Guides. Full of fond and funny anecdotes and rich social history, 'How the Guides Won the War' takes us on the journey of one of the twentieth century's most extraordinary movements." --

The Cut Out Girl - Bart van Es 2018-08-02
'Luminous, elegant, haunting, - I read it straight through' Philippe Sands, Author of East West Street The enthralling story of a man's search

for the truth about his family's past The last time Lien saw her parents was in the Hague when she was collected at the door by a stranger and taken to a city far away to be hidden from the Nazis. She was raised by her foster family as one of their own, but a falling out well after the war meant they were no longer in touch. What was her side of the story, Bart van Es - a grandson of the couple who looked after Lien - wondered? What really happened during the war, and after? So began an investigation that would consume and transform both Bart van Es's life and Lien's. Lien was now in her 80s and living in Amsterdam. Reluctantly, she agreed to meet him, and eventually they struck up a remarkable friendship. The Cut Out Girl braids together a powerful recreation of Lien's intensely harrowing childhood story with the present-day account of Bart's efforts to piece that story together. And it embraces the wider picture, too, for Holland was more cooperative in rounding up its Jews for the Nazis than any other Western

*Downloaded from
legacy.opendemocracy.net on 2022-04-29

European country; that is part of Lien's story too. This is an astonishing, moving reckoning with a young girl's struggle for survival during war. It is a story about the powerful love and challenges of foster families, and about the ways our most painful experiences - so crucial in defining us - can also be redefined. 'Remarkable, deeply moving' Penelope Lively 'An awe-inspiring account of the tragedies and triumphs within the world of the Holocaust's "hide-away" children, and of the families who sheltered them' Georgia Hunter 'A complex and uplifting tale' Kirkus

The Girls Who Stepped Out of Line - Mari K. Eder 2021-08-03

For fans of Radium Girls and history and WWII buffs, *The Girls Who Stepped Out of Line* takes you inside the lives and experiences of 15 unknown women heroes from the Greatest Generation, the women who served, fought, struggled, and made things happen during WWII—in and out of uniform, for theirs is a

legacy destined to embolden generations of women to come. The Girls Who Stepped Out of Line are the heroes of the Greatest Generation that you hardly ever hear about. These women who did extraordinary things didn't expect thanks and shied away from medals and recognition. Despite their amazing accomplishments, they've gone mostly unheralded and unrewarded. No longer. These are the women of World War II who served, fought, struggled, and made things happen—in and out of uniform. Young Hilda Eisen was captured twice by the Nazis and twice escaped, going on to fight with the Resistance in Poland. Determined to survive, she and her husband later emigrated to the U.S. where they became entrepreneurs and successful business leaders. Ola Mildred Rexroat was the only Native American woman pilot to serve with the Women's Airforce Service Pilots (WASP) in World War II. She persisted against all odds—to earn her silver wings and fly, helping train other

pilots and gunners. Ida and Louise Cook were British sisters and opera buffs who smuggled Jews out of Germany, often wearing their jewelry and furs, to help with their finances. They served as sponsors for refugees, and established temporary housing for immigrant families in London. Alice Marble was a grand-slam winning tennis star who found her own path to serve during the war—she was an editor with Wonder Woman comics, played tennis exhibitions for the troops, and undertook a dangerous undercover mission to expose Nazi theft. After the war she was instrumental in desegregating women's professional tennis. Others also stepped out of line—as cartographers, spies, combat nurses, and troop commanders. Retired U.S. Army Major General Mari K. Eder wrote this book because she knew their stories needed to be told—and the sooner the better. For theirs is a legacy destined to embolden generations of women to come.

[and happiness in the wartime women's forces - Duncan Barrett 2015-05-07](#)

The personal accounts of three young women who joined up in 1940.

Girls in Khaki - Barbara Green 2011-11-30

At the outbreak of the Second World War, Britain's manpower crisis forced them to turn to a previously untapped resource: women. For years it was thought women would be incapable of serving in uniform, but the ATS was to prove everyone wrong. Formed in 1938, the Women's Auxiliary Territorial Service was a remarkable legion of women; this is their story. They took over many roles, releasing servicemen for front-line duties. ATS members worked alongside anti-aircraft gunners as 'gunner-girls', maintained vehicles, drove supply trucks, operated as telephonists in France, re-fused live ammunition, provided logistical support in army supply depots and employed specialist skills from Bletchley to General Eisenhower's headquarters in Reims. They were even among the last

military personnel to be evacuated from Dunkirk. They grasped their new-found opportunities for education, higher wages, skilled employment and a different future from the domestic role of their mothers. They earned the respect and admiration of their male counterparts and carved out a new future for women in Britain. They showed great skill and courage, with famous members including the young Princess Elizabeth (now about to celebrate her Diamond Jubilee as Britain's Queen) and Mary Churchill, Sir Winston's daughter. *Girls in Khaki* reveals their extraordinary achievements, romances, heartbreaks and determination through their own words and never-before published photographs.

War Stories for Boys - Chris Priestley 2009

A collection of three exciting Second World War stories in a satisfyingly chunky flexibound format. Includes the stories of the Battle of Britain - when the RAF fought the Luftwaffe for

control of the skies above the English Channel; the decisive battle at Alamein, where the British 'Eighth Army' destroyed the German forces in Egypt; and the story of D-Day and the Allied invasion of France, when 130,000 men landed on the Normandy beaches under enemy fire.

Girls at War and Other Stories - Chinua Achebe 1972

Girls at War and Other Stories reveals the essence of life in Nigeria and traces twenty years in the literary career of one of this century's most acclaimed writers. In this collection of stories, Chinua Achebe takes us inside the heart and soul of a people whose pride and ideals must compete with the simple struggle to survive. Hailed by critics everywhere, Chinua Achebe's fiction re-creates with energy and authenticity the major issues of daily life in Africa.

Code Girls - Liza Mundy 2017-10-10

The award-winning New York Times bestseller about the American women who secretly served

Downloaded from
legacy.opendemocracy.net on 2022-04-29
by guest

as codebreakers during World War II—a "prodigiously researched and engrossing" (New York Times) book that "shines a light on a hidden chapter of American history" (Denver Post). Recruited by the U.S. Army and Navy from small towns and elite colleges, more than ten thousand women served as codebreakers during World War II. While their brothers and boyfriends took up arms, these women moved to Washington and learned the meticulous work of code-breaking. Their efforts shortened the war, saved countless lives, and gave them access to careers previously denied to them. A strict vow of secrecy nearly erased their efforts from history; now, through dazzling research and interviews with surviving code girls, bestselling author Liza Mundy brings to life this riveting and vital story of American courage, service, and scientific accomplishment.

The Girls of Atomic City - Denise Kiernan

2013-03-05

The New York Times bestseller, now available in

paperback—an incredible true story of the top-secret World War II town of Oak Ridge, Tennessee, and the young women brought there unknowingly to help build the atomic bomb. "The best kind of nonfiction: marvelously reported, fluidly written, and a remarkable story...As meticulous and brilliant as it is compulsively readable." —Karen Abbott, author of *Sin in the Second City* At the height of World War II, Oak Ridge, Tennessee, was home to 75,000 residents, and consumed more electricity than New York City, yet it was shrouded in such secrecy that it did not appear on any map. Thousands of civilians, many of them young women from small towns across the U.S., were recruited to this secret city, enticed by the promise of solid wages and war-ending work. What were they actually doing there? Very few knew. The purpose of this mysterious government project was kept a secret from the outside world and from the majority of the residents themselves. Some wondered why,

Downloaded from
legacy.opendemocracy.net on 2022-04-29
by guest

despite the constant work and round-the-clock activity in this makeshift town, did no tangible product of any kind ever seem to leave its guarded gates? The women who kept this town running would find out at the end of the war, when Oak Ridge's secret was revealed and changed the world forever. Drawing from the voices and experiences of the women who lived and worked in Oak Ridge, *The Girls of Atomic City* rescues a remarkable, forgotten chapter of World War II from obscurity. Denise Kiernan captures the spirit of the times through these women: their pluck, their desire to contribute, and their enduring courage. "A phenomenal story," and Publishers Weekly called it an "intimate and revealing glimpse into one of the most important scientific developments in history." "Kiernan has amassed a deep reservoir of intimate details of what life was like for women living in the secret city...Rosie, it turns out, did much more than drive rivets." —The Washington Post

War Stories for Girls - Jill Atkins 2009

Stories from the second world war.

Girls at War - Chinua Achebe 2012-02-22

Twelve stories by the internationally renowned novelist which recreate with energy and authenticity the major social and political issues that confront contemporary Africans on a daily basis.

War girls - Janet Lee 2017-10-03

War girls reveals the fascinating story of the British women who volunteered for service in the First Aid Nursing Yeomanry (FANY) during the Great War. Examining their experiences on the Western Front with the Belgian, British and French armies, this book shows how the FANY worked as nurses and ambulance driver-mechanics, inspiring stories of female heroism and solidarity. The FANY created skilled gendered performances against the cultural myths of the time, and in concert with their emerging legend. Coming from privileged backgrounds, they drew upon and subverted

traditional arrangements, crafting new and unconventional identities for themselves. The author shares the stories of the FANY - a fascinating, quirky and audacious group of women - and illustrates the ways the Great War subverted existing gender arrangements. It will make fascinating reading for those working in the field of gender and war, as well as those who wish to find out more about this remarkable group of women.

War Girls - Adèle Geras 2014-06-05

As featured on BBC Radio 4's Woman's Hour. 1914: war has broken out across Europe and beyond. Nothing will ever be the same again for those caught up in the conflict. This collection of

short stories explores how the First World War changed and shaped the lives of women forever. A courageous nurse risks her life at the Front Line; a young woman discovers independence and intrigue in wartime London; and a grief-stricken widow defends her homeland amidst the destruction of war. Through these and other tales, War Girls presents a moving portrait of loss and grief, and of hope overcoming terrible odds.

The War Girls - Rosie James 2021-01-13

'This is such a delightful book to read, that booklovers will all enjoy... I loved it' NetGalley reviewer, five stars Can their friendship survive the darkest days of war?
