I wasn't just her boyfriend; I was her number one fan ... That day, my

world came crashing down with those words, written in my beloved's handwriting. After placing the letter down, a song I heard on the radio jogged to the front of my mind, "When a woman is fed up, there's nothing you can do about it." I was crushed and alone ...

Emsrp - Unfreezing the Authentic Self Mac Andrews 2014-06-27 Key aspects of our development become diverted or obstructed during early childhood, profoundly affecting our life outcomes long into adulthood, even before we have the ability to speak or think. Being genuine, i.e. allowing our true impulses to express, became dangerous in one way or another very early, and as a result we constructed habitual masks and inauthentic behaviours to survive and get by. These masks and behaviours rob us of our satisfaction, our ability to form and maintain nurturing relationships, we fail to get core needs met in the world, and we end up settling for what we get, feeling frustrated, isolated and confused about life, or running ourselves ragged pursuing everything that looks like success, whilst never really feeling we have won. This translates into many levels of depression - and depression is rife in our modern world. Whilst therapies have something to offer, they tend not to deal with the fundamental causes, and thus fail to deal with the issues for good. EMSRP addresses the source of the problem by reawakening the developmental processes that simply stopped in early life. Key aspects of the evolutionary heritage of every human being, yes including you, became frozen and failed to mature - leaving the person without the power to change life for the better. Without any complex rocket science EMSRP matures these life-skills without struggle, and this allows people to grow far beyond the limits they have unconsciously accepted as their lot. It has been very developed and trialled for nearly 20 years, and now therapists and counsellors are being trained and accredited to include it in their toolkits. It is particularly effective in alleviating depression, anxiety and life-stuckness. It has been highly effective with couples, individuals and groups. It is both insightful and practical, and is completed in an average of 15 fortnightly sessions. This book, whilst not a substitute for being facilitated through the process or training as an accredited facilitator,

outlines in full the processes, the psychology and the philosophy behind each and every step. Find more information at www.emsrp.org

How to Get a Girlfriend Dating Online Robert Belland 2011-02-01 The goal of this book is simple: to guide ANY guy through the process of picking out the BEST women to chat with, exactly what to say to them, and how to inspire these women to feel enough attraction and comfort to meet in person. What can YOU do slightly differently than the last 50 guys who tried emailing her that same day? Be different (in a fun way) without seeming desperate, needy, or creepy. This book explains and explores the common mistakes men are making dating online AND explains, step-by-step, EXACTLY what to say in order to stand out and get dates. This book outlines the FOUR FOUNDATIONS of successful (online) dating: Attraction, Rapport, Leading, and Escalation. - ATTRACTION is about tension and her emotional response to you. - RAPPORT is about intimacy and her emotional connection with you. - LEADING is about challenging your fears and taking action while communicating sincerity through your actions. - ESCALATION is about consistently increasing the intensity of your relationship via attraction and rapport so that it goes where ever you want it to go. WHAT YOU'LL DISCOVER IN THIS BOOK: - Exactly to say in your first email so that she's MOST likely to respond to you. - 8 tragic but typical mistakes you should NEVER make when first chatting with her online. - 5 ways she's indicating she's "ready" to meet you (but you might be missing). - 10 things you SHOULD be doing to make or break your online profile. - 10 detailed examples of men's profiles, and what's good and bad about them. - Learn which types of photos make women click your profile, and which make her run for the hills! - MANY examples of the types of emails other men will be sending her so that YOU can learn how to avoid sounding like "just another creep." - How to be DIRECT in such a way that will invite her to desire you more. - 7 amazing openers that you can use anytime that I've tested and used to meet many amazing women online, and why they work so well. - Etc, etc, etc... Getting the girl online isn't rocket science. It's not black magic. It's not surprising or wierd. BUT it's almost universally misunderstood. What makes a girl reject the last 99 guys but respond to you? It's simple. Being different, being playful, and being attractive. The core teachings of my books. As a matter of fact it's EASIER to be different than the last 99 guys simply because the last 99 guys are all saying the exact same things and all making the exact same mistakes. I wrote this book to help the average guy, like you and me, stand out from the online dating crowd in order to catch the girl we REALLY want, and ultimately deserve. She WANTS you to find her and attract her... now read this book and learn the fastest path to your first date!

My Roommate's Girl Tasha Heart 2017-06-02 Jax I thought my life was all figured out. There wasn't a doubt in my mind that I wasn't the settling down type. I was known as a man-whore, but not single person dared to say it to my face. Yeah, I had everything figured out until Lance's new girlfriend Mia came into my life. She was everything I didn't know I wanted. Her innocence and beauty baffled me. From the first moment I laid eyes on her, I knew I had to have her. Was I actually considering ruining my friendship with my almost brother's life with a girl that wasn't even mine? God, for Mia, I was willing to do anything. Mia As a twenty-two-year-old virgin, I thought Lance was finally the guy for me. He was sweet, handsome,

smart, and studying to be a doctor. He was the perfect package or so I thought. But when I met his roommate Jax, the greeting sparked something inside of me that I couldn't ignore. It felt as though Jax had something Lance didn't and, it was something that I couldn't resist. Jax was everything I knew I shouldn't want, but I couldn't deny my true feelings. How could I fight these feelings inside and stay with Lance? Was I really willing to lose everything for just one night with Jax?

Illustrated by comics artist Kelsey Wroten and based on Court's viral zine of the same name, this book features never-before-published letters and responses about first loves, heartbreak, coming out, and queer friendship—all answered with the warmth and honesty of the gay big sister you wish you had. • **BY QUEERS, FOR QUEERS:** This book was written by and for queer women and people of marginalized genders. The questions reflect real experiences that aren't often represented in the media, and the answers offer an important reminder that loving ourselves takes patience, effort, and the support of our friends and communities. • **EXCITING DEBUT AUTHOR:** In 2018, Maddy Court made the leap from creating niche lesbian memes on Instagram to writing and distributing a series of zines. Never preachy or dismissive, Court offers advice that is sympathetic and straightforward—it's equal parts refreshing vulnerability and remarkable wisdom. • **GORGEOUS ILLUSTRATION:** Kelsey Wroten's art brings the letters to life, immersing the reader in all the joys and disappointments of the contributors who wrote in from all over the world. In addition to the traditional illustrations, each chapter features a paneled

mini-comic that speaks to the different themes. • **AMAZING GUEST EXPERTS:** Because one queer cannot possible hold all the answers, *The Ex-Girlfriend of My Ex-Girlfriend Is My Girlfriend* also includes advice from an incredible roster of guest experts.
