Soul Mates - the Formula -

Vincent Sylvan 2013-02-12
Vincent Sylvan has created a formula using astrological influences as a guidepost for finding ones soul mate. This formula gives the readers action steps on how to narrow their search along the way, to identify this mystical person that Vincent believes we all have. These are methods the author has tested and applied himself on his own quest in finding his soul mate. After many years of research, his first marriage for seventeen years, not being able to succeed, he experienced divorce and failure. This triggered him to find the answers more than ever

before, and past the prime of his life, Sylvan had an awakening and developed the formula to find his other half of his soul, the only person who can inspire him to be a better person and take him to greater heights than he could have ever dreamt of by himself or with any other woman. Putting into practice the secret to his revelation, he finds her on the Internet, the hardest place to find his soul mate, to put his formula to the test. The results surpassed his expectations. Vincent realized once more the importance for everyone to find their soul mate, to live a life of wonders. That is why he created this book. For more information on Sylvan, visit his blogs to find more about his philosophy and poetry at www.vincentsylvan.com.
Sun in Signs - Saket Shah
2022-02-05
Dear Reader, We always wonder that every sign in Vedic astrology has different meaning and results. So how does the planet sitting in it will behave. So in this book I am describing how Sun will give

results in different zodiac signs in most possible and descriptive way. The planet behavior changes along with the sign it sits in and give different results. Every sign itself is a mystery and planet sitting in sign becomes more mysterious and gives results in very different pattern. Planet is nothing but a cosmic energy which in particular location in zodiac during our birth impacts our entire life the way we think and the way we behave and also controls our emotions. The glands in our brain reacts to this cosmic energy and creates a certain characteristic in our life patten and day to day life and we can understand this by understanding our horoscope and by checking which sign the planet is sitting and how it impacts our thinking and life. I hope you will love this book and enjoy reading. Regards, Saket Shah
