*A Little Bit Like Love* - Brooke Blaine 2017-07-21

What if you had everything in the world you wanted...except the man you'd left behind? Jackson Davenport, the charismatic, strait-laced heir to the Davenport fortune, has a secret. One he's been hiding since he graduated from South Haven all-boys academy-and that secret's name is Lucas. When a work trip takes Jackson back to his old stomping grounds, memories of the year he shared with Lucas come crashing to the surface. With growing pressure from his father to settle down and take over the family business, Jackson knows he's on borrowed time, and sets out to find the free-spirited daredevil he once knew. But Lucas isn't the same man he was eight years ago. One night. A shattered heart. And an endless parade of nameless faces. Lucas Sullivan is South Haven's ultimate playboy, a reputation he's honed since the only boy he ever loved left without a trace. To the world, he's brash and confident, an in-demand artist who spends his days designing one-of-a-kind pieces and his nights as king of the downtown scene. Many have tried and failed to get past the barrier he's carefully constructed, but it's the shy, studious boy he once coaxed out of his shell who still haunts him. Maybe it was a mistake. Maybe it was lust. Or maybe...it was a little bit like love.

**Give a Little Love** - Jackie Clune 2021-07-08

**\*\*FROM ONE OF THE STARS OF BBC'S HIT SERIES MOTHERLAND\*\*** 'Jackie Clune's writing always make me roar with laughter' NIGELLA LAWSON 'A proper twisty turny plot' GRAHAM NORTON 'Joyful... Charts lockdown beautifully' LOOSE ENDS 'Humorous and hopeful' WOMAN'S WEEKLY London, March 2020. Angela is reeling from the sudden death of her husband Robert. As the world hunkers down against the pandemic, she and her two children - home from university - lock down in their grief and remembrance. Except Angela has this gnawing sensation, a tightness in her chest every time she thinks of Robert. He could be harsh, critical, often belittling in front of others. But he did his best - didn't he? He looked after them, even if he did make the decisions and laugh at her small ambitions. Even if he controlled most things in Angela's so-called life. As lockdown drags on with its do-gooder neighbours and their cake-baking and competitive Clapping for Carers, Angela makes a disturbing discovery on Robert's old phone: messages from a woman who clearly had a close relationship with her late husband. Enraged but liberated by the betrayal, Angela starts to reclaim her life. Until she runs into Zana. Zana, who appears to be watching her

house. Zana, with her small child in tow. Zana, and her inexplicable connection to Robert... When Angela decides to help Zana she is forced to reframe her outlook, check her privilege and confront how exactly she plans to live the rest of her life. Slowly they build a relationship based on their mutual recognition, and when Zana introduces Angela to her friends at the local homeless mother and child hostel, she discovers a different, more hopeful, kind of family bubble. Wickedly dark but full of heart, this is a story of pulling together and finding love and connection in the most surprising of places.
