*God, Sex, and Your Marriage* - Juli Slattery 2022-06-07

Many Christian books talk about sexual issues within broader works on marriage, but few resources comprehensively and biblically guide couples specifically on sexual intimacy. *God, Sex, and Your Marriage* challenges the common assumptions couples have about sexuality and presents the richer biblical narrative of sex as a metaphor of God's covenant love. Dr. Juli Slattery applies that biblical framework to the practical challenges in sexual intimacy. Godly sexuality extends far beyond sexual purity and calls us to sexual integrity. God invites every couple to view their sexual relationship, including their greatest

struggles, as an avenue to learn about the nature of His covenant love. It's God desire to make us more like Himself and sex within marriage is often a powerful training ground for godly character. That desire gives purpose and context to addressing pornography, healing from past wounds, sexual incompatibility, pursuing pleasure together, and forgiveness.

Answers to real-life, nitty-gritty private questions Christians are asking about sex. Louis and Melissa McBurney offer frank, humorous, sensitive, and biblically grounded answers to the thousands of sex questions readers have sent to the editors of Marriage Partnership, a publication of Christianity Today International. The authors deal with sensitive issues that need to be talked about, but within a solid spiritual, psychological,

and therapeutic context. This book is perfect for newlyweds, newlyweds of 25 years, or for parents to give their engaged son or daughter who is soon to be married. The McBurney's give frank, honest answers to real, honest questions that many Christians have always wanted to ask, but were too embarrassed or afraid. The author's authentic, unblushing, yet thoroughly Christian perspective is presented in a two-column format. University of Chicago pastor uses enlightening personal stories and examples from theology to show how sex is powerful and holy. For years, Christians have been told to adhere to one singular path when it comes to sex: abstinence and purity. Yet this limited focus ignores the reality that people's sexual and romantic lives differ widely, even among those who consider themselves devout believers. Church leaders have often refused to address the topic—or have preached in ways that are harmful to the emotional and spiritual growth of the faithful in the pews. Pastor McCleneghan is determined to reshape the issue—and fundamentally transcend this disconnect between sexuality and spirituality that has left many Christians feeling guilty and sinful. Written in her measured, non-judgmental voice, Good Christian Sex combines humorous personal anecdotes with theological research to transform how Christians think and talk about

this basic human need, offering a new understanding that reconciles human love and religious faith. Breaking with outdated conventions, McCleneghan explains how the Bible and Christian tradition inform our beliefs about desire, pleasure, nudity, fidelity, premarital sex, and the variety of sexual practices, and encourages Christians to talk about their bodies, their sensuality, and their longings in a frank, positive, and realistic way. Warm, insightful, and honest, Good Christian Sex is a message of hope, that at last lifts the veil of shame felt by many religious people.

*Love & Sex* - Nancy Houston  
2018-02-05

"So many couples struggle in their sexual lives because they divide sex and love ... Nancy Houston has written an excellent, practical, and very hopeful book on how to reintegrate the division."—Dr. John Townsend, New York Times bestselling author of *Boundaries* "Without question, one of the greatest communicators of our generation on Christian sex and intimacy is Nancy Houston."—Amy Ford, president of Embrace Grace and author of *A Bump in Life* Sex is powerful! Just saying the word "sex" can stir up all kinds of emotions. Maybe it's a positive emotion for you—or possibly a hurtful, shameful, confusing one. It's no wonder we struggle to understand its meaning and purpose. It can be difficult to talk about, and if we have experienced unwanted shame or grew up in a home where sex was taboo, addressing the topic can be even more difficult. In a world

of sexual chaos and confusion, we all need a healthy dialogue on the topic—not a black-or-white, right-or-wrong lecture, but a safe forum for discovering, learning, processing, and growing into passionate intimacy within the freedom God provides. In *Love & Sex*, Nancy Houston provides a compassionate view of human sexuality. Through the lens of Scripture, she unpacks the good God intended when He created humans as sexual creatures, while recognizing that many people haven't experienced sex in a positive way. You won't find a critical examination of dos and don'ts, but stories of redemption, grace, and hope. You will understand how you were shaped and that you are more than your sexual behaviors. For some people, sex is a regular part of life. For others, it's a huge deal. Maybe even too big of a deal. This book will be your roadmap to finding sexual health, happiness, and balance. And if you are one of the few unscathed by sexual shame or

confusion, this book will help you develop a more compassionate lens for those who do struggle.
