**A Woman's Influence** - Tony A. Gaskins 2021-04-13

From celebrity life coach and motivational speaker, Tony Gaskins Jr. and his wife, Sheri, comes an essential guide with hard-hitting truths about a woman's undeniable influence on a relationship—and the power she has to change her man for the better. Tony Gaskins has inspired others by sharing his truth—drawing millions of followers online and making him one of America's foremost experts on love and relationships. Now, he and his wife explore a woman's positive impact on a relationship in this practical and accessible guide that walks you through a series of irreplaceable lessons on making personal changes that foster healthy relationships. Tony and his wife, Sheri, draw on their own relationship successes and failures as they examine the eighteen time-tested truths about how a woman's influence can shift a relationship for the better—if used correctly. Including advice for women such as “you are not a maid,” “show don't tell,” and the “72-hour rule”—where the woman makes herself totally unreachable to her partner—Tony and Sheri tackle all of today's important topics such as misogyny and the “grown boy syndrome,” while never losing the empowering and empathetic tone that Tony's loyal following has come to love and trust. Whether you are single, dating, engaged, or married, A Woman's Influence is a hopeful response to a culture where men behave badly and women are victimized all too often. By providing a vision that empowers women to know their worth and simultaneously bring out the best in men, this guidebook can help you make a lasting, positive change to your relationship.

**Daddy's Girl** - Dupree Cook 2014-05-06

God assigned women to be men's helpmeet-but if a woman is emotionally damaged from her past experiences, how can she help someone else? Using Bible-based Scriptures and real-life examples, Daddy's Girls reveals God's plan for His followers-both men and women-to reach their destiny and live fulfilling lives. It also reveals the devil's goal: to interfere in a woman's life, leaving her vulnerable and unable to fulfill the role God gave her. With Daddy's Girls you'll learn how to free yourself from the past and reach places you never thought possible. Discover the tools to break free from old hurts, disappointments, failures, and tragedies that have held you back. God wants to lift the loads you have been carrying, to restore you to your original purpose, and He wants you to be happy. So take the first step toward healing with Daddy's Girls. And remember, this book can't teach you how to be a lady, but it can teach you how a lady should be treated! Bishop Dupree Cook, the pastor of Right Spirit Ministries, is a native of Spanish Fort, Alabama. He is a multifaceted visionary, spiritual shepherd, teacher, entrepreneur, father, and husband who has committed his life to serving and helping every person, regardless of background or economic status, to achieve his or her fullest potential. Bishop Cook is a student of the word of God. He has received degrees of theology from Beacon University and Christian Life of Theology. Upon receiving a vision from God, Bishop Cook founded Right Spirit Non-Denominational Church in 1992 in a small storefront church, pastoring a seven-member congregation. He was ordained Bishop in January 2000 and is now the Presiding Bishop of Father's Arms Fellowship in Spanish Fort, Alabama.

*This Woman's Worth* - Pamela White 2010-09

Those words take on a whole new meaning to a person who has been sexually abused. Suddenly your own body feels unnatural and uncomfortable. Self-worth is compromised, and the emotional stress of it all becomes burdensome due to the overwhelming paranoia that it might happen again. An average trip to the grocery store is torturous. Being left alone with a man is almost impossible. Intimacy with your husband will forever be different. The frustration of all the unwarranted changes ties a bow on an unwanted package deal that's now your life. Though she wasn't able to change what happened to her, author Pamela White offers an encouraging, heartbreaking, honest approach to overcoming a seemingly bleak and tarnished existence. Through her unyielding faith and tenacity, she builds herself back to the person she remembers with the help of her friends, family, and steadfast faith. Though her attacker might have stolen something from her, he could never take away This Woman's Worth.

**Woman's Worth** - Lisa Leghorn 2022-08-24

Originally published in 1981, Woman's Worth takes up the challenge to the male preserve of economics - which was raised nearly a century ago by Charlotte Perkins Gilman in her classic work Women and Economics. Patriarchal economic systems - socialist as well as capitalist - are founded upon women's unpaid labour. On this premise, Lisa Leghorn and Katherine Parker base their exploration of the economic basis of women's culture across cultures: from the USA to South America, the Middle East, socialist countries, Africa and Europe. Women's Worth is accessible and informative to those who have been intimidated by the term 'international economics'. Its sources are women's perspective and experience in many countries, in their words and in their writings, published and unpublished. Thus the authors are able to reveal the economic nature of facets of women's lives which have hitherto been dismissed by traditional economics as features of family or personal life, and to build a new vision of an economics based in female values.
