When Love Is By Choice Instead Of Chance - C. Taylor 2005-08

WHEN LOVE IS BY CHOICE INSTEAD OF CHANCE When Love Is By Choice Instead Of Chance takes a fresh look at relationships between lovers and spouses, and parents and children. We are shown the difference between the strength of making choices, and the weakness of leaving what we value up to chance. It encourages opening our hearts and minds to a fuller expression of potential for understanding, intimacy, caring, and love. It shows that taking relationship needs for granted is a sure way of promising that those needs may never be fulfilled. Author C. Anthony Taylor introduces us to constructive-acceptance, constructive-compromise, primary-relationship, primary-affection, affection-deficit, and the acronym S.E.L.F. Taylor also simplifies the meaning of self-love. There is a real need in society for a deeper respect and responsibility toward relationships. When Love Is By Choice Instead Of Chance offers us a reason to take a deeper look at who we ourselves and those we relate to are. It is, in the quintessential meaning of the word, dynamite, in a small package.

Secrets To Lasting Love - Gary Smalley 2001-02-08

Gary Smalley is one of the world's foremost speakers and experts on love and relationships. His gift for helping couples create more meaningful communication and deeper understanding so that they can establish an unwavering bond is the inspiration behind Secrets to Lasting Love, the culmination of Smalley's decades of work. In it he outlines the three essential skills that move couples to the highest levels of intimacy: Respect your spouse for all of his or her individual qualities and differences from you. Communicate with each other in a way that moves conversations into deeper realms of understanding. Renew and recharge your spouse emotionally, mentally, physically, and spiritually -- constantly. It is not easy to recognize and then apply these skills. But Secrets to Lasting Love shows everyone how to do just that, so they can reach what Smalley calls the fifth, or ultimate, level of intimacy -- where there's a marital bond strong enough to withstand the inevitable highs and lows of life. With Gary Smalley, you will have the tools to create a heightened sense of commitment that will allow you to reach your spouse's heart and spirit.

[The Five Love Languages](#) - Gary Chapman 2009-12-17

Marriage should be based on love, right? But does it seem as though you and your spouse are speaking two different languages? #1 New York Times bestselling author Dr. Gary Chapman guides couples in identifying, understanding, and speaking their spouse's primary love language-quality time, words of affirmation, gifts, acts of service, or physical touch. Positive Approaches to Optimal Relationship Development - C.

Raymond Knee 2016-04-08

How can we get the most out of our close relationships? Research in the area of personal relationships continues to grow, but most prior work has emphasized how to overcome negative aspects. This volume demonstrates that a good relationship is more than simply the absence of a bad relationship, and that establishing and maintaining optimal relationships entails enacting a set of processes that are distinct from merely avoiding negative or harmful behaviors. Drawing on recent relationship science to explore issues such as intimacy, attachment, passion, sacrifice, and compassionate goals, the essays in this volume emphasize the positive features that allow relationships to flourish. In doing so, they integrate several theoretical perspectives, concepts, and mechanisms that produce optimal relationships. The volume also includes a section on intensive and abbreviated interventions that have been empirically validated to be effective in promoting the positive features of close relationships.

Relationship Breakthrough - Cloe Madanes 2010-02-05

Most people, at some point, feel stuck in the patterns of their relationships. Relationship Breakthrough encourages you to take a long, hard look at yourself, your relationships and the behavioural patterns you have fallen into, and offers tangible strategies that you can try to address lurking and lingering problems. The insightful exercises are designed to shock couples out of their negative patterns and create new strategies for happiness and fulfillment. Drawn on her decades of clinical practice and research, Cloe Madanes shares the nine beliefs and behaviour patterns that commonly stunt relationships and reveals the six human needs that can make or break any bond. In this accessible book you will learn how to recapture, rekindle or deepen love in any intimate relationship. You'll also find ways to resolve long-standing, persistent conflicts between family members simply by making a change within yourself. The book has a foreword by self-help guru Anthony Robbins who works closely with the author.

10 Basic Needs of Romantic Love - Valentina Ibeachum 2013-03-17

If you want to keep your relationship fresh, happy, and always passionate, you need to know what's in this book. Do you want to know how to rekindle the love in your marriage? When a couple gets to the point where they feel the spark is gone, is there any hope? Why does a natural fire go down? Because the kindle, material, or wood feeding the fire has been exhausted. Fire doesn't burn on nothing. It's the same thing with romantic love it needs to be fed. It has needs. So if you want that spark to come back or you want to ensure it keeps burning strong, you need to feed the flames of passion by feeding the needs of romantic love. If you're searching for answers to any of the issues below, then you really need to read this book: I don't feel connected with my spouse any longer I'm feeling overwhelmed with the responsibilities of marriage I don't feel in love with my spouse any more I think my spouse is tired and bored with me How can I keep the romance alive in my marriage? In this insightful book, Valentina Ibeachum shows couples how to meet the 10 Basic Needs of Romantic Love. Because when you starve love it dies, when you feed love, it stays alive.

Eight Dates - John Gottman 2019-02-05

Strengthen and deepen your love with a fun, ingenious program of eight life-changing conversations—on essential topics such as money, sex, and trust—from two of the world's leading marriage researchers and clinicians. Navigating the challenges of long-term commitment takes effort—and it just got simpler, with this empowering, step-by-step guide to communicating about the things that matter most to you and your partner. Drawing on forty years of research from their world-famous Love Lab, Dr. John Gottman and Dr. Julie Schwartz Gottman invite couples on eight fun, easy, and profoundly rewarding dates, each one focused on a make-or-break issue: trust, conflict, sex, money, family, adventure, spirituality, and dreams. Interactive activities and prompts provide motivation to stay open, stay curious, and, most of all, stay talking to each other. And the range—from the four skills you need for intimate conversation (including Put Into Words What You Are Feeling) to tips on being honest about your needs, while also validating your partner's own emotions—will resonate, whether you're newly together or a longtime couple looking to fortify your bond. You will discover (or rediscover) your partner like never before—and be able to realize your hopes and dreams for the love you desire and deserve.
