Prisoner to Her Taste [BDSM Erotica] - Marlo Peterson 2014-03-02

Money and power, lust and sex, domination and submission. These factors play such a big role in our sexuality, especially for people who get off on dominating or being dominated. The women in these stories experience both, and enjoy them for different reasons. Either way, they have the orgasms of their lives, and you will want to after reading about it. Prisoner in His Lust Dungeon: One night, Allen sends a personal driver to pick Tina up, so that he can have his way with her in his basement. With Allen's wife upstairs, and a dungeon filled with whips, sex toys and candles downstairs, he's going to punish her in ways that only a little nympho can love. EXCERPT: "Do you know what I'm going to do with this?" Allen asked me, referring to the whip in his hand. I gulped, knowing full well what he was about to do with it. We had never ventured into this side of sexuality, and no man had ever tied me up, let alone spanked me with a leather whip, but something about him made me put trust in it. I shook off the nerves and jumped into naughty little mistress mode. "Are you going to spank my slutty ass with it?" I asked, with an innocent voice. I couldn't see his face, but could almost hear him smile. "You're damn right I am," he said. Allen walked right over to me, and as he got close, I nearly jumped out of my skin, as the ropes tightened around my body and I felt myself leaving the ground. I saw his arm motion to the wall, so he must have had some kind of button in place that triggered a mechanism that pulled on the rope and hoisted me into the air. Tasting the Mistress' Chocolate: Carmen was used to men not being able to handle her. Perhaps that's why she became the best dominatrix in the entire city. Her newest client, a handsome white man, couldn't help himself as soon as he walked into the door of her hotel room. He stripped naked immediately, and what followed was intense scenes of him tasting Carmen's chocolate at every command she issues. WARNING! This story is guaranteed to get you hot. It features intense scenes of dominance and submission, licking and sucking, self pleasure, toys, face sitting, face riding, ass play, humiliation and so much more. Excerpt: I still got it, Carmen thought to herself. She stroked her hands from Bryan's abdomen all the way up to his chest and applied pressure to his nipples, pinching both between her fingers. She leaned forward and licked his ear, making sure to whisper into his ear with exaggerated breath. "So Bryan, what is it that brings you here tonight?" she asked. As soon as he opened his mouth, Carmen soundly popped him in the mouth with a smack from her hand. "You speak when I let you speak—rule number one," she said. Bryan's eyes popped wide open, full of attention. He nodded his head obediently. "Don't even answer that question. I already know exactly why you're here," Carmen said. "It's because of my round... brown ... juicy, black ass ... isn't it?" she asked, taking a sexy pause between each adjective. Bryan nodded enthusiastically. "Speak. Either 'yes, mistress' or 'yes, my queen'," Carmen ordered. "Yes, Mistress," Bryan said. bdsm, bdsm erotica, bdsm romance, domination and submission, dominant woman, dominant female, dominatrix, bondage, spanking, gangbang erotica, dub con face sitting, face sitting, 69, oral sex, spanking erotica, s&m, s&m erotica, mistress, mistress erotica, cuckold, cuckolding, cuckold erotica, dubcon erotica, dubious consent, erotic romance, bwwm, bwwm erotica, bwwm erotic romance, bwwm romance, bw wm erotica, bw wm, bw wm romance, bw/wm, bw/wm erotica, bw/wm erotic romance, bw/wm romance, ebony erotica, ebony romance, interracial, interracial erotica, interracial erotic romance, interracial romance, interracial sex, billionaire sex, ebony, ebony erotica, ebony erotic romance, ebony romance, ebony sex, black, black erotica, black erotic romance, black romance, black sex, interracial, interracial erotica, interracial erotic romance,

We Are Not Born Submissive - Manon Garcia 2023-01-24

A philosophical exploration of female submission, using insights from feminist thinkers—especially Simone de Beauvoir—to reveal the complexities of women's reality and lived experience What role do women play in the perpetuation of patriarchy? On the one hand, popular media urges women to be independent, outspoken, and career-minded. Yet, this same media glorifies a specific, sometimes voluntary, female submissiveness as a source of satisfaction. In philosophy, even less has been said on why women submit to men and the discussion has been equally contradictory—submission has traditionally been considered a vice or pathology, but female submission has been valorized as innate to women's nature. Is there a way to explore female submission in all of its complexity—not denying its appeal in certain instances, and not buying into an antifeminist, sexist, or misogynistic perspective? *We Are Not Born Submissive* offers the first in-depth philosophical exploration of female submission, focusing on the thinking of Simone de Beauvoir, and more recent work in feminist philosophy, epistemology, and political theory. Manon Garcia argues that to comprehend female submission, we must invert how we examine power and see it from the woman's point of view. Historically, philosophers, psychoanalysts, and even some radical feminists have conflated femininity and submission. Garcia demonstrates that only through the lens of women's lived experiences—their economic, social, and political situations—and how women adapt their preferences to maintain their own well-being, can we understand the ways in which gender hierarchies in society shape women's experiences. Ultimately, she asserts that women do not actively choose submission. Rather, they consent to—and sometimes take pleasure in—what is prescribed to them through social norms within a patriarchy. Moving beyond the simplistic binary of natural destiny or moral vice, *We Are Not Born Submissive* takes a sophisticated look at how female submissiveness can be explained.

Passion's Mistress - Zoe Lawrence 2021-08-12

"The Mistress gazed at the girl's curvaceous bottom. It was smooth and round - not quite a bubble-butt, but not far off. A bottom made for pleasure mused the Mistress; a bottom made for punishment." Natalya is refined and well-educated, a connoisseur of fine art and antiques who lives in London's fashionable Knightsbridge. She is also a Dominatrix, one whose skills in applying discipline and the extraction of pleasure are much in demand. After receiving a request from Laura, a young woman seeking a guide through the world of fetish and sexual servitude, Natalya agrees to meet the girl. Together they begin to explore the extreme boundaries of domination and submission. The first part of the *Submission's Pawn* trilogy introduces Natalya and Laura - Mistress and Slave - as the two women explore the seductive relationship between pleasure and pain.

Passion's Slave - Zoe Lawrence 2021-08-12

"Natalya approached the selection of whips. The Mistress slowly traced her finger against the collection, pondering which one to use. An exquisite tremor of anticipation surged through Laura as she waited for her

Mistress to decide. Natalya finally made her choice: a five-foot-long cat o' nine tails. After making a few practice flicks with the whip, she returned to stand in front of Laura." To the outside world, Laura has everything: she's young, beautiful and successful. Yet she harbours a deep secret - she hungers to be dominated and used by others for their sexual gratification. Seeking a teacher to help her explore her lusty cravings, Laura encounters Natalya, a Dominatrix with a fierce desire to dominate and control. Together the pair embark on a journey to unlock Laura's deepest, most depraved desires. The second book of the Submission's Pawn trilogy sees the relationship between Laura and Natalya deepen, and the boundary between Mistress and Slave begins to blur.

She felt safe with him and completely energised during their BDSM play. In the moments when she could not be at his side she allowed her mind to think about him-her-them and this enabled her to script her innermost thoughts which she now shares with us.
