*Play with Me* - Piper Shelly 2012-12-19

A short, sweet novella. Ryan Hunter's parties are legend. And tonight she's going to be there. Liza Matthews anticipates the return of her best friend and only love since kindergarten from soccer camp. But when Tony finally shows up, his mind is more focused on another girl. And worse, she's a soccer player. Fighting for the attention Liza craves, she's just a hairbreadth away from making a very stupid decision. But when extraordinary times call for extraordinary measures, she's prepared to play ball to get her man. The tryouts are hell, the first match ends bloody, and the morning after the selection party

she wakes up in the worst place possible-in the arms of the captain of the soccer team. The hottest guy in school. Ryan Hunter.

**The Trouble With Dating Sue** - Anna Katmore 2015

"When hell freezes over!" Chris Donovan can't believe that Susan Miller just brushed him off like a fly in midsummer. He certainly wasn't looking for a girlfriend when he followed her into detention. All he wanted was to show this little smart-mouth that no girl can resist his charm when he decides to woo. It's a plan that thoroughly backfires. No matter what Chris does to crack through the snappy nerd's barriers, she

blocks his every advance. Worse, she only seems interested in his quiet twin brother, Ethan. But Chris never walks away from a challenge, and Sue's stubborn resistance only makes him try harder. To put a hickey on her delectable neck during a friendly game of soccer is one thing. To make hell freeze over and snatch a kiss is another. But when a strawberry and some molten chocolate lead to five hot minutes in his kitchen, the stakes of this challenge unexpectedly rise...

*Grover Beach* - Anita Shower 2008

The city of Grover Beach is nestled in the dunes of the California coastline in San Luis Obispo County. In 1842, Jose Ortego received a Mexican land grant and made the first claim on the area. Ortego sold his 8,838 acres to Isaac Sparks in 1867, and Sparks later sold half to John Price. Price sold his share to Dwight William Grover for \$22,982.20 in gold. By 1887, Grover had filed

with the county and founded the Town of Grover. Developers John F. Beckett in 1892 and Horace V. Bagwell in 1935 followed. Growing gradually, the city incorporated in 1959, changed its name to Grover Beach in 1992, and received Amtrak rail service in 1996--a permanent connection to the surrounding communities and commerce. The city has come full circle, from D. W. Grover's dream to reality.

**Dating Trouble** - Anna Katmore 2015-01-11  
Trouble has never looked so hot...Sue wants Ethan, and Chris wants Sue. Drawn to Ethan and intrigued by Chris, Susan Miller finds herself caught between identical twin brothers at her school. When both of them start wooing her at the same time, she only has to take her pick. Right? Wrong! Ethan is reluctant to kiss her, and Chris wants her for the completely wrong reasons. Nothing like his obliging and sweet brother, Chris Donovan has trouble written all over him. He changes girls like other guys

change t-shirts, and the next trophy on his little list is Susan. That's the last thing she wants, yet she finds herself responding to all the goodnight texts and other cheeky messages Chris sends. The guy has a way of getting under her skin like no one ever has before. How long will it be until Susan falls for his smooth charm and gets herself into more trouble than she can possibly handle? And where does that leave Ethan? The Tease: I cleared my throat and called out, "Hey, Chris!" Folding his arms on the backrest of the chair he'd straddled by his friends, he cast me an intrigued and self-assured glance over his shoulder. I didn't give him the time to even think about the word "sweetness" leaving his mouth, but continued, "It takes a little more than a cute smile to get on my good side, and luckily your brother comes equipped with the whole package." I flashed a sardonic grin that hopefully stung his ego in front of his gang. "You want to freeze hell? Go ahead and try. It'll get you nowhere with me." For a stunned moment,

Chris gazed at me. My snappiness had certainly terminated his interest in me. After all, he seemed to be someone after an easy lay and a jolly good time, nothing more. Especially not if that something proved to require serious effort. Right?Wrong. The left side of his mouth tilted up so slowly that a shudder made it through my entire body before he was done with the smirk. He blinked then ran his tongue along the inside of his bottom lip. The whole class had stilled and all eyes were on him and me now, gazes darting back and forth. With an audience to quote him later, he stated, "Game on, little Sue."

does. This should work out wonderfully in her favor. The only problem in that awkward triangle: Chris wants Susan for the completely wrong reasons. Nothing like his obliging and sweet brother, Chris Donovan has trouble written all over him. He changes his girls like other guys change their t-shirts, and his next trophy on his little black list is Susan. Frankly, that's the last thing she wants, but for some reason she can't explain, she finds herself responding to all the goodnight texts and other cheeky messages Chris sends her. The guy has a way of getting under her skin like no one ever has before. How long until she falls for his smooth charm and gets herself into more trouble than she can possibly handle?
