## **Byron's Nature** - J. Andrew Hubbell 2017-10-04

This book is a thorough, eco-critical re-evaluation of Lord Byron (1789-1824), claiming him as one of the most important ecological poets in the British Romantic tradition. Using political ecology, post-humanist theory, new materialism, and ecological science, the book shows that Byron's major poems—Childe Harold's Pilgrimage, the metaphysical dramas, and Don Juan—are deeply engaged with developing a cultural ecology that could account for the co-creative synergies in human and natural systems, and ground an emancipatory ecopolitics and ecopoetics scaled to address globalized human threats to socio-environmental thriving in the post-Waterloo era. In counterpointing Byron's eco-cosmopolitanism to the localist dwelling praxis advocated by Romantic Lake poets, Byron's Nature seeks to enlarge our understanding of the extraordinary range, depth, and importance of Romanticism's inquiry into the meaning of nature and our ethical relation to it.

*The Sexual Teachings of the White Tigress* - Hsi Lai 2001-08-01

- Reveals how the sexual practices of the White Tigress can preserve and restore a woman's physical youthfulness and mental energy.
- The first modern guide to White Tigress techniques, the only sexual teachings exclusively for women.
- Reveals for the first time in English the hidden teachings of immortal Hsi Wang Mu, a White Tigress from 3,000 years ago.
- Provides Western medical correlations to substantiate White Tigress practices. White Tigress women undertake disciplined sexual and spiritual practices to maintain their beauty and youthfulness, realize their full feminine potential, and achieve immortality. Revealed here for the first time in English are the secrets of the White Tigress that have all but disappeared from the world. Under the guidance of Madame Lin, the matriarch of a distinguished White Tigress lineage still in existence in Taiwan, Hsi Lai was given the privilege to study these practices and record them from a modern perspective so they will be forever preserved. The vast majority of Taoist texts on alchemy, meditation, and sexuality are directed at male practitioners. The Sexual Teachings of the White Tigress presents traditions that focus on women, traditions that stem from a long line of courtesans and female Taoists. Translations of the ancient teachings from a rare White Tigress manual dating back 3,000 years explain the sexual and spiritual refinement of ching (sexual energy), chi (vital energy), and shen (consciousness)--the Three Treasures of Taoism--the secret to unlocking eternal youthfulness and immortality.

*On the Toltec Path* - Ken Eagle Feather 2006-02-24

- An exploration of the teachings made popular by Carlos Castaneda
- Offers accessible instructions for Toltec spiritual and mystical practices
- Represents the conclusion of an 18-year learning task assigned by don Juan Matus
- Includes a new preface for this 10th anniversary edition

the Toltec Path is an overview of the theory, discipline, and practice of the Toltec Way, a philosophy and heightened way of perceiving the world taught by the Indian seer don Juan Matus. As a philosophy, it is a method of inquiry using the Toltec three Rs: re-examination, re-interpretation, and re-formulation. As a way of perceiving the world, it offers sophisticated processes of managing perception through dreaming, visions, and learning to see the world as both ordinary and non-ordinary reality. By contrasting and balancing these two realities we are able to stand apart from both and pick and choose the best each has to offer. Learning how to become a true seer enables us to realize the purpose and meaning of our life. The works of Carlos Castaneda have long been among the best-known introductions for those who wish to study the Toltec Way. However, many who want to learn the practical and technical aspects of this path have found it difficult to discern the details of the techniques buried in Castaneda's narrative. In this book Ken Eagle Feather provides a complete and accessible explanation of all the technical aspects of the Toltec spiritual and mystical practices. He offers a thorough exploration of Castaneda's works and a verification of don Juan Matus's teachings through his own 30 years of personal experiences and observations of the Toltec Way. *On the Toltec Path* serves as a practical guide to the Toltec Way and offers a valuable complement to the narrative works of Castaneda and other Toltec authors.

**Sex Dreaming** - Anthony Vega 2014-12-24

In this book, the reader will discover the answers to: - Why love does not last in most relationships - Where you go after you die if you are prepared - How to correct unconscious dating - How to keep loving relationships even after death - How to find your larger community of aware individuals - Discover the "not doing" of sex to maintain passion forever "Sex Dreaming resolves the most pressing personal dilemma of our time; how to have honest commitments in our relationships and at the same time fulfill our destiny as magical beings." Finally the readers of Toltec literature, as revealed in contemporary times by Carlos Castaneda, are presented with the missing key for their complete awareness. In his revolutionary book, Anthony Flores Vega has brought

back hitherto hidden nagual teachings from the last members of the Quetzalcoatl lineage. Any detailed discussion of sexuality had been absent from the Rule of the Nagual . . . until this moment in modern history. "The Map of Sex Dreaming can lead us out of our estranged jungle. We no longer have to accept the constraints of unconscious partnerships. There is a clearing beyond the chaos, and it glitters in the full sunlight of honesty. We can at long last accept our true nature, and love the totality of ourselves."

**Twilight Language of the Nagual** - Marilyn Tunneshende 2004-07-27  
Reveals how the Nagual shamans move between this world and the dream realms • Shows how the Twilight Language of Dreaming is an avenue for understanding the energetic gateways of human existence • Presents detailed exercises for practical experiences in extra-lucid dreaming  
Twilight Language of the Nagual is a shamanic and spiritual account that illuminates the author's experiences under the tutelage of don Juan Matus, the Toltec shaman who mentored Carlos Castaneda, and the sorceress doña Celestina. The author journeys from a mountaintop peyote pilgrimage of the Huichol people of western Mexico to the home of Tibetan monks in Mexico City and the hut of a Mazatec mushroom shaman in a remote Oaxacan village. She learns the Twilight Language of Dreaming, an avenue for understanding the energetic gateways of human existence. Don Juan Matus defines the language of this dream power and doña Celestina tutors on sex, reproduction, and male-female affairs in relation to the state of the world. Twilight Language enables communication between beings of the upper and lower realms. The author describes how it is possible for our individual and collective consciousness to be transported to higher levels. At the conclusion of each of her narratives she offers detailed exercises for experiences in extra-lucid dreaming as well as case studies showing how to apply dreaming techniques in the "real" world. Twilight Language of the Nagual is both a serious navigational aid to other realms revealed through dreams and an exploration of the energy techniques of dream power for healing and enlightenment.

**The Art Of Seduction** - Robert Greene 2010-09-03

Which sort of seducer could you be? Siren? Rake? Cold Coquette? Star? Comedian? Charismatic? Or Saint? This book will show you which. Charm, persuasion, the ability to create illusions: these are some of the many dazzling gifts of the Seducer, the compelling figure who is able to manipulate, mislead and give pleasure all at once. When raised to the level of art, seduction, an indirect and subtle form of power, has toppled empires, won elections and enslaved great minds. In this beautiful, sensually designed book, Greene unearths the two sides of seduction: the characters and the process. Discover who you, or your pursuer, most resembles. Learn, too, the pitfalls of the anti-Seducer. Immerse yourself in the twenty-four manoeuvres and strategies of the seductive process, the ritual by which a seducer gains mastery over their target. Understand how to 'Choose the Right Victim', 'Appear to Be an Object of Desire' and 'Confuse Desire and Reality'. In addition, Greene provides instruction on how to identify victims by type. Each fascinating character and each cunning tactic demonstrates a fundamental truth about who we are, and the targets we've become - or hope to win over. The Art of Seduction is an indispensable primer on the essence of one of history's greatest weapons and the ultimate power trip. From the internationally bestselling author of *The 48 Laws of Power*, *Mastery*, and *The 33 Strategies Of War*.

**Encounters with the nagual** - Armando Torres 2004-11-26  
"Every human being is by right a warrior who has achieved his place in the world in a battle of life and death. Look at it this way, at least once, as sperm, we all fight the bullfight for life - a unique contest against millions of other competitors - and we win! Now the battle continues... "A warrior knows that there is no guarantee of triumph over death. Even so, he fights his battle, not because he believes he will win, but because of the emotion of the war itself. For him, to give his war is already a victory. And while he fights he rejoices, because, for those who have already died, every second of life is a gift." "I love my children because they are deposits of my energy, my wife because she washes my clothes, she cooks and I catch her, my dog because he takes care of the house, my country because I was born here, my god because he's going to save

me...". "The sorcerers have discovered the most refined form of love, because they love themselves. They have put the power of passion at the service of being, and it gives them the impetus to undertake the only quest that counts: that of oneself.

**My Macguffin** - Jayden Bliss 2012-09

**Toltec Dreaming** - Ken Eagle Feather 2007-06-11

A metaphysical instruction manual on the role of dreaming in the Toltec tradition • Describes the energy body, its modes of perception, and how it produces dreaming • Provides an outline of the dream gates showing how they correspond to the chakras • Includes detailed instructions for

awakening dreaming potential and for exercising and expanding the dreaming body--what to expect and how to respond Toltec Dreaming explores the many aspects and levels of the dream-state, distinguishing ordinary dreaming from "dreaming awake," a condition of heightened awareness through which the active dreamer ascends to the Dream of Transcendence. In this book, Ken Eagle Feather presents the history of dreaming's place within the Toltec tradition and provides a practical how-to manual for achieving and maximizing dreaming potential. The Toltec Way superimposes on the waking world the subtle physics of the dream world in order to create a conscious dreaming body, often referred to as an "out-of-body experience," that can allow anyone to use dreaming as a vehicle to higher consciousness. Once the dreaming energies are fully awakened, unbounded conscious perception can come alive, whether one is in the world of dreams or in daily life. The author shows how to communicate while in the dreaming body and indicates what one may encounter in the dream. He also identifies barriers to dreaming and includes instructions for detaching the dream body from the waking ego. Filled with techniques that stimulate dreaming and the development of the dreaming body, this book will guide practitioners along the Toltec Way of the Dream.

**Don Juan in SoHo** - Patrick Marber 2021-02-09

DJ will go to bed with anything that breathes. His lust is so unquenchable that he's employed his friend and assistant, Stan, to organize his ever-growing digital Rolodex of partners. As the two of them romp the streets of London's Soho seeking DJ's next conquest, they leave a wreckage of heartbreak and betrayal in their wake. A racy twist on Molière's Don Juan, Patrick Marber's irresistible adaptation imagines the classic antihero in the twenty-first century, where idiocy, masculinity, and hubris still reign.

Don Juan and the Art of Sexual Energy - Marilyn Tunneshende 2001-04-01

- The secret sexual energy practices of Toltec-Mayan shamans revealed at last.
- The author studied with don Juan Matus and the same circle of Nagual sorcerers who taught Carlos Castaneda.
- Offers specific step-by-

step instructions for mastering the ancient sexual techniques that lead to spiritual transformation. Readers of Carlos Castaneda have often complained that his work in ancient Meso-american shamanism never covered sexual practices beyond celibacy. With his death in 1998 it seemed that these practices might never be revealed, but fortunately Merilyn Tunneshende has stepped in. Set against the backdrop of the golden deserts of Sonora, Mexico, Don Juan and the Art of Sexual Energy recounts Tunneshende's initiation into the ancient sexual energy practices of the Toltec-Mayan tradition. Under the tutelage of don Juan Matus, Chon Yakil (whom Castaneda referred to as Don Genaro), and dona Celestina de la Soledad, she learns to reclaim her feminine power and balance the masculine and feminine forces within herself. At the heart of the book is the mythical Rainbow Serpent: the phallic energy within women, the creative power within men. Each chapter focuses on a particular technique for awakening the serpent and connecting with its energy. Twenty-two sequential practices are covered, providing a powerful program for serious spiritual transformation.

**Don Juan and the Power of Medicine Dreaming** - Merilyn Tunneshende 2002-04-01

A journey of healing and transformation through Toltec mysticism, shamanic dreaming, and the teachings of the Mayan prophecies. • The author studied with don Juan Matus and the Nagual sorcerers who taught Carlos Castaneda. • Includes numerous transcripts of Toltec Dreamwork sessions, providing examples of how dreamwork can transform personal life challenges. Merilyn Tunneshende learned the secrets of Dream Power, energetic healing, and sorcery from don Juan Matus, the Toltec shaman who mentored Carlos Castaneda. This book is her personal story of over 30 years of interaction with the mystical guides, dreams, and prophecies of the Maya. Through her journey we learn of the power of transmutational energies and how they might be applied to heal and transform our world. Like so many in the early 1970s, Merilyn Tunneshende had plans to travel the world beatnik-style, beginning with Mexico. Traumatized by the sudden death of her fiance after a series of premonitions, Merilyn found her adventurous trip

transformed into a path of spiritual awakening, which took her into an intense apprenticeship with Toltec shaman don Juan Matus. After becoming a fully initiated Toltec sorceress and Nagual Dreaming Woman, she experienced a second trauma that threw her from the path of mystical study back into the everyday world of the West. For years she pursued her career as a teacher and linguist--all but dismissing her former mystical experiences as madness. When a series of dreams begin to pervade her consciousness and she received a heart-breaking diagnosis that she had AIDS, Merilyn returned to the world of Mayan prophecy and nagualist training in order to unleash the powers of transmutative energies in healing her own body and actualizing transcendent liberation.

*Power of Silence* - Carlos Castaneda 2013-03-26

Millions of readers worldwide have treasured the visionary brilliance of Carlos Castaneda, who first explore the world of the Yaqui Indian sorcerer in *The Teachings of don Juan*. Now, at last, don Juan returns in *The Power of Silence* -- wise, infuriating, capable or working miracles and playing practical jokes, but always seeking the wisdom of the warrior. *The Power of Silence* is Castaneda's most astonishing book to date -- a brilliant flash of knowledge that illuminates the far reaches of the human mind. Through don Juan's mesmerizing stories, the true meaning of sorcery and magic is finally revealed. Honed in the desert of Sonora, the visions of don Juan give us the vital secrets of belief and self-realization that are transcendental and valid for us all. It is Castaneda's unique genius to show us that all wisdom, strength, and power lie within ourselves -- unleashed with marvelous energy and imaginative force in the teachings of don Juan -- and in the writings of his famous pupil, Carlos Castaneda

**Mastery of Awareness** - Doña Bernadette Vigil 2001-04-01

• Doña Bernadette Vigil, the working partner of don Miguel Ruiz and a fully initiated Nagual woman, reveals the authentic tradition of Toltec self-mastery. • Includes exercises from the ancient spiritual path that take the practitioner from Jaguar Knight and Eagle Knight through Nagual Master. • Provides a program of 11 Agreements for continuing

the spiritual journey. The Toltec people of ancient Mexico possessed powerful knowledge, passed down secretly through generations of Naguals, that enabled them to achieve a remarkable psychic and spiritual balance. These spiritual warriors learned to discipline their thoughts and emotions, channeling their energy into unconditional love for themselves and others and transforming their world in the process. With the understanding of one who has walked the path, dona Bernadette Vigil--a full Nagual, or shaman, in the Toltec tradition--guides readers through the effective training techniques practiced by Toltec warriors for centuries. By following the practices of the spiritual warrior, readers will experience the amazing sense of peace and contentment that comes from finally breaking free from layers of self-limiting thoughts and fulfilling their true potential as human beings. More than a handbook for personal change, *Mastery of Awareness* challenges readers to transform the collective dream of the planet.

*Man and Superman* - George Bernard Shaw 2022-07-14

Don Juan is more than just an infamous womaniser. For he has been the 'Don Juan' of Bryon's epic poem, the 'Don Giovanni' of Mozart's opera and the main man in the play 'The Trickster of Seville and the Stone Guest'. George Bernard Shaw added to Don Juan's many identities with his play 'Man and Superman', which is a four-act play based on the Don Juan theme. It features John Tanner, an eloquent anarchist who is one of two men named in Mr. Whitefield's will to care for his daughter Ann. The other, wealthy old Roebuck Ramsden, is rejected as guardian by Ann in favour of Tanner. The "political firebrand and confirmed bachelor" is not keen at all: he fears the guardianship will interfere with his commitment

to anarchy. But when the two minds collide, the results are unexpected. While Ann gently leads Tanner to rethink his revolutionary ideas, the determined singleton finds himself falling for Ann, despite his close friend wanting to marry her. Will the rebel lose his cause? And who will prevail in the romance race? 'Man and Superman' is perfect for fans of the play 'Private Lives' by Oscar Wilde and 'Endgame' by Samuel Beckett. George Bernard Shaw (1856–1950) was a giant of the literary and political world at the end of the 19th century and deep into the 20th century. Best known as a playwright, he was also a famous critic, political activist and polemicist, stoking controversy to provoke debate. His first successful play was 'Arms and the Man', followed by classics including 'Man and Superman' and 'Pygmalion', which was turned into the musical 'My Fair Lady'. In 1925, he was awarded the Nobel Prize in Literature. His opinions still divide critics, but he is widely acknowledged as second only to William Shakespeare as a playwright.

**Don Juan Comes Back from the War** - Ödön von Horváth 2012-06-18

Amidst political and economic upheaval, Don Juan finds himself increasingly at odds with the man he used to be. Is this notorious lothario about to experience a sudden change of heart? Ödön von Horváth's startling tale of displacement and isolation in the aftermath of the Great War is presented in a bold new adaptation by award-winning playwright Duncan Macmillan.
