Why Women Have Sex - Cindy Meston 2010-04-01

Why do women have sex? Is it purely for pleasure or the desire to reproduce? In their ground-breaking book, clinical psychologist Cindy Meston and evolutionary psychologist David Buss investigate the underlying sexual desires of women and identify 237 distinct motivations for sex. Drawing on more than a thousand intensive interviews conducted solely for the book, as well as their pioneering research on physiological response and evolutionary emotions, Meston and Buss give us a remarkably complex and nuanced portrait of female sexuality. They explore the use of sex as a defensive tactic against a man's infidelity (protection), as a ploy to boost self-confidence (status), as a barter for gifts (resource acquisition), or even as a cure for a headache (medication). *Why Women Have Sex* explores the deep-seated psychology and biology of female sexuality, and promises to inform every woman's - and her partner's - awareness of her relationship to sex and her own sexuality.

The Fangirl's Guide to the Galaxy - Sam Maggs 2015-05-12

This ultimate handbook for ladies living the nerdy life is a fun and feminist take on the often male-dominated world of geekdom. Fandom, feminism, cosplay, cons, books, memes, podcasts, vlogs, OTPs and RPGs and MMOs and more—it's never been a better time to be a girl geek. With delightful illustrations and an unabashed love for all the in(ternet)s and outs of geek culture, this book is packed with tips, playthroughs, and cheat codes, including: • How to make nerdy friends • How to rock awesome cosplay • How to write fanfic with feels • How to defeat internet trolls • How to attend your first con And more! Plus insightful interviews with fangirl faves, like Jane Espenson, Erin Morgenstern, Kate Beaton, Ashley Eckstein, Laura Vandervoort, Beth Revis, Kate Leth, and

many others.

The Smart Girl's Guide to Polyamory - Dedeker Winston 2017-02-07

No one likes a know-it-all, but everyone loves a girl with brains and heart. *The Smart Girl's Guide to Polyamory* is an intelligent and comprehensive guide to polyamory, open relationships, and other forms of alternative love, offering relationship advice radically different from anything you'll find on the magazine rack. This practical guidebook will help women break free of the mold of traditional monogamy, without the constraints of jealousy, possessiveness, insecurity, and competition. *The Smart Girl's Guide to Polyamory* incorporates interviews and real-world advice from women of all ages in nontraditional relationships, as well as exercises for building self-awareness, confidence in communication, and strategies for managing and eliminating jealousy. If you're curious about exploring group sex, opening up your current monogamous relationship, or ready to “come out” as polyamorous, this book covers it all! Whether you're a seasoned graduate, a timid freshman, or somewhere in between, you'll learn how to discover and craft unique relationships that are healthy, happy, sexy, and tailor-made for you. Because when it comes to your love life, being a know-it-all is actually a great thing to be.

The Driveway Rules - Marc Sander 2020-01-28

The Driveway Rules is my book of memoirs. It focuses on my struggles when it comes to dating but also has fun entries about various adventures in my life. I am introspective and have learned a lot about my struggles through the years. The point of our struggles is to use them as an opportunity for growth and perhaps to help others later in life. This book is poignant, philosophical and humorous. Next to penicillin laughter is the best medicine.

A Good Girl's Guide to Murder (A Good Girl's Guide to Murder, Book 1) -

Holly Jackson 2019-05-02

The New York Times No.1 bestselling YA crime thriller that everyone is talking about. Soon to be a major BBC series! THE WINNER OF THE BRITISH BOOK AWARD'S CHILDREN'S BOOK OF THE YEAR 2020 SHORTLISTED FOR THE WATERSTONES CHILDREN'S BOOK PRIZE 2020

The Shy Guy's Guide to Dating - Barry Dutter 2011-04-01

The authoritative guide that will take shy guys everywhere—from the first date to home plate. "Hey baby, what's your sign?" "Come here often?" These lines may work in the movies, but not in real life, and not for the millions of guys too shy to risk their dignity on such flimsy pickup lines. Barry Dutter knows, he used to be a shy guy himself, sitting at home night after night watching television because asking a woman for a date was simply too scary. Not anymore. He's learned dozens of tricks to help shy guys ease into the swing of dating while avoiding humiliating rejections and romantic disasters. Keeping a shy guy's tender ego in mind, he tells guys where to meet women, which ones to approach and which to avoid. Readers will learn what to do with them, and how to act from the first date through commitment time. Filled with hilarious lessons from the pop culture we grew up in, this witty, commonsense guide is a must for everyone who's ever been afraid to try—which means everyone.

The North-western Monthly - 1896

The Crush Dilemma - Susan Hatler 2016-07-13

Teen geek, Poppy Pinkleton, is adding some spice to her junior year of high school: A year of psychological experiments that will 1) Earn her three units of college credit; 2) Give her an outlet to say what she wants, when she wants; and 3) Will NOT include her parents telling her to be the "bigger person." How, you ask? Poppy's gotten the green light from Ms. Peterson, the newspaper head, to write an online advice column for the school. She's found the perfect name for her alter ego: Aubrey. It means someone who rules with "magical wisdom." She'll be in control of her online experiment, online identity, and divvy her wisdom to the

masses while tracking the results for her mini-thesis. Now, protected by a secret identity, she's got the popular crowd clambering to know what she thinks about fashion, homework, and eek . . . even sex! And the best part is, her parents and best friends don't know anything about it. Finally, she can let loose a wild side and speak her mind—right or wrong, without having to meet anyone's expectations. Soon, however, dishing out advice leads to more than Poppy can handle on her own and she must make a choice. Hide behind her alter ego or take the chance that everyone, including the new boy at school, will like her for everything she is.

How to Get Laid in Less Than Three Dates - TayloR Puck

How to Attract Women If You're Not That Attractive - Enrique Voltaire 2017-04-13

What is the Best Way to Approach an Attractive Lady? How do you get her attention? What should you say? How do you ask for her phone number? Some guys are so good-looking that girls naturally flock to them. Other guys, who are not as genetically blessed, have to use courage, humor, intelligence, psychology, and resiliency to attract beautiful women. How to Attract Women if You're Not That Attractive answers everything you need to know about attracting women if you do not look like Prince Charming.

Mean Girls at Work: How to Stay Professional When Things Get Personal - Katherine Crowley 2012-11-02

One of the New York Post's Top 10 Career Books of 2012 and a Booklist Top 10 Business Book DO YOU WORK WITH A MEAN GIRL? A woman's field guide to the new frontier of professional development—working with other women Women-to-women relationships in the workplace are . . . complicated. When they're good, they're great. But when they're bad, they can ruin your day, your week—even your year. Packed with proven advice from two of today's leading experts in workplace relationships, this one-of-a-kind guide gives women the tools they need to navigate difficult situations unique to women-to-women relationships—whether with a boss, a colleague, a client, or an employee. Have you dealt with a

woman in the workplace who: “Accidentally” excludes you from important meetings? Seems intent on taking you down professionally? Gossips about you with other coworkers? Makes you look bad by missing deadlines? Forms a “pack” of mean girls to make your life miserable? Mean Girls at Work isn’t just about surviving difficult situations. It’s about transforming a toxic relationship into one that benefits and supports both of you. This book is also for women who engage in mean behavior . . . but don’t know it. After all, who hasn’t gossiped about a female coworker? Who hasn’t rolled her eyes in the presence of a woman she doesn’t like? Who hasn’t scanned another woman head to toe—which is just a nonverbal way of saying, “You’ve just been judged”? The authors provide invaluable advice to the more subtle ways of being mean—even if they’re not intended. With a workforce composed of a higher percentage of women than ever, workplace dynamics have changed. Crowley and Elster cover every conceivable scenario, providing critical advice on how to rise above the fray and move forward professionally. Mean Girls at Work is your map to dodging the mines and moving forward in today’s transformed workplace. Praise for Mean Girls at Work “An invaluable suit of armor for surviving nine to five!” —Leil Lowndes, bestselling author of *How to Talk to Anyone* “If you think the emotional cruelty of comedies like *Mean Girls* and *Heathers* doesn’t exist in the real world workplace, think again. In *Mean Girls at Work*, Katherine Crowley and Kathi Elster valuably chronicle female vs. female predators and offer solid defensive strategies.” —Ann Kreamer, author of *It’s Always Personal: Navigating Emotion in the New Workplace* “Whether you are in your twenties and just starting your professional career, your midcareer forties, when you are supposed to have figured it out already, or a woman in her fifties or sixties who’s seen it all—this book is a must-read. . . . The authors have finally given women the tools and the sound advice necessary to deal with . . . conflicts that keep us all from succeeding. . . . Carry this book with you to work every day!” —Carolyn Cassin, President, Michigan Women’s Foundation “A must-read for women of all ages in today’s workforce. This book offers what we all need to develop the capacities to endure this ever-changing workplace. We know it is all

about relationships and you need the skills outlined in this book to survive and thrive when the Mean Girls attack.” —Kim Harrington, Coordinator, Professional Development and Training, Office of Human Resources, California State University, Sacramento
The Pocket Daring Book for Girls - Andrea J. Buchanan 2008-10-28
 Revisit old favorites and discover even more facts and stories. The perfect pocket book for any girl on a quest for knowledge. Includes New Chapters + the Best Wisdom & Wonder from *The Daring Book for Girls*
Choose Love - Margot Schulman 2019-07-15
 This is the book for you if you feel stuck in old, unhealthy patterns in your close relationships. It offers simple, practical tools to permanently shift your relationship with your self as well as your loved ones.
The Playa's Guide on Getting (And Keeping) the Girl - Xavier King 2013-05-09
 About the Book The information provided is for men (and maybe women) who need just a little help getting and/or keeping a girlfriend or just to entertain people. This book is not intended to create "Players". Player is such an ugly word; I prefer Ladies' Man, Casa Nova, Don Juan, Romeo. From picking up girls at the mall to morning routines to keep yourself looking your best, the guide goes through basic and advanced techniques and preparation skills on how to get girls. No one should be too ashamed or too proud to read this book. Once anyone reads "The Playa's Guide on Getting (and Keeping) The Girl", they should have a better understanding on how to obtain and maintain a significant other in a healthy, happy relationship. Playa!
Grendel's Guide to Love and War - A. E. Kaplan 2017-04-18
 The Perks of Being a Wallflower meets *Revenge of the Nerds* in this tale of a teen misfit who seeks to take down the bro next door, but ends up falling for his enemy’s sister and uncovering difficult truths about his family in the process. Tom Grendel lives a quiet life—writing in his notebooks, mowing lawns for his elderly neighbors, and pining for Willow, a girl next door who rejects the “manic-pixie-dream” label. But when Willow’s brother, Rex (the bro-iest bro ever to don a jockstrap), starts throwing wild parties, the idyllic senior citizens’ community where

they live is transformed into a war zone. Tom is rightfully pissed—his dad is an Iraq vet, and the noise from the parties triggers his PTSD—so he comes up with a plan to end the parties for good. But of course, it's not that simple. One retaliation leads to another, and things quickly escalate out of control, driving Tom and Willow apart, even as the parties continue unabated. Add to that an angsty existential crisis born of selectively reading his sister's Philosophy 101 coursework, a botched break-in at an artisanal pig farm, and ten years of unresolved baggage stemming from his mother's death . . . and the question isn't so much whether Tom Grendel will win the day and get the girl, but whether he'll survive intact. "Deep and uproarious all at once . . . A clever spin on a weighty classic." —Kirkus, starred review "An outstanding YA novel balancing comedy with substantial themes of love, death, and healing." —SLJ, starred review

Megan Meade's Guide to the McGowan Boys - Kate Brian 2008-06-23

When she was nine, Megan Meade met a group of terrible, mean, Popsicle-goo-covered boys, the sons of her father's friend -- the McGowan boys. Now, seven years later, Megan's army doctor parents are shipping off to Korea and Megan is being sent to live with the little monsters, who are older now and quite different than she remembered them. Living in a house with seven boys will give Megan, who has never even been kissed, the perfect opportunity to learn everything there is to know about boys. And she'll send all her notes to her best friend, Tracy, in... Megan Meade's Guide to the McGowan Boys Observation #1: Being an army brat sucks. Except that this is definitely a better alternative to moving to Korea. Observation #2: Forget evil, laughing, little monsters. These guys have been touched by the Abercrombie gods. They are a blur of toned, suntanned perfection. Observation #3: I need a lock on my door. STAT. Observation #4: Three words: six-pack abs. Observation #5: Do not even get me started on the state of the bathroom. I'm thinking of calling in a hazmat team. Seriously. Observation #6: These boys know how to make enemies. Big time. Megan Meade will have to juggle a new school, a new family, a new crush -- on the boy next door, as in next bedroom door -- and a new life. Will she survive the McGowan boys?

The Guyde - Howie Reith 2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and

you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

Astrology for Real Relationships - Jessica Lanyadoo 2019-12-31

A modern, inclusive guide to astrology that uses the zodiac to illuminate your love life as well as your relationships with your family, your friends, and yourself. When it comes to friendship, family, and romance, we all want the same things: to love and be loved, to communicate, to fight fair, and to feel okay in our own skin. Illuminating and accessible, Astrology for Real Relationships includes a primer on basic zodiac knowledge—including the importance of your Sun, Moon, and the planets in your birth chart—before exploring how self-love and self-care affects all types of relationships. Once your mental health and spiritual and emotional wellness are balanced, you can be empowered in your relationships, including:

- Friends and chosen family: The Sun governs your identity and your will. Are you comfortable being yourself? Do your friends see you in the same ways that you see yourself?
- Hanging out and dating: The Moon governs your feelings and emotions. Are you honest with yourself about how you feel and what you really need from a partner?
- Long term relationships: Mars is the planet of conflict. Do you always seem to be attracted to the wrong people? Are women really from Venus and men from Mars? Full of real talk about attraction, dating, sex, frenemies, self-love, mental health, and how to deal with family, this book will help you build and maintain strong connections—with your crushes, your spouse, your boss, or your mom—and uncover and empower you to get what you really want in relationships, not what you think you should want.

Get the Guy - Matthew Hussey 2013-01-31

Written by the hottest dating coach on the scene, Matthew Hussey, this book offers clear, honest and practical advice for women on how to find their ideal man - and, importantly, how to keep him. Using simple steps, Matthew guides us through the complex maze of dating and shows us just how to find the guy, get the guy and keep the guy. In Get the Guy, Matthew shares his dating secrets and provides women with the toolkit they need to approach men, and to create and maintain relationships. Along the way, he explodes some commonly held myths about what it is that guys really want, shares strategies on how women can take control of their dating destinies and empowers them to go out there and find an exhilarating, adventurous love life.

Ask a Manager - Alison Green 2018-05-01

'I'm a HUGE fan of Alison Green's "Ask a Manager" column. This book is even better' Robert Sutton, author of The No Asshole Rule and The Asshole Survival Guide 'Ask A Manager is the book I wish I'd had in my desk drawer when I was starting out (or even, let's be honest, fifteen years in)' - Sarah Knight, New York Times bestselling author of The Life-Changing Magic of Not Giving a F*ck A witty, practical guide to navigating 200 difficult professional conversations Ten years as a workplace advice columnist has taught Alison Green that people avoid awkward conversations in the office because they don't know what to say. Thankfully, Alison does. In this incredibly helpful book, she takes on the tough discussions you may need to have during your career. You'll learn what to say when:

- colleagues push their work on you - then take credit for it
- you accidentally trash-talk someone in an email and hit 'reply all'
- you're being micromanaged - or not being managed at all
- your boss seems unhappy with your work
- you got too drunk at the Christmas party

With sharp, sage advice and candid letters from real-life readers, Ask a Manager will help you successfully navigate the stormy seas of office life.
